HOME COMING

Homecoming is a time to celebrate Bishop's Alumni and school spirit. Everyone shares a common goalto cheer on our Gaiters together. It is a day filled with alumni parking lot gatherings, BBQ's live music and dancing in the tent, hot dogs and beer, then off to the pub reception to socialize with the team!

GAITERS ROSTER

MEN'S FOOTBALL

With a revamped offense and a dominating running game, the Bishop's Gaiters returned to post-season play for the first time in three years. Unfortunately, injuries, especially to the defense, did not allow the team to reach its full potential. The Gaiters finished with a 4-4 record, beating the Queen's Golden Gaels in Kingston in the last regular season game to clinch the final playoff spot. In the semis, BU battled Concordia, eventual Vanier Cup finalists, right to the wire, before falling 27-17. O.J. Burnett led the O-QIFC in rushing for a second straight year with 1009 yards and 10 touchdowns, while Rob Smith led the Gaiters in tackles. Both were chosen to the O-QIFC All-Star Team.

The 98-99 Gaiters finished with an overall record of 15 wins and 15 losses which included a record of 10 wins and 10 losses in conference play that placed the team in third place. The Gaiters for the second straight year succumbed to the Laval Rouge et Or in the playoffs losing 87 - 74 in the QSSF semi final.

The year was highlighted by the Gaiters being nationally ranked in the CIAU Top Ten for the first time since 1991. This was due to some impressive pre-season play which included a 67-66 victory over rival Laval and a second place finish at the prestigious Lakehead 'Saxon Super 8' Tournament.

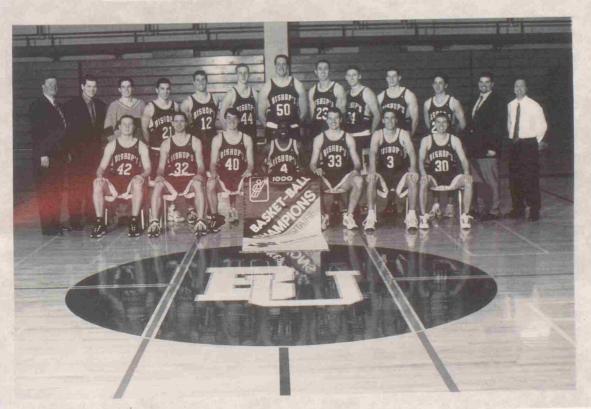

Individual highlights included 3rd year point guard Cynthia Hitchcock being named to the QSSF Allstar Team for the 3rd straight year and 2nd year guard Jill Hachey being named to the QSSF Allstar Team for the first time. Hachey was also selected as the Gaiter Team MVP. Other team award winners were: 3rd year forward Michelle Huneault (Team Award), 1st year forward Catherine Charbonneau(Rookie of the Year) and 1st year forward Natalie Johnston(Most Improved Player).

What do you do to follow up a National Championship season? Expectations were extremely high and the pressure was certainly on but the 98-99 edition of the Gaiters responded. The Gaiters won the Carleton Invitational to start off the year and were finalists in the prestigious UNB tournament. Ranked consistently in the top six teams in the nation, the Gaiters played with tremendous heart and purpose.

Although the Quebec Student Sport Federation (QSSF) and Ontario East interlock season was difficult, the Gaiters managed a league best 16-4 record and for the third consecutive season won the league championship while earning wins over each team in the interlock: Concordia, Laval, McGill from the QSSF and Laurentian, Ottawa, York, Ryerson, Toronto, Carleton and Queen's from the OU East. The Gaiters also had the daunting task of defending a home gym win streak that stretched to November of 1996, unfortunately a one point loss to Concordia in January ended the streak at 24. Still, capacity crowds cheered the Gaiters on who provided the locals with tremendous entertainment.

