"Building a Better Bishop's"

Those of you graduating this year have experienced the most rapid period of growth that Bishop's has ever known, almost 40% in three years. You have helped ensure that in the process special traditions and characteristics of the University have not been lost. Much of this is captured in these pages, from Initiation to Graduation.

As we come to the end of this growth phase, we move into one of greater differentiation and uniqueness. Those returning will find important new facilities and opportunities made possible by the remarkably successful "Learning for Life" campaign, supported so strongly by the student body.

So to those leaving, God speed and thank you. You leave Bishop's an even finer place than when you found it. May that characterize you always in those exciting experiences that await you in life.

Hugh M. Scott

Take a Walk through Town
Follow the Leader...
To Catch a Glimpse ...

Frosh Week is the introduction to the most important time of your life. You have made it through the system and into university. University is a place of higher education where people are mature and dignified, but are we talking about Frosh Week? The definition from Dave's dictionary says it is a time to get stupid and outrageous, where points are actually given for this behavior; a time to let your guard down and let off the tension of entering a new place for the first time.

Frosh Week gives you the opportunity to meet people and create friendships that will last for a lifetime.

Frosh Week will be the most memorable and important time you will have at university, for it is here that you will set the pace for things to come. When you get involved in Frosh Week this will be the stepping-stone to getting involved on and off campus, which can only add to your academic education. But, beware of the rotten frosh flu! (It happens to all frosh.)

Thanks Fat, Owen, M.F., Rosalie, Kevin, Derek: legendary frosh leaders.

Dave McAllister

Of Fun and Frolic ...
During Frosh Week
PRIDE
September 23, 1989 was bright as alumni fans returned to Bishop's for another year to recapture their university days of purple craziness and lots of spirit. The highlight of the weekend was the big football game against the Concordia Stingers. Although the Gaits were defeated 32-18, the crowd still cheered for their favorite team and raised a toast to Bishop's University. Festivities continued many hours into the day and the rest of the weekend as the biggest weekend of the school year climbed to another great memory.
ON YOUR MARK ... GET SET ... GO!

This year we decided that an event which included both the community and our school was in order. This event would raise money for the External Affairs Department's Lennoxville Environment Fund. What we came up with was the 1st Annual Bishop's Relay Race.

We had 27 teams (135 runners) from across the town and campus. The course spanned from the Georgian, through the Quad, down into the endowment lands, and then back to the Quad for a free barbeque. It was beautiful weather, and everyone came out to toss a frisbee or chat with the townfolk. The mayor, Duncan Bruce, officiated the race and handed out prizes (donated from the Village Grecque, Tuck Shop, and Beaulieu's).

The winners were Beta Theta Pi, Champlain College, and the Inter-varsity Christian Fellowship.

MACKINNON

now was falling; the halls were filled with laughter. Once again the year was coming to a slow close as students at Bishop's prepared themselves for the annual Christmas Dance held at the Memorial House pub. As usual the festivities were held early (Nov. 25), but no one ever minds. The Christmas spirit still danced on until the early hours; people looked different, yet dashing, in suits and dresses of bright colours. Old friends got together, while new friends met. In all, the dance led to another success and a keen hope for the rest of the Christmas season.
"An Occasion for Collective Grief and Thought"

Bishop's students, faculty and staff, and their children observed some long and thoughtful moments of silence, after the names of 14 women engineering students were read out against the chilled and still December air of Bishop's Quad, their faces lit by the flickering light of candles they offered in a dark grief that collected them. They mourned this tragedy in the name of the families whose daughters were so brutally murdered on December 6, 1989 at the University of Montreal's Ecole Polytechnique. It was a shocking massacre that moved all Canadians and people around the world, who expressed their thoughts in flowers and notes outside the Polytech buildings, in parliaments, radio programmes and newspapers, at the students' funerals in Montreal's Cathedral of Notre Dame, and in vigils like this.

Our own candle-light vigil had its spark ignited during the weekend following the massacre. Students, staff's and faculty's grass-roots concern was to mark the occasion, signify their sorrow, their solidarity with these students, and deal together with their own fear and outrage. The concern spread by word-of-mouth. By Monday morning fliers appeared around campus to meet in the Quad, to bring and light candles, to come together in what had been an isolatedly experienced but collectively significant shock and horror.

