

THE QUAD

BUU

Principal's

farewell 

Dear Graduates of the Class of 2026,

In deciding to pursue your course of studies at Bishop's, you chose a university that is defined by a true sense of belonging and inclusion.

As you worked towards achieving your goals, you embraced diverse fields of knowledge and benefited from real-life applications through experiential and other learning opportunities. You also explored numerous extracurricular, community, sports and varsity opportunities.

Throughout your life, you will further develop your skills and expand your range of experiences, and I hope that what you have learned at Bishop's will help to guide you.

Your time at Bishop's has been one of discovery, both academically and personally. I sincerely hope that it has also been a transformative experience, allowing you to develop your passions, potential and sense of purpose.

In turn, you have each helped shape what Bishop's is today and through the values that you have exemplified, you are leaving a legacy for the next generation of students.

I am confident that you leave our campus equipped with the knowledge, skills and determination to make the better world you believe in.

I wish you happiness and success in your post-Bishop's journeys.

Sincerely,
Sébastien Lebel-Grenier
Principal and Vice-Chancellor

SRC President's *farewell*

Hi Gaiters,

Congratulations to the graduating class of 2026, and to every student in our community. No matter where you are in your academic journey, you should be proud of what you've accomplished this year. Whether it was your first semester or your final one, every challenge, late night, and small win has brought you to where you are now.

It's crazy how fast the year goes by. When I look back, it's not one assignment or grade that stands out, but the small moments, making new friends, trying new things, and being part of this community. The word "community" gets used a lot at Bishop's, but for me, it means the support we give each other and the experiences we share. Don't get lost in the busyness, make time for what matters and find your meaning. To the graduating class, take a moment to truly appreciate what you've accomplished during your time at Bishop's. You've put in the work, pushed through challenges, and made it happen. And to those who pulled off the academic comeback of the century, your perseverance paid off. Keep working hard and never give up.

I wish I could say things will be easier when you leave, but the world is facing complicated times, and there's a lot of uncertainty ahead. That said, you now have the opportunity to be part of the change we so desperately need. The skills and values you've gained at Bishop's have prepared you to succeed and make an impact, and I'm confident that you will.

I wish you all success in whatever comes next. No matter where life takes you, I hope you look back on your time here with pride. Remember how you entered, be proud of how you leave, and keep being you.

Thank you to all the students who made a difference this year. Whether you got involved, participated in class, or were simply a kind person, you all helped make our campus one worth fighting for. Thank you to our amazing team at the SRC, who worked behind the scenes to improve the student experience. Your time, energy, and commitment every single day did not go unnoticed.

Serving as your President has been one of the most meaningful experiences I've had, and something I won't forget. Bishop's is a special place because of the people in it, and each of you has played a role in shaping it. Congratulations again, and I'm excited to see what you all go on to do next.

Cheers!

Sincerely,
Anthony Dumas-Stephenson
SRC President

SRC Vice-President's *farewell*

Dear Gaiters,

This past year, I've had the honour and privilege of serving as your Vice-President on the Student Representative Council, and what an experience it has been. This role has taught me more than I ever expected, and getting to work alongside you and advocate for you has meant everything to me.

What I'll take away most from this year is the people. Bishop's has a way of making everyone feel like they belong, and that's something I have truly appreciated.

I want to take a moment to thank those who made this year possible behind the scenes. To our SRC supporting staff: Erin Mallory, Jody Goodsell, and Karen Dymond, thank you for guiding and supporting the board every step of the way, and for making sure everything ran smoothly. We truly couldn't have done it without you.

A huge thank you to my fellow directors on the board this year (Chouette, Emmy, Jessie, Josef, Juliette, and Maude) you made this year special, and I'm so grateful for each of you.

I also want to extend a special thank you to Dr. Kerry Hull, working closely with you this year and learning from your passion for student success was truly one of the highlights of my role.

To the graduating class, congratulations! Cherish every memory you've made here, from your first days in Lennoxville to the moment you walk across that stage. You've worked hard, grown so much, and I hope you'll carry that BU pride with you wherever life takes you next.

Bleed purple, always. Congratulations, Class of 2026!

Sincerely,
Mirana Iliza
SRC Vice-President

MEET THE TEAM

Events Manager *farewell*

Dear Gaiter Alumni,

On our very first day at BU, we were told to raise a toast and that we will never graduate... and somehow, here are we, graduating.

While we may be leaving this place, what we created together doesn't leave with us. Every one of you shaped what it means to be a Gaiter, and that's what makes the Bishop's community something that will live on long after we're gone.

This remarkable community is found in the small but meaningful moments. In saying hi to familiar faces on the bridge while heading to and from class. In the pride we share at Homecoming and the cheers at sports games. In grabbing a beer at the Lion after long days, showing up for Rail Jam when tradition was on the line, and dancing the night away at The Gait on Thursdays. It lives in representing the school at case competition and in being involved in clubs and associations.

