Applicants from BC High Schools
Approved Grade 12 Courses

Other than the exams needed to graduate from high school, applicants are not required to write the BC Provincial Exams. BC Provincial Exam grades, including exams for English 12 or English 12 First Peoples, will be included in the admission decision only if they increase the student's admission average.

The following courses are approved Grade 12 courses. They can be used to calculate a student's admissions average.

AP & IB:

- All Advanced Placement courses (AP Calculus cannot be used instead of Principles of Mathematics 12 or Pre-Cal 12 for programs that require Principles of Mathematics 12 or Pre-Cal 12)
- All International Baccalaureate courses