A young man had entered a Quebec university, sought out classes of engineering students about to graduate, separated the men from the women, and slaughtered as many of the women as he could, wounding many others. As he did so he cried out, "You're all a bunch of feminists!", before he finally turned his weapon upon himself, leaving on his person a detailed letter of his "reasons" for blaming "feminists" for his own personal failures in life. The letter contained a "hit list" of 20 or more other prominent women who "deserved" to die: journalists, firefighters, prize-winning academics, women who had dared to achieve what everyone hopes his or her daughter can and will achieve.

The shock and the ramifications of the event led us all to examine the "reasons", the "sense" or "senselessness" of that horrible event. That evening in the quad we could only come to terms with the grief and sorrow. It was not a time for lengthy speech or social scientific analysis. We just came together and linked arms with each other, men and women, acquaintances, strangers, the Bishop's community affirming itself as a community emotionally. We left the quad and the night's chill silence to the flicker of our candles stuck in the snow. It felt better, stronger somehow, for that reaching out and connecting.

In the following winter term, Dr. Melissa Clark-Jones organized a panel on the Montreal Massacre, including herself and another sociologist, Dr. Loretta Czenis, Mr. Michael Fox, Dean of Students. That seemed an appropriate occasion for analyzing and discussing it with 100 Bishop's students in Quebec Society classes. The panel and discussion were videoed and are available to Bishop's Media Centre.

Two of the girls massacred at the Polytechnique were students on Bishop's campus: Anne Turcotte was a science student at Champlain College and Sonya Pelletier attended the Bishop's University English Language Summer School. Both will be remembered in the new science scholarships set up. The Anne Turcotte-Sonya Pelletier Memorial Scholarship: to be awarded to top women students in science, has been established in their memory.

Sincerely,

Melissa Clark-Jones

Up, But ...
The gavel slammed on March 9th and the 1990 edition of the Model Youth Parliament was under way. This year's event capped months of planning choreographed by Rommel Fernando, organizational chairperson, with the assistance of the following committees: Sarah Stewart, Bill Formation; Pat Hearn, Events; and Sean McIntyre, Internal. Three bills plus a number of impromptus were tabled, but there was also a healthy dose of good 'ol Bishop's socializing. Friday the 9th saw the introduction of a bill, followed by a beer and pizza soirée. Saturday the 10th was a busy day, capped off by a semiformal banquet. Sunday, was the final wrap-up day of the biggest Bishop's model parliament in years! Thanks to all participants and visitors from other schools.

Rock for Recycling '90

Saturday
April 14, 1990

On Saturday, April 14, 1990 an open air concert called "Rock For Recycling" took place in Lennoxville. Organizers made up of a few Bishop's students with the help of the town hoped to raise environmental awareness through the concert. The day featured eight local bands, guest speakers on the environment, pizza, BBQ and face painting. A huge recycling bin was brought in from Sherbrooke and was filled with recyclable goods by the end of the day.
The 4th Annual CJMQ Beach Bash and Fashion Show was held Friday, March 9, 1990. The models and organizers worked for about two months in order to put on the best show of the year. The work paid off!! The pub was packed, with the audience thoroughly enjoying the show.

Thanks goes out to the lighting crew, Fraser (our great DJ) and the models: Kelly Cosgrove, Lynne Denis, Kelly Dryer, Wendy Neil, Shena Prihoda, Natalie Roch, Kathleen Royer, Messeret Tesser, Tamara Whitworth, Abraham Blair, Grant Chapman, Jessie Christo, Mark Delaney, Ken Dixon, Tom Europe, Shane Meagher, Jason Price, Shannon Smith.

BEAUTY AND
Theater Activ '90 presented Bishop's 5th Annual Student Drama Festival to 'sell-out' enthusiastic audiences. There were nine different productions spanning over two nights including two plays by playwright artist-in-residence George Rideout, and student playwright Jennifer Scurlock. The plays were directed, performed and produced by students to make the most successful Theater Activ festival to date. Night after night without a seat in 'the house' available, the student festival's excellence speaks for itself. On night one plays produced were: Prologue, Texas Boy, My Black Lily, Fisherman's Bard; On night two plays produced were: StoneWater Rapture, Life UnderWater, Twirler, Triangle, Florentine Tragedy.

