

D I S C O V E R   T H E   H I D D E N   G E M

The last few years have tested each of us, the world, and our resolve in ways that haven't been experienced in our lifetimes. We have lost many of our opportunities to connect on personal levels. We have learned a lot about who we are, what our values are, and how much resiliency we hold. We have missed fully experiencing and celebrating many of life's milestones. Many graduation ceremonies, proms, year-end celebrations, birthdays, and anniversaries have taken place virtually, if at all.

As we emerge from our virtual worlds, now is the time to make the most of our lived experiences. We have returned to our communities and are rekindling those connections while building new ones. We will learn from our experiences and grow. We will take advantage of our newfound freedoms and move forward together as a community. And there is no better place to do this than at Bishop's, what many refer to as a **Hidden Gem**.

Bishop's is a place that will help you build new connections and memories that will last a lifetime. A place where approximately 3,000 students from roughly 80 countries come together to be part of something bigger. A place where you will discover and grow as an individual, friend, colleague, and citizen. A place where you will experience connectedness, laughter, joy, and many new milestones to celebrate. A place that you will call home.

A person stands in silhouette at the entrance of a cave. The cave walls are rugged and textured. A bright, glowing light emanates from an opening in the distance, creating a strong contrast with the dark interior. The overall color palette is dominated by deep blues and purples, with the light source providing a warm, golden glow.

Your home is here,

and our campus is open, calling your name.

Your journey at Bishop's University  
is about to begin!

## Bishop's is a community like no other.

The Bishop's learning model starts with a small group and a question. With approximately 3,000 students, we offer some of the most intimate class sizes and personalized educational experiences in the country. You will know your professors, and they will know you. You will not be just another number here. We challenge. We listen. We debate. We push students to expand their horizons. We examine issues from various angles. We believe in interdisciplinary study, and in gaining a broad foundation of knowledge about the wider world.

Since 1843, Bishop's has been the smallest of Quebec's English universities and one of the most close-knit university environments in all of Canada.

We know tradition and prestige. We know academic rigor. We have plenty of red brick and ivy. We offer intimate and dynamic classes. Our professors know your name. Our students are engaged. We have abundant school spirit. We foster a genuine sense of community and belonging. We offer an educational experience on a human-scale. We are a family of almost 21,000 proud alumni, each one having left their purple mark.

Our students are empowered to adapt to complexity, diversity, and change. The BU educational experience and learning model is unique, exceptional, personal, and transformational.

Bishop's is a place to be the best version of yourself and start exciting things. Perhaps that is founding a student club or an entrepreneurial venture, spearheading a social awareness campaign, taking on a personal goal, or simply beginning a new adventure. Our inclusive and supportive environment, strong institutional values, and outstanding faculty are here to facilitate your growth.

Above all else, BU is a community. A community of scholars, leaders, change-makers, and friends. We are a different kind of university. We are a family.

AN EXTRAORDINARY  
 WAY OF LEARNING

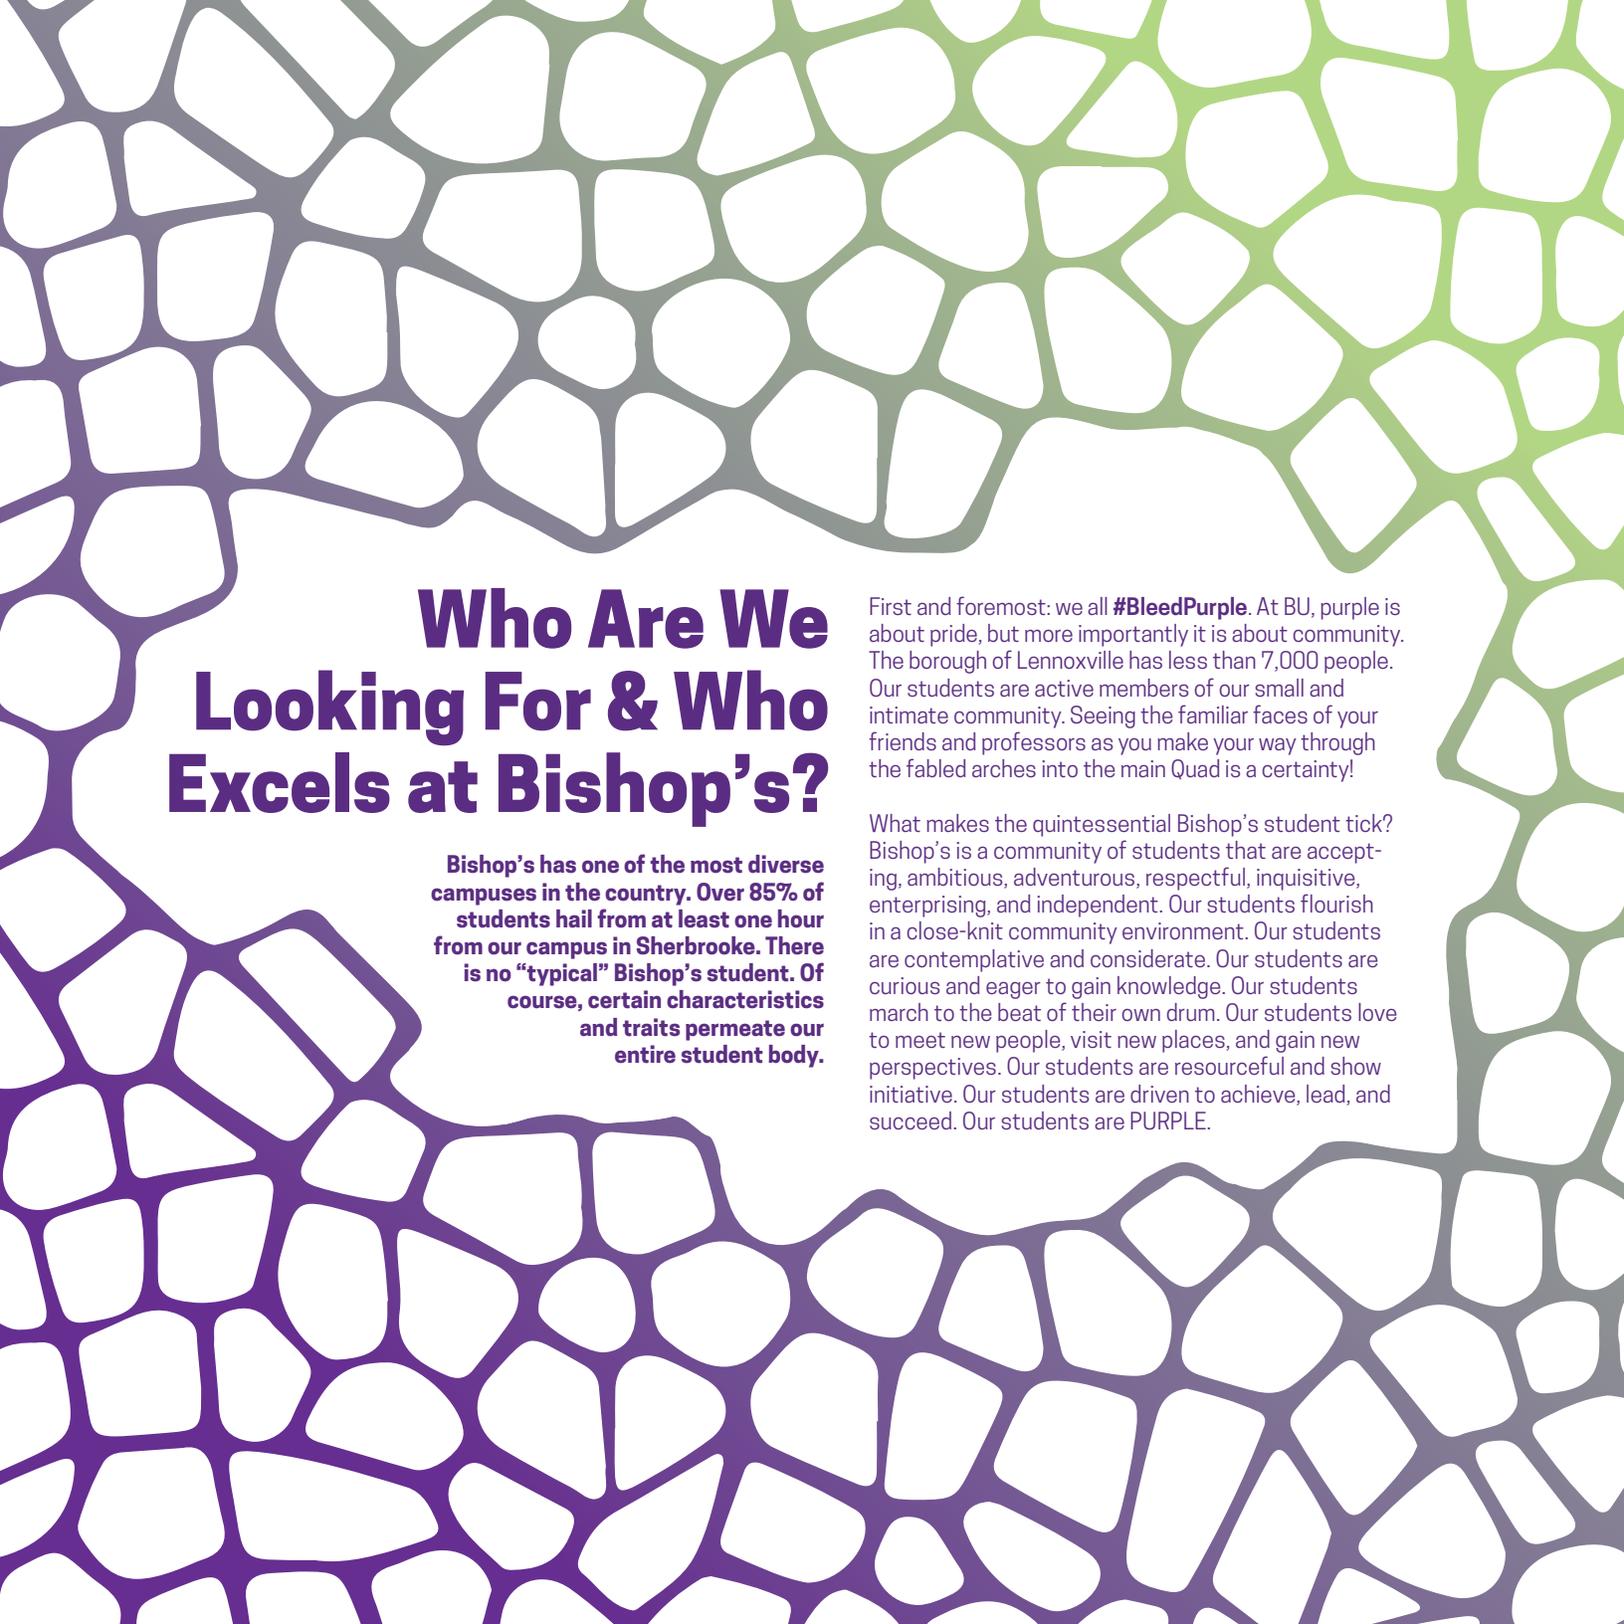

Bishop's, along with Acadia, Mount Allison and St. Francis Xavier, are proud members of the Maple League of Universities.

Individually, each of our institutions is committed to delivering an extraordinary educational experience — student-centered, hands-on, and community-minded— and consistently rank among Canada's very best primarily-undergraduate universities.

Working together, we offer our students broad educational, cultural, and social opportunities that complement your program. In the past year we've introduced team-taught courses delivered at multiple campuses, offered extracurricular activities and live-streamed guest speakers.

