

Policy with regard to naming Professors Emeritus

Candidates for Emeritus Professorships will normally have served a minimum of 20 years at Bishop's. The award will be approved by the Degree Committee of Convocation, and conferred at the Spring Convocation, a minimum of one year following retirement from Bishop's. Exceptions to the 20-year rule may be made if deemed appropriate.

In years where more than three retired faculty are eligible for the award, the Degree Committee may recommend that a ceremony separate from Convocation be held to honour them.

Approved by the Degree Committee, April 1997
