Best male frosh: "JESUS"
Best female frosh: Lindsay McLaughlin
Best female leader: Shannon Fitzpatrick
Best male leader: Jeremy Moore

This year's orientation week started a day earlier to help settle in all the new country club members. After a day of academic orientation, the frosh were divided into their respective countries of origin. The week consisted of Gaiter Gardens, Casey Jones, Field day, Comedians from Yuk Yuk's and Rez Crawl. It was a week full of traditional Bishop's spirit and meeting new friends which would last a lifetime. Congratulations to BARBADOS who oozed spirit all week!! Thanks to everyone who helped make orientation 92 a great success!

WORDS FROM THE WISE......

Bishop’s University has been a place to grow and learn for the past one hundred and fifty years. Personal, caring and
renewed for school spirit are characteristics that Bishop’s is proud to boast.

Bishop’s “global reputation” brings students from around the world together to enjoy both the intimate and social atmos-
phere of Lennoxville which contributes to the “Bishop’s Experience”. Although many of students come from very “dis-
tinct” backgrounds, once at Bishop’s, they all share a common bond. This is an invaluable quality which helps to make
Bishop’s unique from many other universities.

A wise man once said, there are many things to be learned both inside and outside of the classroom; there is no better
place than Bishop’s to participate in extracurricular activities. From the many clubs and associations to the varsity and
intra-mural athletic teams, Bishop’s has something to offer everyone. The “education” here at Bishop’s definitely does not
end in the classroom.

Aside from the physical changes to the Bishop’s campus, the growing interest in Bishop’s will help to make us ready for
the next one hundred and fifty years. Undoubtedly a century and a half of traditions, history and graduates will never be
forgotten; coupled with strong and active future Bishop’s students they will combined pave the way for prosperous
longevity! Students will be proud to share in the tradition of the name - Bishop’s University!

Best Wishes to all graduating and returning students!!

Sincerely,

Chad Schella
S.R.C. President

One hundred and fifty years ago a petition was circulating that would have a profound impact on all of our lives. That was the one that led on December 9 of 1843 to the establishment of "Bishop's College". Much more than the name has changed since then, and you have all been a vital part of the most recent evolution of this venerable institution.

So as you go forth, it is a pleasure to thank you for all you have accomplished while here and to wish you every success in the future. As our sesquicentennial class you are vintage!

The experience of living in this university community - an immersion of intellectual challenge, rapid personal growth and lots of fun - has left you changed forever. I know it has me! You've had a full educational experience. You've lived Bishop's and you've flourished. You've made friends for life. The memories you carry with you, the feelings elicited as you review this yearbook all form a rich and meaningful foundation on which to greet the rest of your life. You're about to embark on a voyage through the uncertain waters of the economy and the uncharted territories into which your aspirations will take you. Look often at these photographs, at the words in this yearbook. Draw from the confidence, energy and commitment that they represent. If you've graduated from Bishop's, you are well-prepared. You can do it - no matter what the challenge! - And thanks for leaving Bishop's a finer place. You, the students, are what Bishop's is all about. Good luck in your future!

NORTON HALL

Things just keep rockin' along here at Party central (that's Norton Hall for all you parents). There's been tons of action to keep us (and the residents) busy: notable among these being a crazy frosh week, lots of fire alarms, our incredible dress-to-impress party and our upcoming, not-to-be-missed formal.

What a strange trip it's been ....

Love always,
Nicole, Kelly, Derek and Bruce.
How would you describe Pollack Hall? (Pollack chicks answer the big question ...)

"I laughed I cried, it became a part of me! It's homey. It's close to classes ... outta bed at 8:20 and still make it to class. Nice and small. It's better than MacKinnon. FEMALE BONDING! We have baths which I love. Lots of girls. It echoes. It's only a building, it's the people who make the difference. I wish there were more boys! You can walk around in a towel comfortably. GOSSIP HEADQUARTERS! Loud ... clean, smells nice. Safe, fun and friendly. We're a little family. Perpetual PMS. The slumber party that never ends ... My curlers haven't been turned OFF since I got here. It's too close to the library ... I can't sleep at night! We party in Norton, but we live in Pollack.

It's good. Don't have to worry what you look like all the time. It has a learning atmosphere ... no! It's a bunch of chicks who sit around in small rooms, smoking, talkin' and playing euchre. Hard beds. Lots of fire alarms. People fold your laundry instead of stealing it. Communal washrooms ... like going to the bathroom in a mall. Male bashing, yeah, yeah, like it, like it! It has no kitchen. We're close."