Bishop's security tightened after 'racist' article
Construction Starts on
$1.5 million Library Extension

Monique Gagnon-Tremblay, Minister of Cultural Communities and Immigration and Vice-President of the Treasury, Hugh Scott, Principal, and William Curran, University Librarian performed the ceremonial sod-turning at 1100h on Monday, 26 February, 1990 at the northwest corner of the Library to mark the beginning of construction on the $1.5 million extension to the John Bassett Memorial Library.

Over the past five years, Bishop's University has had a 25% increase in student enrolment, a 15% increase in faculty and a 12% increase in the number of courses offered. Consequently the library, as the pulsating information nucleus of the campus has felt the tremendous impact of this growth. Thus the primary purposes of the extension are the increase of the library's book and material storage capacity and its ability to provide studying space for students. The use of compact shelving in the basement will contribute substantially to the reduction of the area given over to storage and to a greater deployment of financial resources to student space than would be the case if conventional shelving were used. The planning also provides for expansion of the collection over the next few years.

Sandy Henderson of Beaubien Henderson in Montreal designed the three-floor extension and was on hand to discuss the project. Tenders were issued in January 1990, and the construction firm of Jeanson J.M. Inc. in Sherbrooke won the bid.

The expansion will result in an overall 27% increase in seating capacity. On the ground floor will be five new seminar rooms, each accommodating groups of three to five persons, a small auditorium (25 seats), a new music room and an audio-visual area. The upper floor of the extension will provide much-needed stack space, while the new stacks in the basement are designed as compact storage which, by means of rolling stacks, will provide as much as three times the storage capacity of conventional book stacks.

The new premises include maximum preservation and conservation conditions including light, temperature, and humidity-controlled storage facilities for materials in special collections, rare books and archival documents. The Reference Room will be rearranged to incorporate new equipment such as optical disk workstations, resulting in better access to such information retrieval tools for users.

The existing terrace in front of the original library building is to be extended and finished with paving stone slabs to match the existing slabs. A new wheelchair access ramp will be incorporated in the new terrace. As well, the new enlargement will have specially designed washroom facilities for the disabled, and a new elevator.

The extension, funded by the Learning for Life Capital Campaign, should be completed by early August 1990.

Bishop's Sports
(L to R) 1st Row: Warren Newberry (Captain), Pierre Tibblin, David King, Scott Wilson, Jeff Harris. 2nd Row: Paul Ciuflo (Manager), Bob Laderoute (Asst. Coach), Scott Ride, Ted Branch, Daniel Methot, David Fisher, Tim Johnston, Tom Van Alstine, Mark McAuley, Eddie Pomykala (Head Coach).

The 1989-90 version of the Gaiters basketball team have enjoyed an extremely successful year. Competing in the 10 team Ontario University Athletic Association east Division, the Gaiters clinched 2nd place with a 14-3 record. The Gaiters were undefeated at home including three overtime thrillers which were witnessed by the best crowds ever at the John H. Price Centre.

The team was paced by 1st team all-stars David King and Pierre Tibblin. King was the league's most talented and exciting player while Tibblin went over the 2000 point plateau and currently ranks second to Peter Munzar as the Bishop's all-time scoring champion. Starters Scott Wilson, Jeff Harris and captain Warren Newberry were key contributors. The best bench in the league was paced by Mark McAuley and rookies Ted Branch, David Fisher and Tim Johnston. Veterans Daniel Methot, Tom Van Alstine and rookie Scott Ride also contributed to developing one of the best defensive units in Bishop's history.

Head Coach Eddie Pomykala, who as ably assisted by assistant coach Bob Laderoute and student-manager Paul Ciuflo, was selected O.U.A.A. east division Coach of the Year.
Men's Football

(L to R) 1st Row: D.J. Swan, Donald Dann, Steve Bogay, Marc Charlebois, Dan Paradis. 6th Row: Brent McConville, Kent Rowe, Scott White, Ben Lefebvre, Arnie Simister, Patrick Gregory, Steve King, Martyne Foutnelle, Sandy Campbell, John Gardner, Dwayne Roberts, Jonas Raymond, Rob Legault, Eric Edwards. 7th Row: Alf Nutakor, Todd Storms, Ray Bernard, Chris Bailey, Christian Daigle. Absent: Steve Majury, Tim Thompson, Gerry Morris.