As a dynamic group of four extraordinary universities, Bishop's, Mount Allison, StFX, and Acadia demonstrate the power of true collaboration. Learn more about the Maple League at [mapleleague.ca](http://mapleleague.ca).

## Who Are We Looking For & Who Excels at Bishop's?

**Bishop's has one of the most diverse campuses in the country. Over 85% of students hail from at least one hour from our campus in Sherbrooke. There is no "typical" Bishop's student. Of course, certain characteristics and traits permeate our entire student body.**

First and foremost: we all **#BleedPurple**. At BU, purple is about pride, but more importantly it is about community. The borough of Lennoxville has less than 7,000 people. Our students are active members of our small and intimate community. Seeing the familiar faces of your friends and professors as you make your way through the fabled arches into the main Quad is a certainty!

What makes the quintessential Bishop's student tick? Bishop's is a community of students that are accepting, ambitious, adventurous, respectful, inquisitive, enterprising, and independent. Our students flourish in a close-knit community environment. Our students are contemplative and considerate. Our students are curious and eager to gain knowledge. Our students march to the beat of their own drum. Our students love to meet new people, visit new places, and gain new perspectives. Our students are resourceful and show initiative. Our students are driven to achieve, lead, and succeed. Our students are PURPLE.

# What is a Liberal Education?

**In 1843, the founders of Bishop's University declared their goal: "to offer the country a sound and liberal education." To this day, we remain focused on this mission, delivering a broad education in an intimate learning environment that encourages exploration and discovery. If you choose Bishop's, you will see the benefits of an outstanding education coupled with a holistic university experience.**

Liberal education is an educational philosophy that exposes students to a wide variety of disciplines and learning strategies. It includes in-depth studies in at least one specific academic area, with the ability to integrate other diverse areas. **Here you can combine various disciplines such as biology with fine arts, or economics with religion, or business with**

**psychology, or whatever your interests may be.** This style of education encourages you to ask questions, consider all angles, pursue knowledge, and gain confidence. You will graduate as a thoughtful, capable, inspired, and self-aware individual.

In short, it's no wonder why Bishop's students have consistently rated their experiences as amongst the most satisfying and engaging in all of Canada.

WE create an academic environment where you can grow and change. But a lot of what happens here also depends on YOU. Together, we'll craft an educational experience that will make you look back nostalgically and remark, **"Choosing Bishop's was the BEST decision of my life!"**

For more information on the Bishop's liberal education model, please visit: [ubishops.ca/liberal-education](http://ubishops.ca/liberal-education)

# Bilingualism: Unlock Your Future.

**Bishop's is an English university in a French-speaking city.  
But what if your French is rusty or you don't speak French at all?**

**No worries. Roughly 50% of our students arrive on campus not knowing how to speak *la langue de Molière*.** Bishop's is an English-speaking university, and all services on campus are offered in English so you don't have to worry about your interactions with faculty and staff. However, you can choose to practice your French on campus if you want to, since most faculty and staff are bilingual. Plus, you'll meet students from across Canada and around the world with whom you can practice your French. An English university in a French city. The opportunity is all yours!

**Be open to new opportunities. Be Purple. BU.**

## **Que faire si votre anglais est rouillé ou pas parfait ?**

Nul besoin de vous inquiéter. Environ 25 % des étudiants qui arrivent sur le campus sont francophones. Même si Bishop's est une université anglophone, vous pouvez choisir d'exercer vos compétences en français sur le campus, car la plupart des professeurs et des membres du personnel sont bilingues. Il est donc possible de rédiger vos travaux et examens en français, jusqu'à ce que votre anglais se soit amélioré. Vous rencontrerez des étudiants d'un peu partout au Canada et des quatre coins du monde ce qui permettra à votre anglais de se parfaire de jour en jour. De plus, l'Université Bishop's possède de nombreuses ressources pour aider les francophones.

*L'anglais vous ouvrira un monde de possibilités !*

## **Le français est votre langue maternelle ? Nous avons pensé à vous.**

Les mesures suivantes vous permettront de maîtriser l'anglais à votre rythme et selon vos besoins :

- **Possibilité de rédiger vos travaux et examens en français pendant une certaine période de transition.**
- **Centre d'écriture avec consultations gratuites pour rédiger ou corriger vos travaux.**
- **Ateliers de conversation en anglais offerts gratuitement à tous les étudiants.**
- **De plus, il est possible de suivre l'un de ces programmes :**

### **Programme d'immersion en anglais :**

Programme de 25 heures de cours/semaine offert durant l'été, pendant une à cinq semaines, selon les besoins de l'étudiant.

### **Programme Explore :**

Immersion totale en anglais pendant cinq semaines (une session), soit au printemps, soit pendant l'été. Donne droit à 6 crédits universitaires.

### **Certificat en anglais langue seconde :**

Programme de 10 cours (30 crédits universitaires) visant à donner à l'étudiant les connaissances nécessaires à la poursuite d'un baccalauréat en anglais, offert à temps plein ou à temps partiel.

### **Cours d'anglais langue seconde à la carte :**

Cours du jour ou du soir offerts à tout étudiant inscrit au baccalauréat ainsi qu'aux étudiants libres.

# Remember How You Entered.

# Be Proud of How You Leave.

Louis Lalenti Class of '06

Our alumni are amongst the most loyal and proud in the country if not the world. Our Alumni Association serves as an important bridge between our home in Lennoxville and our approximately 21,000 alumni around the world. Since 1843, Bishop's has helped produce leaders in every industry and field imaginable – politicians, artists, musicians, CEOs, health care professionals, lawyers, broadcasters, accountants, entrepreneurs, scientists, scholars, philanthropists, humanitarians, activists, educators and more. Once you become part of the Bishop's community you never really leave your new home. **#PurplePride is always at the heart of our global alumni community.**

**SONIA ISAAC-MANN**, Vice President – Programs and Services,  
First Nations Health Authority

**JENNIFER QUINN**, Director of Communications, Toronto Raptors

**JAMIL ABIAD**, Founder, Next Level Media

**TOVA WHITE**, SVP and Chief Human Resources Officer at Giant Tiger

**NANCY KNOWLTON**, President and CEO at Nureva Inc.

**JIM CORCORAN**, Singer-songwriter and broadcaster

**JOHNNY REID**, Award-winning country music artist

**KARI HORN**, Vice-Chair Alberta Securities Commission

**JOHANNE CHOINIÈRE**, COO Dollarama

**SYLVAIN FABI**, Consul General of Canada in Denver, U.S.A.

**DANIEL KLINCK**, Founder & CEO East Africa Power

**MATT FOGARTY**, Professional Voiceover Actor

**LINTON CARTER**, Chief Development Officer, UNICEF Canada

**DR. RITA HARTUNG CHENG**, President Northern Arizona University

**ROSS HUNT**, Vice President, Finances & Information Systems  
& Administration, COSTCO Canada

Disease, Institut universitaire de gériatrie de Montréal

**DAVID STRAITON**, TV & Movie Producer and Director  
The Good Doctor; House; Star Trek Enterprise

**PETER HEIDINGER**, CEO Scotiabank Europe plc  
& Head of Global Banking and Markets, Europe

**JUNIOR SIRIVAR**, Partner & Co-Chair, International  
Arbitration Group at McCarthy Tetrault

**TRACEY K. DEWARE**, Chief Justice of the Court of  
Queen's Bench New Brunswick

**ARASH MADANI**, National Reporter/Anchor, Rogers Sportsnet

**STEVE DE EYRE**, Director of Public Policy &  
Government Affairs at TikTok Canada

# The Future of You

University is said to be one of the greatest times in your life, an opportunity to meet individuals from around the world, make life-long relationships, uncover new passions, have new experiences, and undergo personal growth and discovery. Bishop's is a special place where all of this can happen for you, but for three of our young alumni, Katie, Shayne and Adam, this could not have been truer.

From left to right: **Katie LeClair**, Class of 2013. Hometown : South Mountain, ON. Program : Bachelor of Business Administration. **Shayne Cowan-Cholette**, Class of 2018. Hometown: Ottawa, ON. Program: Bachelor of Education and Bachelor of Arts – Honors Drama. **Adam Peabody**, Class of 2013. Hometown: Fredericton, NB. Program: Bachelor of Arts – Politics, Economics and Public Administration

These three individuals did not know each other prior to coming to Bishop's University, and as with many of our students' experiences, they met on campus and became lifelong friends. However, not only have they become great friends, but also business partners, founding The Future of You Company Inc. ([www.futureof-workskills.ca](http://www.futureof-workskills.ca)).

When asked to describe what The Future of You is all about, Adam provides the following explanation, "We provide training programs and workshops to support emerging leaders in mastering entrepreneurial skills (like problem-solving, emotional intelligence, and creativity) so they can reach peak performance and generate a return-on-investment faster. Our flagship product, the Future of Work Skills program, is the first in Canada to offer an intentional, experiential, and self-directed learning model for teaching these skills. So far, we've worked with customers in the private industry, education, and economic development to support over 850 young professionals across Canada."

There is a specific kind of person who chooses Bishop's. They want to be part of something and to contribute; they are "all-in". And, when they graduate, they leave with an entrepreneurial edge.

**"This edge comes from the experiential learning that is quintessential to each of our Bishop's experiences. Whether it is choosing our orientation**

**team in the Quad, writing a play and performing it in the community theatre festival or organizing a rubber-duck golf charity event, from the moment you step on campus it's clear you're empowered to make the most of your time in Lennoxville. You're encouraged to try, fail, learn, grow, reflect and do it all over again", says Katie.** "Without a doubt, Bishop's is the place that taught us how to be comfortable in our skin, to challenge the status quo, to leverage our unique human advantages and build together. During our time in Lennoxville, we were encouraged to question, debate, criticize, and empathize. The University's teaching environment and surrounding communities feed on discovery, adventure, exploration, empowerment, taking risks and making mistakes. Because we were able to fully immerse ourselves as Bishop's students, we have a competitive advantage now in building and scaling our business."

Katie, Shayne and Adam were involved in a wide array of activities while at Bishop's including student government, student ambassadors, student-athlete, drama and theatre, B.E.S.T. project fund recipients, and dance, just to name a few. It was by getting involved and meeting a wide variety of people that the personal growth occurred which in turn starting opening doors to various opportunities. Shayne reflects, "Bishop's University is a place of never-ending opportunity. It is the kind of place that takes pride in making learning happen beyond its classroom doors. A significant portion of the learning that happens at Bishop's is from extra-curricular involvement and it is up to YOU, as students, to take initiative, take action and make things happen. You have a lot more influence than you might think (even in your first year!) and you can make a big impact – fast. Lean into your opportunities, lead with curiosity, and accept the opportunity to immerse yourself into unfamiliar territory."

That's not only what a university experience is all about, that's what a liberal education is all about and is something that Bishop's does exceptionally well.

Did you know that in 2008, Bishop's University developed the first geothermal district heating system in Canada?

# We Bleed Purple... and Green!

For nearly 180 years, the Bishop's community has been fortunate in having an incredible 550-acre natural and built environment to call home. As part of our latest Strategic Plan, the University has cemented its commitment to "Preserve and enhance the natural and built environment", so that we continue to be "...responsible stewards of this land... [ensuring] that our campus remains a home for wildlife and a haven for recreation. We will protect our natural areas so that subsequent generations of Bishop's students and the wider community of the Eastern Townships will be able to enjoy them."