That's about it ... it's all we can think of for now.

P.S. DEEP THOUGHT FROM POLLACK:

"Sometimes I get the urge to study. But then I lie down and the feeling goes away ..."

Bishop’s residents beware the rez of the wild and living. An eclectic mixture of piojs, academics (not) and fresh frosh made Munster an interesting way of life. Munsterites came as sexy as they dared and shed mid-riff clothing in their plights for the truth, justice and the new side way of life. Main corrupters, P.C. and Kat helped their residents to find lasting spiritual enlightenment while still making their 8:30’s. It’s a dangerous lifestyle, but someone has to live it.

Mackinnon...the perfect abode. What more could we ask for than to have our own front door a mere stumbling distance from the pub? (That's not to say that we didn't take advantage of the escort service provided by our sexy student patrol officers.) Technically speaking, this ideal locale maximized our pub partying time to its fullest potential thus making Mackinnon the die-hardest rez on campus. (Was there ever any doubt?) Our esteemed Nortonite co-fresh might argue against our claim, but then again most of them didn't make it back to Bishop's to state their case. (It takes two to tango and Mackinnon wins hands down for staying power.) Despite the label of insanity created by the masses of psycho frosh co-habiting in this rez, we managed to make it through the year without killing each other. (Thank you Mack R.A.s: Kerry, Sarah, Jan, Dean and Winnie!) Not only that, we made it through the year, period. We were crazy enough to party hardy, but we weren't TOO crazy—we were perfectly crazy. After all, most of us DID see the inside cover of our textbooks. If there remains any lingering doubt as to Mackinnon's crème-de-la-crème status among B.U. residences, it obviously exists only in the minds of the poor unfortunate souls who never partied with us!

See ya wouldn't wanna be ya – Mack 92/93

1843-1993
The 1992 football season once again saw the Gaiters establish themselves amongst the nation’s elite university football teams. The team was nationally ranked in the top 3 for most of the season putting together a Bishop’s best 9-1 overall record.

The Gaiters went undefeated in league play with a 7-0 record to win their 3rd consecutive OQIFC Regular Season Championship.

Head Coach Ian Breck earned the respect of everyone in the country winning “CIAU Coach of the Year” honours.

The Lightning Offense and Defense were the trademark of the Gaiters, the defense was number 1 in the nation allowing a stingy 11 points per game while the offense paced by Jim Murphy’s brilliant arm averaged 36 points per game while amassing 384 yards per game.

The Gaiters were perfect until the championship game, when the Queen’s Golden Gaels caught the Gaiters on a day nothing could go right indicated by the final score of 32-6. The Gaels went on to win the Vanier Cup and the only consolation for the Gaiters was their terrific overall season and memory of their 49-14 victory over Queen’s in week 2 of the season.

Nevertheless the 1992 Gaiters provided the Bishop’s/Lennoxville community with an outstanding season filled with the most exciting brand of football in the nation!

**Major Award Winners**

- Ian Breck — CIAU Coach of the Year
- Tom Europe — OQIFC Coach of the Year
- Eric Edwards — 1st Team All-Canadian
- Jim Murphy — 2nd Team All-Canadian
- Kent Rowe — 1st Team All-Conferee
- Christian Daigle — 2nd Team All-Canadian
- Alain Beaudoin — 1st Team All-Conferee
Quebec University Rugby Union Champions

1992-93 would have to be one of the finest years in club history. On top of being crowned Quebec University Champions and defending our New York Sevens title (both A team), our B team won the Quebec Senior Men’s 3rd Division Cup and finished the season with an impressive 7-1 overall record. For the first time, they also fielded a C-team that defended our title at the prestigious Vermont Law School Tournament. Under the leadership of Omar Tareen they managed to make it to the semi-finals.

The club also excelled on an individual basis with James Rosenthal being named League MVP and Fred Koch as Play-off MVP, six players made All-Conference with 2 others receiving Honorable Mentions, they were: Nick Clapinson, Scott Holdsworth, James Rosenthal, Joel Austen, Jim Schieb, Graham Beatty, Peter Robb, and Davin Allen.

