BISHOP'S UNIVERSITY

THE QUAD
A Message
from the Editors

We would like to take this opportunity to thank all those who helped to put this book together - all those students who submitted photos, the photographers from The Campus from whom we borrowed so many negatives, and especially the willing slaves we like to call staff members.

We sincerely hope that you enjoy this yearbook.

Stephanie Lindeburg
and Nora McKim,
Co-Editors, 1982-83.
In Memory of Marcel Lebrun

I was honored when I was approached by the Yearbook Committee to prepare a dedication to Marcel Lebrun, Jr. Marcel was one of my closest friends at Bishop's and those who knew him well can appreciate my feelings towards him.

Marcel contributed a great deal to the life at Bishop's, while sacrificing a great deal of his own time. He had an infectious good humor which became evident on several occasions. He was always friendly and available to help others at his own expense.

During the academic school year of 1981-1982, I had an opportunity to work with him, as he was manager of the school pub. All of his efforts and actions were for the good of the pub. In fact, according to Bruce Coulter, he was the best organized pub manager Bishop's has ever had. In addition, he managed always to make football practice and maintain a good academic standing.

By the spring of 1982, he had become overweight and concerned about his position in football. During the summer of 1982, Marcel worked very hard and reported in excellent football condition for the fall training camp. As a result of his efforts and dedication towards the team he became the first string center.

Marcel was an outstanding individual and will be greatly missed by all.

Brian T. Ormond.

Since 1845, the experience of living in a university community has been an essential part of a Bishop’s education. Those of you who have perceived this, and have known how to learn from your friendships and your extracurricular activities, will I think find yourselves well prepared for earning a living, even on the unpleasantly stormy economic seas upon which you are being launched. This book of pictures, then, will serve to remind you of many of the most important things you have learned at Bishop’s ... and perhaps to give you confidence to keep looking for a challenging and satisfying job.

On your behalf I thank the editors of Quad; and I wish you good hunting!

C.I.H. Nicholl
Orientation is undoubtedly an unforgettable experience for all those who choose to get involved. Orientation '82 was no exception. Who could forget ... the pains and frustration; more importantly the zeal and elations; the rain that turned to bright sunshine ... REMEMBER ...

No caps, no "Gaitherbait", Molson's, too many cooks spoil the pancakes, wet WELCOME BOOTHs, golf cart TOURS, "Wendy, where's the WINE AND CHEESE", INTRO NIGHT and drink a toast to Bishop's University, Larry and Al's mega voices (thanks guys), MUNSTER-SCOTT BEACH, Rocky River Band, twenty zillion bags of corn, broom game, ACADEMIC BAZAAR, FIELD DAY, E.T. pyramids and the longest clotheslines Bishop's is yet to see, ties, ties and more crazy ties, BBQ AND VOLLEYBALL TOURNEY, CIRCUS BOOTH NIGHT, G.S.'s famous kissing booth and untrained poodles (tsk tsk), thunderous cheering contests, INITIATION, and Tom says, "WE ARE HAVING SO MUCH FUN", Mr. and Mrs. Gucky, EVERYTHING YOU WANTED TO KNOW ABOUT BISHOP'S but could not get out of the bed and ask, RESIDENCE ANYTHING GOES with earth ball games, tug-of-war and obstacle course, thanks to Munster 7, NMPD; Abbott and K-K-K-Kuechner, RESIDENCE MEETINGS AND SOCIALS, SCAVENGER HUNT for Lady Godiva and "edible cherry flavoured underwear", TALENT NIGHT (what talent??), the amazing CAR WASH for abused children (frosh), the wet T-shirt contests (those vans will do it to you every time ladies!!!), the OLYMPIAD and purple bridges, Bishop's Gaiters vs Concordia Stingers, half-time cheering contest, Adie's solo performance, 7-10 Guts and 42 ... who was that lady anyways???, KANGAROO COURT with Brandy's trained poodles, Eric and Barry (you were good sports), eggs, eggs, eggs, and more eggs, ORIENTATION BANQUET and CLOSING WORDS ...

