bishop's university -

- THE QUAD '89 -
As we proceed through life, all of us are required to wear many hats. Some of these are protective, some are functional. Others are formal, others are frivolous while some are frankly ridiculous. --And whichever, hats we are wearing, despite our best efforts, we sometimes end up with egg all over our faces!

Hopefully Bishop’s has helped prepare each of you to wear all of your hats with zest and enthusiasm. Certainly, upon graduation you join a company stretching back 145 years. During your final years here you have been part of a "Learning for Life" campaign which has brought us all into closer contact with the alumni who preceded you. They have shown great commitment and loyalty to this institution. They set a high standard for those who follow but I am confident that you will meet the challenge!

Good luck!

Frosh Week...
and more FROSH WEEK!
Homecoming

Just days after the frivolities of Frosh Week, it was alumni's turn to don the purple paint and sweatshirts and revive the spirit and excitement of university life. A perennial attempt to recapture the youthfulness of college days, the festivities were highlighted by a 23-17 Gaitor victory over the Ottawa Gee-Gee's. The party continued through a victory gathering at the Pub which carried on into the wee hours. As with all years, one of the biggest weekends of the school year provided at least as many memories as memory lapses.
TOUCHDOWN!!
On Saturday, October 29, 1988, Bishop's University held its annual Halloween Dance in the Pub. The dance floor was packed with interesting creatures of all kinds. Among the best costumes were Elvira, Freddy (from Nightmare on Elm St.), a giant whale, bumble bees, etc. Honourable mentions must go to all those inventive people who stocked up on fake blood and fake skin!! In keeping with the fantastic enthusiasm of Bishop's everyone got into the true spirit of the ghosts and goblins.

Venturing Off Campus...
THE OTHER SIDE OF BISH
In the spring of 1988 the infamous Red House was burned down to make way for the new Little Forks apartments. Over the many years, the house was known as a traditional student abode and although its presence is no longer felt, its memory will live on forever.

GAITER

From a pre-season perspective the '88 season was certain to be one of transition. Led by this enthusiastic new head coach Ian Breck, defense was secure from the outset with the return of such talented veterans as Al Matheson, Derrick Joseph and the awesome Leroy Blugh. The offensive strengths of the club, on the other hand, had been severely depleted by graduation and the C.F.L. draft earlier in the Spring. Gone were the electrifying duo of Harris and Zatlyn who had so often combined to power the high scoring juggernauts of the past. Knowing their obvious weaknesses, the staff were able to set a pair of realistic objectives: first, to limit opposition scoring to a bare minimum and secondly to take advantage of the good scoring opportunities which arose during each game. With these in mind, a play-off position seemed entirely realistic.

Collectively, the Gaiters redefined the expression, "Cardiac Kids" time and again during the early weeks of the season. In defeating Concordia in the season opener, the issue remained in doubt until Matheson stripped a potential touchdown pass from a sure-handed receiver in the final seconds. A week later, in Kingston, the Golden Horde swarmed the Gaiter alumni stripe on their last series of downs. Electing not to take an almost certain game tying field goal on third down, the Gaels attempted to steal a victory with a third successive aerial strike to paydirt. This time the heros fell upon Haines who stole the ball from the gritty Gaels. Homecoming Day versus The Ottawa Gee-Gees once again brought an emotionally drained audience to the brink of collapse. This time it was rookie head coach Ian Breck's turn to gamble all on a third down play late in the game. True to his words of a week earlier, he had no choice but to go for it. With time called he huddled with freshman pivot Silvio Martel. Over the ball, the young rookie barked out the signals, took the snap and rolled quickly to his left. Carefully securing the ball he turned up field, feinted an opposing linebacker to his knees before plunging to the endzone for the go-ahead points. Moments later, Blugh brought the crowd to their feet again as he intercepted an errant pass and raced 62 yards for a T.D., the only score of his university career.

After a minor skirmish with the hapless Carleton Ravens, the Gaiters headed into week five's much anticipated Thanksgiving Thriller with arch-rival McGill. The thriller was more of a chiller as Keith Kelly showed his heels to McGill's defense, rushing for nearly 200 yards. The Gaiter defense pounded the Redmen's vaunted offense into their new astroturf all-night leaving no doubt as to the eventual outcome. For his efforts, Kelly was named C.I.A.U. Athlete of the Week.

