Student Services

Mission Statement

Student Services understands Bishop's University to be a learning community in which the student is the centre of our educational mission.

We commit ourselves to work together with students and with all partners, both teaching and non-teaching, to enhance the quality of student life so that each student may experience the fullest personal growth, enjoy a learning environment that is just, mutually respectful, and strives for academic excellence.

We support an atmosphere where both freedom of expression and civility are powerfully affirmed. Further, we endorse a disciplined community where individuals accept their reciprocal obligations for the common good; where well-defined procedures of governance guide behaviour; where service to students is encouraged; and where a caring community supports the well-being of each individual.

Finally, we support the University as a community in which the heritage of Bishop's is remembered, the contribution of students is honoured; where the rituals affirming tradition are acknowledged and the procedures governing change are widely shared.

Dean of Student Affairs

As a Senior Administrator and Officer of the University, the Dean oversees the overall coordination and quality of student services (Athletics, Campus Ministry, Counselling Services, Student Accessibility Services, Career & Employment, Health Services, Residence Life, Student Leadership Development, Recruitment and Retention, and Security), and certain ancillary services (Sports Centre, the Old Lennoxville Golf Course and Parking).

The Dean of Student Affairs is responsible for all matters of student engagement, conduct, for ensuring respect for the Charter of Student Rights and Responsibilities, and for the application of sanctions to students who are in violation of the Charter. Working closely with the Students' Representative Council, the role is at times that of an advisor and partner on projects initiated either by the University or by the student government. At other times the role is to ensure the respect of the University's policies and to approve the use of University facilities for major student activities and events.

The Dean of Student Affairs is available to meet with students to discuss issues of University policy, to hear suggestions for the improvement in the quality of campus life and to receive complaints about areas under the jurisdiction of the Dean. The office of the Dean of Student Affairs is located in the Marjorie Donald building, room 244.

Co-curricular Record (L.E.A.P. Program)

The Leadership and Extra-Curricular Activity Profile (L.E.A.P.) is an official university document designed to verify and validate a student's leadership positions, organizational memberships, and other significant involvement in activities outside of the classroom not documented on the academic transcript. The University endorses this certificate as an official document when signed by the Dean of Student Affairs. Enrollment in the L.E.A.P. program is completely voluntary and must be initiated by the student. L.E.A.P. provides students a credible official listing of their accomplishments outside the classroom to complement an academic transcript and resume for applications to graduate school and prospective employers. For more details, visit www.ubishops.ca/leap or contact the LEAP Coordinator at (819) 822-9600 ext. 2766. The office is located in the Marjorie Donald building, room 243.

Ombudsperson

The major role of the Ombudsperson is to receive inquiries and complaints from any member of the University community who believes they have suffered some form of injustice, whether it has to do with academics or other matters. The Ombudsperson can normally give advice about where to go to have an issue looked into or reconsidered, or, after determining that all normal avenues of recourse and appeal have been exhausted, will investigate the factual basis of a complaint and, if appropriate, attempt to facilitate a solution using either formal or informal procedures. The Ombudsperson may also recommend changes to existing rules, policies, regulations or procedures, to make them more fair, or more clear and effective.

The Ombudsperson operates independently of all other offices in the University. Initial inquiries to the Ombudsperson are completely confidential until the complainant agrees to allow the Ombudsperson to act on the matter, at which point the matter remains confidential, restricted to those with a need to know.

The Ombudsperson must investigate all sides of a particular problem, must maintain a neutral stance throughout the investigation, and must strive to achieve solutions which are as fair as possible given the circumstances involved. At the end of an inquiry, the Ombudsperson will explain the nature of the chosen solution to those who initiated the complaint or, where the complaint has been found to be not justified, explain to the individual or groups involved the reasons for not continuing the investigation.

From time to time, the Ombudsperson may act as a mediator between individuals or groups of individuals in the University community who have been unable to resolve a conflict, particularly where no procedure exists for the resolution of such matters.

Please see the University website for further information, including the complete terms of reference for the Ombudsperson, and, especially, the Charter of Student Rights and Responsibilities.

