**Note: The following regulations are applicable to all students beginning their degree programs in the Fall 2019 semester or later. For students who began their degree program studies prior to Fall 2019, please consult the relevant Academic Calendar for the applicable regulations.**

## Scholarship Program

Historically, most of the scholarships awarded under the Bishop's University Scholarship Program have been established by gifts from alumni, foundations, and corporate benefactors, some over 155 years ago. The University is grateful to the many donors who support its scholarship program.

## Entrance Scholarships

No formal application is required for most entrance scholarships. All applications for admission received by March 1<sup>st</sup> from CEGEP, Canadian high school, IB Diploma, and international secondary school students who have graduated within two years of registering at Bishop's University are eligible for scholarship consideration. Applicants categorized as Mature, University transfer, or College transfer are not eligible for entrance scholarship consideration.

Our entrance scholarships range in value from \$1,000 to \$20,000 CAD for the academic year. Unless otherwise indicated, entrance scholarships are non-renewable. All scholarships are competitive meaning that they are awarded based on the calibre of the total pool of applications received. All eligible students will be assessed automatically for scholarship consideration after the March 1<sup>st</sup> deadline.

Scholarship offers, including information regarding conditions of the scholarship offer and the process to accept, will be made separately from the offer of admission.

## Winter Entry Scholarships

Students who are commencing their studies for the first time in the Winter semester will be eligible for entrance scholarships at the start of the following Fall semester, provided they maintain an 80% cumulative average in the Winter and/or Spring semesters of their starting year on a minimum of 12 credits. Scholarship levels will be based on their final incoming Winter admission average. Scholarships are only awarded in September of each academic year.

## Scholarship Payment

- Scholarships are paid to a student's account in two equal installments in the weeks following the Add/Drop deadline in the Fall and Winter semesters. If the value of the scholarship exceeds the amount charged to the student account for that semester, the balance of that semester's payment is credited to the following semester.
- In order to receive scholarship funds, a student must be a registered full-time student (minimum 12 credits) in both the Fall and Winter semesters (24 credits total).

Exceptions:

- Students in their final semester who require fewer than 12 credits to graduate may petition the Registrar to retain their full-time status, and receive a pro-rated award.
  - Students on a recognized Bishop's University Outgoing Exchange program.
- In order to receive the Winter installment of a scholarship, students must:
    - Complete 12 credits during their Fall semester studies at Bishop's with a fall average of at least 70% AND
    - be registered at Bishop's on a full-time basis (minimum 12 credits) for the Winter semester.

Should the student's average fall below 70%, or should they register in fewer than 12 credits, their scholarship is withdrawn effective that Winter semester.

## Continuing Student Scholarships

All returning students will automatically be considered for scholarships through the University's Continuing Student Scholarship Program. To be eligible for a Continuing Student Scholarship consideration, a student must:

- complete a minimum of 24 credits (not including lab credits) in the previous September to August at Bishop's University

Note: Courses taken at another institution on a Letter of Permission and non-credit English as a Second Language courses are *not* included in the 24-credit minimum or in the calculation of the student's academic average for scholarship purposes.

- have obtained a minimum average of at least 80% calculated on their best 24 credits from the previous September to August
- Exception: Students participating in an internship, co-op placement, or practicum will have their file evaluated by the ASAP Committee.
- have less than 120 credits completed at the start of the upcoming Fall semester
  - be registered in their first undergraduate degree and
  - be registered as a full-time student in the upcoming Fall semester.

Students who complete the academic year fulfilling the above conditions will be eligible for scholarship consideration for the following academic year. The value of these awards varies depending on academic performance. Students with more than 90 credits completed at the start of the Fall semester who are awarded a scholarship may receive a pro-rated amount. Meeting the above criteria does not guarantee scholarship.

Students are notified of scholarship awards by e-mail sent to their Bishop's University e-mail account before August 15.

### Scholarship Renewal

Unless otherwise indicated, Entrance and Continuing Student Scholarships are non-renewable.

### Renewable Scholarships

Recipients of renewable scholarships (Entrance and Continuing) must normally meet the following criteria:

- a) Complete a minimum of 24 credits at Bishop's University in the previous academic year (September to August). Courses taken at another institution on a Letter of Permission and non-credit English as a Second Language courses are *not* included in the 24-credit minimum.
- b) Have less than 97 credits completed at the start of the Fall semester of when the renewed scholarship is to be received.
- c) Have a minimum average of 80% calculated on their best 24 credits completed in the previous academic year (September to August). Students on a recognized outgoing Exchange will have their scholarship renewal average calculated on an individual basis.
- d) For certain renewable scholarships, students may need to meet different minimum average requirements or criteria to have their scholarship renewed. These criteria will be outlined, via email, in an official notification issued to the student once the scholarship has been allocated and awarded.

### Awarding of Scholarships

Bishop's scholarship program is competitive meaning that each year students are automatically considered based on their GPA from the previous year as outlined above. Receiving an entrance or continuing student scholarship in the previous year does not guarantee a scholarship for future semesters.

For questions related to scholarships, please contact the University Bursar at [jberwick@ubishops.ca](mailto:jberwick@ubishops.ca).
