Attending Bishop's is about building your potential. But it is not like building a finished structure, it is more like laying a foundation.

You will continue to build throughout your life- adding new rooms and floors- as you further develop your skills and expand your range of experiences. But everything you do will be built upon your Bishop's experience.

Here at Bishop's you were challenged academically and had the opportunity to get involved in many activities outside of the classroom. You acquired new knowledge and discovered new ways of seeing the world. And in the process, you built friendships that will last your entire lifetime.

The pages of this yearbook are filled with many of the memories that you and your classmates created along the way to graduation. They represent not the end, but the beginning of a great journey.

In five, ten, or fifty years time I hope that you look back upon all that you have built, both personally and professionally, and remember with fondness the time you spent laying your foundation at Bishop's.

I wish you success and happiness in whichever path you choose to follow.
It has been an awesome experience to serve as president of the SRC during the 2012/13 year. Though there have been obvious challenges associated with the role (stress, lack of sleep, Friday morning meetings), the ability to see the product of your work and the friendships made along the way have certainly outweighed any of the negative. As president, I’ve been in a unique position to see and hear about all the great things students at this school do. Our willingness to contribute and pride in our school never ceases to amaze me. This kind of dedication is what inspires me to work hard everyday to try and improve the Bishop’s experience. 2012/13 saw some great successes and failures at the SRC, which I won’t go into detail about here. What is important is the hard work our team put into each and everyone of these initiatives. Mark, Kim, Emily, and Katie, nothing that was accomplished this year could have been without you. Senators, SECs, and SARS, thank you for your enthusiasm and for putting in way more hours than what you’re paid for. Hopefully, as a team, we have strengthened the Council and the university this year. To all the 2013 grads, good luck with everything you do in the future. We’ve had an amazing experience at BU that has prepared us to take on the world... the sky is the limit! To all the returning students, if you only knew how jealous I am. Enjoy every minute of your time left at Bishop’s and never take it for granted. I’m looking forward to hearing all of the amazing things you will make happen here in the future. That’s enough sappiness for now.
Raise a Toast Bishop’s!

I put off writing this message until the last possible second. It's absolutely insane to realize that the year has gone by and once again we have arrived at convocation. Like a train picking up speed, every year at this amazing school seems to go by quicker and I am not ready for the conductor to announce the end of my journey. Thankfully, I have another year before that happens.

Looking back over the year and through my role as V.P. Student Affairs, I just want to say thank you. Starting with the students who put their trust in me to perform within this role, the staff and faculty who became respected colleagues, fellow SRC members who became a family, particularly the student affairs rep's (I couldn't have done it without you!), Anis you darling woman, and especially my fellow Exec members for whom I hold the highest regard. What a wonderful bunch you are and I look forward to hearing of your future accomplishments. This was a year of ups and downs, successes and failures and a heck of a lot of learning. I can't wait to apply it all next year in an effort to make the Bishop's experience all the more richer. To all you grads- good luck beyond the bubble.

This past year has been incredible! Being a part of the SRC was an amazing experience that I will definitely never forget. Thank you to everyone who voted for me, I appreciate it more than you know and can only hope I didn't let you down :).

As the VPAA I had the chance to work with an incredible group of people including the SRC, students, staff, and faculty. Through collaboration we were able to accomplish and be proud of so much: Orientation Week, the debates, S.T.E.P, extended library hours, Up-For-Debate, Research Week, etc. We all worked very hard and still found time to play.

I want to thank the Senators, you guys were a dedicated, hard working and fun team, I wouldn't have made it through the year without you (nerds rule). Thank you to all of the faculty members who supported and mentored me, with a special thanks to Dr. Childs, Dr. Bacon, Dr. Valsan, Dr. Riddell and Professor Teed. Working with you was a tremendous experience. Finally I want to thank the Exec. I wouldn't have wanted to spend my summer any other way; bonfires, BBQs and patio brews. Thanks for putting up with me. I would like to Raise a Toast to another incredible year at BU.
VP Social also known as VP Fun is responsible for overlooking all social, charity and athletics clubs on campus. I run club days, sit as a member on the Grant for Clubs Committee, hold club head meetings and run "club preview day" during Orientation Week. It is also my responsibility to plan and execute some of the major social events on campus including Frosh in a Can, Winterfest and Grad Formal. In the social department we also run the blood drives, small charity events, and little events at The Gait including N64 Night and Poker Night. The Social Department is tons of fun and provides lots of opportunities for students to get involved and volunteer at various events. We are always running around trying to let students know what is going on, on and off campus. Some of my favourite memories this year are the Rail Jam seeing Bishop's students showing their tricks on a very intimidating rail, filling three buses on going to cheer on the Men's Lacrosse team at McGill and learning more about each club and their impact at Bishop's. This school is a great place to get involved and meet new faces and is part of the reason why I will always cherish Bishop's in my heart, Raise a Toast BU!
This past year has been filled with so many great events I only wish we could have included everything, but then this book would be as thick as a dictionary. I want to thank everyone who submitted photos and helped make this book (that means you Annis aka Mama). Bishop's is an amazing university and I am so lucky to be a part of this school. I can't think of any other university that celebrates Halloween for 3 days or has a St.Patrick's day street party where the police stand and watch us drink in our crazy green costumes and fellow students light furniture on fire. It's been a great year Bishop's and I look forward to next year! Let's all raise a toast!

Wow! What an amazing five years I have had at Bishop's!!! Bishop's has been some of the very best years of my life and I have been fortunate enough to be involved in Grad formal, Res Life, Volleyball and so many other great activities that has made Bishop's unique. I am so thankful for everyone who has supported me through the good times and the bad, especially my wolf pack, the TC/RA team, V-ball ladies, and my leadership (AB2) girls. Although I have to graduate, BU will forever be in my heart.