Here are just a few of the commitments and ways that we are building our sustainable development plan that will sustain our natural environment:

- One of the first universities in Canada to ban the sale of plastic water bottles on campus
- Installed a geothermal heating system that has saved over 1 million liters of water and 2,300 tons of CO<sub>2</sub> per year on campus and provides over 75% of our campus power
- The Trans-Canada Trail and Provincial Cycle Paths intersects our campus offering sustainable transportation and recreation for faculty, staff and students
- La Tasse project which provides reusable and consignable mugs on campus
- Composting, recycling and waste management services
- Bishop's Bees apiary and the development of our very own Bishop's branded honey
- Offering of multiple sustainability-related courses and programs such as Sustainable Agriculture and Food Systems (SAFS), Biodiversity and Ecology, Environment and Geography, Micro-program in Climate Change, and multiple courses related to sustainable development
- Development of an Educational Farm on campus
- Sustainable Development Action Group
- Various student led clubs to join: SAFS, AgroBishops, BU Environmental Club
- Recognized as a FairTrade campus
- Carbon Care Certified Campus
- Peter Curry Wetland Conservation Project
- Planting of over 10,000 trees as part of the Tree Care and Biodiversity working groups
- Electric charging stations added on campus
- Creation of a Pedestrian Friendly campus to encourage the development of a non-motorized campus
- Tray-less Dining Hall that encourages students to make thoughtful food choices, reduce food waste, water and energy consumption
- Recycled the "old" artificial turf on Coulter Field and used portions of it to create recycled furniture for campus
- Participants in "No Mow May" to aid pollinators and natural plant growth
- BU Community Fridge/Community Cupboard initiative that helps tackle food insecurity and prevent excess food waste
- Development of an on-campus green event checklist
- Green Levy fund to encourage and support green initiatives on campus
- Replacing campus owned and operated vehicles with electric/hybrid options
- Annual Eco-Week activities and events to promote sustainability
- Signatories of the Talloires Declaration (2010), Climate Emergency Declaration (2019), Sustainable Development Action Plan (2021)
- Aim to become carbon neutral by 2030 at the latest

How will you contribute to the sustainability of our campus and community?

# B.E.S.T.

## - Project Fund -

The Bishop's Exceptional Student Talent (B.E.S.T.) Project Fund is the premier experiential learning opportunity at Bishop's University. In 2010, a Bishop's graduate made a commitment to establish this opportunity fund at the University and students have been making the most of it ever since. This unique fund is meant to assist students in exploring career paths and realizing their passions. It also gives students the chance to enhance their learning outside the classroom.

Project funding is awarded to students whom the Selection Committee believes have the potential for significant achievement and impact once they graduate from Bishop's. Do you have an ambition or passion that you would like to make come true? We encourage you to be one of our B.E.S.T.! Here are examples of projects that have been funded in recent years:

- A psychology student who spent the summer at Oxford University working in a pain research laboratory.
- A drama and fine arts student who attended and performed in the Edinburgh Fringe festival.
- An environmental studies and sustainable agriculture and food systems student went to Iceland to participate in a Green Program focusing on sustainability, geology, bio-fuels and geothermal energy.
- A biodiversity and ecology student who worked at an animal rehabilitation centre in Peru.
- A history and global studies student who worked on a major archaeological excavation site in Ancient Corinth, Greece.
- A business student who took part in the New York City Investment Banking Immersion program.
- An education student who started a summer camp in Uganda for 50 AIDS-affected youth.
- A classical studies student who participated in an intensive mosaic course taught in Ravenna, Italy.
- A chemistry student who interned in Germany researching gold complexes as anticancer drugs.
- A political studies student who participated in a three-week study tour of the European Union.
- An English literature student who worked on an Abenaki language revitalization project utilizing artificial intelligence software.
- An international studies student who secured a summer internship in a law firm in China, while taking intensive Mandarin lessons.

# Donald Lecture Series

Every year, the Donald Lecture Series attracts speakers of national and international renown to the Bishop's campus to provide insight, provoke thought and stimulate debate on the most compelling issues and events in the world today.

You won't want to miss these leaders and role models sharing their hard-earned lessons about leadership, creativity, innovation, perseverance, success and failure.

These lectures are free of charge to our students thanks to the generous support of Bishop's alumnus John Donald '60, DCL '12, who recently made a gift of \$3 million to establish the series in perpetuity.

"The Donald Lecture Series never ceases to impress. No matter the speaker or discipline, the talks are engaging, entertaining, and intellectually stimulating. Every Bishop's student knows what a liberal education really is and why it's so important; the Donald Lectures parallel this philosophy by challenging the minds of attendees to be eclectic and intellectual individuals."

**- Study Abroad and Exchange Programs -**

**— Partner institutions in over 30 destination countries —**

Bishop's supports all students who wish to take advantage of the large number of international learning opportunities offered as part of your degree experience! Generous funding is available to all students who take part in a one or two semester-long student exchange at a partner institution, or a shorter-term summer learning abroad opportunity.

Immerse yourself in another culture and community. Improve your language skills. Deepen your intercultural awareness and global understanding. Discover your field of study from new angles and perspectives. Develop lifelong friendships all over the world and join our community of globally minded Gaiters!  
[www.ubishops.ca/study-abroad](http://www.ubishops.ca/study-abroad)

**“Putting yourself in an unfamiliar place for several months can challenge, build upon, and strengthen your character. The skills you will develop abroad are ones that you will use for the rest of your life... Don't think twice about this opportunity; go forward and be brave.”**

*Phil Sedgwick, went on exchange at Rhodes University, South Africa*

# Get Involved Beyond the Classroom.

“Live your passion” is not just a motto here at Bishop’s, it’s how we function. Finding your fit on campus is also very important as it will contribute to your overall success. Whether you are an avid dancer, an advocate for human rights or a budding leader, our campus is the place to do what you love with the people who are there to support you. Over 70 student clubs are run by the Students’ Representative Council (SRC), so there is something for everyone. And if you can’t find what you’re looking for, go for it and create your own club. After all, making your own ideas happen is what **#BleedPurple** is all about. **Here is a sample of clubs you can join:**

ASL Club  
Bishop’s Bees  
Bishop’s – Champlain Refugee Sponsorship Program  
BU Pride Alliance  
BU Ski & Snowboarding Club  
Caribbean African Student Association  
Community Art Lab  
Environmental Club  
Finance & Investment Club  
Games Club  
Indigenous Cultural Alliance  
Jack.org  
Modern Languages Club  
Neuroscience Student Network  
Toast Radio

Discover a full list of extra-curricular associations and clubs at: [busrc.com/busrc-extra](http://busrc.com/busrc-extra)

## Student Support Services

Bishop’s is well-known for supporting its students. After all, with a tight-knit student body of less than 3,000 and a supportive community like Bishop’s, how could you expect anything else?

Here you will find a wide range of student services to help you succeed in all aspects of your life – academics, health and well-being, personal counselling, spiritual care, career planning, accessibility services, peer support, campus security and more. All you have to do is reach out and discover what is available to you as a student at Bishop’s. [ubishops.ca/resources](http://ubishops.ca/resources)

**"I have no regrets coming to Bishop's. It's one of the best decisions I've made so far and Bishop's has become my second home and my second family. It feels like it was meant to be."**

Estefanie Jean, Aruba

- WE ARE ALL -

# Gaiters

Whether you are a high-performance athlete, a weekend warrior, or someone who just wants to get into or stay in shape, as a Bishop's student you have access to some of the best athletic facilities in the country. The best part is that membership to the John H. Price Sports and Recreation Centre is included with your student fees, so you can enjoy full access to our recently renovated facilities and everything they have to offer to keep you motivated and get your heart pumping. A variety of recreation classes and intramurals are offered at a reduced price to keep you motivated along the way. Some of our facilities and athletic teams include:

- Fully Equipped Fitness/Cardio/Weight Rooms
- Two Double-Gymnasiums
- 800-Seat Ice Hockey Arena
- Newly Renovated 25-metre Indoor Pool
- Racquet Courts
- Dance, Yoga and Martial Arts Studios
- Three Fully Functional Smart Classrooms
- Gaiters Boutique
- Sports Studies Lab
- 9-Hole Golf Course
- FIS-Certified Cross Country Ski Trails & Snowshoe Trails
- Multiple Outdoor Playing Fields
- Coulter Field With Newly Renovated Artificial Turf
- State-of-the-Art Sports Medicine Clinic  
With Specialists, Open to the Public
- Health Clinic
- Tim Horton's
- Lounge Spaces for Studying
- Expansive Rooftop Terrace Overlooking  
Coulter Field and the St. Francis River

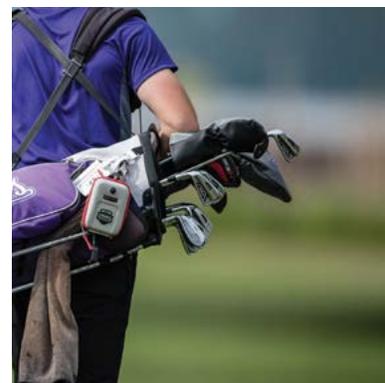

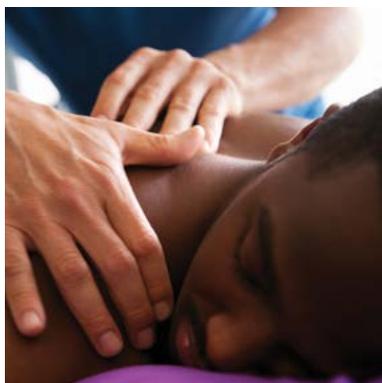

- Varsity Athletic Teams -**
- Basketball** (Men's and Women's)
  - Cheerleading** (co-ed)
  - Football** (Men's)
  - Golf** (Men's and Women's)
  - Ice Hockey** (Women's)

# DON'T JUST ATTEND BU -LIVE IT!

No matter the building you choose, Residence Life offers students an opportunity to discover themselves and build lifelong friendships along the way. Resident Assistants live on every floor and are there to actively listen, help foster social connections, and respond in emergency situations. Students living in residences are provided the support they need to go from living at home to living on their own, and make living at Bishop's the experience of a lifetime.

# Residence: The heart of our community

## Personal Growth

We believe in creating an environment where you will learn to empower yourself to take responsibility, be independent, and to take risks to learn and grow, whether it be finding the courage to express your identity, the voice to challenge the status-quo, or the strength to seek support and understanding when life gets tough. Through access to resources that support your well-being, you will learn to confidently speak up, to do what is right even when it is hard, and to assume responsibility for yourself and your communities.

## Curiosity

Curiosity is the drive to ask questions and learn; to push the boundaries of self, community, and education in the hopes of exploring and understanding the world with humble openness. It reflects the relationship with one's identity, which includes values, beliefs and lived experiences. We strive to create spaces where you will engage in dialogue with the intention of gaining greater understanding and be open to the possibility of shifting your perspective.

## Community Engagement

By living in residence you will feel a sense of belonging to community and learn to participate in the creation of spaces that foster meaningful connections. You will form healthy, supportive communities that make a difference to the lives of those around you, and will advocate for the rights of yourself and others.

### Norton and Pollack Halls

These traditional style residences with single and double rooms are located in the centre of campus, close to all buildings and services. They are perfect for first-year students who want to instantly be in the centre of the action and feel like they are part of the Bishop's family.

### Abbott, Kuehner and Munster Halls

The privacy of a single room with the benefits of having a roommate. Double rooms offer a true roommate experience. All styles offer a shared bathroom between roommates and are located next to the dining hall and sports complex.

### New Residence – Opened Fall 2022

Our newest 100-bed residence building welcomed its first students in 2022! These modified bog-style units provide more common space in each unit and shared in-unit bathroom facilities, while maintaining the privacy of having separate single rooms. Building facilities include a natural light room, yoga/Zen relaxation room, multimedia movie and gaming room, large assembly hall, common kitchen, lounges and study spaces on each floor, and a large game room equipped with a pool table. Nestled amongst beautiful oak and willow trees, this residence is our most modern and most accessible residence on campus.