Some of the services offered include diagnoses and treatment of acute and chronic illness, emergency care, routine physicals, sexually transmitted infection testing and information, pregnancy tests, contraception, wart treatment, allergy shots and certain vaccinations. This is only a partial list of services offered; please inquire about any other medical needs.

The staff includes nurses, physicians, a nutritionist, and a secretary who are available Monday through Friday. Students wishing to see the nurse will be seen in order of arrival. To see the doctor, it is recommended that you make an appointment. Emergency situations will always have priority.

Records are strictly confidential. No information is released, for any reason, without the student's consent.

Health Services are supported by student fees, therefore, there is no charge to use the service. However, the doctor's services and the cost of any tests required are only paid by health insurance or provincial medicare plans.

Quebec students who do not have their Medicare cards, or who present cards that have expired, will be required to pay the full cost of services immediately.

Canadian students from another province are fully covered by their provincial medicare plans provided they:

- 1) inform the Ministry of Health in their home province that they are studying in Quebec before they leave home;
- 2) have their Provincial Medicare card with them when they come to see the doctor. If the card is unavailable or has expired, the full cost of services must be paid immediately.

Details of this plan can be obtained from the Business Office. The plan entitles the student to full medical coverage both here and at local hospitals.

International or exchange students from France, Denmark, Sweden, Norway, Finland, Luxembourg, and Portugal are eligible to apply for a Quebec Medicare card. This should be done as soon as possible after their arrival in Quebec. Information on how to apply can be obtained from Health Services or from the International Student Coordinator.

Anyone requiring further information about Health Services should telephone 819-822-9600, ext. 2696, or at www.ubishops.ca, Life at Bishops, Health Services.

Residence Life

At Bishop's University we believe that the residence experience is an integral part of the university experience and thus guarantee all of our first-year degree students, who meet the required deadlines, a place in residence. Over 70% of our incoming class chooses to live in residence and each year 28% of our current residence students return for a subsequent year.

Bishop's University residences can accommodate 610 students in Traditional Style, Bog Style and Suite Style Residences. These three choices provide students with the opportunity to choose the residence that suits their individual life style. Mackinnon and Norton/Pollack are our traditional style residences accommodating students in both single and double configurations. Kuehner, Munster and Abbott are our newly renovated Bog Style Residences. These Bogs accommodate students in single rooms and double rooms with adjoining bathrooms. Paterson Hall accommodates four students per suite, each with their own private bedroom, common kitchen, living room and two full bathrooms. All of our residences have mandatory meal plans.

An important part of the Residence life program is the support that students receive while living in residence. This support comes from a well-trained staff of upper year students who are employed as Resident Assistants. They are in the residences to help students with their transition to university life, and to promote a community atmosphere that focuses on mutual respect and consideration for all members of the residence community.

Students will receive information about how to apply to residence in their admissions package and can go online to apply at that time. We encourage students to return their application as

soon as possible as the priority for residence is based upon the date we receive the application.

Information Technology Services

ITS provides a range of technology services to the university community through its three divisions: Client Services, Innovation & Enablement, and Infrastructure & Security.

Client Services provides front-line support for all IT Services, whether on campus or remotely, via the phone, e-mail, online (Virtual Help Desk) and in-person. Client Services is responsible for all "end user computing", including office/lab computers, laptops, telephony, printers, photocopiers and all multimedia classrooms and meeting spaces.

Client Services operates an in-person Helpdesk at the Library Learning Commons, open extended hours to answer computer, software, account, and network questions from students, staff, and faculty. Additionally, it supports and maintains 75 multimedia classrooms, 1300 computers, and a myriad of other devices across campus, along with the University's "production studio" in the basement of the LLC where faculty, staff, and students can access high quality video recording capabilities with technical assistance.

Innovation & Enablement works primarily with faculty and staff to understand and translate business needs into functional

and/or technical requirements for technology solutions that meet the needs of the university. The team provides management, development, integration, and support for a general suite of desktop applications, institutional data, and business processes.

Infrastructure & Security is responsible for ensuring safe and secure campus-wide access to the university's network, e-mail, systems and IT services. It manages the operations and evolution of a state-of-the-art technology infrastructure, including:

- Servers (both physical and virtual)
- Data storage and backup services
- IT Data Centres
- Network infrastructure for wired and wireless networks
- Telecommunications infrastructure and systems

A high-speed wired network serves administrative and academic offices, research, library, residences and student lab needs. Wireless connectivity is provided across campus in all academic and residential spaces and most recreational spaces as well.