The Gaiters struggled in week six allowing the Stingers to blemish their hopes of an undefeated regular season. The Gaiters seemed to lack intensity throughout the contest continually turning the ball over and killing drives with unneeded penalties.

The men in Purple secured first place overall with a hard fought victory against a fired-up McGill squad in the season finale in Lennoxville. With this victory the Gaiters were faced with the prospect of playing these same Redmen the following week in the playoffs.

Playing before a packed house in the Gaiterdome, the Redmen suffered the full wrath of the Gaiter defense. Interceptions came early and a plenty for the Gaiters. Schumann plucked Fuller's first offering and returned it 35 yards for the opening touchdown and the rout was on to the delight of a delirious crowd who braved every imaginable weather condition during this extraordinary day.

Bishop's welcomed T.S.N. (National Sports Network) to Lennoxville for the O.Q.I.F.C. Final versus Queen's who had nipped Ottawa in the league's other semifinal game a week earlier. The day was bright and chilly, a perfect setting for a fall classic - a day to showcase the remarkable talents of Leroy Blugh! Blugh was a one man wrecking crew delivering 19 individual tackles in this crucial contest. The country's most dominant player took charge on this day and was well supported by the entire cast. Despite this performance, the Gaels refused to wilt and not until Restall's final field goal in the last minute was their fate sealed. The Gaiters had become the first team to win the league and playoff titles in the O.Q.I.F.C. and were headed to Halifax.

This season of transition came to a sad and sudden end in the Atlantic Bowl for the loyal Bishop's supporters who had followed the team to Halifax. Nervous and perhaps intimidated by the Huskie's lofty number 1 ranking, the Gaiters played tough for the first half before succumbing to the relentless offensive pressure from St. Mary's.

Despite the team nature of football, the Gaiters' season produced many individual highlights. Four members of the defensive unie: Lineman Derrick Joseph, Linebacker Leroy Blugh and backs Derek Schumann and Al Matheson were selected to the O.Q.I.F.C. All-Conference team. Schumann and Matheson were were accorded "second team" All-Canadian status while Joseph and Blugh earned first team All-Canadian honours. The incredible Blugh was awarded the President's Trophy as the outstanding defensive player in Canada this season. He then capped his university career with an invitation to play in the prestigious East-West Shrine Bowl Game in Palo-Alto, California. This game featured all of the top U.S. college players and was indeed an honour for Canada's finest defensive player. For new head coach Ian Breck it was an excellent debut and very satisfying.

Upon returning to Bishop's in September we knew we were in for a gruelling season of Rugby for two reasons: firstly, Bill was one year older; secondly, we had a match with Queen's in the first week. At least we found the halfway house in Kingston.

Although the season did not start out great we quickly got rolling. Mike M. displayed his desire of going into facial plastic surgery in our first game against McGill.

We Rumbled on to serious hardware: Vermont Law School Invitational Champions, Quebec A Side Champions, Quebec B Side Runners-up.

The efforts of the following players should be noted: Allistair Griffin, MVP; Mark Harris, Best Back; Scott Holdsworth, Rookie; Chris Irwin, B-Rookie; Dave Poulton, Coaches Award.

However, it is important to note that we could not have had a team without the efforts of Bill Robson and his wife Lissa Macrae.

Congratulations on their newborn son.
The women's rugby team had a very successful season advancing to the league playoffs before losing a close game to John Abbott for the Championship. An enthusiastic crop of rookies combined with the veteran players to produce a very talented team.

En route to a winning season some outstanding victories were recorded including 52-0 over Marianopolis and 44-0 over Champlain St. Lambert. Team leaders Cathy Jaynes, Lana Calder and Barb Wilson were responsible for instilling into the team the teamwork required in the more difficult games with McGill and Concordia.
On March 12, 1989 the Concordia Stingers defeated the Polar Bears to win the Q.W.I.H.L. Championship and put an end to the lady pucksters' season. It was not quite the ending that we had in mind, but when we look back at all we accomplished the bitter pill of defeat is a bit easier to swallow.