### Paterson Hall

This residence building offers suites with four bedrooms, two bathrooms, a kitchen, and living room in each unit. Students living in this style can opt for one of our meal plans or choose to cook for themselves. Paterson is located adjacent to the New Side residences, golf course, Peter Curry marsh, and hiking trails.

**- 70% of our students have lived in one of our 7 residences. -**

# Residence Fees

We guarantee residence for first-year undergraduate students who meet the June 9, 2023 application deadline. The fees for the 2022-23 academic year (September – April) are listed below (all pricing in Canadian dollars). In addition to accommodation and dining fees, each resident will be charged a mandatory \$59 monthly Residence Service fee. This all-inclusive fee includes in-room high-speed internet, local telephone connection, as well as unlimited laundry access.

## Good to know...

Our research demonstrates that first-year students living in on-campus residence have **GPA's 5% higher** than first-year students who live off campus.

**Living in residence will save you approximately 17 hours per week** in time you don't need to worry about buying groceries, food preparation, paying bills, or commuting. That is 17 hours (1,020 minutes!) each week that you can spend cultivating friendships, participating in clubs and activities, learning new skills, upleveling your academic pursuits, and/or working part-time.

## Accommodations

Norton/Pollack: Single Occupancy	\$656/month	\$5,248/8 months
Abbott/Kuehner/Munster: Single Occupancy	\$714/month	\$5,712/8 months
Paterson Hall: Single Occupancy (4 bedroom suite)	\$718/month	\$5,744/8 months
New Residence Building: Single Occupancy	\$725/month	\$5,800/8 months

All students living in either traditional or bog-style residence must choose from one of the following meal plans. Pricing is for a full academic year (September 2022 to April 2023).

**The Flexible Diner** – Full access to Dewies' "Continuous Dining Experience," as well as \$9.50 daily to use at the Purple Pod and 2 guest meal passes per semester for use at Dewies. Cost = \$5,336 CAD

**The Square Mealer** – Full access to Dewies' "Continuous Dining Experience," plus \$9.50 daily to use at the Purple Pod, \$144 tax free retail Gaiter Dollars to use at any other campus dining venues, as well as 4 guest meal passes per semester for use at Dewies. Cost = \$5,480 CAD

**The Hearty Eater** – Full access to Dewies' "Continuous Dining Experience," plus \$9.50 daily to use at the Purple Pod, \$216 tax free retail Gaiter Dollars to use at any other campus dining venues, as well as 8 guest meal passes per semester for use at Dewies. Cost = \$5,552 CAD

**The 5-Day Commuter** – This plan was created with off-campus students in mind. Off-campus students can sign up for this meal plan and enjoy Dewies "all you care to eat" dining 5 days a week. Cost = \$3,825 CAD

## Meal plans

# Feed Your Inner Gaiter

## Dining Options

**You know it: your body needs proper nourishment for you to feel good and do your best work.** Dewhurst Dining Hall — affectionately called “Dewies” — is the place to enjoy a first-rate meal in the company of fellow students, staff, and faculty.

You will enjoy delicious food thanks to our talented team of chefs who emphasize freshness and taste in their dishes. A new day brings a new menu catering to a variety of tastes and dietary concerns: omnivore, carnivore, vegetarian, flexitarian, plant-based, vegan, nut-free, or gluten-free.

Students living in traditional or bog-style residence are required to purchase a meal plan. Off campus students can purchase a variety of meal packages or choose pay-as-you-eat options.

Our community gathers and makes lasting memories around food! **Dewies is the main dining hall on campus and offers a Continuous Dining Experience.** What this means is that students on our meal plans can enter the dining hall anytime between 7:30 a.m. to 9:00 p.m., 7 days per week, as many times per day as they desire. These students have access to everything being served and can eat as much as their hearts desire. In addition to Dewies Dining Hall, you will also find other dining options on campus like Tim Horton's, The Purple Pod, Bus Stop Café, and the Library Learning Commons Café.

## Student favourites:

- Curry chicken
- Vegetarian chili
- Panini and sandwich bar
- Omelette station
- Grilled alligator (just kidding!)
- Stir fry
- Sushi
- Crêpes
- Thai soup
- Gyros
- Poutine

**“I love walking to campus every day and being guaranteed to see at least six people I know and smile while passing by all my peers. It puts me in a really good mood knowing that I know who so many of my classmates are and that they know me.”**

Rielly Thompson, Carp, ON

# Financial Matters

Through the help of government, alumni, current students, faculty and staff, the Bishop's Foundation, corporations and private donors, **over 53% of our students receive financial assistance** through scholarships, awards, grants, bursaries and loans. Just because you aren't top of your class, or super involved outside the classroom, or can't run the fastest doesn't mean you won't be eligible. We have hundreds of scholarships and awards that have a wide variety of requirements...you never know what you might receive!

## Scholarships, Awards and Bursaries

At Bishop's we have three main categories for all undergraduate entering students: competitive admission scholarships; and our awards and bursaries.

### Competitive Scholarships

Our scholarships range in value from **\$1,000 to \$20,000** per academic year. Some are renewable for your entire time at Bishop's, while others are one-time awards that you can receive either as a new student or a continuing student. To be considered, all you need to do is **complete your online application for admissions by March 1<sup>st</sup>, 2023** and have all your supporting documents to us no later than **March 15<sup>th</sup>, 2023**. We will then review all applicants and make scholarship offers soon thereafter.

### Chancellor's Excellence Scholarships

The Chancellor's Excellence Scholarships (CES) are the most prestigious scholarships available at Bishop's. Valued at **\$10,000** per academic year and renewable for up to four years (maximum total value **\$40,000**), applicants to the CES must present excellent academic achievement coupled with attributes that demonstrate strong leadership, entrepreneurship, and community engagement. Online applications are due **March 1<sup>st</sup>, 2023**.

### Awards and Bursaries

Our awards and bursaries range in value from **\$800 to \$8,000** per academic year. Most of these awards and bursaries are one-time and non-renewable. To be considered, all you need to do is **complete your online application for admissions and the online awards and bursaries application by March 1<sup>st</sup>, 2023**. Also remember to send in your supporting documents no later than **March 15<sup>th</sup>, 2023**. We will review all applicants and make awards and bursaries offers soon thereafter. In addition to academic merit, these awards may also consider leadership, extra-curricular activities and financial need.

Grâce à l'apport du gouvernement, des anciens, des étudiants actuels, des professeurs et du personnel, de la Fondation de Bishop's, de sociétés et de donateurs privés, **plus de 53 % de nos étudiants reçoivent une aide financière** sous forme de bourses, de prix ou de prêts. Vous pouvez y être admissible même si vous n'êtes pas le premier de votre classe, hyper investi dans des activités parascolaires ou le meilleur coureur. Nous distribuons des centaines de bourses et de prix, aux exigences très variées... vous serez peut-être surpris de ce que vous pourriez recevoir!

## Bourses et prix

À Bishop's, nous proposons deux grandes catégories de bourses et prix aux nouveaux étudiants de 1<sup>er</sup> cycle : les concours de bourses et les bourses et prix.

### Concours de bourses

Nos bourses décernées sur concours sont d'une valeur de **1 000 \$ à 20 000 \$** par année universitaire. Certaines sont reconduites pendant toute la durée de vos études à Bishop's, tandis que d'autres ne sont attribuées qu'une fois et peuvent vous être remises à titre de nouvel étudiant ou d'étudiant déjà inscrit. Pour que votre candidature soit évaluée, vous devez **remplir votre demande d'admission en ligne au plus tard le 1<sup>er</sup> mars 2023** et nous faire parvenir tous vos documents justificatifs au plus tard le **15 mars 2023**. Nous examinerons ensuite toutes les demandes et octroierons les bourses peu après.

### Bourses d'excellence du Chancelier

Les Bourses d'excellence du Chancelier (BEC) sont les bourses les plus prestigieuses offertes à Bishop's. D'une valeur de **10 000 \$** par année académique et renouvelables jusqu'à quatre ans (valeur totale maximale de **40 000 \$**), les postulants aux BEC doivent présenter un excellent dossier d'accomplissements académiques, ainsi que des qualités démontrables en ce qui a trait au leadership, à l'entrepreneuriat et à l'engagement communautaire.

### Bourses et prix

Nos bourses et prix sont d'une valeur de **800 \$ à 8 000 \$** par année universitaire. La plupart ne sont offertes qu'aux nouveaux étudiants et ne sont pas renouvelables. Pour que votre candidature soit évaluée, vous devez **remplir votre demande d'admission en ligne le plus tard le 1<sup>er</sup> mars 2023**. N'oubliez pas de nous envoyer vos documents justificatifs et votre demande de bourse ou de prix au plus tard le **15 mars 2023**. Nous examinerons ensuite toutes les demandes et décernerons les bourses peu après. En plus du dossier scolaire, ces bourses et prix peuvent tenir compte du leadership, des activités parascolaires et des besoins financiers.

Did you know that at Bishop's students can pay their tuition and fees using Aeroplan loyalty points through HigherEd Points?

## Tuition and Fees

The following are the tuition and fees structures for the 2022-23 academic year:

*Le tableau suivant présente la structure des droits de scolarité et frais afférents pour l'année 2022-2023 :*

\*Please note that a typical course will be worth 3 credits and that most students will take 5 courses per semester for a total of 30 credits over one academic year (September to April). Bishop's also offers a condensed Spring/Summer session (May and June). Bishop's undergraduate students enrolled in no fewer than 12 credits per semester will be considered full-time. Undergraduate international students must be enrolled in a minimum of 12 credits per semester.

*\*Il est à souligner qu'en général les cours valent 3 crédits et que la plupart des étudiants suivent 5 cours par semestre, pour un total de 30 crédits par année universitaire (de septembre à avril). Bishop's offre aussi un semestre condensé de printemps/été (mai et juin). Les étudiants internationaux de premier cycle doivent être inscrits à un minimum de 12 crédits par semestre.*

	1 credit*	30 credits*	Compulsory Fees <i>Frais obligatoires</i>
<b>Quebec Residents</b> <i>Résidents du Québec</i>	\$93.23	\$2,796.90	\$1,677.54
<b>Other Canadian Citizens, Permanent Residents and Convention Refugees</b> <i>Autres citoyens canadiens, résidents permanents, réfugiés au sens de la Convention outre-frontières</i>	\$291.00	\$8,730.00	\$1,677.54
<b>French and Franco-Belgian Citizens</b> <i>Citoyens français ou franco-belges</i>	\$291.00	\$8,730.00	\$2,754.54
<b>International Citizens**</b> <i>Citoyens internationaux</i>	\$873.98	\$26,219.40	\$2,754.54

## Total Fee Estimate

	Tuition <i>Frais de scolarité</i>	Compulsory Fees <i>Frais obligatoires</i>	Accommodation <i>Hébergement</i>	Meals <i>Repas</i>	Books and Supplies <i>Livres et fournitures scolaires</i>	Estimated Total* <i>Total estimé*</i>
<b>Quebec Residents</b> <i>Résidents du Québec</i>	\$2,796	\$1,677	\$5,800	\$5,480	\$1,300	\$17,054
<b>Other Canadian Citizens, Permanent Residents and Convention Refugees</b> <i>Autres citoyens canadiens, résidents permanents, réfugiés au sens de la Convention outre-frontières</i>	\$8,730	\$1,677	\$5,800	\$5,480	\$1,300	\$22,987
<b>French and Franco-Belgian Citizens</b> <i>Citoyens français ou franco-belges</i>	\$8,730	\$2,754	\$5,800	\$5,480	\$1,300	\$24,064
<b>International Citizens**</b> <i>Citoyens internationaux</i>	\$26,219	\$2,754	\$5,800	\$5,480	\$1,300	\$41,553

\*Please note that these are estimates only based on actual costs for the 2022-2023 academic year. Costs may fluctuate based on the academic program, number of courses taken, style of residence and meal plan chosen. All costs shown are in Canadian Dollars.

