

## Ombudsperson Annual Report, 1 July 2021 - 30 June 2022

### General

This year brings to a close my ninth year as University Ombudsperson. In addition to attending to individual cases as they arose, I continued sit on the Academic Standing and Admissions Policy Committee (ASAP) as a non-voting member for all monthly meetings. As in the past, I was privy to all information and communications and actively participated in discussions leading to decisions. I also sit as a voting member on the Admissions Appeal Committee.

I maintained wider professional contacts with the national and provincial umbrella organizations Association of Canadian College and University Ombudspersons and Association des Ombudsmans des Universités du Québec. I am a voting member in good standing with both groups.