ITS also provides part-time employment and experiential learning opportunities for approximately 10-20 students each year.

Cormier Centre of International Economics

The Cormier Centre was founded in 1989 with a generous gift from Mr. George Petty, CEO of Repap, a Canada-based, multinational paper corporation. The Centre's original mission was to promote research in international economics, to study the impact of economic policy on business, and to contribute to economic information, communication and education. In the early years, the Centre sponsored conferences and visiting scholars, supported research projects and promoted academic/business joint projects with an international orientation. In recent years, the Centre's focus has shifted towards the funding of low-budget, student-centered initiatives, such as: (a) the funding of student travel to Montreal to enable attendance at academic events related to international economics, (b) the funding of Skype-based, international-economics-related exchanges between our students and academics worldwide, and (c) the funding of prizes in student-centered essay contests related to international economics. The annual budget for such endeavors is modest, and so the requests for funds are considered on a competitive basis only.

For information, contact: Dr. Robert Sproule, e-mail: rsroule@ubishops.ca.

Cultural Affairs

Superb facilities support a dynamic cultural life on the Bishop's campus. The Florence Foreman Art Gallery brings performances and exhibitions of international calibre into the campus community throughout the academic year. Student participation in several aspects of the arts, including mounting productions is encouraged in the venues of Bandeen Recital Hall and the Turner Studio Theatre. Work-study programs in all the cultural venues offer hands-on experience in virtually every aspect of the cultural industry: promotion, technical production, marketing, and arts administration. In addition, there are plenty of opportunities for volunteer participation.

Artists who have recently visited campus include the late Gord Downie, Adam Cohen, Leahy, The Gryphon Trio, RUBBER-BANDance Group, Berlin's 17 Hippies, Holly Cole, Theatre of Early Music, lyric soprano Marie-Josée Lord, and The East Village Opera Company.

Peter D. Curry Wildlife Refuge

The Peter Curry Marsh is an area of approximately 15-hectares of wetland and upland forest, located on the Bishop's property, just a stone's throw away from the Sportsplex. This area a joint development between the school and Ducks Unlimited Canada and represents an ideal area for field laboratories for biology students studying ecology and biodiversity. Ranked as the second most popular birding location in the region, it is a focus for local bird watchers, naturalists, or those just wanting to relax in a natural setting.

Named after Bishop's alumnus and donor Peter D. Curry, in recognition of his commitment to both conservation and education, the area is maintained thanks to generous donations from local alumni and the participation of faculty and students at the school.

Daycare

The Panda Daycare Centre, which is located on the Bishop's campus, has space for 140 children from newborn to 5 years of age. Interested parents are urged to make application as early as possible. For information, telephone 819-346-1414.

Dobson-Lagassé Centre for Entrepreneurship

The Centre is located on the Bishop's campus and is a co-operative venture funded by the John Dobson Foundation, Bishop's University, and several private individuals and organizations. The Centre works very closely with all the divisions of the university to instill the entrepreneurship values of teamwork, leadership, communications and problem-solving for students in the arts, science, business and education. Established in 1998, it has a mission to support students to become successful entrepreneurs. The Centre focuses on helping students bridge the gap between student projects in entrepreneurship and successful businesses in the real world.

The Centre also provides guidance and services for Bishop's University student members of the worldwide ENACTUS entrepreneurship association. The centre offers a series of webinars on topics of interest to entrepreneurs-in-the-making and holds a bi-weekly Entrepreneurship Round Table which allows students to discuss their ideas and ventures with their peers and with a moderator. Students can also consult with Centre staff personally to discuss their ventures and move them forward.

A key offer also includes paid internships for students in local businesses, to promote experiential learning, to get a sense of the challenges, opportunities and rewards of starting and running a business, and to provide a competitive advantage to the businesses that participate.

Interaction between students and community organizations and businesses is a key element in the programming.

While the Archives Department concentrates on the acquisition of private archives related to the English-speaking community, the Centre's mission, mandate and ongoing activities are meant to be inclusive of all linguistic and cultural communities present in the Eastern Townships.

