Our story begins here. — Where?

At Bishop’s — as of Sept. 17, 1967,
which like most Sundays —
began and ended in silence. But . . .
MONDAY

AND FRESHMEN ARRIVED
Well . . . after an unusually hot summer the Introduction Committee of 1967 managed to pull itself together on September 18! Its members rallied from their various lethargic, work-weary and hung over states to welcome the Centennial Frosh. Great!!! Now we've got our story rolling.

The first week was filled with the usual activities including Prin's Tea, the Shinerama, track meet, hootenanny and informal dances. The big innovation in the program was an orientation period consisting of talks from the faculty on their different courses. This was very helpful for the frosh when they registered on Thursday.

Without a doubt the highlight of the week was the newly instigated computer dance. Of course the computer broke down the afternoon of the dance but a little fast shuffling on the part of the I.C. remedied the situation. Le Topaze blared grease in the large lounge as freshmen hustled their computer dates!

Classes got under way the second week but in the wee hours of Monday morning the Centennial Frosh woke up bravely arousing with them, the rest of the campus booming out the traditional drinking song in rainy 40 degree weather. The freshmen spent the rest of the week recuperating from their colds and preparing to outdo the I.C. in their skits . . . but alas they could do no better!! Along with the unforgettable skit on Thursday's Theater night was an outstanding Mock Trial.

Although Act Night and the Car Wash followed, the real finale to the intro program came on Saturday night with FROSH FLOWER POWER and the Rabble — WELCOME FROSH.

Andy our Rhodes Scholar President,
Would go to the Prin rather hesitant,
He’d chit and he’d chat,
And quake as he sat,
Demanding we have women in residence.

Don, our illustrious V.P.,
"Chaired in the absence of the P.,
He came to each meeting,
With a cordial greeting,
And left when he had to go P.P.

Kim the comptroller so mean,
Was "Don" of Forbes grocery supreme,
A plundering Viking,
He had trouble liking,
Those who wouldn’t feed his machine.

Miss Brodie just can’t understand,
Why an ostrich buries his head in the sand.
C.U.S. and U.G.E.Q.,
We love to reject,
Isolation is really quite grand.

To all the girls we issued "take cares",
As Gary took our internal affairs,
Thought up in the Wood,
His ideas were good,
And the girls ignored our "bewares".

Our fourth year rep. was a Right Guy,
Which lent to his wandering left eye.
Keith’d twist and turn,
Till his eyes would burn,
As he gazed upon Erica’s thighs.

Our third year rep was Kelen,
Who turned each meeting into a hell-in,
His jokes were bad,
His puns were sad,
When you’re from Ormstown, there’s no tellin’.

Our second year rep was "Fitz",
People thought he’d lost his wits.
After ale consumption,
During induction,
He showed excess colour in the skits.

The first year rep was Timothy,
A Britisher it’s not hard to see,
Elected in the Fall,
He’s new to us all,
But a "good show" he’s sure to be.

Nancy, secretary of the stunning cast,
Recorded the minutes extremely fast,
Without noting,
The count on the voting, or
Intervening seconders as motions were passed.

An unsung zero, named Rob,
Could never be found on the job.
His accounting as such,
Was not very much,
But boy does he love the graft.
Coach Bruce Coulter, beginning his seventh season, and Coach Al Grazys, starting his second, had a notable rebuilding job on their hands due to the loss of a large number of last year's players (through graduation etc.). As usual, the coaches mailed exercise programs to the prospective players for the summer.

Training camp began early with thirty-two athletes reporting September 10th. Two drills a day and a chalk-talk in the evening dominated the first ten days of workouts as the team hurriedly prepared for their opener at the University of Montreal. More than a dozen newcomers were added to help fill the thirty-two pairs of new grey pants. Coaches Coulter and Grazys believe that barring injuries, the team will put up a fine show in their first year in the new Central Canada Inter-collegiate Football Conference wherein they play a much tougher schedule.

A healthy first-string was not to last long, however, as Ron Smith, fullback and linebacker, was injured in the first offensive series against U. de M. Physically, the situation deteriorated with no less than three other Gaitors getting hurt. Despite the adversity, the team came through with a 16-12 win over the 'Carabins'.
Graduates of John Rennie High School dominated the Freshman Track Meet held on the Soccer field. Four JRHS boys placed in the top twelve in aggregate standings, including the overall winner of the men's division, Rick Schroeder. Janice McIntosh was the women's aggregate winner, scoring 26 of a possible 30 points. The overall turnout was very good, and feats of athletic prowess, were performed frequently enough to warrant a Freshman team in the University Tabloid Meet.