The QSSF playoff picture saw the Gaiters face perennial nemesis Concordia in a best 2 out of 3 finals. Game 1 was a disaster- played at the Concordia Gym, the Gaiters appeared two steps too slow and could not shake off an 11 day break from competition losing their confidence in a 74-55 blowout. With their backs to the wall, the veteran players spearheaded by the graduating starters-Rob Burns, Ryan Thorne, Patrice Lemieux, Joel Sherbino and Kris Ruiter were not going to be denied. Game 2 was in the friendly confines of Mitchell Gymnasium and the Gaiters pulled through with a hard fought 78-74 victory to even the series and setting the stage for a deciding game three. Game 3 was magical! Never has the Mitchell Gym held so many fans for a basketball game- close to two thousand purple clad supporters cheered the Gaiters to a magnificent 76-68 championship final win.

Not only were the Gaiters going to Halifax for their the third consecutive time but over 600 students, alumni and supporters were following the team to the Maritimes in hopes of another National Championship.

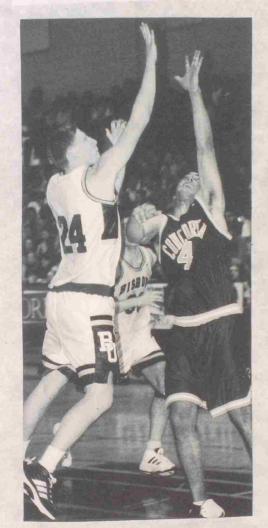

Facing an extremely talented Brandon Bobcat squad, the Gaiters just could not get going offensively and fell in the opening round by a 76-60 score. In the consolation side the Gaiters played with class and wanted to thank their fans showing it with their effort. After defeating the Ryerson Rams 81-77, the Gaiters were outlasted by Western losing 78-73. So the dream was over but not before a tremendous group of individuals could look back on their accomplishments and understand what a great mark they forged for themselves in Bishop's history!

Head Coach Eddie Pomykala had special praise for the exciting Ryan Thorne as a great leader, super scorer Patrice Lemieux, talented big man Rob Burns who earned team MVP honors, Mr. Clutch-Joel Sherbino and of course the solid as a rock Kris Ruiter who persevered through a season marred by personal tragedy and injury. Special thanks go to these gentlemen as well as Sam Roger who graduate and gave so much to the basketball program over the course of the past few years. Good Luck and thanks for the championship memories guys!

B.U.R.F.C 1998 Q.U.R.F.L CHAMPIONS

After the 1997 season which ended with a 17-0 loss to the McGill Redmen on a bitter November afternoon the Gaiters 1998 1st team was out for revenge. As our Coach BillRobson put it before the Homecoming match against McGill in 1998 "I don't care if you guys lose 85-0 to Sherbrooke as long as you beat McGill". Unfortunately the Gaiters lost that game. However following the loss to McGill the Gaiters refocused and went on to win the remaining 3 Games of their regular season ending with a team record of 4-2. The teams overall record left them in 1st place in the Q.U.R.F.L securing home field advantage for the playoffs. November 8th 1998 was another cold rainy day however this time the Gaiters managed to pull off a 20-15 win over the Redmen in overtime. The season was a great success and 1998's victory marked the 5th Provincial championship for the Gaiters in the 1990's, making us the team of the decade. The 1998 Bishop's 1st team had a perfect mix of determination, speed, skill, and aggression. The boys earned every win, especially the Championship match. Many thanks to those vetrans leaving the squad this year, we finally got one.

Ski team wins all three titles for second consecutive year

The repeat was just as sweet.

Bishop's' ski team re-wrote the history books on the Bernard Trottier University Ski Circuit last weekend after winning the overall men's, women's and combined championships at Mont. Garceau.

The Gaiters finished with 7150.87 points, a full 2,000 more than runner-up Universite de Montreal, earning a full sweep of for the second straight year.

"I am very proud of the team and the way we handled adversity in winning the titles," said captain Alan Vlah. "To repeat as as champions is amazing."

The usual marquee names led BU enroute to victory as the same three names hogged the medal podium. But in a points-for-title format, it was indeed a true team effort that led Bishop's to victory.