We won the Q.W.I.H.L. Festival in October going undefeated through the four game round-robin tournament and in doing so created a common bond that was to be the basis for our "Team" play. As the season progressed so did we, both as individuals and as hockey players. The Christmas break found us nestled in second place behind Concordia and our inability to beat them would foreshadow our ultimate end. We had become a team that would "bend" but would not "break".

Like most teams we had good days and bad days, but the character of our squad kept the bad outings to a minimum as we experienced consecutive defeats only once during the regular season. The year was punctuated with big goals and good defensive plays with our opposition trying their best to shut down our big three scorers, Julia Morch, Sandy Chute and Elaine Lebeau, only to have it spur the rest of us on to greater things. The goals were soon coming from the sticks of Erin Holmes, Suzie Loubert and Susan Moore. It became a year in which we scored more, played more, and won more games than ever before.

We matched the good offense with good defense, in fact we might have played above our heads as even the best that our opposition could throw at us more often than not came to an abrupt halt at our blue line. The defensive corps of Helen Wellman, Wendy Hornby, Chris Marion, Nancy Humphrey and Lynn Benson continually outdid themselves and when they could not get the job done Marie-Claude Roy would close the door on our net.

We suited up for thirty-one games and as is always the case some people fell by the wayside, for a variety of reasons, along the way, but when we look to next year we are thankful for the perseverance of Ingrid Bastien, Anne-Marie Beasse and Lynn Benson who through thick and thin were there and ready to play when asked to do so yet always encouraging their teammates when they found themselves glued to the bench.

No, we did not win it all, but we are winners just the same for having tried.
The defending QUAA Golf Champions had another successful season, unfortunately, this year, they had to settle for 2nd place behind the University of Quebec of Montreal as they faltered slightly on their last round.

The team results of the QUAA Championships held at the Vensie G.C. Sept. 30-Oct. 1, 1988:

**NEW QUEBEC UNIVERSITY RECORD**

The Bishop's University Golf Cup was won for the 2nd year in a row by Jeff Cannon with a 1 stroke victory over Sylvain Gagné.

Graduating seniors Jeff Cannon and Brent Kelly will be missed and hard to replace, however, Coach Smith should have a good nucleus to form another contender in '89.
The 1988 Men's soccer team enjoyed a season that bodes well for the future. Playing in one of the toughest leagues in the country, the Gaiters managed to take points from each of their opponents. Ties against both the Sherbrooke Vert et Or and the Concordia Stingers were mere warm-ups to the Gaiters' outstanding game of the season. In their last home game of the season, the Gaiters defeated the perennial league champion McGill Redmen by a score of 2-1. Striker Andrew Blair's winning goal earned him the week's CIAU Athlete of the Week award. Buoyed by a strong rookie class including Dan Bourdon, Rabi Guha, Neil Perry, Kevin Rich, Ross Smith, Ilja Strezoski, Gaiters look strong for upcoming seasons. Graduating players include Andrew Blair, Danny Fraser, Mark Wyndam-West, Dave Jenkins and MVP Amedio Čericola. Their experience will be missed, but they will certainly be out to "Watch the Gaiters roar" next year. Congratulations go out to this year's efforts, and good luck in the coming seasons!
The Men's volleyball team took a giant step forward in 1988-89, moving up to a full varsity sport.

The squad is in the process of building itself up to the level of the other powerful schools in the province, the U. de Sherbrooke and Laval. Bishop's had a hard time against these established teams this year, but managed to compete closely with the other recently-formed programs: McGill and the U. de Montreal.

The Gaiteurs also played in the Provincial Senior Men's League and finished 5th in their pool of 6. This performance reflected the improved calibre of the League as compared to the previous year, when Bishop's finished 4th.

Bright spots for the team included an exhilarating victory over McGill in the January Bishop's Invitational, as well as a strong second place finish at the Senior League tournament that Bishop's hosted in December.

MVP Peter Bogert and Most Improved Player Paul Geraghty were stalwarts on a team that was marked by solid performances from every member of the unit, a strong sense of camaraderie, and a classy demeanor at all times.
The 1988-89 Mens' basketball season was the initial year the Gaiters participated in the Ontario University Athletic Association in the Eastern Division. Against such quality schools as Toronto, Queen's, McGill, Concordia, and Carleton, the Gaiters finished with 9-9 league record which was good enough for a playoff spot. Their overall record of 15 wins and 13 losses included 4 consolation championship wins at the Concordia, McGill, Carleton and Acadia tournaments.

