BISHOP'S
UNIVERSITY

Here's to another 150 years ...
Message from the Principal

Dear Graduates,

As always, it is a pleasure to pay tribute to the graduating class; but this year especially as you are the class of our Sesquicentenary.

During most of your time here portions of the campus resembled a construction site rather than a university. With good humour you bore with this time of inconvenience, change and growth. I am sure it will be so with your lives.

May you enjoy those changes and that evolution as you have here at Bishop's.

Bon voyage, we will miss you!

Sincerely,

Hugh M. Scott
Principal
Students Representative Council 1993-1994

From Orientation Week to Convocation, the “Bishop’s Experience” is something which can never be forgotten. The students, faculty, staff and environment all combined make Bishop’s one of Canada’s smallest but proudest universities. Ask any Bishop’s student, past or present, and you will hear enthusiasm and pride for “Gaiter Country”.

The fine balance of academics and co-curricular (not extra-curricular) activities makes Bishop’s the breeding ground for leaders of both today and tomorrow.

Look fondly upon your years at Bishop’s as they are great days to be remembered.

Cheers Bishop’s, and raise a toast to another 150 years of tradition!

Chad Schella,
S.R.C. President

BISHOP'S

ATHLETICS
The Gaiter football team had another tremendous season this year with a record of 8 wins, 2 losses. They also finished the regular season as the OQIFC champions. The team was ranked 1st nationally for their extraordinary defense, having fewest first downs, rushing yards, passing yards and total yards allowed.

Receiver Tom Hart, Quarterback Jim Murphy, and Kicker Greg Hiscox were all conference offense selections. Defense all conference selections were Paul Connery and Christian Daigle (Def. line), Brian Wardrop (Linebacker), and Joel Kruzich (Defensive back).

Joel Kruzich was also the OQIFC nominee for the Hec Crichton Trophy as the outstanding player in Canada. Although the Gaiters came up just a little shy against Concordia in the final, the team should be commended for having another excellent season and bringing national attention to our great school.

TEAM AWARDS
Brian Morley Award — Brian Wardrop
(best defensive player)
Best Lineman — Christian Daigle
Newcomer of the Year — Francis Bellefroid
Marcel Lebrun Award — Mike McCarthy
(for courage, dedication, perseverance)
Coaches’ Awards — Mike McCarthy, Walter Willett
Jim Etcheuerry Award — Jim Murphy
Alouette Alumni Trophy
It seemed impossible to top off last year’s excellent record, but Bishop’s University Rugby Football Club pulled off yet another extraordinary season, by winning their 2nd QURU title in a row, 3 of their last 4, and their 17th consecutive league game. Bishop’s is proving capable of a rugby dynasty under the watchful eye of head coach Bill Robson. With very few graduating players and a great depth of skilled players in the B and C teams, BLRFC is likely to continue to dominate the QURU. Bishop’s also had 8 players nominated to the QURU all-star team: Prop Art Ondrack, Hooker Sam Cocks, 2nd Row Greg Guillemine, 2nd Row Clint Mercier, Wing Forward Mauricio Pena Morino, Scrum Half Joey Austin, Fly Half Phil Lafave, and Outside Centre Andy Richardson. However, the B team played a hard season, which saw them winning 4, tying 1, and losing 1. They lost in the finals to McGill in the prestigious Vermont Law Tournament, bringing home a 2nd place trophy. The C team had a building season this year. Being only their second season, they lost all three of their games to established and experienced teams. The club rounded out an eventful season by returning to the NY Sevens Tournament. We were defeated early, but we stayed and showed the other 64 teams what Bishop’s is all about. A special thanks goes out to Lissa McRae, without whom there would be no club, and to Tom Allen whose support is vital to running our club. A thanks to club president Phil Lafave who did a great job and to Karen, our athletic therapist. A great season.
WOMEN'S RUGBY

Front Row (L to R): Monica Schafer, Jen Ashbury, Sonja Cyr, Chantal St. Laurent, Jessica Horner, Danielle Menard, Jen Merner.
Middle Row (L to R): Isabelle LaFortune, Kat, Joanne Weiss.
Missing: Coaches Steve Ferguson and Jim Scheib.

The Women’s Rugby Team had a very strong season this year. Their rival teams were very bitter to find themselves having to play in very hard and mean games with Bishop’s. Coaches Steve Ferguson and Jim Scheib were dedicated to building a close, aggressive team. The bitterness and complaining within the league about Bishop’s proves their success. But the team’s motto this past season? SUCK IT UP!
Bottom Row: (left to right) Jamie Forsythe, Shane B. Thompson, Tom Van Alstine, Kevin McGuire, Greg Southward
2nd Row: Eddie Pompykala (Head Coach), Roger Thomas (Manager), Dan Pfliger, Stewart Clark, Colin Feasby, Brennan Wares, Russ Johnson, Tim Johnston, Glen Faucher, Jeff Harris (Assistant Coach)