Kim Bonnell, Joey Gibbons and Jackie Jenkins each brought home the hardware - Bonnell a silver and bronze, Gibbons a pair of bronze medals and Jenkins - but solid finishes by the rest of the club earned the overall titles.

On the men's side, Kenny Carruthers, J.P. Booth, Ian Cruick-shank, Vlah and Kevin Martin each had crucial top ten finishes. And had it not been for Rebekah Smiley's solid finishes and the consistent help from Nicole Mortveit and Courtney White the clean sweep would not have been a reality.

Girls Night!

Simply irresistable!

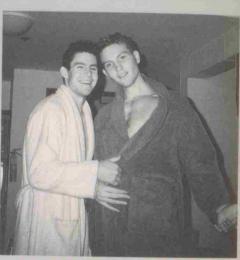

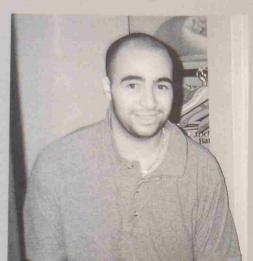

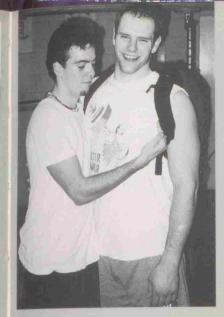

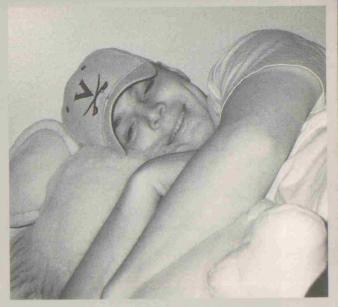

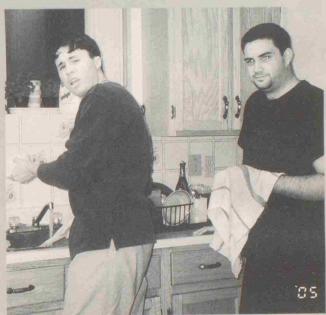

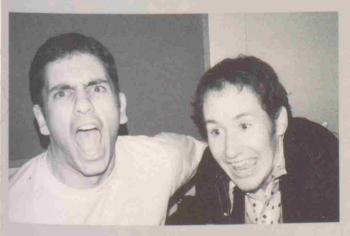

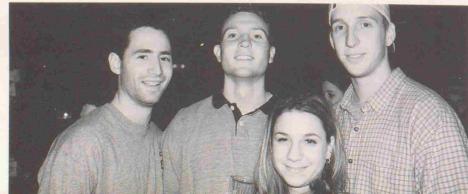

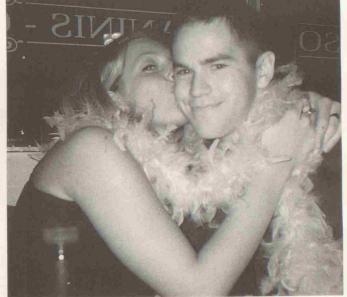

B.U. Procrastination at its Best

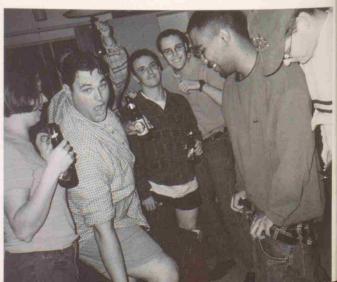

Fellow Students,

When I was asked to write a little piece for the yearbook, I thought it would be a simple task. Simply write down a few thoughts and wish people luck in the future.

Well, here I am now looking back at my four years and I cannot think of one way to write down my experience. I also know that everyone who has been here and had a chance to live Bishop's would face the same problem. We have all traveled different roads to get here, and when we are done we will all go our own way. Still, however, we stay here for 3 or 4 years (or more!) and have a chance to go through the same experience. There is something about this place that makes it special. I for one am completely satisfied. I, like many others who have been here, wouldn't trade it for the world.