Thank you for making this school a place where everyone can belong, where friendships last, and where meaningful connections are built.

I am beyond proud to have served as your SRC Events Manager during this year. You showed up and showed out. From Orientation Week to Winterfest and Grad Formal, you truly made every event memorable.

So, one last time, I raise a toast to all of you. Because once a Gaiter, always a Gaiter!

Your on-campus party planner

Sincerely,
Stéphanie Grégoire

Director of Communication & Engagement

farewell

Hi fellow Gaiter Alumni,

Ouch.... I know that was probably a hard one to hear.

And maybe that's not how i should've started my farewell speech but you know what... here WE are. Alumni. But more importantly Bishop's Alumni. Gaiters through and through. I know every single person reading this right now won't ever refer to their blood type as anything but purple positive, keeping that purple pride alive and in our veins forever.

As I've attended, volunteered, planned and worked in the front line of every Bishop's event, getting yourself out there and involved is the best advice i could give to absolutely anyone looking for a sign. The cure to the most magical and wholesome university experience ever is, undoubtedly attending BU, but its leaving your social anxiety behind in your hometown. Its sitting on the patio at the Lion for Wing Wednesday (every Wednesday until you have no more money), saying yes to that annoying friend who desperately wants to go to every basketball game (me) and throwing frisbees on Optimist the second the weather get above 10 degrees. I will miss sitting in Dewis for hours on end, debriefing about the night before with all your friends who were literally there with you, complaining about the food, going out on Thursdays and having an 8:30 the next morning, walking to school saying hi to people on the way and having way to many costumes and accessories at the bottom of every drawer.

These amazing 3-4 years of our lives are something we wont ever get again and un-explainable to an outsider yet Gaiter to Gaiter, we get it. Cherish every moment while you still can, hug your friends who don't live anywhere close to your hometown, move cities, test your limits and most importantly never be ashamed of your roots. You never know when you'll meet another Gaiter in the real world.

I will forever write aliga(i)tor with an i and rep my purple pride as much more than a simple mix of blue and red, I won't ever see purple the same way again.

I am so glad i got to call Lennoxville my home for the last 3 years, its with deep sadness that i say see you SOOOO soon BU!

PS: Can't wait to pull out my old Bishop's MOM shirt, when i'll actually be one!

Marketing Manager

farewell

To my fellow Gaiters,

It's easy to assume that one's experience at any university in Canada would be similar. But I can tell you, and I'm sure you would all agree, that couldn't be farther from the truth. The experience of being a Bishop's student is truly unmatched. I have never come across a school with such a powerful sense of community. It's almost impossible to capture in words just how driven and engaged my fellow classmates are. Driven in their studies, devoted to their friends, and most importantly, committed to the impact they make not only on campus but within the Lennoxville community as a whole.

Bishop's is an amazing place, not because of its location but because of you. Your passion and your love for Bishop's have made my job easier. The love we all share for this school is truly something special, and something that definitely doesn't go unnoticed. Thank you for giving me the opportunity to represent your voices. We are all bonded by the love we share for this community, this school, and most importantly, the colour purple.

At Bishop's, student voices aren't just heard, they shape the direction of this institution. It's remarkable to attend a school where your voice matters, your presence matters, and your ideas genuinely influence the community around you. My hope for you is that you carry this with you into your future. Continue to be bold, to speak your mind, and to wear your heart on your sleeve, as many have done on Friday nights singing not-so-horrible karaoke.

You have all made a lasting impact here. Whether it was through a campus club, Gaiters athletics, or being the reason the Lion is still in business and bumping at 3 a.m. Your impact will shape not only the school for those still here living the BU experience, but also the BU that future Gaiters will get to enjoy. And it's thanks to you that incoming Gaiters won't have to live in a Rail Jam-less world.

To our graduates, never lose your sense of strength. Your voices hold power, your actions hold power, and you have the ability to create meaningful change just as you have throughout your time at Bishop's. No matter where post-grad life takes you, Bishop's will always be here to welcome you back with open arms and a cold beer at the Gait.

Remember your strength, never lose your spirit, and never forget that you bleed purple!