Leading the way was third year superstar David King who was chosen Most Valuable Player of the O.U.A.A., 2nd team All-Canadian, and team M.V.P. for the third consecutive year. King finished the year with 576 points and 154 rebounds. 6'3'' Pierre Tibbin led the league in scoring and was also fourth in the country in scoring with a 22.7 points per game average. Tibbin finished the year with 559 points and 131 rebounds. 6'5'' freshman Daniel Methot was chosen the team's Rookie of the Year while other awards went to 6'3'' Jeff Harris who was the Most Improved Player winner. The Garth R. Smith Team Award for outstanding leadership and dedication went to fifth year senior David Clements who finished off a very fine and distinguished basketball career at Bishop's. 6'5'' third year forward Warren Newberry started every game and played with a lot of heart. 6'2'' freshman Tom VanAlstine showed lots of promise as a shooter. Scott Wilson, a third year guard, showed excellent shooting and scoring form averaging 10 points per game.

The rest of the Gaiters were led by senior Joseph Sztrikaos, 6'5'' Kevin McCormack, 6'1'' Alf Nutakor, 6'4'' Robert Henderson, and 6'0'' John Gordon.
The Lady Gaiters finished the 1988-89 season with 18-15 record. This talented group of athletes improved with every game and were contenders for the league championship. The final game was played in front of a full house at the University of Laval. The Rouge & Or defeated the Gaiters in overtime by a score of 57-54 to earn a spot at the national championships. Coach Blackwell is optimistic that next season will be even more successful for the team as each player will have gained another valuable year of experience.

Second year point guard, Sandra Mullins, was voted to the All-Star team as were third and fourth year sensations Cynthia Johnston and Carole Miller.

From Student to Professional in one easy step.

At the Royal Bank, we believe in credit where credit is due. So, if you have a professional degree or you’re on your way to earning one, we’ll do everything we can to see your career starts off on the right foot.

We’ll help you set up as your own boss.

We’ll help you get your practice or business off the ground, with services specially designed for you.

And we’ll arrange operating loans when you need them. Leasing. And, of course, cash management services and personal credit.

In fact, we can help at every step, because we’ve helped a lot of graduates off the mark before.

Now, if it sounds to you as if the shoe fits, we’d suggest you walk right in to a Royal Bank without delay. And simply ask about our Program for Professionals.

Come and meet our specialists for more information on Student Business Loans and Student Visa Cards.

AND NOW A WORD FROM THE EDITOR...

Well, here it is - QUAD '89! There were times when we thought that you'd never see this BUT we did it! There have been a lot of changes made to the format of this year's book that we hope you'll enjoy. Rome wasn't built in a day but the Quad '89 has come a long way...

1) size - it's a smaller book this year but we've added 16 pages and were able to put some extra money into photography, lettraset headlines, etc.

2) a greatly reduced ad section by having businesses sponsor pages with YOUR picture on them. Thanks to Paul Alsop and Jason Morton for a job well-done!

3) layouts that have been carefully planned and meet all the general layout requirements (my high school advisor would be proud)

4) in an attempt to show a more "rounded" look at Bishop's we've cut out a lot of the drinking and nudity emphasis - sorry, no naked Brotherhood men!

This year's staff have been wonderful (see Page 84) but there are a few people who deserve special mention: Alix Kroeger for the endsheet photos, Tom Teasdale, Betty-Ann Bryanton, Rosalie Ward, Cynthia Johnston and Shani Doucet for all their hard work on layouts and organizational matters! - Tom Majer and France de Gaspé Beaubien for their photographic marvels (I'll get you yet Tom ...) and last but certainly not least, my roommates Cathy Reeves and Lindsay Lackner for putting up with me around deadline time!

To Betty-Ann and Rosalie - best of luck next year with the Quad '90!

Heather Blair

The staff of the Quad '89 would like to dedicate this book to the memory of Heather Blair. Heather, the victim of a tragic car accident in December, 1988, is sadly missed by all Bishop's students. Deepest and most sincere sympathies to Heather's family and friends.