Preserving the Region's Heritage

As one of the top accredited archives in Quebec, the Eastern Townships Resource Centre preserves the documentary heritage of the Eastern Townships and serves as an archival expertise resource for local heritage organizations.

Accredited by Bibliothèque et Archives nationales du Québec, the ETRC Archives acquires, processes, preserves and gives access to archival fonds and collections that illustrate the development of the Eastern Townships' English-speaking community. Thousands of documents such as diaries, letters, minute books, photographs, postcards, maps, plans and audio-visual material are made available to researchers. Assistance is also provided to genealogists tracing their family roots.

Promotion of the Region's History

The ETRC promotes the Townships' rich and unique history through public lectures, colloquia, and exhibitions. The Centre offers educational materials for teachers and its own publication, the Journal of Eastern Townships Studies (JETS). As a long-standing and proud member of the Bishop's community, the ETRC creates bridges between Bishop's and the surrounding communities.

Located in the Old Library (McGreer Hall), the ETRC Archives Department is open from 8:30 a.m. to 12:00 p.m. and 1:00 p.m. to 4:30 p.m. Monday through Friday. Florence Foreman Art Gallery

As a vibrant part of university life at Bishop's University, the Foreman Art Gallery serves as a strong link to the community of Lennoxville and Sherbrooke as well as an active site of scholastic research about contemporary art and curatorial practice. The Gallery is named in honour of the late Florence May Foreman, formerly of Vancouver B.C., who left to the University the largest bequest in its history.

The FOREMAN ART GALLERY of Bishop's University is a space for thinking and producing knowledge about contemporary art and its relation to the global and local communities we share. The Gallery strives for excellence as it researches, exhibits, and documents contemporary art by emerging and mid-career professional artists in innovative curated contexts. These exhibitions are presented with the objective of provoking public debate on cul-

tural and social issues for an expanding audience that includes our local University community, a larger art community within Quebec and Canada, as well as broad and diverse general and virtual audiences.

The Foreman Art Gallery's COMMUNITY ART LAB positions itself on the cutting edge between art, education, and community development with the goal of exploring how these worlds collide and interact with one another. Through its interventions, satellite activities, and public events, the Laboratory stimulates exchanges and discussions in order to disrupt the hierarchy of knowledge and to enrich community life.

The Foreman Art Gallery shows the work of professional visual artists in innovative ways, focusing on thematic curated exhibitions part of the following series: Social Currents (thematic curated group exhibitions): New Voices (highlight on an emerging artist), New Publics (exhibitions for targeted audiences) and Carte Blanche (regionally-focused curated group exhibitions). The gallery also produces a graduating fine art student exhibition each spring.

Since 1998, 60 bilingual exhibition booklets, self-guided tour booklets and leaflets, 4 edited catalogues, and 10 group and solo exhibition catalogues have been produced. Of these are noteworthy examples: Irene F. Whittome: Conversation Adu (winner of a Graphika prize, 2007); Denyse Thomasos: Epistrophe (winner of a Graphika prize, 2007); and At the Crossroads of Art and Medicine (winner of a Graphika Prize 2009).

Admission to the gallery is free. The Foreman Art Gallery is located adjacent to the lobby of Centennial Theatre. Hours: Tuesday–Saturday, from 12:00 p.m. to 5:00 p.m.

International Exchange Program

Student exchange and study abroad programs |
Bishop's University (ubishops.ca)

<https://www.ubishops.ca/future-current-students/student-exchange-and-study-abroad-programs/>

Bishop's University encourages all students who qualify to spend a semester or two abroad at one of our 100+ linked campuses around the world. Successfully completed pre-approved course credits taken on exchange are transferred to your Bishop's degree. Marks/grades obtained at the host university are not included in the calculation of your cumulative average at Bishop's upon your return because of different assessment and grading schemes. A "Pass" or "Fail" will appear on the Bishop's transcript for each of the courses taken along with the number of credits obtained.

Students may continue to receive financial aid for which they are eligible at Bishop's. Students on Bishop's scholarships need to maintain an equivalent level of academic excellence at their host campus to receive their scholarship in the semester following their exchange. Students with loans from the USA will need to select their host campus from international Title IV partner universities.