Josephine Andersen

Sincerely,
Josephine Andersen

SRC Extra Manager
farewell

Hey Gaiters,

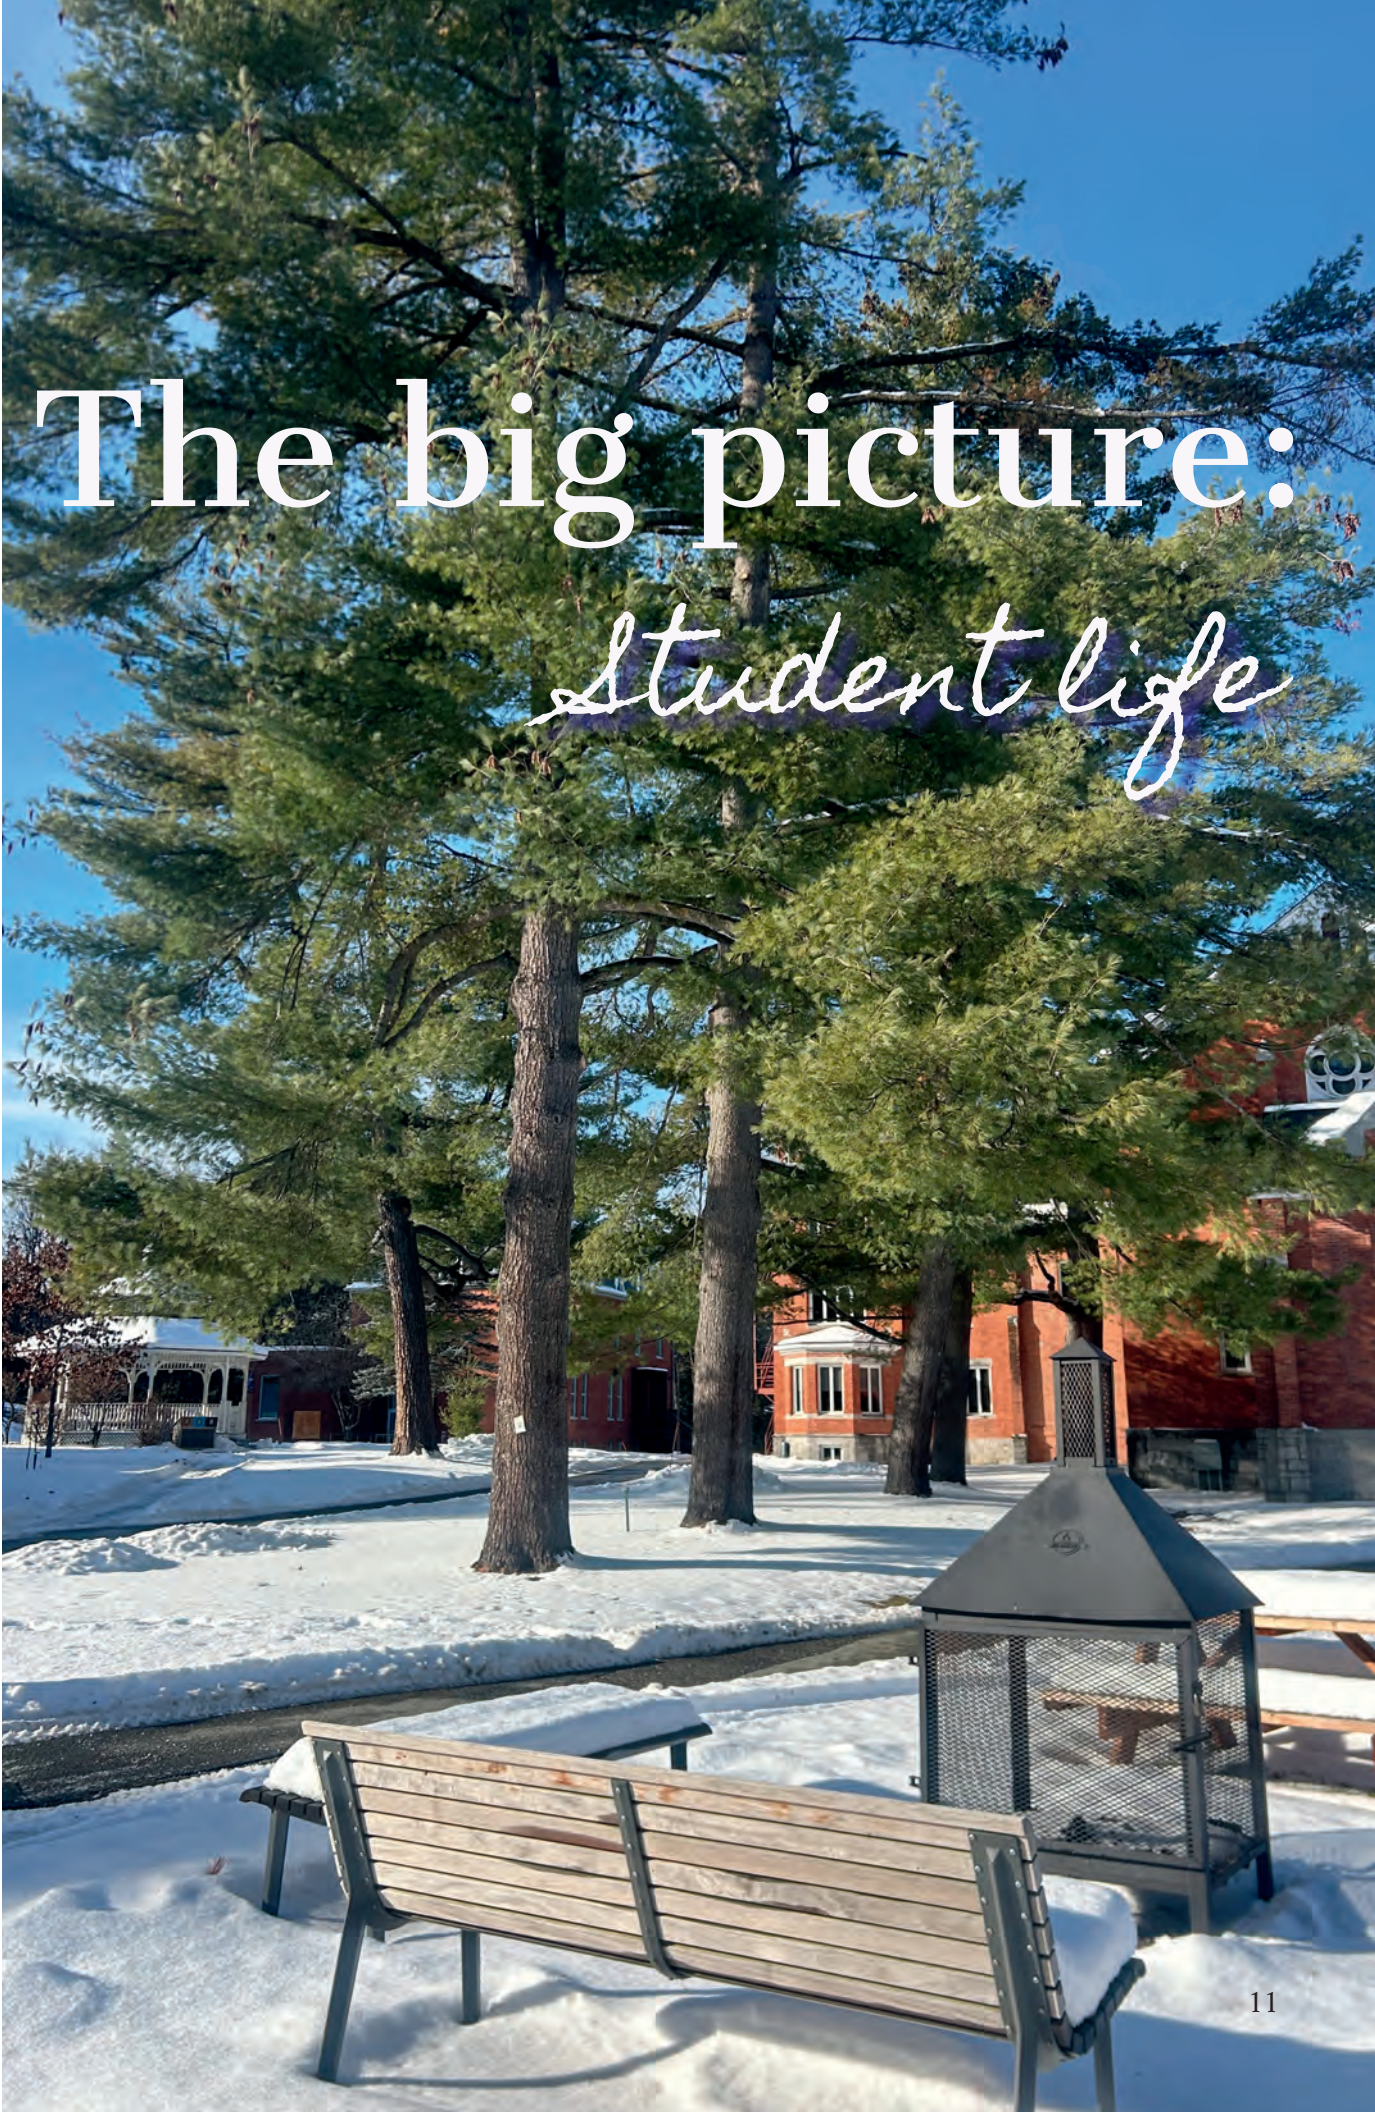

What a year. It has been my absolute pleasure to work as your SRCEXtra Manager, getting to meet and help all of our clubs has been a wonderful experience and I am so grateful to the team I've been able to work with this year in the SRC offices. All have created such an incredibly supportive environment, and I'm especially grateful to all of our co-leads who have made my job such a pleasure. I've loved getting to know and help these groups take the stage on-campus, and am so pleased to have borne witness to all the amazing achievements they have accomplished throughout this year.

Student life is what makes Bishop's, it is an integral aspect of our school's identity, and it is what drew me in and encouraged me to stay back when I was a first-year serenading the principal. Without our clubs and the support we can offer them a huge part of that student life would be missing, and they are often the unsung heroes holding up the backbone of what makes our campus so special. I wanted to thank all of you reading this for participating in club activities, for showing up and making these places so special, and most of all I want to thank our club leads. Taking time out of your days and sleep out of your nights, all of you keep these communities within our community rolling, and it was my absolute pleasure to help you this year.

