

I experienced Sexual Violence (SV)  
or Gender-Based Violence (GBV).  
Do I want support from the University?

**NO**

You can still access other supports/resources:

- CALACS
- CHUS Fleurimont
- Sexual Violence Helpline
- Sherbrooke Police

You can still change your mind & seek support or services at a later time.

In certain cases, BU can perform a risk assessment & seek an external investigation, such as:

- when a Repeat Perpetrator Identification (RPI) is made by at least 2 individuals on REES
- when the BU community is deemed to be at risk because of one's behaviour/actions