Overall, 1992-93 was highly successful and could not have been accomplished on the administrative level without Lissa McRae, Davin Allen and the ever-increasing support of the Athletic Dept. and Tom Allen. Most of all, the contribution of Coach Bill Robson is valued as he remained dedicated to the club through a year of personal loss and hardship.
Both the men's and women's teams would like to extend their congratulations to Cathy and Simon on their recent marriage.

This past season the Lady Gaiters suffered through a winless league season. There were some close calls and 2 satisfying non-conference wins against Bridgeport (Conn.) and Brandon. The Lady Gaiters were paced by the league's leading scorer and rebounder 5th year Alice Hartling while senior Andrea Lackey came in to finish her eligibility in the 2nd semester. Melissa Frankovitch showed flashes of brilliance in the backcourt while first year Jessica Johnston showed enough potential to be one of the top prospects in the league.
The 92-93 Gaiters experienced a most difficult year going 2-10 in league (Q.S.S.F.) play. They did, however, manage a playoff spot by virtue of a greater point spread than Laval and created a stir by beating the McGill Redmen 73-64 in the semi-finals. The win put the Gaiters in the league championship finals for the 4th time in 6 years. Their opponent was the nation’s #1 ranked team, the Concordia Stingers, who quickly put the Gaiters away in a 2 game sweep.

4th year guard Tim Johnston was selected 1st team all-conference and team MVP while 6’8 David Fisher was a honorable mention all-star. Colin Feasby was chosen Most Improved Player, Brent Cook was Rookie of the Year and David McBride won the prestigious Garth R. Smith Award for outstanding effort, dedication and leadership.
This year saw the Bishop's men finish in last place with a 1-1-6 record. The statistics, however, tell little of the real story. Traditionally one of the weaker teams in their conference, Bishop's faced strong opposition this season — three out of the four teams in the men's league were ranked in the top ten in Canada at the beginning of the season: McGill, Sherbrooke, and Trois Rivieres. As if the cards were not stacked high enough against the Gaiters, regular season began earlier than usual, and the coaches had still not selected the team by the time they played their first game — and lost 3-0 — to Trois Rivieres. Bishop's put in a commendable performance nonetheless. By the next game the '92 soccer squad had been chosen. The Gaiters played well at McGill stadium, and unnerved the defending conference champions by keeping the score at 1-1 throughout most of the game. Only in the last five minutes did McGill manage to put the ball into the back of the Bishop's net and squeak away with a close 2-1 win.

The goal against McGill marked the end of a scoring drought that had plagued the Gaiters since the start of the '91 season. The goal proved to be a harbinger. When Concordia played at Bishop's, they sought revenge for the 0-0 draw that had squeezed out of them in the previous season for Bishop's only point that year. The Stingers encountered tougher competition than expected, and were more stung than stingy. A Concordia defensive blunder gave rookie striker Dave Dunlop the first goal of his soccer career at Bishop's, and gave the Gaiters their first win of the season.

Sherbrooke provided tough opposition for Bishop's, and the first encounter with the Green and Gold left the Gaiters demoralized after a 5-0 loss. If there is one thing that characterizes the Gaiter squad, however, it is the ability to learn from their mistakes. The next meeting between the two teams saw the Gaiters lose a two-nil decision to Sherbrooke in a game that was, for the most part, evenly matched.

The Gaiters also fielded a much improved team for their away game against Trois-Rivieres, who at the time reigned in first place in the conference. A strong midfield and stellar goal-tending by rookie Jonathan Gould kept the Gaiters within two goals of the powerful opposition.

The second match between Bishop's and Concordia was the best chance that the Gaiters had for picking up more much needed points. When the two rivals met at Concordia, the game proved as competitive as their last meeting. Although Concordia scored first, midfielder Adrian Barrett tied up the match with a long arching ball that caught the Stinger keeper out of his net. The Gaiters did not have an easy time controlling the Stinger strikers, however, especially without rookie defender Gord Coleman who had to be carried off the field and taken to hospital after a collision with an opponent. Coleman suffered a broken cheekbone and a mild concussion. Despite the setback, the Gaiters held on to a 1-1 tie to put them ahead of Concordia in the standings.

With Concordia trailing in points, it looked as if the Gaiters would make it to the play-offs as the fourth place team. Concordia did get its revenge after all, however. In their last game they upset top-ranked Trois-Rivieres to secure a berth in the play-offs. The Bishop's team was left out in the cold again, a situation which was only emblazoned as Concordia — the team that the Gaiters had beaten and tied — went on to defeat McGill in the final to win the conference title.