Bleed Purple ;)

Sincerely,
Taylor Morgan

SPOSO *Sports Studies program*

SPOSO represents students in the Sports Studies program at Bishop's University and works to build a strong sense of community within the department. Our mission is to support students through networking opportunities, events, and initiatives that encourage academic, professional, and social development.

Sincerely,
Ashley Lebel

SPOSO is led by President Ashley Lebel and Vice-President Owain O'Connor, alongside a dedicated executive team including Arianna Koutrias (Director of Affairs), Dr. Erika Gray (Faculty Representative), Maude Charlebois (Director of Communications), Megan Forbes (Communications Assistant), Alaina Dunn (Business and Society Representative), Rachel Ivay and Charly Warwick (Athletic Development Representatives), Andrew Min (Health and Exercise Representative), and Capucine Ballot (International Student Representative). The team is also supported by ambassadors Annakha Gray, Victoria Bouchard, Marie-Pierre Gnassounou, Savannah Khan, Jack Goode, and Diego Castro Arellano, who help represent and engage students within the Sports Studies community.

Accounting Society

The Bishop's University Chemistry Club gives students a chance to explore chemistry outside the classroom through hands-on activities and group learning.

During exam seasons the club runs open study sessions where science students can come ask questions and work through difficult material together. The club also hosts group experiment days open to all students, where anyone can try fun experiments and learn some chemistry, such as making elephant toothpaste.

Chemistry

Sincerely,
Tyler Bimm

The Campus

The Campus newspaper prides itself on being written by students, for students. This year, our team worked tirelessly to capture the voices that shape our Bishop's community. Thank you to everyone who trusted us with your stories.

The 2025/26 academic year was transformative for the paper, and I will always be proud of what we accomplished together. I look forward to watching The Campus continue to grow and thrive for years to come.

Sincerely,
Rianna Ostrosser

BU Ultimate

The BU Ultimate Frisbee Club is built on inclusivity, fun, and meaningful experiences. The club strives for excellence in both its competitive and drop-in programs, all while enhancing the Bishop's University experience.

Our mission is to share the incredible game of ultimate frisbee with the community and create a space where everyone can build lifelong friendships and lasting memories. BU Ultimate recently competed at Nationals in Brampton, Ontario, finishing 8th out of 15 teams. We are proud to see how quickly the club has grown over the past few years, fostering a unique and welcoming community.

Sincerely,
Daniel Lee

Motionball *marathon of sports*

Motionball is a national non-profit that empowers young Canadians to be leaders in their communities, raising funds and awareness for Special Olympics through integrated social and sporting events.

Here at Bishop's, our largest event is our annual Marathon of Sport. A day celebrating community that is made possible with the help of students, faculty and local Special Olympic Athletes. Our events bring people together around a shared mission of choosing to include.

Sincerely,
Tessa Bradshaw

Cheerleading

The BU Cheerleading Club is a student-led organization dedicated to building school spirit and providing a space for students of all skill levels to engage in cheerleading. Our mission is to foster a supportive, "tight-knit" community where members develop their athletic talents, practice leadership, and represent the "Purple" spirit at campus events. A major highlight of this year was our success on the mats, where we competed in two major competitions and took home both first and second-place finishes. Alongside these victories, we took pride in our continued role in energizing the crowd at Gaiters' home games, proving that our commitment to teamwork and excellence is stronger than ever.

Sincerely,
Arden Ettinger

BU Snow

Big Buddies *big and little kids*

Big Buddies is a student-led program that matches university students (Bigs) with students in grades 1 through 6 from the Eastern Townships (Littles). We organize 8 events per school year, held on Saturday afternoons on campus or at a fun field-trip destination. During this time, the pairs participate in exciting and new activities, allowing time to create strong friendships and positive role models between Bigs and Littles. The program is one of the oldest at Bishop's and has over 140 active members. Come check us out at Club Day!

Sincerely,
Katherine Pereira

Badminton

The Badminton Club welcomes players of all levels to come out, play, and have fun.

Our mission is to create a space where students can socialize, enjoy a laid-back sport, and, if they want, add a bit of friendly competition with music and friends. One of our biggest highlights this year was watching the club grow from just a few players to more than twenty regular participants, thanks to our active Instagram presence (@bubadmintonclub). It's been an amazing year of energy, improvement, and building a welcoming badminton community.

Sincerely,
Katie Puittinen

Bishop's Bees

The Bishop's Bee Club brings together students with an interest in bees and beekeeping for cozy and informative activities. The mission of the Bishop's Bee Club is to learn about and appreciate our buzzy besties while forming friendships and enjoying the treats our two resident colonies have to offer. Highlights from this year included extracting and jarring honey from the hives, making beeswax lip balm and reusable sandwich wraps, and hosting a bee documentary night over a warm cup of tea sweetened with the golden honey of the Bishop's Bees. It was truly an un-bee-lievable year!

