This year Lennoxville was hit with record amounts of water. For three days straight rain fell from the sky's the swimmers just could not stand it. On October 1st 2010 Lennoxville flooded. This was the first time in five years that this has happened and many of the students were evacuated as the waters continued to rise. By early afternoon the sight on Reed, Little Forks, and Condy was of people paddling down the streets in their canoes and rafts. They also began to drink and in true Bishops style we turned a very strange and somewhat disastrous situation into a party. Complete with people swimming and dancing in the water. Student Safety was pulling all nighters and making sure that the students were safe and helping the students being evacuated.

The flood not only affected the people in Lennoxville but also the people in Sherbrooke. Parking lots being flooded and traffic being redirected it was chaos. For days afterwards the chaos continued. The clean up services spent weeks trying to clean up.
Frosh 2010 Gaïtor Galaxie.
This year Bishops welcomed in a class of over 900 and they fit in right away making this year one to remember. It was full of crazy antics and fun times. Akells rocked the quad and the airbands were hilarious. Rock on Gaitors.
Homecoming this year was celebrated in style. Gaiters past and present came together and showed their pride, even future Gaiters cheered on the Gaiters to victory. This year the Gaiter took on the Acadian Axemen with a 31-16 which continued the Gaiters winning streak.

ABOVE: Gaiters from the past come every year to cheer on their favorite university football team. Even though they do not know the players they love the school.
Halloween 2010

In true Bishops fashion the students came out in a variety of costumes that were simply amazing. There was simply no two costumes a like in all the three days of celebrating. What was truly amazing is that with all the partying going on the students including the Froshies rocked! Happy Halloween.
When the Spring makes its way back to Lennoxville, it is welcomed by students celebrating their luck to be Irish for a day...

Happy St. Patrick's Day!!!
Top of the morning... and the rest of the day to yourself

This year during Frost Week 2011 the SRC introduced the first annual Rail Jam that was set up in the Quad. And they rocked the Quad. Leo and the High Rollers got the crowd in the moves and introduced Philly Moves. Both bands rocked the Quad and the crowd.
The Gait is a student-run bar that is located on campus and is run by the students for the students. Nick Venditti has been a part of the Gait family for the past 3 years and has seen many acts that have come to the and put on amazing shows. This year alone has seen the likes of P.Reign and Classified. It is also the site of many fundraisers for local charities and sports teams. Many DJs have spun their tunes and made the place shake. The Gait will continue to be a central location for many students and will continue to be thanks to the dedication of the staff.
Sigma Chi is one of the oldest and the largest college Greek-letter secret and social fraternities in the world with 237 active chapters and nearly 300,000 initiates. Sigma Chi was founded on June 28, 1855 at Miami University in Oxford, Ohio when members split from Delta Kappa Epsilon. The fraternity's official colors are blue and old gold, and its badge is a cross with emblems on each of its arms: crossed keys on the upper arm, an eagle's head on the left arm, seven gold stars and a pair of clasped hands on the lower arm, and a scroll on the right arm. Sigma Chi promotes community and brotherhood in all its chapters.
Alpha Phi

Promoting Sisterhood

Alpha Phi has been on Campus for 21 years, and continues to uphold the ideals of philanthropy, scholarships, and sisterhood. This year we welcomed 9 members into our 138 year old sorority and have been active on campus with community events such as Trick or Eat, a bake sale for Pakistan relief through the Red Cross, road trip to Vermont, bowling and mixers with the Sigma Chis. In the upcoming semester we hope to our chapter continue to grow, as well as out own involvement and influence on campus. For more information email us at bualphaphu@gmail.com or visit alphaphi.org. Bye!
BU Dance Club Presents:
Shake & Pop!
Big Buddies

Big Buddies exists as a mentoring program for youth in order to create a positive influence among local children while continuing to be a dynamic presence both on and off campus. Over the course of the school year we organize approximately 10 events where big and little buddies get a chance to participate in amazing activities in a fun and safe environment. This year we have made over 65 matches and are happy to provide positive influences in the lives of children from the Lennoxville community and to provide a rewarding experience leading to long-lasting memories.

