

SENATE COMMITTEE ON STUDENT ACCESSIBILITY AND ACCOMMODATION SERVICES (As of the 582nd Senate Meeting, held on December 19th, 2016, this Committee is the Senate Committee on Student Accessibility and Accommodation Services.)

Mandate and functions of the Senate Committee on Student Accessibility and Accommodation Services

As approved by Senate at the 392nd Senate Meeting on February 24, 1997.

This Committee originated as an ad hoc committee of Senate mandated to formulate a University policy on students with Special Needs. Once Senate adopted the policy (October, 1993), its members recommended that, in order to fulfill one item of the policy statement "Bishop's University will endeavor to continue to work towards the removal of barriers to students with disabilities", the Committee meet on an annual basis to review and identify gaps in services to students with disabilities and make recommendations where appropriate. This, then, is the current mandate of this Committee
