Collation des grades

June 7, 2025
Le 7 juin 2025

Sherbrooke, Québec
Canada

(Updated June 27, 2025)

Dear graduate,

Today we celebrate your success and the journey that brought you here. You have earned your degree through your efforts and sacrifices as well as with the help, support and collaboration of countless others. You have broadened your experience by participating in sports, clubs, cultural activities, student government, and no doubt a fair number of social events.

At the heart of the Bishop's experience is close interaction between professors and students, within the classroom and elsewhere, in research, scholarship and creative activity. As a result, your education at Bishop's University has given you a sound knowledge of your chosen field and the wisdom to open your mind to new ideas, disciplines and points of view.

Your Bishop's degree represents much more than just the completion of your program; it represents a community of which you will always be a part. I hope that as you move on to the next stages in your life, you will do so with a strong sense of the importance of community and a recognition that your success has been possible with the help of your family, loved ones, friends, professors, staff and alumni.

Your Bishop's community looks forward to celebrating your future successes, both personal and professional. Don't be a stranger, do keep in touch and come back regularly to campus and alumni events.

Best wishes,

Sébastien Lebel-Grenier
Principal & Vice-Chancellor

Dear graduate,

Convocation Day is often filled with mixed emotions. "I've got my degree" is both a thrilling and daunting statement. Bishop's has likely been the most challenging, exciting, and rewarding time of your life. But you're about to enter a different world now. Know that you are not going alone. In fact, you are joining one of Canada's strongest and most cohesive alumni associations – 23,000 strong from coast to coast and around the world. Alumni remember Bishop's fondly and have a laugh or smile in their voice when they talk about their university days. You will soon find that you have an instant rapport with graduates of all ages – it is truly magical!

The next phase of your Bishop's life is just beginning. Remember to speak proudly of Bishop's and to stay connected. I look forward to seeing you at alumni functions, or back on campus at Griffin Alumni House, your home away from home. On behalf of all Bishop's University graduates who came before you, congratulations and welcome.

Sincerely,

Jacqueline Scott '90
Associate Vice-Principal,
Alumni Relations and Philanthropy

Cher diplômé, Chère diplômée,

Aujourd'hui, nous célébrons votre succès et le parcours qui vous a mené jusqu'ici. Vous avez obtenu votre diplôme grâce à vos efforts et à vos sacrifices, ainsi qu'avec l'aide, le soutien et la collaboration d'innombrables autres personnes. Vous avez élargi votre expérience en participant à des sports, à des clubs, à des activités culturelles, à la gouvernance estudiantine et, sans aucun doute, à un grand nombre d'événements sociaux.

Au cœur de l'expérience Bishop's se trouve l'interaction étroite entre les professeur.e.s et les étudiant.e.s, dans la salle de classe et ailleurs, dans la recherche, les activités académiques ainsi que créatives. Par conséquent, votre formation à l'Université Bishop's vous a apporté une solide connaissance dans votre champ d'études mais également, la sagesse nécessaire pour ouvrir votre esprit à de nouvelles idées, de nouvelles disciplines et de nouveaux points de vue.

Votre diplôme de l'Université Bishop's représente bien plus que la fin de votre programme d'études; il représente une communauté dont vous ferez toujours partie. J'espère que lorsque vous passerez aux étapes suivantes de votre vie, vous le ferez avec un sens aigu de l'importance de la communauté et en reconnaissant que votre succès a été possible grâce à l'aide de votre famille, de vos proches, de vos ami.e.s, de vos professeur.e.s, du personnel et des ancien.ne.s.

La communauté de Bishop's se réjouit à l'idée de célébrer vos succès futurs, tant personnels que professionnels. Vous serez toujours les bienvenu.e.s : gardez le contact et revenez régulièrement aux événements organisés sur le campus et pour les ancien.ne.s.

Mes meilleurs souhaits vous accompagnent,

Sébastien Lebel-Grenier
Principal et vice-chancelier

Cher diplômé, Chère diplômée,

La Collation des grades signifie souvent une journée remplie d'émotions contradictoires. « J'ai enfin obtenu mon diplôme » est un énoncé à la fois excitant et intimidant. L'Université Bishop's a probablement représenté la période de votre vie la plus stimulante, exaltante et enrichissante que de votre vie. Mais vous êtes sur le point d'entrer dans un monde vraiment différent. Sachez que vous n'êtes pas seul. En effet, vous faites partie de l'une des plus importantes associations de diplômé.e.s du Canada qui regroupe plus de 23 000 membres, d'un océan à l'autre et partout dans le monde. Les diplômé.e.s se souviennent affectueusement de l'Université Bishop's et lorsqu'ils et elles en parlent c'est avec une émotion chaleureuse et un sourire dans la voix. Vous retrouverez cette sympathie immédiate à partager avec les autres diplômé.e.s de tous les âges : c'est vraiment magique!