The Men’s Basketball team finished the season with an overall record of 11 wins and 13 defeats. The team made the playoffs for a 7th consecutive season. Highlights of the year were:
Champions — Queen’s Invitational
Finalists — UNB Invitational McGill Invitational and Acadia Invitational
Award Winners:
MVP — TOM VAN ALSTINE: led league in scoring with 16 point average, selected 1st team league All-Star, broke BU 3 point shooting record with 80 3’s.
MOST IMPROVED PLAYER — GLEN FAUCHER: Also selected 2nd team league All-Star
ROOKIE OF THE YEAR — GREG SOUTHWARD: 2nd leading scorer in league, selected 2nd team All-Star
GARTH SMITH AWARD — (Leadership, Dedication & Effort)
ROGER THOMAS:

The Gaiters would like to wish their 3 graduating players, Tom Van Alstine, Timothy Johnston and Colin Feasby, best of success in their future endeavours!
BUST

Once again the members of B.U.S.T. turned out a fine season on the slopes of Quebec! The veterans were blessed with a fine supporting cast of rookies who challenged for top spots on the team and circuit. Most notably being the addition of Angie and Steph to round out our strong womens team who look to be viable contenders next year. The top rookie support on the mens side came from Aron and the 'jokers', Sean and J.D. Not to forget our crafty veterans, the best female performance was handed in by Andrea this year and top male spot by Michel. We look to their continued success next year to guide our newest veterans and all those fresh rookies!

The strong leadership of Shannon, Tweedy, Luc, Twirly, Andrea, Michel, Jeff P. and Camel combined to form the finely tuned executive which got us through from dryland to finals with no hitches. Thanks goes to their dedication, without them we wouldn't get off the ground. Of course they got help too, thanks to all who sold hotdogs at the Lion when it was -30 (thanks to those who ate them) and all those who sold beer at the games (which wasn't so bad). Congratulations to all our members who donned balaclavas and faced the bitter winter of '94, good performances and improvement were had by all (just a little sporadically). Here's to 'next year' and remember at least we're enjoying the ride!
FIELD HOCKEY

Back Row (L to R): Adrienne Barnes, Virginia Cowan, Andrea Timlin, Kristen Gibson, Ormilla Seecharan, Vicki Arnold, Sheri Effa, Jenifer Gushue, Katherine Potter, Rob Geddes (assistant coach), Sheri Ryan.

Front Row (L to R): Jennifer Batrie, Lindsay Patrick, Sarah Ritchie, Jennifer Lavery (assistant captain), John McArthur (head coach), Kara Hatt (captain), Cathy Clements, Maria Micheli.
POLAR BEARS

FRONT ROW (LEFT to RIGHT): STEPHANE CORDEAU, ANDREA GRINHAM, SUE NICHOL, BRENT MONTGOMERY, ANNE FORGET, CATHERINE MacDONALD, SUSAN BEGGIN.
BACK ROW (LEFT to RIGHT): JOSIANE LABBE, LESLIE VANDEWATER, SHELLY JACKSON, AL ANSELL, SARAH PROUD, KERRI WRIGHT, PAULINE SCOTT, LIANE MENDELSOHN.
MISSING: STEPHANE GAUTHIER, TINA SMITH, PASCALE LAVALLEE, ANN-MARIE CHAMPAGNE

The 1993-1994 edition of the Polar Bears proved to not only themselves, but also their fans, that commitment and hard work will always pay-off with results that are more than sufficient in motivating others to become involved. While the team did not participate in the Quebec Women's Intercollegiate Hockey League, the ladies tested their metal with an independent schedule that was comprised mainly of contests with local teams and some games with members of the Q.W.I.H.L. When all was said and done the list of accomplishments for this year's team was anything but short, for the Bears gave up five fewer goals per game, while scoring two more times per outing than the 1992-1993 squad. To do so every member of the team had to contribute and contribute they did, in fact six different players scored goals for the first time during this past season and everyone's name appeared on the scoresheet at one time or another.

The team was led offensively by Anne Forget, Stephane Cordeau, Leslie Vandewater and Stephanie Gauthier, with able assistance from "Rookie of the year" Sue Beggin and "Most Improved Player" and "Charles Chapman Award" winner Josiane Labbe in addition to standout wingers Andrea Grinham, Anne-Marie Champagne and Kerri Wright. The improved defensive play of the team was probably the greatest reason for the increased offense and more precisely, the play of team captain and "Most Valuable Player" Sue Nichol who along with Stephanie Gauthier, Shelly Jackson, Sarah Proud, Pauline Scott and Catherine MacDonald made-up the blue line brigade.

The team's biggest setback of the year was easily the graduation of goaliekeeper Tina Smith and first line right winger Pascal Lavallee at Christmas, both of whom had been instrumental in getting the team off on the right foot in October. While the addition of alumnue Liane Mendelsohn to the line-up on a regular basis and the promotion of Leslie Vandewater to the first line covered for Pascal's absence, Tina Smith's place was not so easily filled. Natalie Roy had two outstanding games between the pipes for us in Montreal, however she was not available for our other games. In need of a goaliekeeper we suited up our practice goalie nine year old Brent "Tiger" Montgomery and "fed him to the wolves" so to speak. His willingness to play proved to be very inspirational to the team and allow us to raised our game another notch, never-the-less a goalie is the first item on our Christmas Wish List.