In the Sherbrooke indoor league, the Gaiters proved themselves one of the best teams with a berth in the play-offs. In the Sherbrooke inter-university indoor tournament held on March 27, the Gaiters again showed their strength. After beating Concordia 3-0 and league newcomers University of Montreal 5-3, the Gaiters secured third place behind the University of Sherbrooke and Trois-Rivieres.

Next year's soccer team will be in a developmental stage. Half the team is graduating this year, including first team conference all-star keeper Bill Coleman and second team all-star Scott Washington, as well as Rob Geddes, Hugo Boisvert, Mgonja Kombo, and Rob Johnson. Adrian Barrett is transferring from Bishop's for a year. The team is left in good hands, however. Not only have this year's rookies proved themselves fit for any competition, but a recruiting program, spearheaded by Guy Deegan, will be bringing several new players to Bishop's for the '93 season.
WOMEN'S SOCCER

From the outset of the season it was clear that 1993 was to be the Ski Team's best year ever. B.U.S.T. had almost every member of last year's team returning as veterans and this was bolstered by a huge crop of hungry young rookies. At the winter ski camp at Sutton, it became evident that the team would look to the rookies to grab the top finishes. They realized this prediction as Andrea Nicholls and Rob Tweedy consistently finished in the top five, Nicholls coming home with a medal twice. Two other rookies, Michel Boutin and Big John Lavery were always close behind in the top fifteen. The team also could count on Steve "Camel" Bourbonnais, Jeff Parkes, Andrew Smith, Rob Gooch and Larry Miller to finish in the top thirty (out of 120 skiers). Veteran racer and coach Shannon Bisset also came home with the hardware, picking up a bronze medal.

B.U.S.T. looks to the rookies to carry on our tradition as many veterans are graduating, among them Gavin Baird, Rob Gooch, Larry Miller, Andrew Smith, Rob Stevens and Scott White.

The team would like to thank Scott and Shannon for all their effort and hours of dedication, Tom Allen and Jeff Harris, the Smith family for their dinners, and all our generous sponsors. See you on the slopes!

After a promising 1991/92 season, the Gaiters looked forward to their most successful season ever. Under the direction of Iron Fisted Fourth year player/coach, Cam Phillips, for the first half of the year the Gaiters only lost five games. At the season mid-point, however, things began to fall apart when new and somewhat stiff head coach, Woody St-John, took over the reigns. After a dismal coaching debut at the St. John Moosehead Spiker Classic, epitomized by an embarrassing loss at the hands of Pete’s Pizza Hut Piranhas, Woody was fired, and later used for kindling. It was then up to somewhat more, flexible veterans Randy Dowden and Andrew Penhale. Under their tutelage, the team showed a vast improvement, losing only three matches for the remainder of the campaign. The two could not have been all that successful, however, as the program was scrapped at the end of the season. The year cannot be deemed a total loss, however, as several players managed to score at the tournament in New Brunswick.

R.I.P. — VOLLEYBALL MAY BE DEAD AT BISHOP’S, BUT NOT FORGOTTEN!!

FEMALE ATHLETE OF THE YEAR 1992-93
Alice Hartling, a 22 year old native of Windsor, Nova Scotia, and 1st team All-Conference basketball player has been named Bishop's Female Athlete of the Year.

Alice, a 6’ post player, was a dominant figure on the court each time out even though she was double teamed on many occasions. Alice led the league in scoring with a 16.3 point per game average and was the 2nd leading rebounder with 8 rebounds per game. She was all-star at the McGill Invitational, was selected team MVP for a second consecutive year and had game highs of 31 and 27 points versus the national champion Winnipeg Lady Wesmen.

Alice’s totals in 25 games were 455 points and 215 rebounds on 44% field goal shooting and 76% from the line.

Alice joins an elite group of former Lady Gaiter Basketball players (Cynthia Johnston, Kelly Tucker, Andrea Blackwell, Lynn Polson et al.) as Bishop’s Female Athlete of the Year.

MALE ATHLETE OF THE YEAR 1992-93
This year’s recipient of C.F.L. draftee All-Canadian cornerback, Tom Europe, a 22 year old native of Scarborough, Ontario. Tom was the most talented member of the nation’s number 1 defensive unit, as he helped lead the Gaiters to their 3rd consecutive regular season OQIFC championship. A superior 6’1, 190 lbs athlete, Tom played the toughest spot in the secondary. Although teams rarely threw his way, Tom was 3rd in team tackles with 42, had 4 interceptions including an OQIFC record 111 yard touchdown return. Tom was also a prominent member of the Bishop’s track and field team as a sprinter.

