EDITOR'S MESSAGE

Although the yearbook has not established itself in the Bishop's community in the manner other annuals have, I sincerely believe that its function plays an integral part of its student's life. Two basic problems reign supreme with its publication, one being lack of student in-put and the other being financial support. However, for those who do contribute to its purpose, I speak for all, when I say that it is indeed a gratifying experience.

There are many individuals that I would like to thank, but four in particular deserve special mention, Dale Leighton, Carol Beaudry, Greg Stace and Morley Nadeau. It was their timeless efforts and patience which provided the necessary momentum for the realization of this annual. To next years executives, I wish much success and I hope that the problems faced this year become somewhat alleviated. Good luck, good-bye, and may the “wind be always at your back”.

Assorted Munsterites
To some, Bishop's is merely a sea of faces
But to those of us who have lived here, learned here, and have taken time to know the people and faces Bishop's is a special place.
Many faces have disappeared
But there are always new faces,
To replace those that have become memories.
It is because of these constant changes
That this book has strived to capture
Some of the many faces
Which make Bishop's what it is.
I do not recall exactly when we met.
Three, four, maybe five years ago.
We came together then; you and me.
That is when I first realized your being.
There were others too.
But their dimension was unknown to us.
Hello There!

THE GAITERS 1975-1976

This year’s gridiron squad suited some 23 rookies, these players with the aid of veterans, fought their way to a 2-5 record for the season.

Highlights of this year’s season were: Home-coming week-end, where before an alumni crowd of 2500, the Gaiters posted a last minute offensive to win 17-15 over Concordia University. A week later, facing the same opposition, Bishop’s snapped a decade long jinx and won its first victory in as many years on Montreal West Turf.

Next year, with the added attraction of the New Sports Centre, and an intensive recruiting program Bishop’s will once again rebound from a rebuilding year to hopefully play-offs and a crack at the national title.

The team would like to thank the graduating members as well as coaches Brian Roy, Bob Gillies, Al Grazys and of course, Head Mentor Bruce Coulter for making Bishop’s football year an enjoyable one.

Congratulations to Pete Sorenson and Rod Ward who were drafted by CFL teams, Toronto Argonauts and Montreal Alouettes respectively.
And let's not

At home or away from home
they cheered the Gaiters on
forget the fans

They never gave up on the Gaiters
even when defeat was at hand
BACK ROW: Stuart MacTavish, Kenney Knowles, Cam Farquharson, Brendan Burns, Tom Moser, Dave Perras.
MIDDLE ROW: Dale Butterwick, Trainer; Warren McDougald, Chris Roper, Robin Andrews, Shawn Ashton, Warren Miller, Dane Mitchell, Peter Marchuck, Dave Clark, Manager; Tony Haddad.
FRONT ROW: Dave Jones, Goalie; Nicky Stephens, Jimmy Moore, Coach: Mike Paul, Ted Moysey, Peter Fingold, Goalie.
After a disastrous season last year, the Hockey Gaiters produced some spectacular efforts in improving tremendously to remain in league contention throughout the year. The QUAA, featuring five universities from Quebec, was made mockery of by Concordia as they raced through the regular schedule undefeated. However, the other remaining teams fought it out game after game with Bishop’s finishing in fourth place with a 6-12-2 league record.

The year was full of ups and downs as a limited number of quality players tried out for the team, making reserve strength a little questionable. However, the majority of the time saw a full Gaiters squad devote a lot of energy into their contests. The season opened with the annual meeting with Queen’s as well as Royal Military College in Kingston and though Bishop’s emerged winless, much experience was given to the seven or eight rookies who won spots with the varsity. The league action then took over and Bishop’s, getting hot towards XMAS, went into the New Year with a 2-4-1 record and optimism for the second semester.
After Christmas the Gaiters put together a six-game undefeated string yet eventually, trips to Laval and Three Rivers caught up with them so they managed the majority of their wins at home. The big league games of the year included the initial defeat of McGill, giving Bishop's their first league win since 1974 and subsequent victories over UQTR, Laval and one relatively close game against the Concordia Stingers where the Gaiters put on a strong defensive effort to limit the top-ranked team in the nation to six goals. Probably the most satisfying win came on February 10th as the varsity defeated the Laval Rouge et Or by a 5-3 score. The game marked revenge for an earlier encounter at Quebec City which saw the two teams engage in a wild free-for-all. Many Laval players didn't quite exhibit proper sportsmanship resulting in a couple of serious injuries for the outnumbered Bishop's squad. The rematch was well accepted by the extremely voiceferous Lennoxville fans as they shouted and cheered the entire game.