The best way to capitalize our season would be to say that from a variety backgrounds and philosophies in October grew a group of people whose personal interests became secondary to those of their teammates and by season's end there was no doubt that win or lose we were a TEAM! It is safe to say that those Bears who will graduate this spring are going to be missed, but the large number of returning players should surely make the goal of building next year's team into a winner more attainable.

The Polar Bear hockey season would not be complete if I did not acknowledge the assistance that I received from Liane Mendelsohn and Helen Wellman in scheduling our games, the Business Office for making sure that we got the biggest bang for our buck and the Polar Bear Alumnae for their encouragement.

(Awarded for the most unselfish contribution to Athletics at Bishop’s University)

Bill Robson — Professor/Coach
Men’s Rugby

This Fall marked “10 years of Blood, Sweat and Bill” in the men’s Rugby program. Coach Bill Robson celebrated this occasion by leading the team to its 2nd consecutive provincial championship and perfect 10-0 record.

Bill has been the most instrumental person in developing the Rugby program at Bishop’s. 10 years ago Bill started off with 16 players, no league and a meager self put together schedule. Through his great enthusiasm for the game. Bill has managed to spearhead a tremendous interest in Rugby at Bishop’s. This Fall the program included 46 players and an “A”, “B” and “C” side. Beyond this, the men’s rugby team competes in a 5 team Quebec University league and its non-league schedule includes a win over New England Division I power Dartmouth College.

Bill, a professor in the Business Administration faculty, has led Bishop’s to 5 provincial championships in his 10 years. The program is now recognized as the most dominant in Eastern Canada.

Bishop’s is proud to have Bill Robson join a select group of previous Ray Almond Award winners.

BISHOP'S CLUBS
The Big Buddy Association was started four years ago by Kathy Cassidy, and today the tradition continues. The association is composed of approximately eighty Big and Little Buddies and thirty tutors making us one of the largest associations on campus. This year has been a great success. We've had numerous group activities, and on any given day you can see the Buddies doing their "job" as the kids they are will have smiles from ear to ear. It is quite heart warming to know that so many Bishop's students care about the younger generation of Lennoxxville. As President this year I would like to extend many thanks to everyone who helped make the year such a success. Christine Manioudakis & Kendra Kehoe for their time and patience; Laura Kwan for all her tutor organizing; and Kymme Kerr for all the activities and a big thanks to all the Big Buddies and Tutors for making 1993/94 a wonderful experience.

Keep Smiling,
Steph Goodkey.
Well it has been an eventful year. While it has been a lot of work, all the effort has been more than worth it. We've seen CJMQ grow by leaps and bounds this past year, from the brink of closure to the verge of expansion. But what makes CJMQ special is that it is not merely the work of one or two individuals that has brought success, each and every member has contributed to the "greater good". It may sound cheese but I'd like to express a heartfelt thanks to everyone at CJMQ for making this the best year ever. Let's make sure the spirit of radio survives at least in this little corner of the universe for many years to come.

B.U.D.S. is an up and coming club, both here at Bishop’s and on the Canadian Debating circuit. We had a great year that included finishing in the top twenty at every tournament we went to, and earning the honor of hosting the National Championships in 1995. We visited some great places (the University of Melbourne and Dalhousie), and discussed some diverse issues, from the pitfalls of constitutionally-entrenched affirmative action to the Smurfs as an example of Communist Propaganda. We hope to see more people involved next year, because the more new ideas we have, the more fun it will be!

SPRING CONVOCATION
EDITOR'S MESSAGE

In your hands lies the results of ten months work. After a few minor disasters, several missed classes and countless sleepless nights, this book has finally been completed. I hope this book will be something you can look back on years down the road and remember all the good times and good friends you had at Bishop's. It was my sincere wish to include everyone in this yearbook, however this goal is impossible to achieve without the help of the student body. So to those of you who helped out by submitting pictures, I extend my heartfelt thanks.

This book would have been impossible without the help of many people. First and foremost I must thank my Mom who went above and beyond the call of duty to help me finish this yearbook. To my staff members Renee, Laura and Patti, thanks for all your help. To Kerry, Cara and everyone else at the SRC office thanks for showing me the ropes. I must extend a big Thank You to Stephen Barber who helped me greatly and answered all my questions. Thanks to Buddy, Kerri, and Ally for all your photographic help as it was very much appreciated. Thanks to all the DJ's at CJMQ for keeping me awake when I needed it. To Liz a big thanks for all your help especially the last couple of days. To everyone else I forgot to mention, Thank You.

I would like to take this opportunity to wish all those graduating the best of luck in the future.

Eryn Whitehead