Tom’s awards this year were numerous:
- 1st team OQIFC all-conference
- 1st team All-Canadian
- Jim Etcheverry Memorial Award (combining outstanding football ability and academic performance)
- Harry Jerome Citizenship Award (presented by the Black Business and Professional Association for outstanding young black people showing evidence in achievement and a positive role model in their community)
- 7th overall pick in Canadian Football League draft by the British Columbia Lions.

SPECIAL AWARD — RAY ALMOND AWARD

(Awarded for the most unselfish contribution to Athletics at Bishop’s University).

Nick Clapinson — Student
22 years old — Philosophy Major
Hudson Heights, Quebec

Nick joins a select group of previous Ray Almond Award winners. Nick’s contribution to the rugby program at Bishop’s has enabled rugby to prosper to championship heights.

Nick filled a tremendous void when Professor Bill Robson, Faculty representative in charge of Rugby, took a sabbatical. Nick, a very accomplished player himself, became the guiding force behind men’s rugby, lending his complete dedication to the game and instilling a very positive attitude towards full-time training and development. He accomplished this while maintaining his studies and developing his own skills which have earned Nick a tryout with the Canadian National Team.

The Bishop’s Rugby Club is very fortunate to have such an exemplary leader in Nick. His motivating style culminated in Bishop’s winning the men’s Rugby championship this past Fall.

UNION OF PHILOSOPHERS AND FREE THINKERS

A.S.E.

P.C. YOUTH
THE PLATO GROUP

PLATONIC THESES

T₁: We know (things in themselves) immediately.
   T₁s: Kant is full of shit.

T₂: All (philosophical) inquiry begins with the common.
    Useful for justifying long nights at the Lion.

T₃: We know more than we can say.
    E.g.,

T₄: Eleastic tension.
    What one alludes to when accused of making self-contradictory claims.
    E.g., Never admit that your defense of square circles is logically stupid.
    Instead respond pensively with "Yes, the concept does produce an Eleastic tension of sorts".

T₅: Full meal deal.
    Never be surprised when served something that isn’t on the menu;
    and you’ll have to pay for it, too.

T₆: Myth is indispensable, even though it is offensive to rational theoretical discourse.
    E.g., the Genesis creation stories, Atlantis, psychology and sociology.

BISHOP'S LIAISON OFFICE AND ALUMNI ASSOCIATION
In your hands is the result of hundreds of hours of hard work and frustration. I hope that whether you are a frosh or a grad that you will be able to look back at this book from time to time with fond memories and remember your time at Bishop’s. I have tried to include the many different aspects of Bishop’s from sports to theatre, past to present, (take note of the cover). This book is a collection not only of words and pictures but of memories past and present. My goal was to produce a book that would accomplish this. I hope I have succeeded. When I returned to Bishop’s in the fall after spending a year being brainwashed in Kingston, I was approached to edit the yearbook again and after debating the pros and cons for about two weeks and being encouraged by my friends and sisters I accepted the job. I would like to take this chance to thank all of them for their support and confidence in my ability.

This book was not only the result of my hard work but of many: Bob Surrnette, a constant at every event with his camera; Nancy Hanna, photographer extraordinaire, Kim Johnston, club’s editor and the last member of the staff and the only frosh, Sherri Owens who had a great time with the RA’s and the Drama department. Thank you all of you for your help and support. I also have to thank all of those who gave me pictures especially my sisters of Alpha Delt Pi and my friends. Good luck to all of you in the future.

Joseph Gallagher

It was with great sadness that the Bishop’s community mourned the sudden loss of Joseph Gallagher in the late evening of November 22, 1992. In his capacity as Director of Housing and Food Services since August 1989, Joe had shown himself to be a tireless advocate and supporter of students and student leaders. Joe worked extremely hard to improve the residence program to place more emphasis on serving the student’s needs and improving residence atmosphere and repeatedly went out of his way to assist those in need. It was these efforts which inspired great loyalty and affection from students and co-workers alike.

The Student’s Representative Council, the R.A. staff, and his many friends throughout the Bishop’s and Champlain College communities have lost a dear and valuable friend. He will be missed and his efforts and friendship will not be forgotten.