\*\* Please note that the Quebec government has allowed for deregulation of international tuition fees. Please visit our website to see how this may affect you: [ubishops.ca/moneymatters](http://ubishops.ca/moneymatters).

*\*Ces frais ne sont que des évaluations, qui reposent sur les frais réels pour l'année universitaire 2022-2023. Ils peuvent fluctuer en fonction du programme universitaire, du nombre de cours suivis, du type de résidence choisi et du plan repas sélectionné. Tous les coûts sont indiqués en dollars canadiens.*

*\*\* Veuillez noter que le gouvernement du Québec a autorisé la déréglementation des frais de scolarité internationaux. S'il vous plaît visitez notre site Web pour voir comment cela peut vous affecter : [ubishops.ca/moneymatters](http://ubishops.ca/moneymatters).*

# Admissions Information & Criteria

The following requirements should be used as a guideline to be considered competitive for admissions consideration. Each admission cycle Bishop's University receives more applications than spaces available. Meeting the below requirements does not guarantee admission. Applicants who do not meet the requirements listed may be considered on an individual basis. In those and other cases, the Admissions Office may request additional information to what is listed.

## CÉGEP

In the process of completing a Diploma of College Studies (DEC) or have obtained a DEC from a CEGEP in Quebec within the last two years and have not studied elsewhere.

The Global R-Score will be used as the admissions average.

R-Score requirement: varies depending on program, see [ubishops.ca/admissions](https://ubishops.ca/admissions) for details.

## Canadian High School

General requirements: five senior-level (Grade 12 or equivalent) academic courses including English, with a minimum overall admissions average of 80% or equivalent.

Minimum requirement to be considered: Completed High School Diploma.

Five Grade 12-level approved academic courses, including pre-university English. A list of approved courses can be found at [ubishops.ca/admissions](https://ubishops.ca/admissions).

Science applicants require two approved Grade 12-level science courses (Physics, Chemistry, and/or Biology)

## USA/International High School

General Requirements: five senior-level (Grade 12 or equivalent) academic courses including English with a minimum overall admissions average of 80% or a minimum GPA of 3.50 on a 4.00 scale or equivalent.

Minimum requirement to be considered:  
Completed High School Diploma or equivalent.

We are looking for well-rounded students with strong academic grades and involvement in community and extra-curricular activities.

Submission of SAT/ACT test scores, letters of recommendation, and personal essays, is optional, however all information submitted will be considered.

Caribbean requirements: minimum five CSEC subjects and CAPE certification with no grades below a "III"

## International Baccalaureate (IB)

Minimum requirement to be considered:  
Completed IB Diploma.

Theory of Knowledge (TOK) and Bonus points are not included in the admissions average calculation.

Minimum anticipated IDP score of 30 required.

Non-IBDP applicants will be reviewed on a case by case basis.

## Baccalauréat Français (BACF)

Minimum requirement to be considered:  
Completed Baccalauréat Français Général.

Minimum score of 12.5 required

## British-Patterned (A-Levels) Systems

Minimum requirement to be considered: Five GCSEs and three A-Level examinations. BTEC applicants will be considered on an individual basis.

Minimum of five GCSEs with no grade below "5" or "C" and three A-Levels with a minimum B/B/C score required.

## College and University Transfers

Minimum requirement to be considered: In good academic standing at last institution attended.

Latest available transcripts from all post-secondary institutions attended. High School transcripts and a letter outlining the reasons for the transfer may also be requested by the Admissions Office.

## Mature Student

Minimum requirement to be considered: Must be at least 21 years old at the start of the semester being applied to and have not studied full time for at least two full academic years (four semesters).

Applicants are evaluated on an individual basis and, along with the latest transcript, a Curriculum Vitae (CV) and Letter of motivation must be submitted.

## Required Documents

- Copy of latest transcript
- Supplemental information (personal statement, letters of recommendation, standardized test scores, etc.), while not a requirement, would be considered if submitted as part of the application package. Upon evaluation of your file, the Admissions Office may request additional information.

All documentation can be submitted electronically at time of application or via MyBU once an application is submitted.

For more information visit [ubishops.ca/admissions](http://ubishops.ca/admissions).

## English Language Proficiency Requirements

Applicants that have not studied in an English or French language curriculum must normally meet our English Language Proficiency (ELP) requirements. **Students must submit scores for only ONE** of the following standard ELP tests.

**TOEFL:** 90 (Internet based)

**IELTS:** 6.5

**Cambridge English:** Proficiency (CPE) – Grade of C or higher

**Cambridge English:** Advanced (CAE) – Grade of C or higher

**CAEL:** 70

**International Baccalaureate (IB):**

Majority of IB Diploma courses completed in English or French plus  
Language A1 or A2 (HL or SL) final score of 5  
Language B (HL or SL) final score of 6

**Duolingo English Test (DET):** 115+ (Expert Level)

## Language School Partners

For students who meet our minimum academic requirements but do not meet our ELP requirements, Bishop's may offer conditional admission to your intended academic program provided that you meet our ELP requirements through the Bishop's English for Academic Purposes (EAP) Program or one of our Language School partners. Details on the EAP program can be found in the Continuing Education section of [ubishops.ca](http://ubishops.ca).

For a list of Language School partners and for more information please check the "English Language School Pathway Students" under the Future Students section of [ubishops.ca/ELSPS](http://ubishops.ca/ELSPS).

## Advanced Credits

### University Transfers:

Completed courses deemed to be at a university-level with a grade of C or higher are eligible for advanced standing credit. The maximum amount of credit a student can receive is 60 (equivalent to two full years of study). Degree and program restrictions may impact the amount of transfer credit that is possible.

### College Transfers:

In addition to having completed courses deemed to be at a university level, college transfer students must also have completed a diploma program or be in a recognized university-transfer program at a North American institution. Degree and program restrictions may impact the number of credits that can be transferred.

Required documents for transfer credit evaluation: Official transcripts and course outlines or syllabi should be submitted to the Admissions Office.

## CAQ and Study Permit Requirements

International students admitted to Bishop's University must obtain two study permit documents prior to arriving at Bishop's. Once students obtain their conditional or final letter of admission they can begin the application procedure. The first step is to complete a CAQ (Certificate of Acceptance) application with the Quebec government ([immigration-quebec.gouv.qc.ca/en](http://immigration-quebec.gouv.qc.ca/en)) and click on Foreign Students. Once this permit has been approved students can then apply for a Canadian study permit ([cic.gc.ca](http://cic.gc.ca)).

It is important to note that the process can take anywhere from 4-16 weeks to complete so we encourage students to complete their application for admissions early to avoid any delays.

For more information contact the International Office:  
[international@ubishops.ca](mailto:international@ubishops.ca)

## Study and Work in Canada

International students with valid study permits can work on or off campus a maximum of 20 hours per week and full-time during holidays and summer months anywhere in Canada. Once they obtain their degree from Bishop's, international students are eligible to obtain a Post-Graduation Work Permit, which allows them to work in Canada for up to three years. This valuable work experience helps graduates qualify for permanent residency in Canada and provides credentials that are recognized worldwide. For more information on studying and working in Canada please visit [cic.gc.ca](http://cic.gc.ca).

# How to Apply

---

- 1** Visit **ubishops.ca** and click on the APPLY NOW button. *Allez au **ubishops.ca** et cliquez sur APPLY NOW.*
- 2** Complete the online application and pay the application fee by **April 1<sup>st</sup>**. *Remplissez la demande en ligne et acquittez les frais d'admission au plus tard le 1<sup>er</sup> avril.*
- 3** Submit your supporting documents no later than **May 15<sup>th</sup>**. *Remettez vos documents justificatifs au plus tard le 15 mai.*
- 4** Once you have received an offer of admission, accept your offer online by **June 1<sup>st</sup>**. *Après l'avoir reçue, acceptez votre offre d'admission au plus tard le 1<sup>er</sup> juin.*
- 5** Once you have accepted your admission offer apply for residence by **June 15<sup>th</sup>**. *Après avoir accepté votre offre d'admission, demandez une place en résidence au plus tard le 15 juin.*
- 6** International students should apply for a Quebec CAQ and Canadian Study Permit\*\*. *Si vous êtes un étudiant international, demandez votre certificat d'acceptation du Québec (CAQ) et votre permis d'études au Canada.\**
- 7** Watch your **email inbox** for important information throughout the admissions cycle. *Consultez votre boîte courriel pour lire l'information importante qui vous sera expédiée tout au long du cycle d'admission.*

If you have questions contact us at **admissions@ubishops.ca**.  
*Si vous avez des questions, joignez-nous à **admissions@ubishops.ca**.*

\* File processing times can vary between 10 and 14 business days, please submit all your documents when completing your application online to ensure a quick response.  
\*\* Processing times for study permits and CAQ can take between 4 and 16 weeks so please apply for your study permit as soon as possible.

\* La période de traitement est de 10 à 14 journées ouvrables. Nous vous encourageons à soumettre vos documents justificatifs lors votre demande d'application en ligne afin d'obtenir votre réponse rapidement.

\*\* La période de traitement est de 4 à 16 semaines. Nous vous encourageons à remplir votre demande de permis d'études le plus rapidement possible.