For those of you who are graduating, this yearbook will provide you with many fond memories and will help you relive the "experience" over and over. For others who will be returning next year, this yearbook is an anthology of events leading to your "Bishop's experience". You have the opportunity to write the next chapter in Bishop's history. Take advantage of that fact. Get involved, participate and cheer on the Gaiters. You won't regret a minute of it.

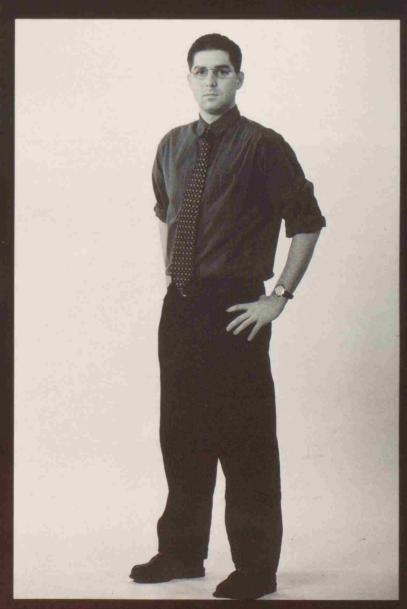

This year is also the last year before the millennium. 156 years of Bishop's University. The school has changed since then, sure. But the institution of Bishop's University is still the best place on earth. Perhaps twenty years from now people will not know what the Pub is, and perhaps Frosh week (Orientation Week) will be a thing of the past. Still, however, Bishop's will provide the same type of adventure that we went through. That is what is so great about this place.

So now, we go our separate ways. We talk on the phone, we email but it will never be same. Cherish this book and read it every so often. University friends are the ones you keep for life. Enjoy the book, and good luck in all future endeavours.

Raise a toast!

Yours in Bishop's,

Eric Bergeron SRC President 1998-99

Where are these B.U. Students?

