

GUIDELINES AND INSTRUCTIONS FOR RESEARCH AND CREATIVE ACTIVITY GRANT

RESEARCH AND CREATIVE ACTIVITY GRANTS (RCAG) are competitively awarded to applicants who will conduct a clearly defined research project or creative activities likely to result in peer-reviewed dissemination.

1. ELIGIBILITY

Requests for funding for research and creative activities are encouraged from the following members of the Bishop's academic community (here listed in priority):

- a) Continuing members of faculty and continuing librarians, including sabbaticants¹;
- b) All other full-time faculty and librarians (i.e. temporary and sessional appointments);
- c) Contract faculty and retired faculty and librarians.

When a grant holder is no longer a member of the Bishop's University academic community (as in the list above), all unspent funds will immediately revert to the Senate Research Committee.

RCAG will not be allocated to top up an existing externally funded project. Researchers with external funding will only be considered if they present a totally new and different project.

When funds are limited, priority will be given to emerging scholars who present a solid project and a solid plan for seeking external funding.

2. CATEGORIES OF SCHOLARS

Funding is available for two distinct categories of scholars: emerging scholars and established scholars². For Travel Grants and Research and Creative Activity Grants, the SRC will assess applications from emerging scholars separately.

Emerging scholars: Emerging scholars are researchers who have not yet had the opportunity to establish an extensive record of research achievement, but are in the process of building one.

They must meet at least one of the following criteria:

- a) have completed their highest degree no more than six years before the competition deadline; **or**
- b) have held a tenured or tenure-track university appointment or a permanent librarian position or one leading to permanence for less than six years; **or**
- c) have held a university appointment, but never a tenure-track position; **or**

¹ Funds requested should assist in supporting original research not connected directly with the acquisition of a higher degree. Specifically, applicants on funded study leaves or sabbaticals to obtain a higher degree are not eligible for support.

² We use the SSHRC definitions of an emerging scholar and an established scholar (<http://www.sshrc-crsh.gc.ca/funding-financement/programs-programmes/definitions-eng.aspx#a12>).

- d) have had their career significantly interrupted or delayed for health or family reasons within the past six years; **or**
- e) have not been active in research during their appointment at Bishop's but be seeking to become so.

Established scholars: Established scholars are researchers who have established—or who, since the completion of their highest degree, have had the opportunity to establish—a record of research achievement.

6. ETHICS REVIEW

Projects funded by the Senate Research Committee involving human participants must be approved by the Research Ethics Board before the work begins. See the University website for more information.

Projects funded by the Senate Research Committee involving the use of animals and/or biohazards must be approved by the Animal Care Committee or the Biosafety Officer before the work begins. See the University website for more information.

7. APPLICATION

The SRC will hold one RCAG competition per year. The deadline is January 31st of each year, or the following business day should this date fall on a weekend or holiday.

The application form is available on the [BU Research Portal](#). It must be submitted electronically by clicking the SUBMIT button at the top of the screen.

8. ELIGIBLE EXPENSES

All eligible expenses must be supported by original receipts, which are to be submitted to the Business Office. Cost overruns will be borne by the grant holder.

a) Research Assistance

The hourly wages for research personnel are available on myBU. These hourly rates should be used together with the total number of hours required and the cost of fringe benefits (14% of the total), to calculate the research assistance budget.

b) Travel, Accommodation and Food Costs

These costs should be in compliance with the Expense Reimbursement Policy of the University which is available at:

https://mybu.ubishops.ca/businessoffice/Policies/Bishop's%20Expense%20Reimbursement%20Policy_Jan2023%20-%20rates%20revised%20only_%C2%AD_.pdf

Please note that dissemination costs (conferences, publications, open access fees, etc.) are not eligible under the RCAG program.

c) Supplies

All requests for supplies (materials to be used during the term of the grant such as lab supplies, photographic materials, stationery, postage, tapes, etc.) must be itemized with individual budget estimates. RCAG do not fund the purchase of equipment. However, the purchase of software directly related to the project will be considered, provided such software is not otherwise available on campus or through networks.

d) Translation

Charges for translation of documents related to the project such as questionnaires and consent forms are eligible for support. Expenses related to the publication of manuscripts, page charges, and reprint costs are not. Funding for these charges may be secured as a Publication Grant (see section 6).

9. REPORT AND ACKNOWLEDGEMENT

All grant holders must submit a Final Report to the Senate Research Committee **by April 30** of the (2nd) second year following the Notice of Award. The Report Form is available on the [BU Research Portal](#). **Failure to submit** a Final Report by the due date will jeopardize the researcher's eligibility for future grant support. The report must be accompanied by the summary printout of the grant account transactions from the Business Office.

Grant holders **must** acknowledge support from the University in **all** publications or public dissemination of results achieved under the sponsorship of the grant. The University reserves the right to use the results of research or creative endeavors that have been funded wholly or in part by this Committee for promotional purposes.