Dance Club

Dance Club is a club that meets on weekly or tri-weekly basis, depending on your level. There are four different levels and many different genres of dance that are taught. Our major event that we hold is our year end show that is held in Centennial. Multiple bake sales are done throughout the year. Gait night Maysen and Lion night occurs and we hold a last minute St. Patty’s Day Sale. This club is open for anyone who enjoys dancing, wants to learn how or meet new friends.
War Child

War Child is a charitable organization that works to advocate and provide support for child soldiers around the world. The war child club at Bishop's organizes events each semester to raise money for and create awareness about this cause. Over the past 4 years, War Child has raised over 6000, a number which will only continue to rise with the growing support for this groups cause. Throughout first semester, war child held two major events: The nation wide “Busking for Change”. War child also hosted Bus Got Talent, the schools forth annual Talent show. It was a success, with over 15 spectacular acts. We would like to thank all who have supported us; your donations are growing towards a worthy cause.

Modern Languages Association

The Modern Languages Association is a club started last year, which brings together students from the 4 modern languages at Bishop's University. We are a tight-knit bunch, who are not ashamed of how much we love to study, live, breathe, and become involved in our languages. Let's just say that there's nothing more fun than attending a get together with a whole bunch of people attempting to chat each other up in German, Japanese, Spanish and Italian. This year, our students have partaken in various activities, such as German theatre, Japanese choir, Italian theatre, and Spanish film. As well, we have the Culture Kitchen, which has succeeded in bringing together all of our students in a warm, inviting, and delicious atmosphere. Thank you to everyone who took the time and put forth the effort to actively participate in our little, but proud, club.
Gamers Club

The Gamers club sets out to express the joys of social gaming. By uniting people through board, card, computer and role playing games we hope to make university life more social and fun.

The History Association

Got no future? Study the past, and take a trip back in time!

The History Association organises various activities throughout the year and seeks to include all Bishop's University students with an interest in history. Activities will undoubtedly include history-themed movie nights, class trips, study groups, and the occasional party. Comments and queries are welcome.
Political Association

The Political Association organizes events and activities for students to meet, network and discuss today's political issues. They are elected by their peer to offer them extra-curricular activities within the politics department.

Maritimes Society

The Bishops Maritimes Society Began their journey in 2009. As the number of Bishops students from the Maritime Provinces grows each year this club was created to bring together a unique section of the student body as well as give students hailing from outside the Maritimes and opportunity to experience Maritime Traditions and cultural celebrations. Student body response was overwhelming as the society now consists of over 60 students here at Bishops with members ranging from citizens of PEI to Alberta ad well as students from every province in-between. The Maritimes Society hope to be long lasting club within the Bishops SRC and hopes to hold many events that offer a taste of the Maritimes culture.
"Officially established in 2006, BU*SNOW is a club made for riders by riders! Our Mission: Get snow enthusiasts, like us, to the 120 mountains that are within a day's drive of Bishop's. Bishop’s Environmental Club raises awareness concerning environmental issues and promotes actions for a more sustainable campus. After helping Bishop’s become the first university in Quebec to be Bottled-Water Free in 2010, we decided that Sustainable Food would be our new campaign for 2010-2011. We wrote a cookbook and worked with the SDAG to help Bishop’s choose more local, organic and fair trade foods. We also organized activities linked to oil dependency, while putting up student initiatives to obtain the SYC Sustainable Campus certification. BUEC is definitely a vibrant group at Bishop’s!
Bishop's Ultimate Federation

The Bishop's Ultimate Federation (BUF) is a club team that practices multiple times a week. Every practice, members come with smiles on their faces because they know that BUF is more than a club team, it's a family... Joining BUF is a great way to get in shape, and we welcome all new comers of any skill level to come join.

2010 was the Bishop’s Univeristy Men’s Hockey Club’s inaugural season. The Club provides players with the opportunity to partake in tournaments, exhibitions, games and practices. The team’s first outing was the Charity Hockey Game to raise money for breast cancer. Which was a huge success.

