Program Overview / Description des programmes

The *Département d'études françaises et québécoises* puts the emphasis on the acquisition, the quality, and the improvement of the French language at all levels, and intends to serve beginner, intermediate, and advanced students as well as native speakers. The program is composed of five levels, each of which contains a minimum of two grammar and writing courses and one course focusing on oral comprehension and expression. This provides our students with a coherent and logical learning process by the end of which they can understand, read, speak, and write French correctly.

The Department also offers a number of inter and multidisciplinary courses designed for both native and advanced non-native speakers. These courses allow students to progressively master the French grammar and language, and to become acquainted with a variety of cultural movements that are significant to the francophone world. Through the study of the works of meaningful francophone artists, students will better understand and appreciate the history of the *francophonie* and its evolution.

Le Département d'études françaises et québécoises concentre ses efforts sur l'apprentissage, l'amélioration et la qualité de la langue française pour les étudiant.e.s de niveaux débutant, intermédiaire et avancé ainsi que pour les francophones. Chacun des cinq niveaux proposés comprend un minimum de deux cours axés sur la grammaire et la rédaction, et un sur l'expression et la compréhension orale, l'ensemble assurant aux étudiant.e.s une progression linguistique logique et cohérente au terme de laquelle ils pourront comprendre, parler, lire et écrire le français correctement et avec aisance.

Le département offre également une série de cours inter et multidisciplinaires, destinés aux étudiant.e.s francophones ou allophones avancés, qui permet de mieux maîtriser la langue française, d'acquérir de solides connaissances des divers mouvements culturels ayant marqué la francophonie, et de mieux comprendre pour ainsi apprécier davantage les créations artistiques fondatrices de son histoire et de son évolution.

French Placement Test

Students who have completed Grade 11 French in a Canadian institution should register directly in FRE 140; those who have studied in a francophone institution can only register in the courses with the "FRA" label (below). *All other students must take the Bishop's University French Placement Test before enrolling for the first time in a course given by our department.* Hyperlink is available on the Études françaises et québécoises and the Registrarial Services section on the Bishop's website. Test results are valid for a year, and are deleted in May.

Les étudiant.e.s ayant suivi des études à temps complet dans des établissements francophones doivent faire leur sélection parmi les cours précédés du sigle "FRA", et n'ont pas à compléter le test de placement.

Pour toutes questions concernant le Test de placement, veuillez contacter la directrice du département à stheberg@ubishops.ca

Regulations regarding the Minor, Major, or Honours in French

French as a Second Language courses ("FRE") taken by students prior to their first semester at Bishop's University cannot count for a Minor, a Major, or an Honours in French unless approved by the department. French as a Second Language courses taken outside of Bishop's University (such as an immersion course) during the students' stay at Bishop's University must also receive departmental approval — before they are undertaken. Students might be requested to take an evaluation test upon completion of those courses in order to receive Bishop's University credits.

Honours in French as a Second Language / Honours en études de la langue française et des cultures francophones (60 crédits)

HONFRA

These programs are designed for students who wish to specialize in French as a Second Language or in Études de la langue française et des cultures francophones. Often, but not necessarily, students in these programs are planning to pursue their studies at the Master's level. Each program is composed of 60 credits (20 courses) with the combined designations FRE and FRA for an Honours in French as a Second Language, and FRA only for an Honours en études de la langue française et des cultures francophones. Up to 9 credits (3 courses) in appropriate fields, previously approved by the Department, could be counted as cognates. Students must maintain an average of at least 70%, calculated on the best 60 credits in the Honours discipline (including cognates), in order to graduate with an Honours degree.

