

Welcome to Dewhurst Dining Hall, Testimonials from our clients!

Dear Dewies staff,

Thank you for the amazing dedication and work over these past months. The world has changed greatly recently. The result being that the efforts and lengths needed for cleanliness have never been greater. With all the changes, switches, and hours being cut to staff, I wanted to say thank you for keeping us safe and fed.

I can imagine that there have been complaints from students about everything from having to follow directions to shortening of hours of operation, and more. However, I have never seen any of you lose it or take your frustrations out on the students. This shows true character. It highlights the good-natured spirit of you all. Do not lose this. The world is a mess right now and we need every bit of good nature and kindheartedness we can get.

On those days that you do not feel appreciated, remember that you are. That there are students who notice your hard work. Here are some treats for your dedication and hard work. I picked up some separate pre-wrapped chocolate bars for those who would feel more comfortable having them, rather than reaching into a communal box of doughnuts. Take care.

-Testimonial from a student who was on the meal plan before COVID-19.

“Spoiled with desserts.”

“Ridiculously friendly staff! Very safe COVID rules.”

“They take the time to chat to us and always make sure we have everything we need.”

No place like home

Dewhurst is not just the place to go to eat, it's also where you go to relax, to unwind and catch your breath.

We know there's no place like home, so we try to make this place (YOUR place) as close to home as can be.

Whether it's hanging out by one of the Christmas Trees, chatting it up with their friends, or kicking back for a little "The Price is Right" on the big screen.

You can always count on Lolly, Trudy and Michele to add a taste of home to your environment.

— Dewies Hall

Just because the world keeps changing, doesn't mean that we do. We adapt! We Improve! Most of all, we keep our commitment to the quality of service that Dewhurst has always been known for. The Servery is looking better than ever, and with YOUR health & Safety front row and center.

The University Buildings & Grounds department has done a fabulous job upgrading each station!!

Hot Table

Olivier, our hot table cook, is at his best behind a stove or an oven. Not often seen on Dewhurst's front line, he is a very important part of the "backstage" team. Maybe we shouldn't hide him in the kitchen with that Rockstar look.

Butter Tarts

Noah's signature dessert (Full time student at Bishop's). Growing up in a Bakery, you learn a couple of tricks. He offered to share this sweet dessert to all the students. He said:
"You can never make too many Butter tarts!"
He was right!

Creamsicle Milkshakes

Chef Thierry wanted to share a part of his childhood with his Creamsicle Milkshakes. Growing up in Montreal, you have to be nostalgic of Orange Julep and their signature drink.

POPCORN STAND

Our popcorn stand is more famous than ever!

Having no catering or events this semester means some equipment is not being used. What a good opportunity to use our popcorn stand and make our customers happy.

Everyday, Victoria cooks a batch of fresh Popcorn.

Our Smoothie bar was very popular. Trudy could still hear the loud buzzing sound of our blenders when she got home at night.

But it was worth it!

Hard work + Satisfied students = Happy Trudy.

FRESH SUSHI

Freshly made sushi on Tuesdays and Thursdays.

The one and only Lucia impresses us every week with her great skills and patience. Hand rolled sushi made just a few minutes before you order.

Delicious Desserts

Chantal works very hard to satisfy every customer with a sweet tooth.

She likes to spoil the students with different ideas and creations everyday.

Thank you Chantal!

Crêpes Station

Our crêpe station is one of the most appreciated by students. No wonder because Julie is doing what she does best.... Entertaining our customers with a healthy dose of love and energy.

If you ever pass by Dewhurst, you will hear her say her two favorite expressions:

“Crêpes all day!!” and “Les crêpes du bonheur”

Thanks Julie for that ray of sunshine!!

Out of province arrivals

With ever-changing guidelines, restrictions & limitations, we have put in place a safety protocol that allows us to adapt quickly.

Often with very little time to react, we deliver hot and cold meals to the students that are in self isolation.

Here are a few ways we keep our customers happy...

Ice cream sandwich bar by Thierry.

Nacho bar by Max.

Smoothie bar by Trudy.

Iced coffee bar by Noah.

Here is just half of the team. The other half are hard at work!

Thank you to all our staff for making memorable days for our clients (the residence students) by putting a little sunshine out there during these difficult times
Gaëtan V.

This PowerPoint presentation was brought to you by the Bishop's students and the Sodexo team.
