

Bishop's Gaiters Basketball Camp

Message from your Camp Co-Directors

Dear Parents and Campers:

We are very much looking forward to August and once again teaching basketball to youngsters who come from the entire province of Quebec, eastern Ontario, the Maritimes, and even Europe and the USA.

An outstanding staff awaits you, including many players from the Gaiter varsity teams. They look forward to helping each camper develop their skills. The rest of the staff includes high school and college coaches and some players who play in the NCAA.

We sold out last year, with over 100 campers, and there is a reason for that. Our camp is the finest residential camp in Eastern Canada and our campers learn while having fun. Our facilities are outstanding and each camper receives personal attention. Our emphasis is on learning — the only score that counts to us is whether you improved and had fun doing it.

We look forward to seeing our returning campers as well as those attending for the first time.

Don't be disappointed, our camp fills up quickly.

See you on the court!!