Ces programmes sont destinés aux étudiant.e.s désirant se spécialiser en français langue seconde ou en Études de la langue française et des cultures francophones. Souvent, mais pas nécessairement, les étudiants qui optent pour ces programmes planifient poursuivre des études de deuxième cycle. Chaque programme est composé de 60 crédits (20 cours) ayant les sigles FRA et FRE combinés pour le Honours French as a Second Language, et FRA seulement pour le Honours en études de la langue française et des cultures francophones. Jusqu'à 9 crédits (3 cours) suivis dans des champs d'études connexes peuvent être reconnus par le département. L'étudiant.e doit avoir maintenu une moyenne d'au moins 70 %, calculée sur les 60 meilleurs crédits de sa discipline Honours (y compris les cours connexes), pour obtenir un baccalauréat avec mention d'un programme Honours. Les étudiant.e.s ayant étudié dans des établissements francophones, ou qui ont déclaré le français comme langue maternelle ou langue d'usage, ne peuvent s'inscrire à une majeure ou Honours en French as a Second Language.

Major in French as a Second Language (48 credits)

MAJFSL

This program is designed for students who wish to become bilingual or pursue a career where a very good knowledge of French is a strong asset.

Majeure en études de la langue française et des cultures francophones (48 crédits)

MAJFPE

La Majeure en études de la langue française et des cultures francophones est un programme qui s'adresse aux étudiant.e.s francophones ou allophones de niveau avancé désirant acquérir les connaissances nécessaires pour bien maîtriser la langue française et explorer les différentes expressions culturelles de la francophonie et particulièrement du Québec.

Les étudiant.e.s devront consulter la directrice ou le directeur du Département d'études françaises et québécoises au sujet de leur sélection de cours, qui les mènera à explorer diverses disciplines, comme la rédaction, la grammaire, la traduction et la création littéraire. Un nombre maximal de trois cours FRE, de niveau 3-avancé (voir la section Progression par année de l'annuaire universitaire), peuvent être inclus dans cette majeure qui compte un total de 16 cours.

Major in Modern Languages with a French component / Majeure en langues modernes avec une composante en français (60 crédits)

MAJMLA+CONFLS

The Major in Modern Languages offered by the Department of Modern Languages requires the completion of 60 credits in two languages (30 credits in each language) and French may be chosen as one of the two languages.

La majeure en langues modernes, offerte par le Département des langues modernes, est composée de 60 crédits dans deux langues (30 crédits chacune) et le français peut être choisi comme l'une de ces deux langues.

Certificate in French as a Second Language (30 credits)

CONFLS

To obtain the Certificate in French as a Second Language, students must complete 10 courses in FRE French as a Second Language (which might include FRA courses according to the student's level). The B2 level (Common European Framework of Reference for Languages) in all four language competencies (oral comprehension, oral production, written comprehension, and written production) is mandatory to graduate from this program. Experiential learning components and outings in the local francophone community are also strongly encouraged in the curriculum.

The objectives of the Certificate in French as a Second Language is to train non-francophone students – mature, immigrant, refugee, second-degree, etc. – in becoming functional and fluent in all four language competencies (oral production, oral comprehension, written production, and written comprehension), and to reach the B2 level of the Common European Framework of Reference for Languages (CEFR) or Level 7 of the *Échelle québécoise des niveaux de compétence en français des personnes immigrantes adultes*.

The TEFAQ or the TEF Canada exam, offered at Bishop's University, is strongly recommended as an exit assessment for the program.

Minor in French as a Second Language (24 credits)

MINFSL

This program is designed for students with little or no French who wish to acquire a good working knowledge of the French language. To complete this minor, students must have at least completed FRE 141 at Bishop's.

Mineure en études de la langue française et des cultures francophones (24 crédits)

MINFRA

This program is designed for students with a good knowledge of French who wish to improve their grammar and develop a wider knowledge of the francophone cultures. Students in this program can focus on the various language skills and/or on culture and literature courses. To complete this minor, students should choose 8 courses from our "FRA" offering, although a maximum of two (2) FRE Level 3-advanced courses can be accepted in this minor.

Ce programme de 24 crédits (8 cours) s'adresse aux étudiant.e.s francophones ou allophones ayant déjà une bonne connaissance du français et qui désirent améliorer leurs connaissances linguistiques et acquérir une perspective d'ensemble des cultures francophones. Pour obtenir cette mention sur son diplôme, l'étudiant.e devra avoir complété 8 cours précédés du sigle « FRA », bien qu'un nombre maximal de deux cours FRE, de niveau 3 avancé, soient acceptés dans cette mineure.

