List here any grants, prizes and distinctions obtained (Name of distinction, Year, amount):

List here any significant relevant contributions (volunteer work, internships, etc):

Explain why you should be selected for this fellowship. In this section relate to your professional and personal experiences, and future aspirations. You may also choose to explain how this funding opportunity would help you financially, especially during the pandemic. Although not mandatory, we encourage applicants from minority groups and historically disadvantaged communities to self-identify.

I understand that, if I am selected for one of the fellowships, I will not choose with which Canada Research Chair I will be working with. However, given the choice, here is my order of preference : (Please choose 3 CRCs; Descriptions of the CRCs are available in the guidelines of the program)

1st choice:

2nd choice:

3rd choice:

Provide a brief explanation of your choice:

By accepting the scholarship, I agree to:

- Comply with all the conditions and requirements described in the guidelines. Awardees who do not comply with these rules will have their award canceled;
- Present my work in a virtual KMB showcase of Bishop's CRCs in the late winter/early spring;
- Mention this scholarship in any publication or presentation related to this work.