# Come visit our campus

**Open House dates:  
October 15, 2022 &  
March 25, 2023**

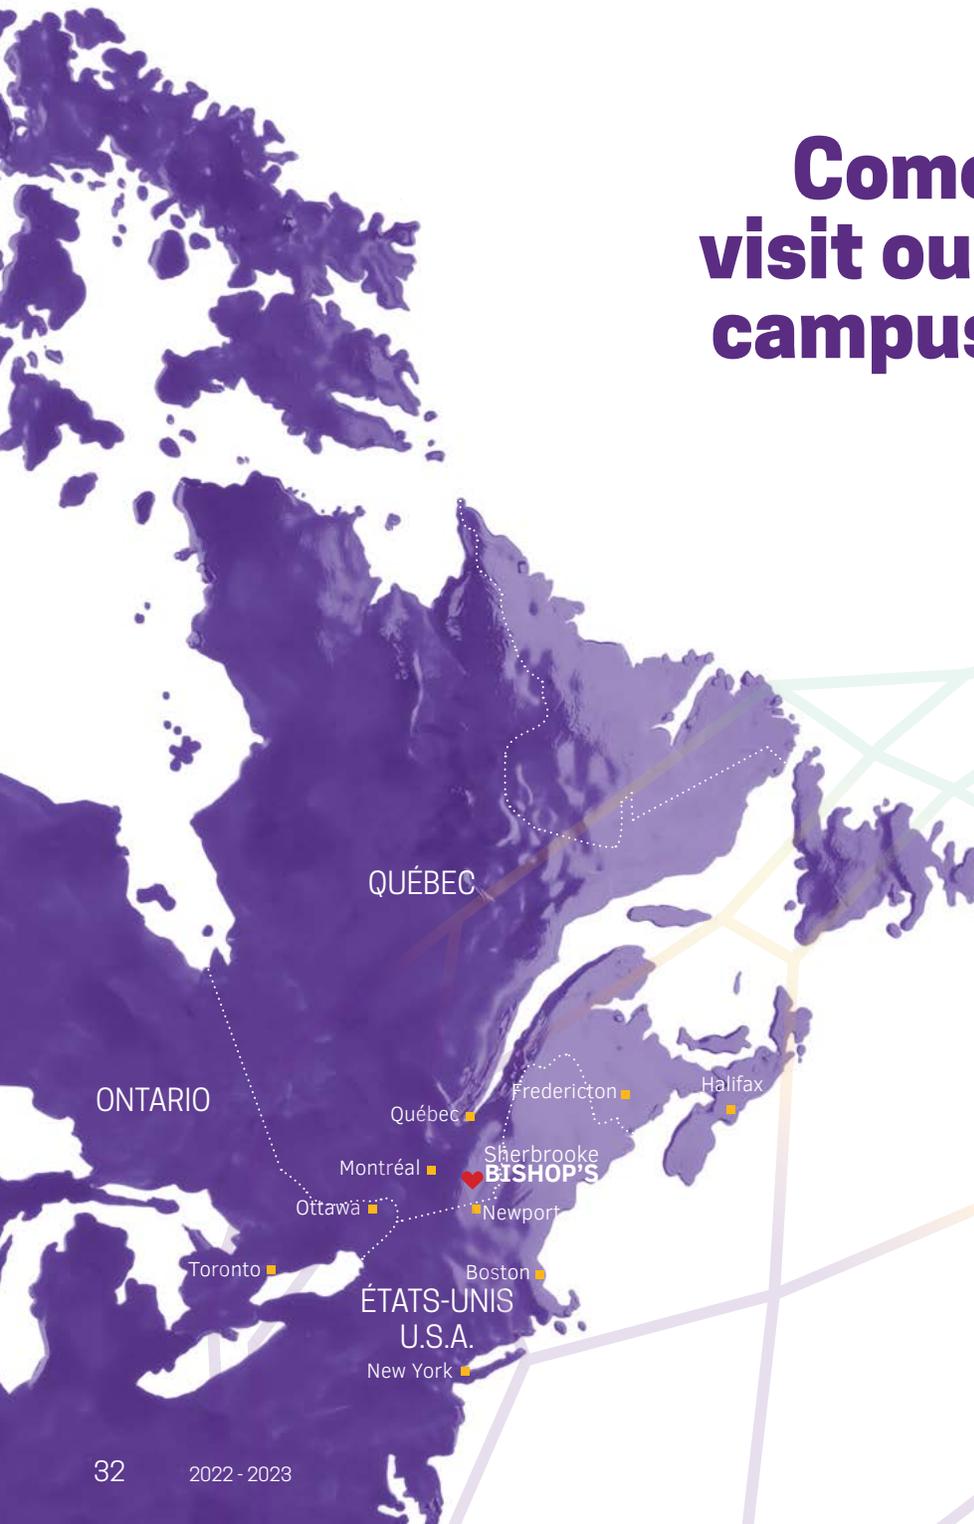

RSVP: [ubishops.ca/open-house](https://ubishops.ca/open-house)

You've read our viewbook, you've seen our photos and you've visited us online, but the best way to experience our beautiful campus is still to visit us in person. We offer personalized daily tours where you can meet with admissions staff, speak with professors, sit in on a class, dine at Dewhurst Hall and spend time with some of our students.

Schedule your tour online at [ubishops.ca](https://ubishops.ca) by clicking **CAMPUS TOUR**. We also have a number of events both on campus and online through webinars and social media. We hope we get the chance to show you in person what it really means to #BleedPurple.

# - FACULTY OF ARTS & SCIENCE -

**At the Faculty of Arts & Science, we do more than just teach – our aim is to support and assist you as you expand the boundaries of your comfort zone and become an informed global citizen. Discover people, societies, and cultures. Study human achievement across time and cultures. Develop critical inquiry and the ability to communicate bold ideas. And be prepared for a lifetime of learning: our degrees are the first step to graduate studies and the path to enduring success in your professional life.**

## **ART HISTORY**

[ubishops.ca/art-history](http://ubishops.ca/art-history)

Honours, Art History & Theory  
Major, Fine Arts Concentration in  
Art History & Theory  
Minor, Art History & Theory

Through the methods and concepts of art history, students learn the 'visual' language of images as they acquire knowledge and understanding of all forms of visual arts ranging from earliest cave paintings to latest new media installations, from monumental to miniature.

Using diverse approaches and theories, art is critically analyzed in the larger social, cultural, economic, institutional, and ideological contexts of its production, display, and reception. As students engage with works of art and key texts in art history, theory and criticism, they develop visual as well as verbal and written literacy. Art History fosters creative and critical thinking, inquiry, analysis, and effective communication skills.

### **Career possibilities**

Art buyers/traders  
Art galleries  
Auction houses  
Art appraisers  
Freelance art critics/writers  
Independent curators  
Teaching

## **ARTS ADMINISTRATION**

[ubishops.ca/arts-admin](http://ubishops.ca/arts-admin)

Major, Arts Administration, Fine Arts Concentration  
Major, Arts Administration, Drama Concentration  
Major, Arts Administration, Music Concentration  
Major, Arts Administration, Film Studies Conc.  
Major, Arts Administration, History Concentration  
Certificate, Arts Management

In this exciting program, students take core courses in Business and in one of the creative arts (Drama, Fine Arts or Music), and also explore all aspects of Arts Administration for non-profit arts organizations and their various interactions with the public and private sectors. The aim of this program of study is to provide graduates with the knowledge to set up a successful non-profit arts organization and maintain it as a sustainable and viable entity. As part of this program, all students are required to undertake an internship with an arts organization of their choice.

### **Career possibilities**

Community and regional performance halls  
Professional musical ensembles and  
entertainment companies  
Advertising and promotional agencies  
Festival management  
Recording studios and related music businesses  
National museums  
Art galleries  
Art co-ops for both public and private sectors

## **BIOLOGY AND BIOCHEMISTRY**

[ubishops.ca/biology](http://ubishops.ca/biology)

Honours Biochemistry  
Honours Biology, Biodiversity & Ecology  
Honours Biology, Health Sciences  
Major Biochemistry  
Major Biology, Biodiversity & Ecology  
Major Biology, Health Sciences  
Minor Biochemistry  
Minor Biology

Our programs cover a wide range of subjects, all with a focus on the components and processes that make up life. Whether it is studying biologically important molecules or entire ecosystems, our courses are designed to help students gain an understanding of the content and develop their own abilities to further explore a subject. Our faculty members are dedicated to undergraduate education and thrive on helping students develop their knowledge and skills both inside and outside the classroom. Coupled with a strong faculty culture of inquiry and research, students are encouraged to develop an analytical approach to investigating the world around them. This is further facilitated by a focus on hands-on learning in our modern and well-equipped laboratory facilities.

Our proximity and continued collaboration with the Université de Sherbrooke provide our students added access to some of the leading researchers in Canada in biochemistry, physiology, cellular and molecular biology, medicine, and microbiology. Moreover, our rural setting paired with its proximity to many natural habitats such as bogs, lakes, rivers, mountains, marshes, forests and meadows, provides exceptional opportunities for field study and research in biodiversity, ecology and conservation.

### **Career possibilities**

Biotechnology  
Environmental assessment  
Forensic scientist  
Laboratory technician  
Medicine, dentistry, veterinary medicine  
Nursing, optometry, physiotherapy  
Research scientist  
Wildlife field technician

## CHEMISTRY AND BREWING SCIENCES

[ubishops.ca/chemistry](http://ubishops.ca/chemistry)

Honours, Chemistry  
Major, Chemistry  
Minor, Chemistry  
Minor, Brewing Sciences **NEW!**  
Graduate Certificate, Brewing Sciences

The Chemistry and Brewing Sciences Department programs provide students with a balanced, rich, and practical education in all sub-disciplines of Chemistry – Analytical, Biochemical, Inorganic, Organic and Physical, and Brewing Sciences (Hops, Yeast, Brewing Water Chemistry, Malt and Malting, and Business of Brewing). Class sizes in chemistry and brewing sciences courses are small, which promotes close personal interaction between faculty members and students. The department has an excellent set of modern instruments, which are used by undergraduates in their laboratory courses and in research projects. This contrasts with many large universities where many instruments are primarily reserved for graduate students.

Students graduating with a Chemistry degree from Bishop's University have had an excellent record of being admitted to graduate schools and professional programs (Medicine, Dentistry, Pharmacy, Education, etc.) or in finding employment in their field.

### Career possibilities

Chemist  
Dentistry  
Forensic scientist  
Healthcare scientist  
Medicine  
Pharmacy  
Research scientist  
Toxicology

## CLASSICAL STUDIES

[ubishops.ca/classics](http://ubishops.ca/classics)

Honours, Classical Studies  
Major, Classical Studies  
Minor, Classical Languages  
Minor, Classical Art and Archaeology  
Minor, Greek and Roman Civilization  
Minor, Ancient History

A student in the Classical Studies department will enter the world of the ancient Mediterranean. We focus especially on the civilizations of Greece and Rome and offer courses in their literature, mythology, history, culture, art, and archaeology. Students have the opportunity to learn Latin, the language of ancient Rome and medieval Europe, and Greek, the language of philosophy, tragedy, and the New Testament.

### Career possibilities

Archivist  
Editorial assistant  
Heritage manager  
Journalist  
Law  
Museum curator  
Politics  
Teaching

## COMPUTER SCIENCE

[ubishops.ca/comp-sci](http://ubishops.ca/comp-sci)

Master of Science, Computer Science  
Honours, Computer Science  
Major, Computer Science  
Major, Information Technology  
Minor, Computer Science  
Certificate, Computer Science

We offer a solid Computer Science education in a liberal education environment. We also integrate real-world experience into our curriculum including our co-operative education program and access to Undergraduate Capstone Open Source Projects. We are active in several research areas and we offer a research intensive Master's program as well as opportunities for undergraduate students to get involved in cutting-edge research.

### Career possibilities

Computer games developer  
Data scientist  
Hardware technician  
Network analyst  
Software developer  
Security architect  
User interface developer

Photos: Krystal V. Morin

## DRAMA

[ubishops.ca/drama](http://ubishops.ca/drama)

Honours, Drama  
Major, Drama  
Major, Arts Administration - Drama option  
Minor, Drama  
Concentration, Musical Theatre

The department of Drama offers a program balanced between practical theatre and academic study of dramatic literature and theatre history. We allow our students to explore the subject as a liberal arts discipline and prepare them for graduate, professional, and conservatory schools. First year students get involved in plays from the beginning.

### Career possibilities

Directing, producing  
Stage and studio management  
Set design  
Dance/choreography  
Broadcasting  
Performing artists  
Theatre sound technician

## ECONOMICS

[ubishops.ca/economics](http://ubishops.ca/economics)

Honours, Economics  
Honours, International Political Economy  
Major, Economics  
Major, International Political Economy  
Major, Business Economics Concentration  
Major, Public Policy Concentration  
Major, Global Economy Concentration  
Minor, Economics

Economics is where business, applied mathematics, and human behavior meet. Studying it requires not only an analytical mind, but also curiosity about contemporary events and society as a whole. Economic models are used to examine choice in all forms of social interactions including but not limited to business, politics, international relations, workplace, family, schools, and criminal activities. In sum, economics provides one set of tools that you can use to analyze, explain, and predict human interaction in virtually any situation. Studying economics provides you with the analytical and critical thinking skills to understand all kinds of choice decisions and to learn more about the world in which you live.

### Career possibilities

Financial analyst  
Investment analyst  
Management consultant  
Management and civil services  
Portfolio manager  
Statistician

## ENGLISH

[ubishops.ca/english](http://ubishops.ca/english)

Honours, Literature Concentration  
Honours, Film & Media Studies Concentration  
Major, Literature Concentration  
Major, Film and Media Studies Concentration  
Minor, English  
Minor, Creative Writing & Journalism  
Minor, Communications Studies  
Minor, Film and Media Studies  
Minor, Literature  
Minor or Certificate, Pre-law

The Bishop's experience in English is about studying all kinds of cultural texts, from Old English epics to contemporary films and television. It's about both critical insight and creative production. We like to think of our program as an offer you can't refuse: the chance to develop the most sought after skills in today's society. By studying English you'll develop a rich and sophisticated understanding of your culture and yourself. You'll hone your analytical skills and learn to use language in a way that will empower you in the job market and, indeed, in life.

