

Land Acknowledgement

Nestled between the Alsigtegw (Saint-François River) and surrounding farmland on ancestral Ndakina territory (Eastern Townships), of the W8banaki just outside of Kchi nikitawtegw (Sherbrooke), Quebec, is the land we are fortunate enough to be learning, working, playing, and growing together on.

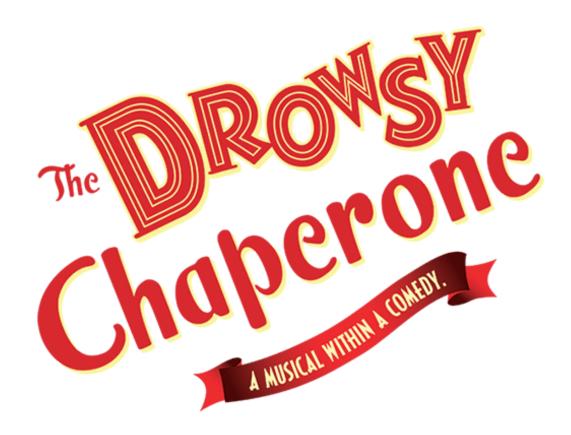

These lands are the Traditional and Unceded territory of the Abenaki people.

Niché entre l'Alsigtegw (rivière Saint-François) et les terres agricoles environnantes sur le territoire ancestral de Ndakina (Cantons-de-l'Est), du W8banaki juste à l'extérieur de Kchi nikitawtegw (Sherbrooke), Québec, est la terre que nous avons la chance d'apprendre, de travailler, de jouer, et grandir ensemble.

Ces terres sont le territoire traditionnel et non cédé des Abénakis.
