The Approach to Bishop's University, Lennoxville, Quebec
RD Wilson
Message from the Principal

Dear Students,

Yearbooks are like milestones — they document important moments in our journey through life.

In several years together at Bishop's we have all shared precious moments, the memories of which we will carry through time. During your period here, Bishop's has reached a new plateau in its history. You have all contributed to make it a better place than you found it.

In the event, it turns out that we are leaving together. I hope I may consider myself an honourary member of the class of '95. I will do so with pride!

My very best wishes.

Sincerely,

Hugh M. Scott
Principal
If there is one thing that comes to mind when I remember the 94/95 S.R.C. it’s a predominant notion of less meetings and more work. From Orientation Week to the best Winter Carnival in years, the SRC has been working harder with less resources. This year’s S.R.C. mandate was one of rebuilding and change which I was pleased to be a part of. Although difficult at times, the changes implemented this year will be most beneficial in the upcoming years.

I would like to extend my congratulations to all those students graduating in June. “We’re conditioned to our fate, we will never graduate,” If it were only true. In the upcoming years I am sure every one of us will wish we were back in Lennoxville and take great pride in the fact that we didn’t go to Queens.

Thank you very much for your support in myself and the S.R.C. Thanks to Mom, Dad, Dave, Chris and Rochelle.

Raise a toast!

Derek K. Colfer

Front Row (L to R) Shane Thompson, Andrew Southward, Ryan Thorne, Kevin McGuire (captain), Greg Southward, Omar Jennings, Jamie Woods
Top Row (L to R) Eddie Pomykala — head coach, Matt Carr, Stewart Clark, Russ Johnson, Brennan Wares, Greg Vertelman, Rob Burns, Kris Ruiter, Mike Lubin, Dan Pfliiger, Jeff Harris — assistant coach, Roger Thomas — manager

The men's basketball made the playoffs for a 9th consecutive season. The season saw the Gaiters earn a 5-7 record in Q.S.S.F. play and an 8-14 record overall. The team was comprised of 9 rookies and 5 sophomores along with 1 junior and 1 senior so the future looks bright.

6'8 freshman Rob Burns distinguished himself as a topnotch player leading the Gaiters in scoring with a 15 point average and earning 1st team All-Conference as well as Rookie of the Year in the conference honors. Rob was also runner-up to the Rookie of the Year in the country award.

6'5 Stewart Clark was a 2nd team All-Star and was the Gaiters 2nd leading scorer with 14 points per game and a team high 6 rebounds per match. 5'10 frosh Ryan Thorne provided tremendous excitement with his dazzling passes and lighting quick ability on defense while earning 2nd team All-Conference honors as well as the team MVP award.

Captain Kevin McGuire received the Garth Smith award for outstanding leadership, dedication and effort.

Best of success to graduating senior Brennan Wares.
Women's Basketball

1st Row: L to R Stella Martin, Brooke Ducarme, Valerie Falls, (sitting) Joanne Delong, Nicky Walsh

2nd row: Peter Huestis (Assistant Coach) Julie Pellerin (Ball Girl), Leslie Neasmith, Melissa Frankovitch, Kim Van Vliet, Tiffany Crook, Jackie Frost, Janet Bernard, Chaynna Hay, Rod Gilpin (Head Coach)

The Gaiters continued their rebuilding process this season finishing with a record of 7-17 (2-10 in league play). In the process the Gaiters snapped a 25 game league losing streak with a 58-52 victory over the #7 ranked Concordia Stingers in their home opener. This very young squad was up and down throughout the season, but was competitive in a league that featured three nationally ranked opponents.

The Gaiters were led by senior co-captains Jackie Frost and Melissa Frankovitch. Frankovitch was named 2nd Team Q.S.S.F. All-Star for the 2nd straight year. Freshman point guard Nicky Walsh was also named 2nd Team All-Star as well as being named Rookie of the Year in the Q.S.S.F.
We are very pleased to say that this past season has been one of the best this team has ever experienced. With a strong group of rookies and several dedicated veterans, B.U.S.T. edged its way into the top five on a circuit of 11 very competitive school teams from across the province.