I am double majoring in Biology and Fine Arts, Minor in Classics.. I take pictures, as you should all know.. I am part of the Lady Gaiter's Varsity Rugby team. I love to dance and laugh
This year Bishop's went glam and had a Hollywood-themed Frosh. Everyone had a blast going crazy and taking part in all the activities. The incoming class was welcomed to BU with arms wide open, and we showed them just how crazy things can get in good ol' Lennoxville.
BU loves Studying
It was a sea of purple this past homecoming as students and alumni dressed to the nines to show their school spirit. The Bishop's Gators played the McGill Redmen on Saturday September 29th and left them red! The Gators beat the Redmen 26-16 and we all raised a toast to celebrate!
Halloween

It's one of the most wonderful times of the year! Halloweekend is a 3 or sometimes 4 day event everyone enjoys. We have multiple costumes, consume copious amounts of alcohol and have a grand ol' time playing dress up and being silly.

THE DOOCREW
Bishop’s University was privileged enough to host its first TEDxBishopsU. TEDx is an independently organized event providing people with a chance to have a TED-like experience. The event was multidisciplinary and featured speakers from various universities including our own. The theme was “Illuminating Education” and each talk focused on an aspect of education and provided inspiration, innovation, and a transformative experience. This event would not have been possible without the lovely coordinator Dr. Jessica Riddell.
STUDENT SAFETY

Student Safety is a student-run organization that ensures the safety of students both on and off campus. These wonderful people make sure that the events you attend are both safe and enjoyable for everyone involved. Such events include athletic functions, games, and especially nights out on the town. The members of Student Safety are responsible for walking students to their residences/apartments, escorting them to Safe Haven, and simply making their presence known so that those around them can feel protected. They go on patrol during the night, ensuring that all events and activities are running smoothly and safety. So the next time you see a member of the Bishop’s student safety personnel, be sure to thank them for their exceptional work in helping the campus, and its students, as safe as possible!

Student Safety Team for 2012- 2013:
Christina Furino (Manager), Melissa Langille (Assistant Manager), William Embleton (Crew Chief), James Lamarre (Crew Chief), Jordan Wadden (Crew Chief), Andrew-Phillip Baronet, Wissem Ben Sta, Lois Boateng, Katy Dionello, Fabien Dupuis, Cormac Eby, Aleshia Edwards, Kali Fawcett, Brittanee Fleming, Nigel Flynn, Dylan Gagnon, Gloria Elena Gamez de las Fuentes, Sofie Hojabri, Jessica Kelly, Jordan Lavoie, Isabelle Lécuyer, Cameron Lasage, Miguel Marti, Karen Meades, Lindsay Mellon, Alexandre Morissette, Caroline Noel, Genevieve Primeau, Nicholas Stacey, Danielle Vallat, Jessie Wallace, Jennifer Ward, Dakota Wellman.

ENGLIT

Englit is an all-inclusive, student run organization working from the Bishop's English Department. We learn and breathe in close proximity to our profs and seek to maintain the tight-knit community established by our predecessors. We are also tied to many other literary scopes such as the BU Writing Club and The Mitre. Over the course of the school year, we host holiday-themed fundraisers and bake sales, as well as other student-specific events, such as parties, get-togethers, and creative writing with profs, often working in conjunction with other clubs and promoting a wide variety of inter-disciplinary fraternization.

Winterfest has become an annual event where everyone pulls out their retro ski gear and suits up to hang out in the Quad for the day. The event is organized by the SRC and features things like a rail jam and poutine eating contests.
Psychology Society

The Bishop’s University Undergraduate Psychological Society is an association that provides students with the opportunity to meet and share knowledge about psychological issues through organized activities throughout the semester. From social gatherings to guest speakers, and volunteer work, the Society encourages community involvement and participation in the department. The Society is open to all students and brings together a multifaceted perspective of a single discipline, providing a unique opportunity to contribute to such an exciting and evolving domain, psychology.

The History Association

The History Association is one of the oldest running clubs at Bishops. It connects students from all programs with their love of history, and allows members to explore new places and meet fellow undergrads. Activities over the year include a trip to Virginia, publishing of the History Review, and several fundraising activities. If you’ve got no future, study the past! All students welcome.
Volleyball Club

This year the Women’s Volleyball Club has had lots of fun having great practices, team workouts, amazing fundraisers, and developing a fantastic team. The girls have worked hard to develop their skills to become better volleyball players and improving our game play while creating friendships that will last a lifetime. Having been on the team for five years I have to say that I have loved every minute of this year and am so thankful to all the girls that came out and dedicated a lot of time to this team. I am sad to leave, but I know that myself and fellow graduate Taylor have some of our best memories with you ladies. I want to extend a huge thank you to our coaches Travis and Tyler, without you the club would not run nearly as well. And a final thank you to my two vice-presidents Becca and Kierra, you guys are amazing and I have loved working with you.

Gamers Club

The Gamers club sets out to express the joys of social gaming. By uniting people through board, card, computer and role playing games we hope to make university life more social and fun for all.

Raise a toast to Bishop's University
On the mighty Massawippi shore!
We're conditioned to our fate,
We will never graduate,
We'll stay here forever more!
College days will linger ever in our hearts,
Wearing gowns, raising hell and quaffing ale!
And we'll show esprit de corps
As we watch the Gaiters roar
On to victory!
So raise your beer mugs,
And your little brown jugs
To Bishop's University!