The Frosh, in an upset of the powerful teams from '68 and '69 came through with a convincing victory. Much credit for their win may be attributed to the excellent turnout. The Frosh, led by Bryden Murray with 18 points and Alan Tamaki with 15, amassed an aggregate score of 161. Freshette Janice McIntosh was again outstanding. Fourth year placed a distant second with 140 points led by Ken Flewelling who scored 25.
This year, with 20 new freshmen players and an influx of seniors with newly found talent, Bishop's Satans seem to have started well. A J.V. team has been organized to allow each of the 30-odd players a chance to play.

Although Bishop's has lost its first two games, it was a welcome change to see energy and spirit enter the game. The forwards and defence have organized themselves into a cohesive unit. Coach Peter Wilson is pleased with efforts to date: "This two team plan is giving the boys a good incentive to try really hard". Helping Mr. Wilson is Harold Wilson, a first year graduate student in chemistry, who believes in the philosophy of tough workouts.

Joining captain Dave Bailey and Ian Dinning, his intimidating defence partner are newcomer goalkeeper George Meissner, winger Ian Gilchrist and halfback Joel Wright. It is strongly hoped that the Satans will do justice to all the effort that both coaches and the university have put in to the team, by playing good, hard, honest soccer during the season.
The skits were low; the enthusiasm was high.

The seniors accepted the challenge and responded accordingly.

Slave Auction

Whipping up enthusiasm, Mr. Whittaker auctioned off thirteen delectable slaves for some $25 to aid the Big Brother, Big Sister Project. President Andy Sancton exercised executive choice in purchasing the ravishing Dave Bailey.
Tennis

This year, Bishop's first in OSLAA tennis competition, was very successful as the team finished second over-all to Sir George Williams. Playing pro sets, Peter Funk defeated the C.M.R. and Loyola en-

Golf

The first major inter-collegiate golf tournament, the thirty-six hole Sir George Williams Invitational was held at the Champ-plain Golf Club in Brossard. Bishop's captured a five stroke first round lead over the Massachusetts Institute of Technology. On the second day, under conditions of near hurricane
tries 8-4 and 8-5 respectively before losing to S.G.W.U. In doubles competition, Nick Busing and Peter Griffin downed S.G.W.U. and C.M.R. by scores of 8-5 and 8-4.

At the OSLAA Tournament, held at the new Milby course, Bishop's grabbed the opening day lead. However, in the second round Bishop's faltered, finishing second to S.G.W.U.

Literary and Debating

British Debaters Colin MacKay and Hannan Rose turned up to tackle the topic: "Resolved that students have the right and duty to be radical and militant". P. J. and Maboo challenged them unsuccessfully. Mr. MacKay found the motion concrete and therefore painful to pass but the audience loved it.

The aim of the World University Service of Canada is to promote an awareness of the international community of university students and the program of this year's WUS Committee on the Bishop's campus was geared to this aim. A very successful Treasure Van was held, with sales topping last year's by a considerable amount. A film on universities abroad, a discussion on the problems facing students today which give rise to the hippie movement, and a seminar on world university student problems were among the activities organized to make the aim of WUS a reality here at Bishop's.

Minor Plays

The Sport of My Mad Mother

Shall We Join the Ladies

Euridice
Last November 1, 2, and 3, a festival of three one act plays was presented at Bishop’s Centennial Theatre. The programme included "Eurydice" a French love story written by Jean Anouilh; J.M. Barrie's "Shall We Join the Ladies", a play of suspense intermingled with comedy; and "The Sport of My Mad Mother" written by Ann Jellicoe, unsubtly portraying the qualities of an English backstreet gang. One of the purposes of the festival was to find a play which could best represent Bishop’s at the CUDL festival. The adjudicator, David Rittenhouse, chose "The Sport of My Mad Mother" on the grounds that the actors best realized the potential of their roles in that production.
Self-Defense Club

The Self Defense Club enjoyed a very successful 1967-68 year, ending up with more active female members than male members. Very Nice! The Karate methods of hitting, kicking and blocking, as well as Jui Jitsu methods of breaking holds were taught. Instructor Alex Gouthro (Blue Belt Karate) graduates this year and the course will be continued next year by Stu Rogers (Brown Belt Judo).
Judo

This year's Judo club has enjoyed the highest membership yet. Stuart Rogers and Terry Batt provided most of the instruction for the new members until November when an experienced black belt instructor was brought in.

Rogers took third place in a provincial tournament in November. Jean Beauregard took first place in the lightweight division in a local tournament.

