## Scholarship Program

Historically, most of the scholarships awarded under the Bishop's University Scholarship Program were established by gifts from individual or corporate benefactors, some made over 155 years ago. The Bishop's University Foundation has provided the funds necessary to raise these scholarships to amounts more in keeping with the needs of present day students, as well as funding new scholarships to keep pace with the growth of the scholarship program as a whole. The University is grateful to the many donors who support our scholarship program.

## Entrance Scholarships

No formal application is required for most entrance scholarships: all applications for admission from CEGEP, high school, and IB students received by the March 1 deadline are eligible for scholarship consideration. Applicants after March 1st are considered on an individual basis and are not eligible for Dean's Scholarships.

Scholarship offers will be made with the offer of admission and will include the conditions for the acceptance of their scholarship. All scholarship offers are reevaluated upon receipt of final high school/CEGEP results. Students who do not meet the conditions outlined below will have their scholarship amount reduced or forfeited.

## Applicants from Canadian grade 12 high schools are guaranteed

\$1000 per academic year with 80 to 84.9% averages\*; 82 to 84.9% for applicants to Educational Studies

\$2000 per academic year with 85 to 89.9% averages\*

\$3000 per academic year with averages\* of 90% and higher

## Applicants from the Quebec CEGEP system are guaranteed

\$2000 per academic year with an R-Score\* between 28-31.9

\$3000 per academic year with an R-Score\* greater than 32

## IB applicants are guaranteed

\$1000 per academic year with an IB score\* between 28-29

\$2000 per academic year with an IB score\* between 30-35

\$3000 per academic year with an IB score\* greater than 36

\* Admission average is used for scholarship consideration

Students must:

1. maintain the required average on their final transcript to confirm their scholarship award. Should that average not be achieved, the scholarship will be reduced to the appropriate value or forfeited.
2. successfully complete the required level of studies (Gr.XII Diploma, OSSD with at least 6 U/M level courses, or DEC, IB Diploma) before they register for their first semester at Bishop's. Should their studies not be completed, the scholarship is forfeited.
3. accept the offer of admission/scholarship by May 31 by paying the \$100 confirmation

## Dean's & Named Scholarships

There are also a number of other Dean's and Named Scholarships (\$4000 per academic year) available each year. All applicants granted a \$3000 scholarship are encouraged to apply, application forms are available on the website. Completed forms must be returned with required documentation by March 1<sup>st</sup>. Dean's and Named Scholarships, when awarded, replace the earlier \$3000 scholarship.

Students who are commencing their studies for the first time in the Winter semester, are eligible for a half-scholarship for their first semester, provided they have applied before November 1 and accepted their offer of admission by December 1. All entrance scholarships are renewable for a maximum of four years (123 course credits) which may include Bishop's graduates continuing into the Bachelor of Education.

## Conditions for renewal of a scholarship:

1. must complete a minimum of 30 credits (including lab credits) in the previous September to August at Bishop's University with an academic average of at least 80% calculated on their best 30 credits.

Exception:

- a) A student on a recognized Bishop's Exchange must complete a full time credit course load with first class average (as determined by the ASAP committee) at the exchange institution for scholarships with a total value under \$3000 or with an average equivalent to 85% for scholarship awards with a total value of \$3000 or more.
- b) Students commencing their studies in the Winter semester must be registered in at least 15 credits and maintain an average of at least 80%

Students who lose a larger scholarship because their average falls below 85.0% will receive the appropriate lesser scholarship amount should they qualify.

2. must be a registered full time student in the Fall and Winter semesters.
3. Scholarship students must complete their Fall semester studies at Bishop's with an average of at least 70.0% and be registered at Bishop's on a full-time basis (minimum 12 credits) for the Winter semester, in order to be eligible for the Winter installment of their award. Should the student's average fall below 70.0%, or should they register in fewer than 12 credits, their scholarship is lost effective that Winter semester.

## General information:

1. scholarship students must successfully complete the requirements of the Writing Proficiency program in their first year at Bishop's, or forfeit their scholarship. The Writing Proficiency Test credit for EWP 099 cannot be included in the 30 credit minimum required for scholarship students. The course EWP 099 is included in the credit count and in the average.
2. non-credit English as a Second Language courses cannot be included in the 30 credit minimum required for scholarship students, nor in the calculation of the student's academic average,

unless the student is formally enrolled in the full-time Certificate in Intensive English as a Second Language (CONELI) program.

### Second/Third Year Scholarships:

No formal application is required: all students, including those who already hold a Bishop's scholarship are automatically considered.

In order to be eligible for a scholarship, a student must:

1. have completed a minimum of 30 credits in the previous September through August at Bishop's University with an academic average of at least 80.0% calculated on their best 30 credits completed (including lab credits) during that period.

Exception: students participating in an internship, co-op placement, or practicum will have their file evaluated by the ASAP Committee.

2. be registered in their first undergraduate degree.
3. must be a registered full time student in the upcoming Fall semester.

Students who complete the academic year fulfilling the above conditions will be awarded a scholarship for the following academic year. The value of these awards may vary, depending on academic performance.

Students are notified of scholarship awards in writing by August 15.

### Payment of a scholarship in each academic year

1. Scholarship amounts are credited to a student's Bishop's account in two equal installments, at the beginning of the Fall and Winter semesters. If the value of the scholarship exceeds the amount charged to the student account for that semester, the balance of that semester's payment is credited to the following semester.

N.B. Includes students on a recognized Bishop's University exchange program.

2. Scholarship students must be registered at Bishop's on a full-time basis (minimum 12 credits) in the Fall and Winter semesters in order to be eligible for their award.

Exceptions:

- a. Students in their final semester who require fewer than 12 credits to graduate may petition the Registrar to retain their full-time status, and receive a pro-rated award.
- b. Students on a recognized Bishop's University Exchange program.

## Prizes

To be eligible for any prize, students must be in an honours or a major program, and must have completed a minimum of 30 credits at Bishop's University. There are two major categories of prizes: University-wide prizes, for which students in any program may compete; and Departmental proficiency prizes, which are awarded for excellence in a particular discipline or program.

To be eligible for a University-wide prize, a student must have a minimum cumulative average of 80% over all courses completed. A graduating student must have completed at least 60 credits at Bishop's University; a non-graduating student must have completed a minimum of 30 credits at Bishop's.

To be eligible for any Departmental prize, a student must have completed at least 30 credits at Bishop's University, and must have a minimum average of 80% in courses in the discipline (or accepted cognate courses).

Where non-academic criteria are included in the specifications for a prize, students with an average not lower than 75% may be considered to be eligible.

No prize may be awarded more than once to the same student.