L'étape suivante de votre vie à l'Université Bishop's ne fait que commencer. Souvenez-vous de parler de votre université avec fierté et de garder le contact. J'espère avoir le plaisir de vous revoir à l'occasion de réunions des diplômé.e.s, ou sur le campus à la maison des ancien.ne.s Griffin, votre deuxième chez-vous. Au nom de tous les diplômé.e.s de l'Université Bishop's, félicitations et bienvenue.

Sincèrement,

Jacqueline Scott '90

Le Chancelier déclare la clôture de la séance de l'Assemblée

Dr. Joanne Liu, MD, C.M., FRCP

Dr. Liu is a Canadian practicing paediatric emergency physician at University of Montreal and professor at McGill University's School of Population & Global Health where she focuses on pandemic and health emergencies.

Dr. Liu graduated from the McGill University School of Medicine (1991) and holds a Fellowship in Paediatric Emergency Medicine from New York University School of Medicine as well as an International Master's in Health Leadership from McGill University.

Prior to joining McGill University, she worked with Médecins Sans Frontières (MSF)/Doctors Without Borders (DWB) (<https://www.msf.org/>) — a world-recognized authority on medical humanitarian crises — where she coordinated humanitarian and health emergency medical aid including outbreaks/epidemics in Central Africa, Middle East, Central Asia, South East Asia, Caribbean & Central America. She also served as the International President of MSF from 2013 to 2019. Other Liu's operational work has ranged from introducing comprehensive care for survivors of sexual violence, to developing a telemedicine platform for connecting doctors in rural conflict zone areas with specialists worldwide.

Recipient of numerous awards throughout her career, Dr. Liu currently serves on the World Health Organization (WHO) Independent Panel on Pandemic Preparedness and Response, Chairs the Centre for Humanitarian Dialogue — a peace mediation organization — and sits on the international advisory boards of two Lancet Commissions: the PRIME Commission on pandemic readiness and the CHH-Lancet Commission on conflict and forced displacement.

D^{re} Joanne Liu, MD, C.M., FRCP

D^{re} Liu est pédiatre-urgentiste à l'Université de Montréal et Professeure à la School of Population & Global Health de l'Université McGill, où elle met son expertise au service de la gestion des pandémies et des urgences de santé publique.

Diplômée de la Faculté de médecine de l'Université McGill (1991), elle détient une spécialisation en médecine d'urgence pédiatrique de la New York University School of Medicine. Elle est également titulaire d'une Maîtrise internationale de l'Université McGill en gestion et leadership en santé.

La D^{re} Liu a œuvré au sein de Médecins Sans Frontières (MSF), organisation internationale reconnue pour son expertise en intervention médicale d'urgence (www.msf.org). Elle a dirigé des missions humanitaires dans divers contextes de crise à travers le monde, notamment en Afrique centrale, au Moyen-Orient, en Asie centrale, en Asie du Sud-Est, dans les Caraïbes et en Amérique centrale, avant de se joindre à l'équipe de l'Université McGill. Elle a également occupé le poste de Présidente Internationale de Médecins Sans Frontières de 2013 à 2019.

Parmi ses contributions, D^{re} Liu a dirigé l'élaboration de programmes de soins pour les personnes victimes de violences sexuelles et a piloté le développement d'un système de télémédecine facilitant l'accès des médecins en régions éloignées en zones de conflit à l'expertise de spécialistes à l'échelle mondiale.

Récipiendaire de nombreux prix, D^{re} Liu exerce actuellement diverses fonctions de leadership à l'échelle internationale. Elle est membre du Panel indépendant pour la préparation et la réponse aux pandémies de l'Organisation mondiale de la santé (OMS), préside le Centre pour le dialogue humanitaire, organisation engagée dans la médiation de conflits, et siège aux conseils consultatifs de deux commissions Lancet : la Commission PRIME sur la préparation aux pandémies, et la Commission CHH-Lancet sur les conflits armés et les déplacements forcés.