A sincere Thank-You to all gaiter group leaders. You made Orientation '82 great. Also special thanks to Blair Capes and the ADR's, the staff at Dewhurst, Bert Noel, Molson's, Anne and Edith, Janet and Vicky, Colleen Page and Karen Verlinden, Richard Tachuk, Marcy Morein and Graham Boyd. 1982 Football started in late August with extremely high hopes. The Gaiters pre-season practices were excellent and guest coaches Larry Smith, Gary Chown and Robbie Allen helped the team greatly in their preparation. Bishop’s then proceeded to completely dominate the highly regarded Wilfrid Laurier Hawks in a pre-season game. Quarterback Karel Nemec passed for over 400 yards and the team appeared to be on its way. Then the injuries started. Nemec went down in the first quarter of the first game. Last year’s starting Quarterback, Peter Knee, who was looking good on defence also went out for the season. First year man, Scott Smith, played very well in relief, but he also was injured and never recovered enough to lead the team. All-round athlete Tony Amorosa was pressed into duty and kept the team respectable for the balance of the season. Despite their 0-7 record, the Gaiters lost four games by less than a Touchdown and averaged over 20 points a game. The running back tandem of Delmer Medford and Chris Skinner were as good as any in the country and receivers Phil Charron and Steve Lalonde were always a threat.

The team members have taken their losses extremely well and, in fact, are looking forward to 1983 with a great deal of enthusiasm. If Bruce Coulter can recruit well, Bishop’s should really be able to take a run at the League title next year.
A Season of Uphill Battles

TOP ROW: Murray Haley, Manager; Andrew Lamont, Rick Patrick, Alex Pringsheim, Don Planche, Bob Palmer, Captain; Bruce Fraser, Gino Danella, Dave Whittaker, Peter Campion, Gerhard Wegener, Assistant Coach.
MISSING: Dave Turner, Head Coach.

If there was one characteristic which displayed itself in the performance of the Bishop’s Gaiters this year it was a fighting spirit - one of perseverance. The players demonstrated a never-say-die attitude from the opening kick-off to the final whistle. Facing formidable opposition in nearly every match, the Gaiters strove for consistency this year - a goal not easily achieved after last year’s high player turnover.

The league was restructured in 1982 after Universite de Laval and the Universite de Montreal opted out of season play. This was less than good news for the Gaiters, as it meant that they would have to face Concordia and McGill (national champions) each three times. The remaining team was the squad from Universite de Sherbrooke. A pair of victories against our rivals across town put the finishing touches on a season of uphill battling. For the most part, the matches against McGill and Concordia were very close, the most memorable being against McGill at Molson Stadium when the Gaiters shocked the Redmen by mounting a 3-1 advantage midway through the contest.

As the season drew to a close, so did the university careers of several players. Alex Pringsheim, Eli Lee and Tom Broad put several years of hard work and emotion into the Bishop’s University men’s soccer program. They were the link from year to year which held both the program and the teams together. From this team to them, a heartfelt vote of appreciation and best wishes for the future. In addition to these players, the team extends its gratitude to Head Coach Dave Turner and Assistant Gerhard Wegener. For Dave particularly, it was a trying year but one that was nonetheless appreciated by everyone.

The Gaiters of 1983-84 have tremendous potential, for many of the key players will be returning and amongst them both leaders and supporting players. Good luck to all.

A Long and Complicated Season

SECOND ROW: Dietrich Foerstel, Coach; Charlotte Forbes, Jennifer Walker, Sonya Page, Sue Durfy, Helen Theoret, Shona Connolly, Anne Halley, Barb Ufford, Joan Ransom, Fiona Seymour, Cindy Salter, Sharron Hall, Michelle Gregoire, Maureen Patrick, Jane Lynch.
MISSING: Jennifer Lynch.

The season started with 45 hopefuls vying for membership on the 1982 Cougar soccer squad. After a tough, spirited training camp, the 28-member squad was chosen. Because of some late schedule additions, the Cougars became involved in 18 games and had to field two teams.

The B team, playing against CEGEP opponents, managed a 6 win-2 loss-1 tie record, good enough to win the consolation final.

The regular Cougar schedule saw a 6 win-1 loss-2 tie record mark the best season of late. After a lopsided opener against Green Mountain College, Vermont, the ladies defeated Concordia and the Univ. of Vermont at home and slumped to a loss and tie to Lyndon State, Vermont. The season’s highlight was the team’s 3-2 victory of the U.S. Army Cadet Corps of West Point, New York.

The season’s finale was Concordia Invitational Tournament. After defeating a very strong team from Queen’s University, in overtime, 2-1, the championship game against arch nemesis Concordia resulted in a clear 1-0 victory for the Kittens. Wendy Simons was chosen tournament M.V.P.