The '89 season ushered in a new era in Gaiter football with, in the words of Coach Breck, "the beginning of a new championship cycle." The graduation of Leroy Blugh to the Edmonton Eskimos of the C.F.L. represented the final passing of the old guard who had led the Gaiters to two O.Q.I.F.C. titles in the past three years. "With each recruiting class, our task is to build towards that championship level of competition," stated Breck in a pre-season interview.

Early season expectations ran high in the Gaiter camp; an auspicious beginning was signaled with a come-from-behind victory over highly-touted Concordia in the nationally televised Shrine Bowl. A mixture of veterans and talented freshmen took to the field each week carrying with them the proud tradition of winning football. However, a series of key injuries and untimely errors brought the squad back to a certain reality, there is no substitute for the years of experience and hard work which form the foundation of a championship team.

The Gaiters led each of their next six games entering the fourth quarter, but let five of these leads slip through their fingers with a dropped pass here, a crucial fumble there or a defensive let down when a stand was critical to a victory. These are the keynotes of youth which project well for the '90 Gaiters who will be a year older and wiser-men not boys. Despite missing the play-offs for the first time in years, enthusiasm is running high in the Gaiter camp and with a fine group of recruits expected to enter school in the fall a return to winning ways is sure to appear in Lennoxville.

The highlight of the season was the performance of third-year running back Keith Kelly. The Ottawa native rushed for 723 yards, easily outdistancing all conference opponents and earning him second team All Canadian status. Congratulations also to senior linebacker and team captain Mark Harris who finally was recognized as an All-Conference player.

In February's annual C.F.L. Draft Keith Kelly was selected in the second round (14th overall) by British Columbia and senior wide receiver Steve Zatynly was picked by Winnipeg in the sixth round.
Men's Volleyball

(L to R) 1st Row: Lee Grout, Cam Phillips, Alain Vermette, Rob Smith. 2nd Row: John Coleman, Randy Dowden, Paul Geraghty, Ian Gengos. Missing: Peter Bogert, Stephen Lovelace, Mark Walker.

This year was another building year for the men's volleyball team. In their second year as a varsity team, the Gaiters had a hard time against the more established teams from the University de Sherbrooke and University de Laval but fared well against McGill, another team in their second year.

Graduating players include Robert Smith, Stephen Lovelace and Paul Geraghty. Their experience will be missed but a strong line of rookies and second year players including Peter Bogert, Randy Dowden, Cam Phillips, Mark Walker and others will be back next year to continue the building.
At long last, varsity rugby has been organized, and to some extent recognized in Eastern Canada. Bishop's and various other academic institutions in Quebec banded together this year under the Q.U.A.A. and thus entered a much more competitive era. The B side was somewhat neglected, not for lack of numbers, but due to a shortage of game time. In the future we will be looking south of the border for increased competition.

The men's teams failed to defend their titles of Quebec Varsity Champions and winners of the J.B. Price Invitational by narrowly losing to McGill in the final test of the season, and to this year's winners of the Vermont tournament. Such losses were more than redeemed by our current position as "Thunder Dome Jello Wrestling Champions". The purchase of a machine designed to simulate opposition will improve the club's on-the-field-coherence and assist us in regaining lost titles.

Much thanks for the organizational efforts put forth by Rob, Bill, Pat, and in particular Lissa, whose "behind the scenes" efforts go unseen, and often unrecognized. An executive has been formed to ease the burden placed upon these people, and to hopefully improve the performance of the club in general. Thanks to all who contributed to the fulfillment of yet another successful Rugby season.
Women's Basketball

(L to R) 1st Row: Ellen Palmer, Nadine Smith, Kerry Brock. 2nd Row: Assistant Coach Linda Schamer, Penny Begic, Sandra Mullins, Melanie MacPhee, Kathy Williams, Manager Ivonne Healy. 3rd Row: Assistant Coach Toni Kordic, Lesley Buness, Andrea Lackey, Cynthia Johnston, Alice Hartling, Christina van Barneveld, Head Coach Andrea Blackwell.

The 1989-90 version of the Lady Gaiters basketball team have enjoyed a successful year. While competing in the four team Quebec Conference, the Gaiters clinched first place with a 10-1 record.