The play-offs were a different story as Bishop's was matched against the powerful Stingers. Fighting off a ravaging flu bug, the varsity managed to give Concordia a good opening game yet they were drained for the home encounter which saw the Gaiters eliminated two straight.
The exhibition season saw some big wins for Bishop's but they also experienced two of their worst games during contests with Middlebury College of Vermont. However, impressive wins were registered against Dalhousie University, and the national finalists Guelph University Gryphons were defeated by a 5-3 score.

All of the credit for the much-improved season goes to coach Jimmy Moore, who moulded a fine team for the future. He put a lot of time in with the team and we congratulate him for a job well done. Several players will have graduated, leaving large holes to fill. Captain and Most Valuable Player Mike Paul closed out his career at Bishop's with a fine year as he showed super determination and effort, giving the many rookies a good impression to work by. Goalie Dave Jones was another "hard worker" as he slid his way across the goal crease and other establishments and he will be missed. Other grads include Shaun Ashton who had a fine year and manager Dave Clark who was invaluable in supplying the team with everything it needed.

With a tentative seven-team league next year, (U de Q at Chicoutimi and rival U de Sherbrooke joining), the year can be considered very promising as this year was a year of experience for several future top Gaiters. It was a good year all around and the Gaiters thank Coach Jimmy Moore for all of the outstanding effort he put into making it a good year and a promising future.

Soccer Satans
Again this year, the boys did not prove to be too much of a rival within the varsity league but with more fan support the Satans could challenge any of the contenders with better results. Hopefully the '76 - '77 year will prove to be more of a success.
Polar Bears
75-76
ORGANIZATIONS
Apathy is not one of the basic criteria for membership in the Bishop's University Geographical Society, commonly known as BUGS. Again, as it happens every year, several members struggled up the slopes and over the felsemere of Mount Washington. Two roaring social-get togethers (parties) were major contributors to congeniality and togetherness of club members. Broomball, club hockey games, volleyball, and squash were popular activities of many of the club members. A raffle was held to raise money for upcoming field events. Another major concern of the club was to reestablish contact with former graduates of the Geography Department. A year end social event was held to wish the graduates of the Department success and to rehash some favorite stories. We hope that next year's club activities are as successful as this year's.

**BUGS**
Providing first aid and immediate care for athletes was a role played by these devoted and self-sacrificing young people. They played an integral part in providing Bishop's University and Champlain Regional College athletes with a first class health care program.

Are you for Bishop's?

The English University in the bi-lingual Eastern Townships.

Best of all: the open challenge to find out what you want to be, and how to get there.

Just 100 miles from Montreal (near Sherbrooke) - but what a difference:

A real campus (over 300 acres) with great residences. A challenge for you to learn - instead of being a cog in a teaching factory.

Fewer than 1,000 students. Professors who know that you don't live and learn in watertight departments.

Undergraduate courses in Humanities, Social and Natural Sciences, Business Administration.

Is Bishop's for you?

To find out, write: Recruiting Officer, Bishop's University, Lennoxville, Qué.
Ask us about a Student loan. It pays to get an education.

Education costs a bundle. At the Commerce, we know. And, we can help lighten the load. Talk to a local Commerce manager about a student loan. He can help you get it. And, he can help you keep it in check with proper money management.

CANADIAN IMPERIAL BANK OF COMMERCE

You and the Commerce. Together we're both stronger.

CLOSING
Once within a time
We tumbled down the autumn days
And falling, changed a bit.
We lived
With hearts that ran......
And we were real because we tried,
Remember?
Only a length
of this moment—
half a now ago—
When the means became an end—
And the end became a means.
It would be only too proper at this stage to once again extend my deep appreciation to those who contributed to this book.

To Dale Leighton... it would have been impossible without your help. The time and effort which you devoted to this book as well as the campus newspaper was endless. A job which was surely deserving of a reward, eh, WM? Thanks! Let's do it again some time, shall we?

To Carol Beaudry... thanks for the patience during those last few days and the tremendous job on the Grad pics. Good-luck.

To Morley, Abbie, Wendy, Judy, Collins, Greg, Raymond, Jeanne, and whoever else that made an effort in aiding me in any way .......... merci, beaucoup.

YOURS TO REMEMBER.......... and life stands still for a moment in time. Thoughts run through my mind But nothing seems to make any sense. Everything is dead for the time being. All events come to bear on a year past. And life stands still.

-editor.