Despite our long and complicated season the team was rewarded with a great deal of success, a lot of fun and some remarkable shopping excursions - although the repeated “yowling” (called singing by the perpetrators) of the young CRC Boys’ team did provide a few uncomfortable hours.

Coach Foerstel wishes to thank all involved especially Captain Lisa McTavish and her cohorts Jennifer Lynch and Karen Boersma.

We had a very successful Field Hockey season with a record of 7 wins and 3 losses. Though we did not play in a regular league, this was by far the toughest schedule that the Field Hockey team has ever played. We competed against American teams and did very well. Most of the scoring was done by a strong forward line consisting of Laurie Schoolcraft, Lynn Polsen, Marjorie Knight, and Sue Evely. We also had good defensive players; Colleen Page, Wendy Waters, Edie Wescott, to name a few.

The real success of this team was the result of total team effort, which was a true pleasure to coach on and off the field.

The Feeling

Will Last

a Long Time

LEFT TO RIGHT: Dale Butterwick, Bonnie McNaughton, Senj Temple, Wendy Verrechia, Lisa Moore, Joanne Gordon, Wayne Hussey.
BOTTOM ROW: Cathy Logue, Wendy Waters, Fiona Seymour, Alison Booth.

The season started on a very low note with only four returning players. We attracted a few athletes on Campus who decided to give basketball a try. The girls worked extremely hard to overcome the fact that they had never played on a college basketball team.

Together with a great blend of experience and talent in Polson, Blackwell and Verrechia; the enthusiasm and dedication of Waters and Gordon, and the desire of Logue, Moore, Temple and Seymour, the Lady Gaiters steadily improved.

They won the Toronto, York, and McGill Tournaments, played a tough American schedule and fought off opponents all year long. There were some down moments losing two league games for the first time in six years. Rebounding back to defeat Concordia for first place and the Q.U.A.A. Championships.

The Lady Gaiters excelled to win the National title with hard fought victories over University of New Brunswick by 37 points, Brock by 18, and the final match by 15 over Victoria. The feeling will last a long time. It was a long time coming and very satisfying.

Polson and Blackwell were named to the Q.U.A.A. All Star Team, the First Team All Canadians, and the National Tournament All Star Team. Verrechia was chosen as a Q.U.A.A. All Star and to the National Tournament Team. Hussey was awarded Q.U.A.A. Coach of the year. Deserving awards for all concerned; however, nothing more precious than the National Championship Bronze Baby.
A Team That Never Quit

BACK ROW, Left to Right: Kevin Nealis, David Habjan, Tony Amorosa, Nick Van Herk, Paul Campeau, Kimball Smith, Garth Smith, Coach. FRONT ROW: Steve Shelton, Stewart Greenwood, Nick Pasealin, Brian Vaikus, Tim Dooley, Andy Lamont, Andy Batten.

This year's edition of the Basketball Gaiters is one that I will never forget, a much happier group than the 1981-82 team that finished with a 19-11 record and one game short of going to the Nationals. Graduation, injuries, and poor academics left us with a team of 11 rookies and one second year player.

Players like Kevin Nealis and Paul Campeau never fully recovered from their serious knee injuries, but always showed up for practice to help out.

M.V.P. Nick Van Herk had an outstanding year - he was chosen to the Q.U.A.A. First All Star Team, he made the First All Star Team in the Acadia and Merrimack Tournaments, he led the league in rebounding 11.2 per game (fifth in the nation). He was also second in league scoring with 18.5 average.

Tony Amorosa and Steve Shelton were chosen as the Team's Best Rookies and Andy Lamont was chosen as the Team's Most Improved Player.

They had trouble winning games, but in my mind and in the mind of many others, they are Winners: a team that never quit and always gave one hundred per cent.
This year's edition of the Polar Bears experienced a somewhat frustrating season missing the play-offs for the first time in four years. In what can be termed a rebuilding year of sorts, the Bears with eight rookies in the line-up, opened their season with a win over McGill, but in the subsequent league games they could not duplicate that feat.

It should be noted that when the 1982-83 season ended on February 21 it was also an end of an era. On that night after 114 games, 77 goals, 54 assists, four M.V.P. awards, and a best rookie award, Laurie Schoolcraft hung up her skates for the last time. Laurie ranks third on the Bishop's all-time scoring list behind only Willie Mitchell and Ron Perowne, and without a doubt was our Most Valuable Player this season.

Joining Laurie as award winners this year were Kelley Parsons - Best Rookie, and Lorna Jones - Charles Chapman award Winner for dedication and sportsmanship.