Independent Studies / Études dirigées

Only students in their last year in the Majeure en études de la langue française et des cultures francophones are entitled, upon proposal of a detailed study plan and with a minimum average of 70% in their area of specialization (including cognates), at the end of the previous semester, to request an independent study with the professor of his/her choice.

Seuls les étudiants et étudiantes en dernière année d'une Majeure en études de la langue française et des cultures francophones peuvent, sur dépôt d'un plan d'études détaillé, et ayant, à la fin du semestre précédent, maintenu une moyenne minimale de 70 % dans leurs cours de spécialisation (incluant les cours connexes), faire une demande d'études dirigées à la professeure ou au professeur de leur choix.

Departmental Policy regarding FRE and FRA Courses

FRE courses are French as a Second Language courses and are therefore designed and reserved for non-francophone students. We consider to be francophone a student whose parents (one or both) are native French speakers, and/or a student who has studied full-time, at any moment during his/her schooling, in a francophone institution (aside from immersion programs). Exceptions can be made for some francophone students, with a mandatory permission from the Chair of the Department, to register and to obtain credits for an FRE course. Francophone students are allowed to take, without any restrictions other than specific prerequisites, any of the FRA courses offered by our department.

Politique du département pour les cours FRE et FRA

Les cours FRE sont des cours de français langue seconde. Ils sont conçus spécifiquement pour les non-francophones et leur sont donc réservés. Nous considérons comme étant francophone un étudiant ou une étudiante dont les parents (un seul ou les deux) ont le français comme langue maternelle, et un étudiant ou une étudiante qui aurait étudié à temps plein dans un établissement francophone, peu importe le niveau, au cours de son cheminement scolaire (ce qui exclut les programmes d'immersion). Avec la permission écrite de la directrice du département, un francophone pourrait faire figure d'exception et suivre un cours FRE (et en obtenir les crédits). Les francophones peuvent s'inscrire à tous les cours FRA offerts par le département. Il faut tout simplement s'assurer d'avoir les prérequis, s'il y a lieu.

Program Overview

The mission of the Department of Fine Arts is to produce independent, critical thinkers who are able to discover and synthesize diverse types of knowledge and understand the interconnections between the fine arts and other academic disciplines. Students completing the programs in Fine Arts develop a well-rounded perspective on the world; develop critical thinking skills and creative problem-solving abilities; and communication skills transferable to many environments within and beyond fine arts related fields.

Moreover, our desire is to provide students with a broad-based Fine Arts education, one which will allow them the widest possible scope for continued study leading towards visual arts-related careers. By providing students with increasingly more specialized courses, particularly in their third year of study, such as: FIN 301 Being an Artist: Ontological encounters in aesthetics and Art Education; FIN 303 Preparation of Professional Portfolio; students are introduced to fields of study potentially leading to graduate study and careers in Art Education, Studio, or professions involving digital imaging. The aim of these courses, as well as the attitude that underlies their conception, is to instill in the student a sense of purpose. We want students to see their education at Bishop's as having a real intrinsic and extrinsic worth. We want students to see their Fine Arts training as connected to the world in which they will become creative, critical, and productive citizens.

Fine Arts students are normally streamed through their first two years of full-time study. This streamed sequence creates a familiar and fertile atmosphere wherein students develop a strong understanding of each other's creative work, which in turn, promotes a cross-fertilization of ideas and approaches integral to the Studio environment. As well, this student cohesiveness set within a well-structured curriculum enables professors to pursue curriculum content that may be thematically related. In short, goals and conceptual approaches sought after in a sculpture, drawing or photography class, may be reinvestigated and re-emphasized in a painting or digital imaging class. Similarly, issues arising out of Art History courses may be reinforced within the studio environment. The ultimate task as we see it is the creation of a unified, creative, and integrated learning environment for our students. We offer a number of programs designed to (to a greater or lesser extent), bring about this mandate.

It is important to note that the degree in Fine Arts is offered in two distinct profiles. Under the oversight of the Department of Fine Arts are programs including the Major in Fine Arts Studio Concentration, the Honours in Studio, the Minor in Fine Arts and the Studio Certificate.