Sincerely,
Andra Quilliams

BUUPS

Bll Undergraduate Psychology Society

We are the undergraduate society for psychology, and we run social and academic events to promote the program on campus and connect students. Our mission is to provide students with all the support they need to succeed at Bishop's and beyond. Our main highlights of the year are the Wine and Cheese we run every semester and Psyched for the future !

Sincerely,
Delaney Hatfield

Dance Club

Bishop's University Dance represents two groups - the Competitive and Club Team.

Throughout the year, the groups joined together to present for the community twice. In the Fall semester they performed at The Gait, and they will bring their dances to Centennial Stage at the end of March.

This year, the Competitive Team travelled to Brampton, Ontario to perform at the BE U Varsity Dance Competition. Captains Leonie Gagnon and Sonoma Brawley led the team and brought six competitive dances to Ontario. Bishop's Dance aims to create a community of students joining together through their love of dance!

Sincerely,
Sonoma Brawley

BU Outdoors

Our mission is simple: we want to make the outdoors an inclusive and accessible space for all BU students! We have a strong team of about 20 execs and we try to run one outdoor activity a week, from hiking to climbing to skating, and each one is open to any and all BU students who are interested. We are proud and lucky to be able to show the Eastern Townships nature to Canadian and International students alike. Some highlights from this year include 3 successful overnight trips and an awesome new merch drop!!

Sincerely,
Anya Mullen

Soccer Club

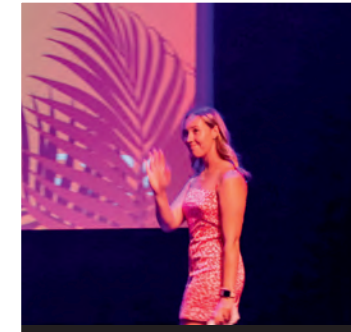

The Bishop's University Men's Soccer Club gives students the opportunity to stay active and compete while playing organized soccer on campus. This season the team played strong opponents including the varsity Université de Montréal, Cégep de Sherbrooke, and the Royal Military College Saint-Jean, along with many regular season matches.

These results helped the team earn a spot in the playoffs and put the club in a good position heading into the postseason.

Donald Lectures

The Honourable **Bob Rae** rings over five decades of leadership at the highest levels of international diplomacy, national politics, and public policy. As Canada's former Ambassador to the United Nations, Premier of Ontario, and interim Leader of the Liberal Party of Canada, he offers audiences rare insight into navigating complex global challenges, building consensus across divides, and leading through transformation.

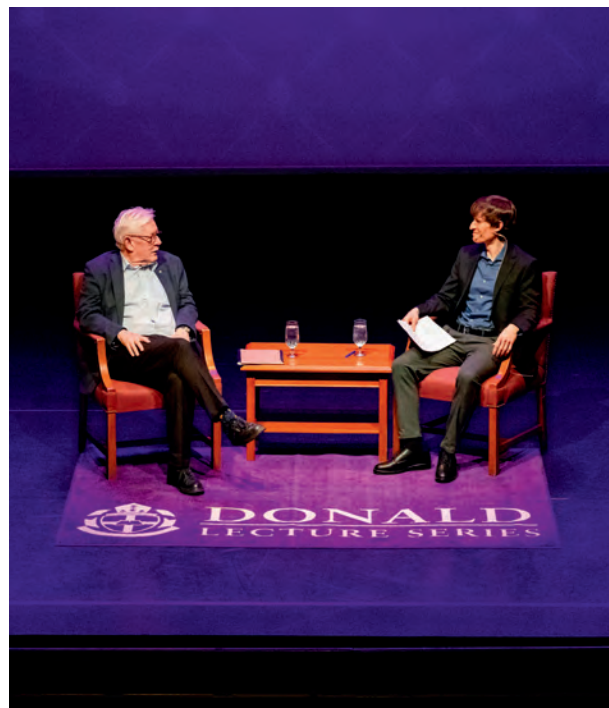

Photo credit ©Jessica Ford Photography

We are delighted to have **François Dompierre** for this Donald Lecture ahead of the Bishop's University Singers' performance of Dompierre's Requiem in collaboration with the Sherbrooke Symphony Orchestra.

François Dompierre is a composer who has left his mark on both classical and popular music in Quebec. He has created works for orchestras as well as songs we continue to hum, and music for plays, numerous television movies and films. Some of his audio recordings, such as the one for *The Decline of the American Empire*, have had a lasting impact on the collective imagination. He also promotes music as the host of a radio program on Radio-Canada and through a series of instructional music books used in Quebec schools.

