### Administrative Organization

Bishop's University operates under the terms of an act of incorporation passed in 1843, and amended in 1852, 1927, and 1947, by the legislature of Quebec, and under the terms specified in the Statutes of Bishop's University.

The management of the affairs of the University is vested in a Board of Governors which is responsible for general oversight and policymaking. The Principal and Vice-Chancellor and the University’s Officers are responsible for the day-to-day administration of the University as specified in the University Statutes.

The Board of Governors respects the responsibility of the University Senate to adopt policies on academic matters, subject to the approval of the Board of Governors.

The Bishop’s Council serves as an advisory body to the Board of Governors through the Principal and Vice-Chancellor. It may consider and advise on any questions affecting the well-being and prosperity of the University.