Half Time Crowd Pleaser!
Once again the Radio Club has enjoyed a very successful year. Perhaps the most outstanding event of the year was the completion and gala opening of the new Studio B on November 15, 1967. In addition to presenting three programs a week on CKTS, "Sports at Bishop's", "Bishop's Assignment", and "Teen Tempo", the Radio Club has instituted a News Department to report the news of the local High Schools. With a continuous supply of new ideas, the Radio Club Members look forward to another successful year.

The Vestal Virgins coached by Professor Wilson registered another successful season posting wins over Lyndon State College, Lake Region Institute and Lennoxville High School. Only the NADS were able to defeat the Vee Vees.

This was the last year of competition for veteran Vee Vees: Linda McNeil, Erica Bell, Patsy Winters, Donna Timmons and Sheila Milligan who will be hard to replace.

Protest

Robert Dawson and the November 15 Committee brought student activism to Bishop's. After a harangue by James Mabbutt, some 80 placard-waving students trumped out of the Union to protest lack of administration action on the "Women in Res" question. The day was cold but indignation was warm as the marchers trudged round the campus picking up supporters EN ROUTE to the Hamilton Building. Passing by the assembled photographers, the protestors entered the Administrative sanctum where they paused for a symbolic five minute sit-in.
Due to graduation, etc., only four players have returned from Bishop's 1967 third placed OSLAA entry. Veteran Cliff Goodwin and second year man Al MacCallum return on defense. Offensively, Captain Will Mitchell and Mark Ensio are joined by talented Bill Murray and Brien Gray, who both wore Gaiter uniforms in previous years.

Encouraging prospects include Gord Glass, from Mount Allison, freshman Ron Desjardins, Irv Goodleaf, and smooth-skating Ian Gilchrist. Terry Manning has won the starting goaltending job with Phil Stote waiting in the wings.

Following the opening weekend, it looks as though the Gaiters will have to battle five other clubs to gain a spot in the OSL play-offs.
Hockey

Preview

With the graduation of All-stars Butch Staples and Dave Oldfield, the Gaiters have lost a lot of talent from last year's Bronze Medal Winners at Second Century Week.

However, scoring champion Peter Munzar has returned. And with Munz and Ken Flewell ing grabbing the rebounds and Nick Busing running the fast break, the team should be in good shape to battle the Yankees from Loyola and the always-tough Carleton Ravens for the OSL championship.

Rounding out the "starting five" will be Rich Purcell and Brad Jones, both returnees from last year's squad. With rebounding help from John MacKenzie and some sharp-shooting by Lindsay Black, the Gaiters will definitely be tough to beat.

Energetic, rambunctious, sometimes naughty and very loveable children have been the centre of attention for some sixty student volunteers working one day a week in the community this year. Travelling to eight schools around the Lennoxville area, their program has been one of athletics, arts and crafts, tutoring, laughter and fun for all! The year was highlighted by Christmas parties and visits to Bishop's. Next year the Project will be incorporated with the psychology club high school tutoring on the Social Service Committee.

Dazzling psychedelic decorations splattered the Spectrum in its third year of existence. Diversification was the keynote in the Spectrum's activities this year as Bishop's coffee house sported everything from that hardy entertainment from perennial Penny Lang, to the mellifluous voices of the Saguenay Mauve.

Spectacular psychedelic décor, courtesy Heather Haas, lent a fitting background to the wealth of entertainment provided by Spectrum impressario Duncan Miller.

Conservatives, under the able leadership of James Mabbutt led the minority government. A hasty deal with the Rhinoceros Party of His Horniness, Peter J. Yearwood, ensured that Prime Minister Mabbutt would remain in office for at least one evening. As fate would have it, though, the walls came tumbling down on January 23rd, and a new minority government assumed power. Kept in office by the support of Simon McInnis' New Democrats, young Liberal leader, Phil Buxton was able to display his political ability and House of Commons finesse. Hovering in the background at all times, however, was the spectre of "Quebec Libre" in the person of M. Doug Allen and his Parti pour L'Indépendence du Quebec.

The large and appreciative audiences which filled the Lounge of the Union
both nights seemed to enjoy the spectacle with which they were confronted. Gales of approving laughter greeted the attempts of certain "foreign elements" to speak French and the terrible puns of James Mabbutt. The prize for "originality", though, must go to the backbench Liberal who sported a bow tie both evenings!

Mr. Patrick Asselin, M.P. for neighbouring Richmond-Wolfe County acted as Speaker of the House both evenings, and was very impressed with the high calibre of debate which he witnessed.