The purpose of the Bishop’s University Pride Alliance is to provide a place, a service, and a source of information for people interested in GLBTQQ (Gay, Lesbian, Bisexual, Transgendered, Two-spirit, Questioning and Queer) issues and give a voice to the GLBTQQ community currently at Bishop’s. Our mission is to raise awareness on campus of GLBTQQ issues at Bishop’s, in our community and around the world. We do this by holding events and activities that embrace and encourage diversity as well as a bond between queer and ally students. We also offer peer counseling, a safe space (in the Diversity Centre) and a Pride Library for anyone seeking more help or information on GLBTQQ-related topics. We are open to everyone, regardless of sexual orientation.

The overarching goal of the Gender Equity Centre (GEC) is to build a community of people that challenges and examines gender inequalities on campus and in the world at large. We do this through awareness campaigns, fundraisers, discussion groups and through visual and performing arts. We strive to ensure that all genders achieve equality in all realms of life on campus- be it academic or social. Furthermore we raise funds to help marginalized women in other parts of the world.

Bishop’s University Mentoring and Tutoring provides a fun and positive learning environment to local children who are seeking extra help with their schoolwork. BUMT focuses on individualised learning and our programs are mainly one-on-one to allow for a comfortable and personalised environment in which students can focus on achieving academic success. BUMT has partnerships with Sherbrooke Elementary, and Galt Regional High. BUMT also runs a reading circle at the Lennoxville Library.

Charity Hockey Game

This year Bishops University hosted a charity event that raise money for Breast Cancer research. The event was created by Shane Tyrell, Brittany Cameron, Hannah Graham, and James McArthur. All of whom have a family member that was affected by Breast Cancer. The Bishops Mens Hockey Team faced the top intermural team, The Dusters. This event displayed the many talents of the Bishops students that attend the university. The event itself was a huge success and raised $2000.

P.Reign comes to make the Gait move and shake.

One of biggest acts this year that came to the Gait was Canadian rapper P.Reign and former Much Music VJ Matt Babel. The Show was fantastic and all who were in attendance were blown away by the energy and the charisma of the performer. Also DJ Charlie Brown kept the energy going well into the night. This is just another example of what the Gait does for the school and the dedication to make it the best experience to ask for.
With any job there is a learning curve and the same can be said for any position in the SRC, especially Director of Finance and Operations, by the time you get comfortable and competent in your job you are already preparing to leave. This is a job that it was never predictable except the ability to count on something to shake up the work week. It has been a phenomenal learning experience and has reinforced how important it is to have competent people around you to support whatever it is you are trying to do.

Paige “the president” Johnson, Annis Karpenko and SRC executives made the workplace a good environment to be in but more importantly one where problems were solved by a group and no one was isolated. As DFO you are nominally in charge of the Gait and Doolittles, but the reality is these operations run themselves, thanks to the outstanding commitments from their respective managers. Nick has been a great person to work beside and has brought many successful improvements to the bar. Claire and Josh have had many successes at Doo’s and I think it is in large part their attitudes and dedication that make it the place to work that it is.

I believe that I have taken a lot from my experience as DFO, especially at taking financial information and discussing it’s relevance to different groups and interests. It’s been fun and informative to look inside what can be loosely described as a real business and to see how it works. Additionally this job has stressed how important communication is to me, and how easy it is. I am very happy that students have this opportunity to work in the SRC and even happier that I have had it. Some things that I am grateful to have worked on and been apart of include signing a new contract with Coca-Cola, working on standardizing DFO procedures and polices and overseeing the management and employee transitions at the SRC operations. I am sure the highlight of my year here will be March 24th, when Classified comes to the Gait and we have a headline concert like we haven’t seen in several years. It has been a long time coming and very interesting to see behind the scenes what it takes to bring a legitimate act to concert.

It has been interesting and a lot of fun, I wish everyone at the SRC next year good luck and hope that every year the SRC can build on the last and continue to serve the students better and better.