The women’s team grabbed the top spots led by veteran Andrea Nicholls and its star rookies Cameron Blott and Annelise McRae. The men’s team B.U.S.T.ed into the top seed several times with hungry rookies Rob MacKinnon, Craig MacAdam, Matt Tweedy and Bryce Lovell, supported by experienced veterans Michel Boutin, Joel McEwen, Jeff Meldrum, Rob Arey and Euan Mars. Hard work, dedication, and determination on the part of all team members has paid off. Well done everyone!!!

Thanks to our finely tuned executive, Luke, Andrea, Tweedy, Frenchie and Twirly, for their effort and dedication. The team would also like to thank Tom Allen, Jeff Harris and Maritou for their support and cooperation; all those who sold hot dogs outside the Lion (and those who ate them) or sold beer at football games; all our supporters; and all our generous sponsors. Thanks a million!!!

"a foundation for the future"

The Polar Bears et AL enjoyed a highly productive season, for as Proud as we are, we could not give in, not even when we were down to our last Nichol, for who could forget the past, so play we did, from beginning to end. It can be said that we neither resembled the Hanson brothers nor old Macdonald, and we surely did not spend any December nights Christmas Caroline'ing. The truth be told that Wright or wrong it Simms that everyone had a good time. The Barnes storming crew that Stephanie by Stephanie we grew to be, bonded Jessica in time for us to savour the joy of victory. If success Isabelle than Laura behold we can surely say that we made it ring Lallier'lujah by season's end!

SPECIAL AWARD — RAY ALMOND TROPHY
(Awarded for the most unselfish contribution to Athletics at Bishop's University)

Charles Kobelt Sr., a Lennoxville native, joins a select group of previous Ray Almond Trophy winners.

For at least 4 decades, Charles Kobelt Sr. has provided tremendous personal and corporate support to the Intercollegiate teams at Bishop's University.

Whether it is his encouragement to the Gaiters at games, his regular attendance to the various Gaiter Luncheon clubs, his participation in the Gaiter Golf Classic, one thing remains constant — Charles Sr.'s support of Bishop's athletics is unwavering.

Never was this more indicative than when the Kobelt family, through their trucking company SGT., took out a full page advertisement in the local paper to thank the football Gaiters after they suffered a demoralizing Churchill Bowl defeat this past Fall.

On behalf of all the Bishop's University Athletic Department staff and coaches, the awarding of the Ray Almond trophy to Charles Kobelt Sr., is our way of saying thank you for your continued support.

Education must be obtainable on the farm, in the bush, on the railway, and in the mine. We must educate the whole family wherever their work is, wherever they earn their living; teaching them how to earn and at the same time how to grow physically, intellectually, and spiritually to the full stature of their God-given potentialities. This is the real education. This is the place of the true university.

Many wondered what would possess me to take on this job for a second time. After a bit of thought and seeing the finished product of last year’s book, I knew that I wanted to do this again. However a production of this magnitude requires the help of many people. A big thanks goes out to my co-editor Sherri, not just for all her hard work, but also for putting up with my disorganization. To Buddy and Nelson, I also extend a big thanks for all your help in taking and rounding up pictures. I must also say thank you to the entire student body for all of their photo submissions because without your help this book cannot be produced.

I hope this book will be looked back upon fondly and conjure memories of happy times for us all. I also hope that this book is a reflection of all the various facets of life at Bishop’s and all those who are a part of our school. Whether you are a frosh or a grad I hope you can look at some part of this book and have it bring a smile to your face. I would like to wish the best in future endeavors to all those who have graduated.
In Memory

She Walks in Beauty

I
She walks in Beauty, like the night
Of cloudless climes and starry skies;
And all that’s best of dark and bright
Meet in her aspect and her eyes:
Thus mellowed to that tender light
Which Heaven to guady day denies.

II
One shade the more, one ray the less,
Had half impaired the nameless grace
Which waves in every raven tress,
Or softly lightens o’er her face;
Where thoughts serenely sweet express,
How pure, how dear their dwelling-place.

III
And on that cheek, and o’er that brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!