2025-2026
Graduating Students

Raise a *toast:*

Raise a toast
to Bishop's University
on the Mighty Massawippi shore.
We're conditioned to our fate,
we will never graduate,
we'll stay here forever more.
College days will linger
ever in our hearts
wearing gowns, raising hell,
and quaffing ale.
And we'll show "esprit de corps"
as we watch our Gaiters roar
on to victory.
So raise your beer mugs
and your little brown jugs
to BISHOP'S UNIVERSITY!

Congratulations

Messages from family & friends

Jake Bureau

From singing in our living room to walking across that graduation stage – we couldn’t be prouder! Watching you turn your passion into a university degree has been amazing. You’ve got a magic that lights up a room and we know you’ll shine on any stage you choose. Remember to keep singing, keep dancing, keep being you. The world is your stage, Boo. We love you so much. CONGRATULATIONS!
Mom and Dad

Lauren Cheal

Lauren we are so proud of you and everything that you have accomplished. We know that this is just the beginning for you and we are excited to see you embark on the next chapter of your life.
Love Mom & Dad

Lillian Davis

“Don’t allow people to dim your shine because they are blinded. Tell them to put on sunglasses.” -Lady Gaga

You’ve worked hard (you are, after all, an academic weapon) and we are so proud of the young woman you have become. We can’t wait to see the next chapter in your amazing journey. Look out world, here she comes!!
Congrats and we love you.
Be bold, stay kind, be brave, B U

Liam Hubbard

Liam – we are so very proud of you for graduating with your B.B.A. Your hard work, dedication, and perseverance have brought you to this incredible milestone. You’ve not only earned your degree, but have also shown your leadership skills, drive, and ability for hard work. May this achievement be the first of many — you’ve made us so proud! Love Mom, Dad, Keon and Heidi

Paige Robert

Paige, we are so proud of you. Graduating with your Political Science degree while fully committing to the Bishop’s University soccer program shows your drive and heart. As the saying goes, “Perseverantia omnia vincit”—perseverance conquers all. Congratulations on this incredible milestone.
Mom and Dad

Emma Ireland Lum

To my beautiful girl, the Rory to my Lorelai: today is about more than just a degree—it’s a celebration of your courage, perseverance, and heart. Watching you grow into the incredible woman you are has been the greatest joy of my life. As you chase your dreams and forge your path, remember: “Life is either a daring adventure or nothing at all.” (Helen Keller)

Congratulations! Love, Mom xo

Carys Pearce

Carys, our darling girl, congratulations on your graduation!
The ups and downs of University life have tested you and we can only admire your resilience and perseverance; your passion and achievements fill us with pride. As you embark on your next journey, know you are deeply loved and cherished. The future is bright, and we can’t wait to see all you accomplish.
With love,
Mum & Dad

Tomas Peck

Tomas: We had a front row seat to the transition you made over the past 5 years at BU. We saw you grow intellectually and become more confident and mature in dealing with a range of challenges including adapting to university from CEGEP, the Covid pandemic, and also having to balance your life and academic experience and people with diverse origins, interests and backgrounds. Your BU journey has prepared you well for the next chapters and adventures in your life. All our love. Mom and Dad.

Harley Rutenberg

Harley, Today marks the close of one meaningful chapter and the beginning of many new ones ahead. Step forward with courage, curiosity, and confidence as you chase your dreams. Trust yourself and stay true to your values, even when the path feels uncertain. Know that you are deeply loved, always believed in, and endlessly supported. We are incredibly proud of the man you have become and are excited to see where your journey leads. Love, Mom and Dad

Neleh Vigneau Sargeant

Congratulations to our Neleh for outstanding academic and athletic achievements! Your next chapter in life is wide open, sure to be filled with continued success and adventure. We will be beside you, cheering as always! We are forever grateful for you and so proud of you. Be awesome! Love, Mom, Dad, and the whole clan!

Travis Benoit Nielsen

Travis Benoit Nielsen, I am so proud of what you you achieved. You are capable of so many things and much more. Love mom

Emma Anderson

Get ready, world - here she comes! Go shine, kiddo!

Maeva Béliveau

Maéva, ta persévérance nous impressionne profondément. Tu as traversé les défis avec courage, détermination et une force tranquille qui te définit si bien. Rien ne t'a arrêtée, et chaque obstacle t'a fait grandir. Nous sommes immensément fiers de la femme que tu deviens et de tout ce que tu accomplis à Bishop's. Continue d'avancer avec confiance, ton avenir est à la hauteur de ton cœur et de ton travail.

Tessa Bradshaw

Congratulations Tessa on your fabulous accomplishments at BU. From MotionBall, to BU Outdoors, to Lifeguarding, to swim & math teaching, to Bishop's University Singers, to lifelong friends, to "Lioning" and oh yeah, to school, you have grown and flourished at Bishop's University. We look forward to being part of your future journeys, wherever they may take you, and continuing to learn from your wonderful adventures, your sense of joy and your infectious love of life. We love you M&D.