Well, here we are. Eight months, two semesters, one flood and a major snowstorm later, it's already time to pack up and say goodbye to another year at Bishop's.

2010-11 was a great year to be a student; we started strong with one of the largest entering classes in our history. Some 900 screaming frosh wowed Bishop's with their lung capacity as they quickly caught our unwavering school spirit.

Early October gave us heavy rain and the ultimate block party. The flood brought out more than just out-of-season floaters; it also brought an unprecedented spike in hip-wader sales at Clark & Fils and a community dedicated to turning misfortune into fun.

In January, a new Dean of Student Affairs arrived on campus. In the winter months, the SRC brought you the Frost Week Rail Jam in the quad, the annual bus trip to Carnaval and the Classified concert at The Gait. We enjoyed an extended reading week as a record-breaking amount of snow fell on Lennoxville, forcing a day and a half's worth of classes to be cancelled.

Now, in the spring, it's time for a new SRC to take the reins. To them, best of luck; we have left the place in good shape, thanks to the tireless work of an incredibly devoted council, and in good hands.

The SRC had a great year but we couldn't have done it alone. I'd like to extend a huge thank you to: Annis Karpenko (you're the glue!), Dylan Corbett, Soseh Goekjian and Jess Dollinger (for all things frosh-related), Bruce Stevenson (for hanging in there one more semester), the editors of this yearbook (for providing us with this amazing keepsake), the management teams at The Gait and Doolittle's, the folks at B&G – and you, the students, for helping us to do the best job possible and trusting us with your Bishop's experience.

For the class of 2011, whether you showed up in Lennoxvegas, League of Heroes or Waterworld, it's been a blast. Hold on to the memories you have made here and remember you'll always be home at BU. Congratulations!
Doolittles is a student run store in the SRC that caters to the snaking needs of the students inbetween classes. They also offer basic gorceries to the students. Claire Kryczka and Josh Scott brought a sense of creativity and humor to the store and all the employees reflect this humor. They are also the undefeated flip-cup champions.

This as Quad Editor of the 2011 edition of the yearbook was such an amazing experience for me. I really became more connected than ever to the Bishops community and that is something that I am going to miss after I graduate. The dedicated team that I had was great they really went above and beyond when called upon. One big first that this year is the first year that we produced a full color issue and I think it looks magnificent. Also we are happy to present this book to each of the graduating students at convocation another first for Bishops. Best wishes to all my fellow graduates for the future, and good luck to all those that are continuing their studies. Bleed Purple and GO GAITORS!

Having been in a yearbook class in high school, I was ready to take on the challenge for BU’s yearbook. My experiences in high school and at BU are very different. In high school, things were just handed to us by the teacher and he took care of all the bigger priorities. Working for BU’s yearbook, members of the club do it all. There is no extra help. It was also different to have to balance out schoolwork and the yearbook. Dealing with deadlines for the yearbook and due dates for class assignments, there was a lot of balancing and planning needed to keep everything on track.

Overall, working for yearbook has broadened my experiences and is a good club to be involved in. Thanks to our editor Ashley who kept everything together. Without her, there would be no yearbook.

Working this year on the yearbook has been such a learning experience for me. As a first-timer on the yearbook staff I learned many new skills and problem solving abilities. I got to meet and work with many new people, which was great in my first semester at Bishop’s. Overall, I enjoyed working on this project and being part of the yearbook committee.
Residences.
Sport Centre and Arena

John H. Price Sport Centre is a place where students can go and sweat out their nervous energy from school. It is also the place where you can swim and take a variety of classes from zumba to yoga. Outside there are many tennis courts both inside and out and a full squash court. It also offers physio therapy clinic and a personal training service by Staxx. More importantly it is the home of the the Gaiters.

The Arena stands in front of Abbott residence and next to the Molson building. It is where the Polar Bears play their games, and on Sundays it offers free skating from 12:30 to 3:30. Many hockey teams have reserved ice time so that they can practice their game and have fun at the same time.
It's an amazing world out there. Ever wonder what's beyond the horizon?!