The team was paced by 1st team All-Star Cynthia Johnston and 2nd team All-Stars Sandra Mullins, Andrea Lackey and Alice Hartling. Johnston was the league's most talented and exciting player while Mullins, Lackey and Hartling put forth a solid and consistent effort to balance the attack. Christina van Barneveld, Melanie MacPhee, Lesley Buness and Kathy Williams were also key contributors. Ellen Palmer, Kerry Brock, Penny Begic and Nadine Smith all in their first year contributed to developing the best team since the National Championships were won by the Gaiters in 1983-84.

Head Coach Andrea Blackwell along with Assistants Toni Kordic and Linda Schamer and Manager Ivonne Healy, were very pleased with the progress and development of the team.
Women's Rugby

1989 found the women's rugby team doing some rebuilding due to the loss of five starters but an enthusiastic crop of rookies soon had hopes high for another visit to the league championships. The season started with solid victories over Champlain St. Lambert and Marianopolis and a controversial squeaker over Concordia. However the victories were costly in terms of injuries and the team soon found themselves playing people in new positions with frequent line changes. Narrow losses to McGill and John Abbott left the Gaiters in third place at the end of the regular season.

The play-offs were placed at Bishop's with the semifinals in the morning and the finals in the afternoon. Unfortunately the day was cold and windy and snow covered the fields. The Bishop's vs. John Abbott semifinal was one of the closest games in league history with the play moving quickly from end to end but no score until late in the second half when a John Abbott breakaway run allowed them a try and Bishop's was unable to come back. Final score 4-1 for Abbott.

Recognition for outstanding play during the season was given as follows: Rookie of the Year - Nathalie Nutten; Best Forward - Melanie Black, Co-Captain who will be sorely missed when she graduates this year; MVP - Jenn Vincent, Co-Captain; Leading Scorer - Deb Nelligan; Special thanks to Greg Dobbin and Scott Holdsworth for their time and patience in coaching the team.
Men's Soccer

Operation Vancouver? - Destination Bishop's! The fall of 1989 promised to be interesting for the intrepid but humble Bishop's soccer team. Just arrived from down under Australia rookie coach Dr. L.T. Woods of political studies put his own Vancouver know-how to work taking on the political aspirations of the Bishop's soccer season dubbed operation Vancouver. (site of soccer nationals).

New talent such as rookie of the year Joel Deblois and champion soccer veterans such as 1989 MVP's Peter Kirchberger and Gary Wozniak along side provincial all-stars Alain Grégoire, Andrew Blair, and Danny "sperm" Bordon shaped the mettle and might of the Bishop's squad. However, despite these bright auras and exciting matches against Three Rivers, McGill, and Concordia as well as victories over the American Lydon State College, the mastery and wisdom of Bishop's soccer players was not enough to tackle the odds. They finished the season 1-7. Glorious in victory, humble in defeat, Bishop’s soccer is left again with his historical fate of play-off paralysis, but always her enthusiasm leaves memories for that small select and unique few.

With the loss of Jeff Cannon, Brent Kelly, Jacques Lepine and Sylvain Gagne from the 1987-88 Conference Championship team and the 1988-89 runners-up, this year's team was not quite as strong and finished in fourth place in the six team draw. Low medalist this year was freshman Tim Johnston (84-82) followed by senior Bruce Cannon. Hopefully, with the acquisition of a couple of good freshmen and the returning players including Chris Smith, Sean Donnachie, Robert Logan, Tim Johnston and Kevin Trudeau we will be much stronger.

The College Cup was won this year by Sean Donnachie with a one up victory over Kevin Trudeau.

The 89-90 edition of the Bishop's Champlain Polar Bears began the season with nine returning players and eight rookies. The Polar Bears opened the season with an undefeated weekend at the QWIHL Pre season Tournament and finished up league play with six wins, five losses and four ties, which was good enough for third place in the league standings. Laval went on to defeat the Bears in the best of three semifinals. One of the highlights for the Bears this year was the opportunity to play in the Mtl Forum in a display of Women's Ice Hockey in Que.

Ski Team

The Bishop's University Ski Team (BUST) has come a long way since its 86/87 season when the team only had spots for six racers on the Circuit Universitaire de Ski Alpine Au Quebec. Today the ski team has twelve spots on the circuit and is aiming for 16 in the 90/91 season. It is hard for Bishop's to compete overall in terms of points because the larger universities have more spots (ten more). However, the strength of several women and men on the team have helped place them in the top ten (females) and top fifteen (males). There are fifty women on the circuit and 110 men which makes it very competitive and hard to place in the top fifteen. There are ten teams on the ski circuit and Bishop's places sixth overall. However in the women, the team places fifth.