## ENVIRONMENT AND GEOGRAPHY

ubishops.ca/eg

Honours, Environmental Science  
Honours, Environmental Studies  
Honours, Geography  
Major, Environmental Studies  
Major, Environmental Science  
Major, Geography  
Double Conc., Sustainable Agriculture & Food Systems  
Minor, Environmental Studies  
Minor, Environmental Science  
Minor, Geography  
Minor Sustainable Agriculture  
Minor, Sustainable Agriculture & Food Systems  
Minor Sustainable Food Systems  
Micro-program, Climate Change  
Certificate, Environmental Studies & Geography  
Certificate, Sustainable Agriculture & Food Systems

Environment and Geography focuses on human-environment interaction by analyzing interrelationships of physical and human phenomena on the earth, from both scientific and social perspectives. Sustainable Agriculture and Food Systems (SAFS) examines everything from farm to table through the lens of sustainability (environmental, social, economic) Our Educational Farm is a living land laboratory, located on the BU campus, to give students hands-on learning experiences.

### Career possibilities

Cartography  
Commercial/Residential surveyor  
Ecological policy reform  
Environmental consulting  
Geographical information systems  
Urban planning  
Market gardener  
Agrologist  
Food system analyst

## ÉTUDES FRANÇAISES ET QUÉBÉCOISES

ubishops.ca/french

Honours, French as a Second Language  
Major, French as a Second Language  
Major, Langue Française/Études Fr. et Qc.  
Major, Modern Languages with a Fr. Component  
Minor, French as a Second Language  
Minor, Études de la langue Française  
Certificate, French as a Second Language

The Département d'études françaises et québécoises offers courses in French language, French literature and civilization, and Quebec and Acadian literature and civilization. Students will learn to speak, read and write French correctly and with ease and will become familiar with the broad lines of French and Quebec literatures, while studying certain works or periods more thoroughly.

### Career possibilities

Communications  
Diplomatic relations  
Government services  
Law  
Public relations  
Speechwriting  
Teaching  
Translation

## FINE ARTS

ubishops.ca/fine-arts

Honours, Fine Arts, Concentration Studio  
Major, Fine Arts, Concentration Studio  
Major, Arts Administration - Fine Arts option  
Minor, Fine Arts  
Certificate, Studio Arts

Students completing the programs in Fine Arts develop a well-rounded perspective of the world; critical thinking skills and creative problem solving abilities; and communication skills transferable to many environments within and beyond fine arts related fields. The degree earned is a Bachelor of Arts (B.A.), a less specialized yet more versatile degree. The entry level program is the Fine Arts major with a studio concentration providing an undergraduate education in a studio within the context of a liberal arts education. Areas of specialization include sculpture, photography, painting, drawing and print making.

### Career possibilities

Architecture  
Arts administration  
Art librarianship  
Creative direction  
Computer games design  
Gallery assistant  
Graphic design  
Museum curatorship  
Marketing and promotion  
Practice of art  
Set design  
Teaching

## HISTORY AND GLOBAL STUDIES

[ubishops.ca/history](http://ubishops.ca/history)

Honours, History  
 Major, History  
 Minor, History  
 Minor, Indigenous Studies  
 Minor or Certificate, Pre-law

At Bishop's, we believe that historical knowledge serves an individual and society the way memory does. It gives us perspectives and insights into the world in which we live and presents us with the almost limitless range of ways humans have organized their lives. We also understand that the past is presented or re-presented in specific ways by historians and others, such as politicians and heritage advocates; as a result, we believe it is just as important to learn about and analyze historical interpretations as it is to learn about the past itself.

### Career possibilities

Civil services  
 Communications  
 Editorial assistant  
 Government  
 Heritage manager  
 Journalism  
 Law  
 Librarianship  
 Museums and archives  
 Research assistant

## COLLEGE OF LIBERAL ARTS

[ubishops.ca/liberal-arts](http://ubishops.ca/liberal-arts)

Honours, Liberal Arts  
 Major, Liberal Arts  
 Double Major, Liberal Arts & another discipline  
 Minor, Social Justice & Citizenship

Liberal Arts is a program for students with a passion for human culture. The program explores the Western cultural tradition in its myriad ways of expressing itself - art, literature, philosophy, music, science, society, politics, religion and so on. There is plenty of space for students to develop their own community and as much learning as possible takes place in very interactive settings. Small group discussion is built into all classes. There are also important extra-curricular activities such as trips to museums and theatres in New York, Boston, Montreal and Toronto.

### Career possibilities

Communications  
 Law and politics  
 Marketing and promotion  
 Policy analysis  
 Private sector business  
 Research analysis  
 Work with non-governmental organizations, charities and social work agencies

## MATHEMATICS

[ubishops.ca/math](http://ubishops.ca/math)

Honours, Mathematics  
 Major, Mathematics  
 Minor, Mathematical Contexts  
 Minor, Mathematics

Mathematics is the language of the sciences, a language which allows scientists to quantify, model, understand and predict behaviour in an enormously diverse range of phenomena of interest. Simultaneously, Mathematics is often regarded as an art, as it is the creative study of patterns and of problem solving. Mathematics covers a wide range of disciplines including algebra, analysis, combinatorics and discrete mathematics, and differential equations.

### Career possibilities

Actuary  
 Market research analyst  
 Mathematician  
 Inventory control specialist  
 Research scientist  
 Statistician  
 Teaching

# - FACULTY OF ARTS & SCIENCE -

## **MODERN LANGUAGES, LITERATURES AND CULTURES**

[ubishops.ca/modern-languages](http://ubishops.ca/modern-languages)

Honours, Hispanic Studies  
Major, Modern Languages (Concentrations: English,  
French, German, Italian, Japanese and Spanish)  
Major, Hispanic Studies  
Major, German Studies  
Minor, German Studies  
Minor, Hispanic Studies  
Minor, Japanese Studies  
Certificate, Hispanic Studies  
Certificate, Modern Language

The Department of Modern Languages is the choice of students who enjoy learning about other languages and cultures and who realize the importance of communication in all aspects of contemporary life. Students soon discover the value of another language, not only in providing greater employment and career opportunities, but also in providing different insights, a fuller and richer perspective on different cultures, academic disciplines, and, in fact, on all aspects of life.

### **Career possibilities**

Communications  
Human Resources  
Management and business  
Public and international service  
Teaching  
Translation  
Tourism

## **MUSIC**

[ubishops.ca/music](http://ubishops.ca/music)  
*Audition Required*

Honours, Music (Classical)  
Honours, Popular Music Studies  
Major, Music (Classical)  
Major, Popular Music Studies  
Major, Arts Administration, Music Concentration  
Minor, Music (Classical)  
Minor, Popular Music Studies  
Certificate, Musical Studies  
Concentration, Musical Theatre

The Music Department is constantly redesigning and expanding its programs, allowing students to help realize their full potential as musicians or perhaps discover music's power for the first time in an ever-changing, ever-shrinking artistic world. In an effort to meet the demands of music in the 21<sup>st</sup> century, students at Bishop's have the choice of pursuing studies in two different disciplines: traditional Classical Music or in the burgeoning area of Popular Music Studies (Jazz, Rock & Pop). Interdisciplinary programs include degrees in Arts Administration and Music Education, both with a music emphasis.

### **Career possibilities**

Arts administration  
Composing and arranging  
Engineering in sound and recording  
Film and media composing  
Music manager  
Professional Jazz, Pop Rock  
and Classical Musicians  
Stage manager  
Theatre sound technician  
Teaching in elementary, secondary  
and university settings

## **PHILOSOPHY**

[ubishops.ca/philosophy](http://ubishops.ca/philosophy)

Honours, Philosophy  
Major, Philosophy  
Minor, Philosophy

In Philosophy, lasting and adequate understanding comes when the materials of study are brought to life. This requires both patience and creativity on the part of professors, engagement and self-reliance on the part of students. The Bishop's experience in Philosophy is designed to foster all of these things. Many classes operate in the seminar format attentive to the particular interests of members, focused on primary sources and designed to invite students to take a leadership role in presenting their own work. Our students graduate having studied closely great works of thought, having learned how to communicate subtle and difficult ideas to others, having gained extensive experience in technical writing, argumentation and public speaking.

### **Career possibilities**

Business  
Civil service  
Communications  
Filmmaking  
International aid  
Journalism  
Law  
Politics/public services  
Teaching  
Technical writing

Photos: Krystal V. Morn

## PHYSICS AND ASTRONOMY

[ubishops.ca/physics](http://ubishops.ca/physics)

Master of Science, Physics  
 Honours, Physics  
 Major, Physics  
 Minor, Physics

Physics discovers and applies the fundamental laws that govern nature on many different scales: from the smallest elementary particles, to planetary motion and star formation, to galaxies all the way up to the universe itself (cosmology). This involves working with beautiful physical concepts as well as elegant and powerful mathematical and computational tools. Disciplines include astrophysics, gravitational physics, quantum field theory & particle physics and experimental physics (e.g. optical spectroscopy and plasma physics).

### Career possibilities

Research (either in academia or non-academic institutions (e.g. NRC))  
 Industry (aerospace, software development, pharmaceutical companies, defense, etc.)  
 Teaching: CEGEP or University/College instructor.  
 High School (education degree required)  
 Technical/Science writing  
 Numerical (computer) Analyst  
 Medical Physics  
 Financial sector  
 Geophysics

## POLITICS AND INTERNATIONAL STUDIES

[ubishops.ca/politics](http://ubishops.ca/politics)

Honours, Political Studies  
 Honours, International Studies  
 Honours, International Political Economy  
 Major, Political Studies  
 Major, International Studies  
 Major, International Political Economy  
 Minor, Political Studies  
 Minor, International Studies

The Department provides students with a working knowledge of society and how decisions are made. Governments, politicians, leaders in private industry and ordinary individuals function within a framework of accepted political norms, e.g. notions of justice, freedom, rights and duties. Over time, these perceived norms are challenged by conventional methods such as voting, political parties, interest group lobbying and protest movements; or the challenge may be by militant, revolutionary or terrorist means. Students enrolled in the International Studies Major and Honours programs must choose between two concentrations: Global Governance or Global Culture.

### Career possibilities

Business-government consulting  
 Communications  
 Consulting on security  
 Financial management  
 Government and external affairs  
 Insurance management  
 Journalism  
 Management recruitment  
 Policy analysis  
 Teaching  
 Urban affairs and planning

## PSYCHOLOGY

[ubishops.ca/psych](http://ubishops.ca/psych)

Honours, Psychology  
 Honours, Applied Psychology  
 Honours, Neuroscience (B.Sc.)  
 Major, Psychology  
 Major, Applied Psychology  
 Major, Neuroscience (B.Sc.)  
 Minor, Psychology  
 Minor, Contemplative Studies  
 Certificate, Human Psychology  
 Graduate Certificate, Knowledge Mobilization **NEW!**

Psychology is the science of how we think, feel and behave. It is a field with both broad purpose in enhancing our knowledge of human behaviour, as well as having important applications for the local and wider community.