Carni Review

Under the watchful eye of Gary Whitaker, the climax of the social season went off without a hitch. Gym night was held in the rink, Hillcrest Day passed at Glen, the Children of Paradise were present only on the tickets at the Ball and the theatre concert was held at BCS. Debbie Lyman reigned throughout over a bubbling Queendom. The skiing was great at Glen, the evening meal of spaghetti was served in the true Italian fashion — slowly. Couples swilled and twirled at the Ball, dizziness was reported even the next day. In keeping with his humble origins, Brownie McGee requested (?) to perform in the plain surroundings of the BCS gym. 'Flint' kindled joy and sparked happiness. Carnival as always ended with spent people and money.

Major Plays

Bertolt Brecht does not write simple plays, the Caucasian Chalk Circle is no exception. Despite this the Dramatics Society presented a fine major production. Under the protection of Arthur Moyer, the large cast did a splendid job, and played to enthusiastic and appreciative audiences on three nights. With a set designed by a Montreal artist, Nicholas Kuchnij, as the simple yet functional backdrop, the actors presented a striking picture in their peasant costumes. Such a large cast allowed many new actors to prove themselves as well as the five seasoned ones a chance to prove their versatility.

With the new theatre as its home, the Dramatics Society has increased its play production many fold. Dr. Faustus, a concert reading play, was presented in the Fall. Besides the annual presentation of One Act plays, there was a full program of plays as part of the experimental theatre and the Dramatics Society played host to many universities as CUDL held its national play festival at Bishop’s.
The theme this year was "Experimental Biology". More than 2,000 visitors attended the three day Exhibition and saw some 43 projects exhibited by over 80 students. Numerous projects had been underway for months and it was largely this cooperation between students and faculty that rendered the Exhibition such a success. Some of the better exhibits included: hormones in plants, cancer in rats and experimental Embryology. Congratulations must be extended to three student directors Gay Lang, Don Marshall and Mike Booth for their efforts.

Varsity hockey has always brought out the "esprit de corps" of Bishop's. The past two seasons have been particularly exciting in view of the fact that the Gaiters are playing a new brand of hockey under Coach Al Grazy. The most notable aspects of the 1967-68 season revolved about the outstanding scoring combination of Bill Murray and Willie Mitchell; not to be overlooked is Phil Stote's remarkable development into a first class goaltender.

Willie Mitchell ladened himself with graduating honours — 2nd All-Star Team center, runner-up to the OSLAA Scoring Champion and two Bishop's scoring records. Cliff Goodwin, another graduate this year, was also selected to the 2nd All-Star Team. Bill Murray set two OSLAA scoring records this season and was somehow overlooked in the All-Star Team selection. His 30 goal season was far and away the best in the league. Brian Gray leaves this year with a most respectable record that attests to his consistently strong play.

In League play, the Gaiters finished in fourth place with a hard-fought record of 9 wins, 6 losses, and a tie. The Loyola Warriors eliminated the Gaiters 7-1 in the semi-finals and went on to win the championship. Unquestionably this year's hockey team has had a fine season. The graduates will be very hard to replace but they have left fine examples with the younger players who must carry on next year.
Varsity Basketball Team

High hopes at the beginning of the season that the Basketball Gaiters would bring another OSLAA championship to Bishop's gradually dimmed as the season wore on and were finally dashed as the last weekend at home where the Gaiters suffered decisive defeats at the hands of Loyola and Carleton.

The team's league record was 10-4 with all four losses coming at the hands of the top two teams. Lack of height and consequent deficiencies in rebounding proved to be Bishop's biggest weaknesses all season.

Nevertheless, some notable accomplishments achieved this season by the team must be mentioned. Peter Munzar, first team OSLAA all-star, and perhaps the finest forward ever seen at Bishop's had the greatest year in his career and in the process broke two league records. He now holds the crown as the league's all-time leading scorer (1100) and the record for most foul shots successfully sunk in one season (86). Munzar's departure will leave a gap impossible to fill next year.

The Gaiters set another league record toward the end of the season when they won their 27th consecutive league game in the congenial home confines of The Pit.

Three other first stringers, guards Nick Busing, third place all-time Bishop's scorer, two-year veteran Brad Jones, and forward Ken Flewwelling who is right behind Busing on the scoring list, will also depart with Munzar. Guard Rich Purcell will be the only starter returning. Next year's squad will have a tough time emulating the great Gaiter teams that this year's graduates have played for during their stay at Bishop's.
The Campus

As the sun rises each Tuesday morning, a small group of haggard men known as The Savage Few stagger out of the union. These men are Campus staffers. They work long hours, they rack their brains over cutlines, they squint over copy, they fall asleep in Council meetings, and somehow, aided and abetted by a horde of typists, reporters, photogs, and the great unwashed, they produce a newspaper.