This year BUST competed in the Can-Am Series, which is a prestigious competition involving skiers from Austria, Czechoslovakia, France, Germany, Italy, Switzerland and USA. The team's standings have improved gradually each year and we can only get better.

We would like to thank everyone who helped support the ski team by buying hotdogs outside the Pub and donating bottles for our bottle drive.
In the 1989-90 season, the team finished 3rd in Quebec, but only because we had fewer racers, than UQAM, McGill, Concordia, and other universities. Racers were constantly placing in the top five, and showed the City-folk that Bishop's can and will win in years to come.

ALUMNI ASSOCIATION

There is life after Bishop's. Participate in homecomings, class reunions, alumni travel programs and branch activities in almost every major city across Canada. Help your alma mater and reap the rewards of getting involved in student career counseling and student recruitment. An Alumni Newsletter keeps you in touch with the University and with each other. Put something back into the University by supporting the Alumni Annual Fund. Most importantly keep in touch with us so that we can keep in touch with you. The Bishop's University Alumni Association has lots to offer you!

From Student to Professional in one easy step.

At the Royal Bank, we believe in credit where credit is due. So, if you have a professional degree or you're on your way to earning one, we'll do everything we can to see your career starts off on the right foot. We'll help you set up as your own boss. We'll help you get your practice or business off the ground, with services specially designed for you. And we'll arrange operating loans when you need them. Leasing. And, of course, cash management services and personal credit.

In fact, we can help at every step, because we've helped a lot of graduates off the mark before. Now, if it sounds to you as if the shoe fits, we'd suggest you walk right in to a Royal Bank without delay. And simply ask about our Program for Professionals.

Come and meet our specialists for more information on Student Business Loans and Student Visa Cards.

THE QUIET BAR STAFF
A Message from the Editor:

Whew! I can finally say that the book is finished!
The road to the Quad's completion was sometimes a terribly
crooked one ... But I hope that in the preceding pages you have
been able to see and appreciate some changes.

We've tried to include some issues that were very new and im-
portant to the university this year. Also, we tried to add some
copy wherever possible, just to let you know what was actually
going on, (right, Andrea K7). As well, with the help of my dedi-
cated staff we tried to give the 1990 Quad a touch of creativity
and fun; I am hoping that this will start the decade with a
new tradition and style.

The yearbook would never have been complete without
the many people that stood behind it. Thanks to all of the
staff, particularly to Val Reins. (Head Photographer) for all
her long hours and enduring my many phone calls; to Tom
Majer and Kirsten Stoger for their layout
ideas, phone calls; to
Tom Majer and Kirsten Stoger for their layout
ideas, creative input,
and their dedication even at odd hours in the night; and to Abe Blair
for running all over the campus to do my many errands at a whim's
notice.

Also, I would like to thank all my friends who endured my year-
book problems and conversations, and kept me pointed in the right
direction.

There is, as well, one special person who was not even part of the
staff, but who always worked with me till early in the morning whenever
I needed that extra help before a deadline. I could not have done
it without you, Stacey!

Additionally, thank you to SRC Publications Board, Karen Verlin-
den, and Kelly Vandzura for all their support and extra help.

I hope that with the help of this year's Quad we will all remember
this year as we begin our respective journeys. May it serve as a long
memory of the fun and laughter that we shared at Bishop's University.

Finally, all the best of luck and congratulations to the 1991 Co-Edi-
tors, Shani Doucet and Tom Majer! (Tom, don't bother calling me --
I'm keeping my number unlisted)

Betty Ann Bryanton
1990 Editor
I walk into the land of opportunity
Not knowing where I'm headed.
Unexpectedly I find myself on the railroad;
Looking to the tracks behind
I see some of the best years of my life:
Dear friends, Wisdom,
Strength in security, cherished memories.
A tear slowly falls down my cheek,
But as I turn to look forward
The sun brightly shines, drying its path.
The wind gently breezes,
Pulling me into the future
Where tears subside
In sight of open doors,
Where wisdom is put to use,
Where dreams become real.
I'll forever remember
The memories that lie behind me,
But I must take time to look around
To witness all the gladness
That the world can offer...

- Betty Ann Bryanton