### Career possibilities

Health and education related fields  
 CLSCs or hospitals  
 Community organizations  
 Correctional facilities  
 Government  
 Human resources  
 International aid  
 Management  
 Municipal services  
 Non-profit organizations  
 Correctional facilities  
 Sales and representation  
 University or private laboratories  
 Youth services

# - FACULTY OF ARTS & SCIENCE -

## **RELIGION, SOCIETY AND CULTURE**

[ubishops.ca/religion](http://ubishops.ca/religion)

Honours, Religion  
Major, Religion  
Minor, Religion

The Religion Department is a community of students and faculty engaged in the exploration of religion: the different ways faith is expressed and practiced, the historical and cultural contexts of religions and their texts, as well as the interconnections between religion and other areas of human life — philosophical thought, the psychological, social, political, and economic dimensions, and the presence of religion and religious symbols in literature and fine arts, etc. To encourage creative and independent thinking, we emphasize the study of primary texts, rather than simply reading what other people have written about those texts.

### **Career possibilities**

Business  
Foreign and domestic community outreach and service  
Government and public services  
Law  
Library science  
Museum curatorship  
Pastoral roles  
Publishing  
Teaching  
Travel

## **SOCIOLOGY**

[ubishops.ca/sociology](http://ubishops.ca/sociology)

Honours, Sociology (with or without Concentration)  
Major, Sociology (with or without Concentration)  
Minor, Sociology  
Minor, Criminology  
Minor, Gerontology  
Minor, Gender, Diversity & Equity Studies  
Certificate, Gerontology  
Certificate, Gender, Diversity & Equity Studies

Students pursuing the Major or Honours degree must choose a concentration among the following:

Global Studies and Empire  
Criminology, Law, and Social Policy  
Gender, Diversity and Equity Studies  
Family, Health and Community

The Department provides students with theoretical and methodological tools and substantive insights which can assist them in understanding social life, social organization, and action. Our programs are designed to provide students with a broad intellectual and sociological background which will help prepare them for a variety of careers and for advanced study at graduate school. The small size of our program and the dedication of our faculty allow us to provide personal attention to students and extensive access to faculty. Having relatively few requirements within the Major, we allow students substantial flexibility in meeting individual intellectual pursuits.

### **Career possibilities**

Communications, media and journalism  
Gerontology  
Health and social services  
Law, corrections and law enforcement  
Management and business  
Public and international service  
Rehabilitation consulting  
Social work

## **SPORTS STUDIES**

[ubishops.ca/sports-studies](http://ubishops.ca/sports-studies)

Major, Sports Studies  
Major, Sport Studies - Athletic Development  
Major, Sport Studies - Health  
Major, Sport Studies - Business & Society  
Minor, Sports Studies

Sports Studies is an integrated program drawing on the expertise of faculty in Psychology, Sociology, Politics, Business and Health Sciences. The program provides an intensive study of sport and exercise in society. It encourages students to adopt an interdisciplinary perspective that gathers together the individual, local, national and international dimensions of sport and exercise. Consequently, it exposes students to the social, biological, political, business and economic aspects of sport in society. It also provides opportunities for practical experiences.

### **Career possibilities**

Coaching  
Community sports organization  
Fitness and health promotion specialist  
Journalism and broadcasting  
Recreation, leisure and sport management  
Sports administration  
Sport and exercise psychologist  
Sports retail

# Unsure about which program to choose ?

For students interested in the Faculty of Arts and Science but unsure about what program to choose, we have three “undeclared” options that allow you to explore a variety of courses in your first 1-2 years before selecting a program that is right for you.

Select from:

Divisional Major - Humanities

Divisional Major - Natural Sciences & Mathematics

Divisional Major - Social Sciences

# Get In Touch With An Academic Advisor

Whether you know what program you wish to study, are still unsure, or whether you want to combine disciplines (no matter how divergent!), our Academic Advisors are here to help. Academic Advisors can answer your questions regarding your program of study as well as general questions about various academic regulations and policies. Feel free to connect with our Academic Advising team:

# - SCHOOL OF EDUCATION - [ubishops.ca/gse](http://ubishops.ca/gse)

The School of Education offers four programs leading to teacher certification, as well as different options for graduate studies. As a teaching and learning institution, the School of Education works in collaboration with the greater educational community, and is dedicated to developing reflective and exemplary educators. Our graduates are prepared to assume leadership roles in education as a result of theory and practice oriented courses founded on the principles of equity, responsibility, and respect for individual dignity.

In the School of Education, we combine hands-on, real world experience with challenging and stimulating coursework in subjects such as linguistic diversity, multicultural education, and individual differences, giving you the tools you need to teach locally and around the world.

## ELEMENTARY TEACHER EDUCATION (UNDERGRADUATE)

The Elementary Teacher Education program at Bishop's University leads to a Bachelor of Education in Teaching and Learning. This degree is required in order to be eligible for a teaching permit or "brevet d'enseignement."

Students are prepared to teach a broad range of subjects that can be found in the elementary curriculum, including English, Math, Science, History, Geography, Ethics and Religious Culture, and the Creative Arts.

## SECONDARY TEACHER EDUCATION (UNDERGRADUATE)

The Secondary Teacher Education program at Bishop's University leads to a Bachelor of Education in Teaching and Learning. This degree is required in order to be eligible for a teaching permit or "brevet d'enseignement." Students choose from one of the following profiles in a teaching subject area:

- English
- Mathematics
- Science and Technology
- Social Sciences

## ARTS EDUCATION (UNDERGRADUATE)

The Arts Education program at Bishop's University leads to a Bachelor of Education in Teaching and Learning of the Creative Arts. This degree is required in order to be eligible for a teaching permit or "brevet d'enseignement." Students choose from one of the following concentrations: Drama, Fine Arts, or Music. Students in this program are prepared to teach at both the Elementary and Secondary school levels.

## TEACHING ENGLISH AS A SECOND LANGUAGE (TESL) (UNDERGRADUATE)

The TESL program at Bishop's University leads to a Bachelor of Education in Teaching English as a Second Language. This degree is required in order to be eligible for a teaching permit or "brevet d'enseignement." Students in this program are prepared to teach at both the Elementary and Secondary school levels.

## PRACTICUM

Students in the education programs complete 700 hours of practice teaching over four practica in the School of Education. The practica are located at the English school boards and some private schools in Quebec. Placements are varied, giving

student teachers knowledge about large and small schools, schools with special needs students, schools promoting the early acquisition of French, and adult education centres for students returning to complete schooling. Student practica are monitored and evaluated by associate teachers in the schools and by university supervisors.

## MINOR IN TEACHING OF ENGLISH SECOND LANGUAGE (TESL)

## MINOR IN TEACHING FRENCH SECOND LANGUAGE (TFSL)

## GRADUATE PROGRAMS

- Graduate Certificate in Teaching Intensive English **NEW!**
- Graduate Certificate in Teaching and Learning in an Uncertain World **NEW!**
- Graduate Certificate in Inclusive Education: Teaching and Learning for All **NEW!**
- Graduate Certificate in Culturally and Linguistically Responsive Teaching **NEW!**
- Master of Education (M.Ed.) in Educational Studies and Leadership
- Master of Arts (M.A.) in Educational Studies

# - WILLIAMS SCHOOL OF BUSINESS -

The Williams School of Business offers two business degree programs: Bachelor of Business Administration (B.B.A.) with multiple major concentrations and a Bachelor of Arts (B.A.) with a Major in Business. Both degrees allow students to pursue the co-operative education program to combine relevant work experience and their studies.

Joint programs include B.A. Majors in Arts Administration, Information Technology, and Sports Studies.

Beyond co-operative education, our courses aim to provide students with immersive experiential learning opportunities enabling them to build the critical competencies that ensure career-ready students.

**B.A. Major Business** – This degree option has been developed for the business-minded student pursuing a well-diversified liberal education, who wishes to complement other disciplines with a business degree. This degree combination is focused on a well-rounded, fundamental business core from all business concentration areas and the flexibility to combine interests.

**B.B.A. – The B.B.A. offers the most in-depth approach to a business education. B.B.A. students can also choose among the following major concentrations:**

## ACCOUNTING

Major Concentration and Honours

Knowledge of accounting is fundamental to all disciplines in business. The skills acquired in the program prepare students for positions of leadership in organizations spanning all sectors of the economy including, senior management, strategic government positions, consulting, teaching, auditing and finance. At the Williams School of Business, this stream is accredited by the Order of Certified Professional Accountants of Quebec.

## BUSINESS TECHNOLOGY AND ANALYTICS **NEW!**

Major Concentration, Honours and Minor

Organizations increasingly rely on data and sophisticated analytical tools to make effective, strategic decisions and thus look not only for technical specialists but for business professionals with a data-driven mindset that can take an active role in manipulating and analyzing data to improve decision-making. The skills acquired in the program prepare students for positions of leadership in organizations spanning all sectors of the economy.

## ENTREPRENEURSHIP

Major Concentration, Honours and Minor

This concentration is designed to enable the understanding of the entrepreneurial process of starting, growing and harvesting a new venture. By performing both an in-depth comprehension of the entrepreneurial process and hands-on assignments, students will learn: how the entrepreneurial mind thinks, how a product/market vision is developed, how an opportunity is assessed, and how resources are harnessed to take advantage of that opportunity, throughout the entrepreneurial networks and community.

## FINANCE

Major Concentration, Honours and Minor

Students will learn professional skills and acquire technical and analytical competence to pursue challenging careers in corporate finance, portfolio management, and securities research. In addition to a thorough understanding of the principles of financial management, students will be exposed to both theoretical and practical aspects of investment management, capital budgeting, capital formation, and risk hedging. When following a prescribed sequence of courses, students are qualified to write the first level C.F.A. (Chartered Financial Analyst) exam immediately upon graduation. Students can also compete in their last two years of studies for managerial positions within the SEED Portfolio.

Photo: Krystel V. Morin

## HUMAN RESOURCES **NEW!**

Major Concentration, Honours and Minor

There is growing recognition that the quality of an organization's human resources plays a strategic role in an ever-changing business environment. With organizations facing the need for continuous change in a competitive environment, they must, more than ever, begin to rely on the knowledge, skills and abilities of their workforce to confront such challenges. Through courses such as Compensation Management, Human Resource Management, Industrial Relations, Training and Development, Occupational Health and Safety and Organizational Behaviour, students will learn how to ensure that the Human Resource goals of attracting, developing and maintaining a competitive workforce are accomplished. Students completing this concentration stream may want to discuss with faculty the course options for certification as a Human Resource professional.

## MANAGEMENT

Major Concentration and Honours

Students electing to complete the Management Concentration are interested in inspiring people, leading organizations and creating wealth in society in sustainable ways. Management is a broad subject area, so students are given flexibility to tailor this major concentration to their interests.

## MARKETING

Major Concentration, Honours and Minor

The Marketing concentration aims to build the skills that students need for an exciting career in marketing. We combine academic instruction and hands-on experience to build important intellectual and professional tools that ignite students' ingenuity and communications skills. We expose students to cutting-edge marketing techniques, encourage their creativity and develop their critical thinking, analytical, strategic and leadership abilities. Our approach to learning and teaching is reflective, experiential, and engaging, so that students will receive:

- Practical opportunities working with area industries on real projects;
- The skills and opportunity to create a launch-ready business of their own;
- Development of high demand business skills and abilities.

**In addition to an engaging academic offering, many business students choose to get involved in a number of business-related activities and clubs such as the Bishop's University Commerce Society (BUCS), Enactus, Bishop's University Accounting Society, Bishop's University Investment Society, case competitions, and community service learning to name a few.**

## Center for Co-operative Education

Since 2001, the Bishop's University Co-operative Education program has provided students in the B.B.A. or B.A. Business major the opportunity to gain practical work experience, help confirm career decisions before graduation, and build an evidence-based career portfolio to facilitate transitioning into a career. Students who complete the co-op program secure prestigious jobs, with top employers in Quebec, across Canada and globally.
