A MESSAGE FROM
THE EDITOR

The QUAD is a book that comes out every year playing a participant role in all the Bishop's events. Like any other yearbook it is made to bring back memories.

In order to make a book like this, much time, imagination and work was necessary. The result is due to the staff who worked with me all year around (sometimes even having to put up with tight deadlines and long Sunday afternoon meetings).

Also I would like to thank the Campus photographers and its editor Andrew Hewitt for providing us with pictures.

I hope that you will enjoy this yearbook as much as we enjoyed making it.

To the class of 1984 I extend my congratulations and best wishes.

Maria Papatheodossiou,
Yearbook Editor 1984.
A MESSAGE FROM
THE PRINCIPAL

Education is more than book-learning. In this belief we have striven at Bishop's to provide you with opportunities to enrich your undergraduate experience ... by informal contact with members of the Faculty and in conversation with your friends, in an ambiance of some physical beauty and seemliness. If we have succeeded, then the staff of QUAD, in compiling for you a book of faces and campus settings, has provided you with ready access to many of your most valuable experiences at Bishop's. I thank them on your behalf; and I wish you all good luck and challenging careers.

Dr. C.I.H. Nicholl.
Principal.

FAREWELL TO ...

Blair Capes, who had been Director of Residence at Bishop's University for eight years, left us in December to further pursue his career at Guelph University under the title of Assistant Director of Residence.

The job he so admirably executed here, brought him into contact with administrative personnel, professors and students. While his job entailed many duties, he always exemplified a concern for the students. He sat on numerous committees and took an interest in this school over and above that required of him.

His rapport with the student body at large, as well as those with whom he worked, was always honest, unselfish and supportive. It is this honesty which allows one to say of Mr. Capes that whatever decisions were made and actions taken, were always done so in the best interests of the students.

We wish him the best of luck and good fortune in the future.

Wayne Hussey, head coach of both men's and women's basketball teams, is leaving after a more than successful career at Bishop's. His six year coaching record at Bishop's includes 206 wins and 23 losses. He has been awarded with four Q.U.A.A. and one C.I.A.U. Coach of the Year awards.

We wish him, too, very good luck with his plans for the future.
Dear Mommy and Daddy,

I have just finished one of the best weeks of my life. Remember those two guys at the golf court you warned me about? Well that was only the beginning.

After I said good-bye to you at the wine and cheese party I went to the theatre where we listened to some boring speeches, then got put into "Gaitor Groups". The kids in my group seemed a little wired at first but they turned out O.K.

But the group leaders, they were great. I learned the Bish song and a great way to open beer bottles and the rest of the night was just a blur, Lion, G, Elmwood, Lon, we really saw the sights, (I pushed twice that night).

During the rest of the week we participated in Olympiad Almost Anything Goes, (that new skirt was handy for the clothesline) Beach Party, (I won big points for my teem at the kissing booth). B.B.Q., Volleyball, Car Wash, Scavenger Hunt (you shoud have seen our most original object) Wow ... 

Have never met so many friendly people. All the leaders and organizers made me feel like I had been at Bish, for years.

The week ended with Talent Night, Initiation, (Yuck) a Banquet and a dance at the pub. I am really happy I choose Bishop's.

Well I have to run now some nice guy promised to show me how the rooms look like in Abbott Hall.

Bye for now,

Lots of Love

Jill.

P.S. Do you know the name of a good gynecologist??

DRINK A
TO BISHOP'S
TOAST UNIVERSITY!
Drink a toast to Bishop's University on the mighty Massawippi shore. We're conditioned to our fate, we'll never graduate, we'll stay here forever more. College days will linger ever in our hearts, wearing gowns, raising hell and quaffing ale and we'll show "esprit de corps" as we watch the Gaiters roar on to victory. So raise your beer mugs and your little brown jugs to Bishop's University.
You and an escort are cordially invited to
Dine and Dance

L’Erablière Doyon
Rue Du Domaine
Ascot Corner
Friday, March 23, 1984
Cocktails at 6:30 p.m.
Dinner at 8:00 p.m.    Dress is formal

In our opinion, the graduation dinner and dance was a success. Everything we had planned turned out well. We hope that the Class of ’84 enjoyed it and had as much fun as we did. We are especially proud of Tom Godber who risked life and limb to guard the moose heads at the expense of his evening’s enjoyment.

We would like to make the usual list of those without whose help this could not have been done. First and foremost, we would like to thank our committee members: Anne Howard, Carole Boire, Barb Ufford, Tony Power, Vicki Harding, and Liz Carlton.

Others that were indispensable to us were Karen and Colleen in the S.R.C. Office, Graham Boyd and Nelson Rouselstrom and all those marshalls who put up with us at the doors of the Quiet Bar and the Pub during our fundraising events.

Finally, we would like to thank Mr. John P. Merlini and his staff for the beautiful printing job done on our invitations (Thanks Dad!)

P.S. We forgot to thank our good friends Henk Trocken, President Brights and Asti Spumante for making OUR evening such a success.
