

I experienced Sexual Violence (SV)
or Gender-Based Violence (GBV).
Do I want support from the University?

NO

You can still access other supports/resources:

- CHUS Fleurimont
- Sexual Violence Helpline
- CALACS
- Sherbrooke Police

You can still change your mind & seek support or services at a later time.

In certain cases, the university may conduct a risk assessment and request an external investigation, such as in complex situations or when there are concerns of recidivism.
