

Scholarships, Loans, Bursaries and Awards

Scholarship Program

Historically, most of the scholarships awarded under the Bishop's University Scholarship Program were established by gifts from individual or corporate benefactors, some made over 150 years ago. The Bishop's University Foundation has provided the funds necessary to raise these scholarships to amounts more in keeping with the needs of present day students, as well as funding new scholarships to keep pace with the growth of the scholarship program as a whole. The University is grateful to the many donors who support our scholarship program.

Entrance Scholarships

No formal application is required for most entrance scholarships: all applications for admission from CEGEP and high school students received by the March 1 deadline are eligible for scholarship consideration. Applicants after March 1st are considered on an individual basis and are not eligible for Dean's Scholarships.

Decisions on entrance scholarship awards are normally made following receipt of a student's final results to the end of the Fall semester in their final academic year. Students who do not qualify for a scholarship award based on their Fall results will be -re-evaluated on receipt of their final transcript for the academic year.

Students are informed of scholarships in their initial letter of admission.

Applicants from Canadian, grade 12, high schools are guaranteed

\$1000 -per academic year with 80 to 84% averages; 82 to 84% for applicants to Educational Studies

\$2000 per academic year with 85 to 89% averages

\$3000 per academic year with averages of 90% and higher

Applicants from the Quebec CEGEP system are guaranteed

\$2000 per academic year with an R-Score between 28-31.9

\$3000 per academic year with an R-Score greater than 32

Students are also informed in the award portion of their admission letter that they must:

1. maintain the required average on their final transcript to confirm their scholarship award. Should that average not be achieved, the scholarship will be reduced to the appropriate value or forfeited.
2. successfully complete the required level of studies (Gr.XII Diploma, OSSD with at least 6 U/M level courses, or DEC) before they register for their first semester at Bishop's. Should their studies not be completed, the scholarship is forfeited.
3. accept the offer of admission/scholarship by early May by paying the \$100 confirmation fee (which is refundable until late June).

There are also a number of Dean's Scholarships (\$4000 per academic year) available each year. Application forms are enclosed with the admission package of all applicants granted \$3000 scholarships, and must be returned with required documentation by May 1st. Dean's Scholarships, when awarded, replace the earlier \$3000 award.

All entrance scholarships are renewable for either three or four years in the completion of a Bishop's program as indicated in the student's confirmation of admission or confirmation of the

student's last program change in the completion of their Bishop's degree. Conditions for renewal are listed below.

Second/Third Year Scholarships:

No formal application is required: all students who do not already hold a Bishop's scholarship are considered.

In order to be eligible for a scholarship, a student must:

1. have completed a minimum of 30 credits in the previous September through April academic year at Bishop's with an academic average of at least 80.0% calculated on their best 30 credits completed (including lab credits).

Exception: students participating in an internship, co-op placement, or practicum will have their file evaluated by the ASAP Committee.

2. be registered in their first undergraduate degree.

Exception: A student may make a written request to the ASAP Committee via the Admissions Office for their scholarship eligibility to be extended to their second degree. A one year scholarship at 50% of the normal value could be approved at the discretion of the ASAP Committee.

3. Have at least 12 credits remaining to be completed in their minimum credit requirements for their degree as indicated in their admission letter or latest program change.

Exception: A student may make a written request to the ASAP Committee via the Admissions Office for their scholarship eligibility to be extended to a fourth year for students in a three year program or a fifth year in a four year program. A scholarship for an additional year at 50% of the normal value could be approved at the discretion of the ASAP Committee.

Students who complete the academic year fulfilling the above conditions will be eligible for consideration for a scholarship for the following academic year. The value of these awards may vary from year to year. Scholarships, if awarded, will be renewable for the remainder of the student's program ("program" is defined as the minimum credit requirements for a student's degree as indicated in their admission letter or latest program change) if the scholarship renewal regulations are met.

As many as six larger scholarships may also be available in each academic year, which would replace any lesser Bishop's scholarship if awarded. No application is necessary, as these scholarships are awarded to the most outstanding non-graduating students in the University.

Students are notified of scholarship awards in mid to late May.

Payment of a scholarship in each academic year

1. Scholarship awards are credited to a student's Bishop's account in two equal installments, one at the beginning of each of the Fall and Winter semesters. If the value of the scholarship exceeds the amount charged to the student account for that semester, the balance of that semester's payment is paid to the student.

N.B. Includes students on a recognized Bishop's University exchange program.

2. Scholarship students must be registered at Bishop's on a full-time basis (minimum 12 credits) in each semester in order to be eligible for their award.

Exceptions:

- a. Students in their final semester who require fewer than 12 credits to graduate may petition the Registrar to retain their full-time status, and receive a pro-rated payment.
- b. Students on a recognized Bishop's University Exchange program.

- Scholarship students must complete their Fall semester studies at Bishop's with an average of 70.0% in order to be eligible for the Winter installment of their award. Should the student's average fall below 70.0%, their scholarship is lost effective that January semester.

Conditions for renewal of a scholarship for the following year:

A student on scholarship:

- must complete a minimum of 30 credits (including lab credits) in each September through April (Fall/Winter) academic year with averages as indicated on the website to have their scholarship renewed at the value indicated below for the following year.

Courses completed in the Spring or Summer School cannot be included in the calculation.

Exception: A student on a recognized Bishop's Exchange must complete a 30 credit (or equivalent, as determined by the Divisional Dean) course load at the exchange institution with a first class average for scholarships with a total value under \$3000 or with an average equivalent to 85% for scholarship awards with a total value of \$3000 or more.

Students who lose a larger scholarship because their average falls below 85.0% will receive an appropriate lesser scholarship should they qualify.

Scholarship students who wish to reduce their course load below 30 credits must obtain the written permission of the ASAP Committee in advance of making their course registration. Requests should be submitted through the Admissions Office.

- may not have less than 12 credits remaining to complete towards their minimum credit program requirements specified in the student's letter of admission (or the last letter confirming a program change) when scholarship renewal decisions are made.

Exception:

A student may make a written request to the ASAP Committee via the Admissions Office for their scholarship eligibility to be extended to a fourth year for students in a three year program or a fifth year in a four year program. Extension of the scholarship for an additional year at 50% of its value could be approved at the discretion of the ASAP Committee.

General information:

- Scholarship students must successfully complete the requirements of the Writing Proficiency program in their first year at Bishop's, or forfeit their scholarship. The Writing Proficiency Test credit for EWP 099 cannot be included in the 30 credit minimum required for scholarship students. The course EWP 099 is included in the credit count and in the average.
- Non-credit English as a Second Language courses cannot be included in the 30 credit minimum required for scholarship students, nor in the calculation of the student's academic average, unless the student is formally enrolled in the full-time Certificate in Intensive English as a Second Language (CONELI) program.