Sonoma Brawley

You're the top! You're a Stratford season.
You're the top! You're the Bard's best reason.
You're a grand jeté in a blaze of footlight glow,
You're London lights,
The Globe at night,
You steal the show!
Brava!
Love Mom & Dad

Justin Chadi

We are so incredibly proud of your hard work, your dedication, and the remarkable young man you've become. Watching you reach this milestone fills our hearts with joy. We've seen every effort you've put into balancing your business studies while staying committed to your fitness goals. You have a bright future ahead of you, and we can't wait to see where your entrepreneurial drive takes you. Keep persevering, stay true to your ambitions, and continue believing in yourself. Love, Mom and Dad.

Arden Ettinger

Congratulations Arden !
Arden, as your parents, we could not be prouder of you than we are right now. Congratulations on completing your Sports Medicine Degree at Bishop's University. Your hard work, dedication, and passion brought you to this moment. Your future is so bright, and we are with you every step of the way!
Love,
Mom & Dad

Marie Ferracci

We are so proud of you for earning your Bachelor's degree. Bishop's gave you a wonderful place to learn, grow and build lifelong relationships. But you're the one who made it a true success. Your determination, curiosity and kindness shaped every step of your journey. As you move forward, remember the sky is not the limit... it's only the beginning. We will always be here to support you learning and exploring the world. Now go light up the rest of your life. With all our love, Mamou & Dadou ;-)

Lauren MacNeil

Lauren, Congratulations!
We are so proud of you and all you have accomplished at Bishop's. Your dedication, compassion, and commitment to Education will make you a wonderful teacher and role model. You bring kindness and heart into everything you do, and watching you grow into the person you are today has been a true joy. We can't wait to see the lives you'll touch next.
With love,
Mom, Karl, Dad, Kendra, Keyera, Nick, Tessa, Gram, Papa, and Grampa

Jack McGowan

Congratulations on your graduation, Jack! This milestone marks not only your perseverance and hard work, but also the confidence it took to chart your own path. From the day you started at Bishop's, you knew it was the right decision. You've grown your knowledge, friendships, and character, and that will carry you far in life. Celebrate how much you've accomplished, both academically and as part of your beloved BU Men's Hockey Club. Your future is wide open, and you are ready to shape it. Love, Mom, Dad & Evan

Charli Moore

Congratulations Charli - you did it! You have earned the privilege of calling yourself a graduate of, Bishop's University, joining a small and lucky group of people (that includes, Jer-Bear Class of 1994). We are so happy that Bishop's was everything you hoped it would be, you met your people (congratulations, Clara class of 2026) and most importantly that you got to be you at BU! We remember how you entered, are so proud of how you leave and you should be too. Love, Dad, Mom, & Kyle.

Emma Mai Jones

Emma Mai Jones, we are so incredibly proud of you! You carried the weight of being a student-athlete with quiet strength and a no-quit attitude that brought you all the way to your undergraduate degree. What an amazing accomplishment! Watching you rise to every challenge fills us with so much pride Keep shining, dreaming, and believing. We love you to the moon and back. Mama, Papa, Mat & Maggie XOXO Image

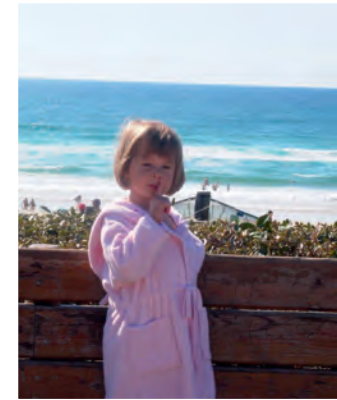

Brianna Shea

We are so incredibly proud of you Brianna, on reaching this amazing milestone—earning your Bachelor of Education! From the moment you decided to pursue teaching, we knew you were following a calling that represents who you truly are: someone who leads with compassion, patience, and a genuine desire to make a difference in the lives of others. May your journey ahead be filled with joy, curiosity, and moments that remind you why you chose this path—to inspire, uplift, and make the world a better place, one student at a time. Congratulations on your outstanding achievement, and may your future be as bright and beautiful as your spirit. With all our love and pride, Mom, Michel and Grandma

Olivia Woods

We are so proud of all that you have accomplished while at Bishop's. Your research in high school paid off and you found the perfect university for you. You jumped right in to student counsel, made the most of the opportunities available to you, implemented your ideas and stayed true to your values: it has been our joy to watch this unfold. We are excited to see what you do next. Love dad, mum, Delaney, Eliza, Betty and Midge.

Nynke Tara Rixt de Koning

Dear Nynke Tara Rixt, Congratulations on your graduation. You've journeyed through sunshine and snow, shaping your path with courage, curiosity, and quiet strength. Even when you were far from home, you lived close to our hearts. This milestone is the beginning of so much beauty still ahead. With love, Louis, Renske, Karsten, Widdle, Bluf and Lizzy

Felix Brochu

Congratulations!

Jamie Aspropotamitis

Congratulations!