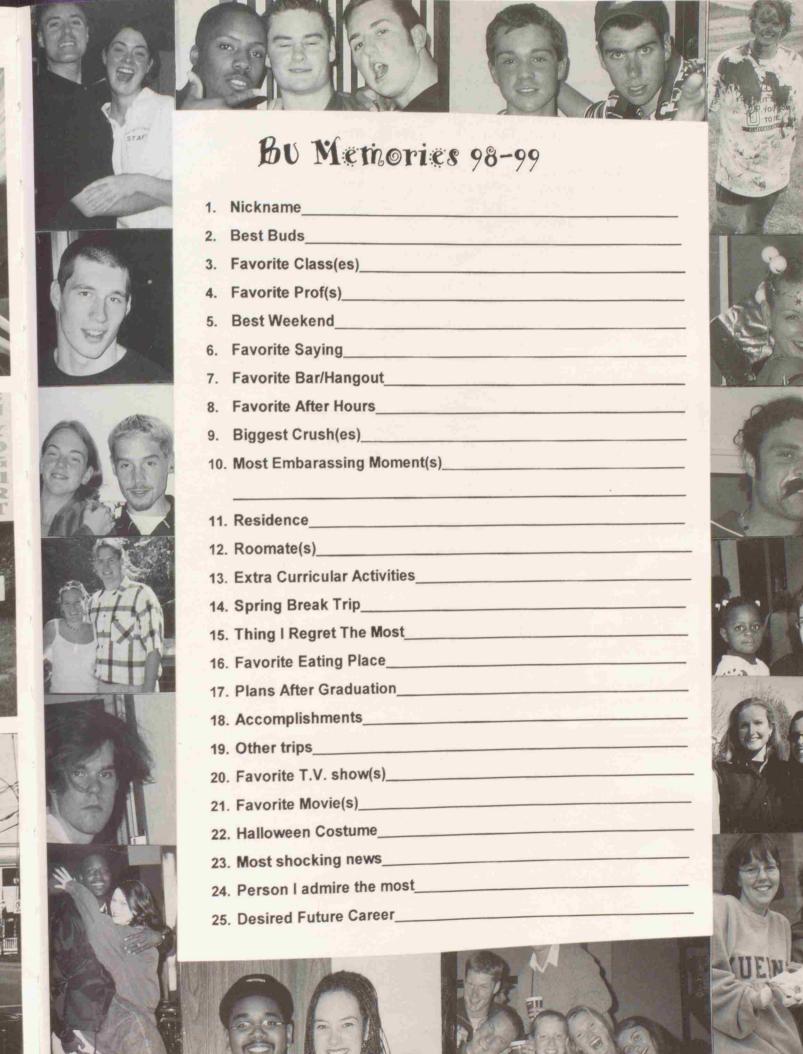

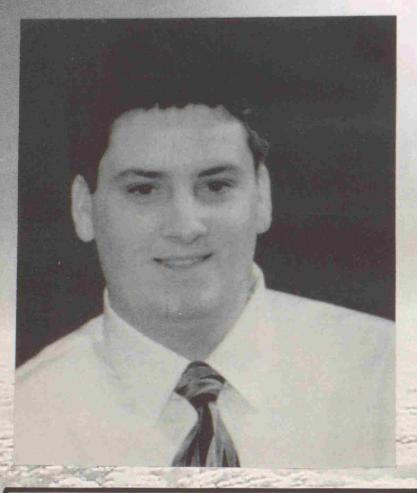

Kevin Patrick Mackle 1979-1998

DO NOT STAND BY MY GRAVE AND WEEP
I am not there, I do not sleep
I am a thousand winds that blow
I am the diamond glints on snow
I am the sunlight in ripened grain
I am the gentle autumn rain
When you awaken in the mornings hush
I am the swift uplifting rush
I quiet the birds in circled flight
I am the soft stars that shine at night
Do not stand at my grave and cry
I am not there
I did not die

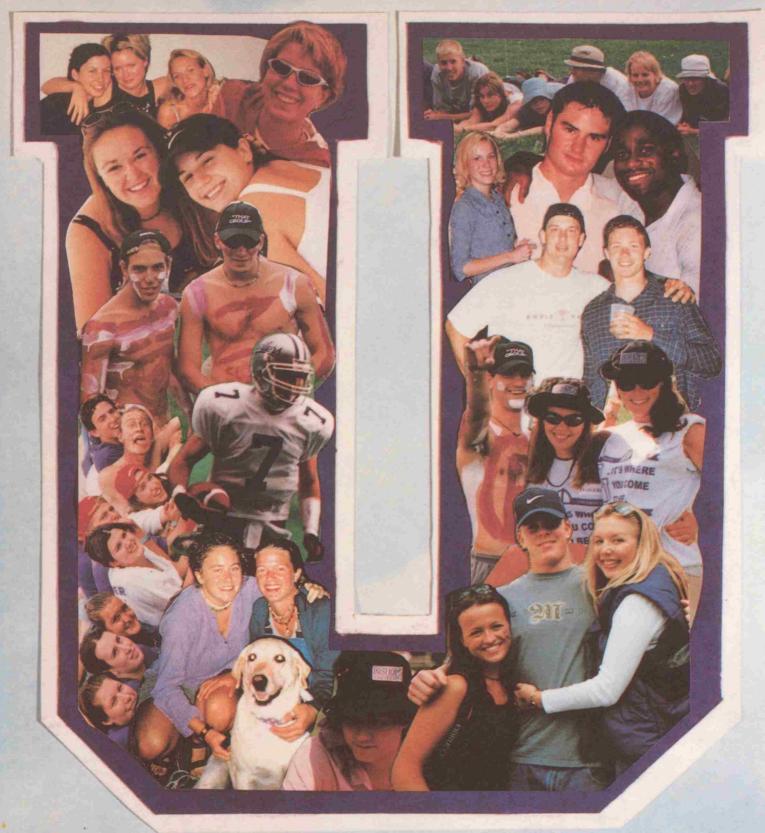

- Chris Brewster

The 1999 Bishop's Quad is dedicated to the memory of Kevin Mackle, who will be dearly missed by all who knew him.