To be accepted into the Exchange Program, Bishop's students must meet the following criteria:

- obtain and maintain a 70% cumulative average in one year of full-time study (30 credits) in a degree program, prior to departure to a host university
- assume travel and living costs, health insurance, and personal expenses, during their exchange abroad
- receive written permission to participate from the Dean and Chair of their respective academic program
- demonstrate proficiency in the language of the host university if necessary
- respect all deadlines, as well as pre-departure, health and safety trainings, and other requirements as directed by Bishop's International

Tuition and fees (for 15 credits per semester) and student service fees are payable to Bishop's, and accommodation and meals are paid to the host university. Additional criteria may pertain in some exchanges. Students planning to apply are asked to consult with BU International (exchange@ubishops.ca), their academic program Chair and then with their Dean. Students must obtain prior approval for all courses to be taken at the host university by their program Chair at Bishop's to participate in the Exchange Program, for a maximum of 30 transferrable credits.

The catalogue and most of the library's electronic resources, such as e-journals and databases, and their thousands of additional items, can be searched from on or off campus through the discovery tool Sofia on the library website. The Interlibrary Loan service, which is free of charge, provides access to additional resources not owned by the University.

Orientation sessions are conducted by the Librarians throughout the year. The sessions, usually presented to individual classes, can be general and introductory or designed to meet the needs of a specific class or topic. Librarians also teach one-credit courses in Information Literacy and Critical Thinking, which are taken as lab components of research-based courses offered through other departments. Sessions are taught in the technology-equipped library classrooms or online, allowing for interactive learning and practical experience. Individual assistance is available at the research assistance desk or online. An appointment can be made with a librarian for extended research consultation. Guides and study aids for research in all academic disciplines are available on the library's website.

The facilities include several seminar rooms and numerous group study areas, as well as individual study spaces for more than 960 users. The Library Learning Commons also houses the Information Technology Services Helpdesk, the Writing Centre, the Teaching & Learning Centre and the student-run Student Success Centre as well as classrooms. The McConnell Agora is the location of academic happenings or open study. There is also a café where students can relax, chat with friends, and enjoy a small meal or a beverage. A digital video production studio and editing stations permit the creation of multimedia projects. Listening stations provide access to the extensive assortment of records and CDs in the music collection. The Library Learning Commons is completely wheelchair accessible.

The Archives and Special Collections Reading Room is located in the Old Library, in McGreer Hall. This room, which was the original location of the University Library, has been restored and now serves as the reference/reading area for the University's Archives, the Library's Special Collections, and the Eastern Townships Research Centre. Special Collections, developed in several fields, include rare books, historical pamphlets, maps, microfilms, and archival material. The P.H. Scowen Eastern Townships Historical Collection is an important resource for historians and other researchers of local history. The Mackinnon Collection of Canadiana includes many rare and valuable books and pamphlets relating to Canadian history and biography. Materials in the Belanger-Gardner Collection are devoted to the history of the Eastern Townships. Rare and unusual books of 17th and 18th century theology, history, and literature have been donated from the personal libraries of such prominent people as the Rev. George Jehosaphat Mountain, 3rd Anglican Bishop of Quebec and co-founder of the University.

University Chapel of St. Mark's

St. Mark's Chapel is a sacred place on the campus known for its beauty and peaceful atmosphere. The Chapel was consecrated in 1857, was enlarged in 1875, and interior additions to the fabric were completed in 1898, when the present magnificent carved oak stalls and panelling were installed. These were executed by French-Canadian craftspersons and are arranged on the pattern of the traditional collegiate church. The other furnishings, stained glass windows, memorial plaques, the organ, the sanctuary lamp, the lectern Bible, all reveal parts of the University history. In 1989, the Chapel was declared a historic site by the Quebec Ministry of Cultural Affairs.

Sunday services are held at 10:00 a.m. during the academic year and the Chapel is open daily from 7:00 a.m. to 6:00 p.m. for prayer and reflection. Special services and concerts are held at various times and are publicized throughout the University and the local community. The administration of St. Mark's and its services of worship are the responsibility of the Campus Chaplain.