This was a vintage year. Bulles splattered cartoons over the front page; Krawchenko did undercover work on Sex on Campus; Abbott Wright managed to bring order out of Monday night chaos; and Roger Taylor turned out the sports page with a generous assist from Paul Legault. P.J. Yearwood hung round the office, wrote fiery editorials, and rewarded himself with a trip to Vancouver. Then Krawchenko took over...

The Mitre
Deep Purples

Perhaps one of the best Deep Purple groups ever, hit the road for over ten appearances including a television performance in Quebec city. The group was larger than in previous years and of a superior quality. Selections were mostly of the popular category: Georgy Girl, Moon River, Guantanamera, two Swingle Singers numbers and a medley of tunes from Brigadoon. The parties and the road trips more than made up for the long, hard hours of practicing put in by everyone especially director David Cruikshank.
THE ONLY OASIS

In recent years the doors of the Georgian Hotel were more or less closed to the students at Bishop's, and as a result the Elmwood Motel was the only watering hole for miles. However, one dark day in October the bottom fell out of the keg, as the "Wood" lost its licence. Needless to say there was a weeping and gnashing of teeth and slowly all eyes turned to the Georgian Hotel. Hearing the plaintive wails and the rasping of our parched throats,
George Gauvin, the owner, broke down in tears and once again threw open the doors of his establishment. Touched as we were by so kind a gesture, only a few glasses and bottles were broken that day. Throughout the remainder of that term and the next, the students rallied at the "G" as if in an attempt to bolster the Lennoxville economy, after the loss of the Philip Carey plant. Many ales were consumed, bottles and glasses were broken, a stag head, coat rack, and a host of miscellaneous articles were stolen (and returned). There was the odd Monday or Tuesday when it was "Pas de Bishop", following excessive weekend frolicking in the Red Room, but the "G" continued to enjoy its long lost trade. During the past year, two stars have appeared on the scene — Gerry and "Doc" the bartenders, who put up with so much and yet put their jobs on the line when we were threatened to be barred (Pun) for good. Our mugs up to them and even old George, the owner, who really doesn't dislike us as much as he says — he just hates our shows.

GENERAL CONTRACTORS ✴
Why does the Sun Life man spend so much time talking about taxes? And investments? And savings plans? And real estate? If his business is really life insurance

Because helping plan balanced estates is his business!
As a trained, professional life insurance specialist, he knows that a balanced estate will always include a logical life insurance program. And, by the same token, he knows that personally tailored insurance can be recommended only through knowledge of the other elements of an individual's estate.

Try him out — ask him a question on the organization of your estate. You can expect a knowledgeable, objective answer, either personally or through one of the many informative sources available to him. He might just suggest a Sun Life program designed to complement your estate. But then again, he might not — if you don’t need one. He knows you’ll see him when you need some insurance.

In financial planning, days mean dollars.
Call your Sun Life man today.
A three letter word meaning Dithyrambic?!!
Keep Ingersoll-Rand in mind

Products bearing the name, Canadian Ingersoll-Rand are at work across Canada... pumping liquids, compressing air and other gases, drilling rock, aiding labour with power tools, and making paper. Throughout industry and wherever major projects are undertaken.

At C.I.R., research, design, manufacture and application are integrated for one purpose—to produce better products for industry. Something we’ve been doing since 1882.

Quality and craftsmanship are two ingredients of which reputations are made, so we are always on the lookout for new skills. While it is unlikely that your career will be with us... certainly your career and our products will become acquainted. So keep Ingersoll-Rand in mind.

Is the d-b suit old fashioned?

Emphatically no! The double-breasted suit is here again in '68... but it's a d-b with a difference. Hyde Park tailors it for Eaton's with these elegant new features: slimmer shoulder lines, deep side vents, slightly suppressed waist and broader peaked lapels. The resurgence of d-b suits together with decided emphasis on bold glen-checked patterns has added distinctive dash to men's attire.

Just one outstanding example from the comprehensive selection of updated suit stylings now at Eaton's — the fashion store for men.

WHO SAID WE CANADIANS

WERE HEWERS OF WOOD?

Pulp and paper is Canada’s biggest industry. It hews a lot of wood, but it also works much finer. A long span of precise engineering and chemistry stretches between the forest and the pulp and paper products which are this country’s most valuable exports. Engineering and chemistry are professions Canadians practice with high distinction. We design and make our own very refined tools as well. S. W. Hooper’s Cowan centrifugal pulp screens are an excellent example. Not only are they now commonplace in Canadian mills — they contribute to a healthy trade balance for our country by going abroad in substantial numbers.
