Guidelines for SRC Interdisciplinary Team Grant

1. TEAM COMPOSITION

A team would consist in a minimum of two Bishop’s full-time faculty and could include collaborators from other institutions (academic, industry, community). Teams of two are encouraged to use the first funding cycle to set conditions that will lead to growth and expansion of the research team. Graduate students involved in the project should be named as collaborators, as student training is one of the goals of this initiative. Applicants should indicate the years during which the graduate student is expected to be part of the team.

2. VALUE

Grants are valued at $1000 to $10,000 per year, up to a total of $10,000 over the period requested.

3. DURATION

Up to 3 years. No extension year possible.
