UNIVERSITÉ
BISHOP'S
UNIVERSITY

A little glimpse of Heaven...
Dear Graduates,

It is indeed a pleasure to honour all of you who graduate this year and to celebrate your accomplishments here at Bishop’s in your early years of adulthood.

We live, as many have before us, in difficult and uncertain times and, for many, change will be a way of life. I dearly hope that what you have learned here at Bishop’s and the experiences you have enjoyed will prove to be an enduring source of strength and confidence in future years.

We are proud of you, and wish you well.

Sincerely,

Janyne M. Hodder

Principal
Ladies and Gentlemen . . .
The President

Whether the memories on the following pages are your first or your last of Bishop’s University, you should understand by now that these memories and what you have gained from them will take you wherever you want to be in life.

For some of you, these pages represent excitement — excitement about the day you will return to Bishop’s for another year of the unforgettable Bishop’s Experience. You have every reason to be excited. Every year at Bishop’s, you become closer to the lifelong friends you have made, you become more challenged academically, and you are presented with more opportunity for great times and ultimately great lives.

For some of you, these pages represent comfort. A comfort that exists in knowing that you have the booming metropolis of Lennoxville and the shelter of our small campus to return to. Enjoy the comfort and take advantage of it. Soon, the real world will challenge what this university has provided you with.

That being said, it is obvious that, for others, these pages represent apprehension. Apprehension because you are not sure what these memories hold in store for you, you are not sure if they have given you everything you need to get ahead, and you are not terribly encouraged about the possibility that they may not always remain in the forefront of your minds.

Be reassured to know that, whether directly or indirectly, your memories and what you have gained at Bishop’s will be enough to carry you through a very happy and successful life.

Raise a toast to Bishop’s University but don’t stop there. Raise another to yourself and your future. It will be everything you wish it to be.

Until we meet again, good luck and take care!

Sincerely,

Liz Harvey

Frontier College believes that every person has the right to read and write. We also believe that education should be accessible to all. That is why we offer literacy tutoring as a free service. The Bishop's chapter of this Canada-wide non-profit literacy organization was founded in the Fall of 1994. It has only been a relatively short time since we started up, but in that time we have managed to establish several successful tutoring programs. One-on-one tutoring in the local schools and community is aimed at helping individuals attain the level of literacy they feel they need to function effectively in their lives. Reading circles in the elementary school are aimed at encouraging the love of reading in children from a young age -- to prevent the development of barriers of insecurity that get in the way of learning.

Bishop's Athletics
The Gaiters suffered a disappointing 1995 season following their OQIFC Championship in 1994. Again the team started the year with some disappointing losses, but managed to finish with a 5 and 3 season record. This enabled the team to finish in a three way tie for first with Ottawa U and Queen's. Because of the Gaiters' record versus these two teams, they ended up placing third and having to face Queen's in Kingston. The pressure was too much for this team to handle and they lost a well fought game in front of a supportive crowd.

Outstanding performances over the year came from All Conference players Trevor Lovig, Nigel McGilvery, Dave Butler, Frank "the Hammer" Belfroid, Troy Russell and Matt Legge. Frank was also the OQIFC nominee for the President's Trophy as the Most Outstanding Defensive Player in the CIAU. Trevor was the conference's nominee for the Hec Crighton Trophy as the Most Outstanding University Football Player in Canada and for the Howard Mackie Award honoring the top Canadian University Athlete.

Congratulations to all players graduating this year. Good luck to them and to next year's team. Once a Gaiter, always a Gaiter!

The women's basketball team struggled through a very tough pre-season and league schedule on route to a 4-21 record. This included 18 games versus nationally ranked teams and two games versus NCAA Division 1 schools. The Gaiteers bolstered a young line-up which included two third year players along with seven first and second year players. Filled with youth the team still managed to be competitive in almost every game. Highlights for the year included the Consolation Championship at the St. Mary’s Invitational with victories over UPEI and Acadia, as well as competitive games with NCAA Division 1 schools University of Vermont (loss 93-72) and University of Hartford (loss 56-48). This year’s squad had a balanced attack with everyone contributing. The team’s leading scorer and rebounder, third year forward Kim Van Vliet was named a second team QSSF All Star. Van Vliet was also named team MVP. Other award winners were first year post Grainne Masterson as Most Improved Player, and second year co-captain Joanne DeLong with the Team Award.

The Gaiters enjoyed a great turn around year ending their season as QSSF finalists losing to Concordia in the Championship Series. Some of the team’s highlights were: Championship of the Queen’s Invitational, Consolation Championships of the UNB Invitational, playing NCAA Division 1 Vermont Catamounts, and beating McGill in the semi-finals. The team finished with a 7-5 league record and 13-13 overall. Captains Russ Johnson and Jamie Forsythe are graduating and their leadership and intangibles will be missed... Thanks for your contribution guys!

The Gaiters won Numerous individual honors this year including Stewart Clark as first team All Star, Rob Burns as second team All Star, and Patrice Lemieux as second team All star. Patrice was also named the QSSF and CIAU Rookie of the Year. Head Coach Eddie Pomykala was named QSSF Coach of the Year. Team MVP was lightening quick Ryan Thorne, Most Improved was Sam Rogers and Russ Johnson won the Garth Smith Award.

The team played in front of terrific home crowds all season at the Mitchell Gymnasium and easily led the league in attendance. (Who is that Dancing Guy anyways?) Special thanks to all our faithful supporters and to Assistant Coach Jeff Harris and manager Roger Thomas.

GO TEAM!

Coach Johnny Mac
Bishop’s University Track Team 1995-1996

The Bishop’s Track Team had a very interesting season lead by a large group of strong veteran performers including Todd Tousenard, Corey Cooper, Angela Locke, and Heather Goodfellow. Although injury after injury hindered many performances, the team placed fifth overall at the Provincial Championships.

The Women, fourth overall, were lead with outstanding performances by Angela Locke who won the Women’s Shot Put, qualifying for the CIAU Nationals in which she placed ninth. Heather Goodfellow placed third in the 1500m and sixth in the 1000m.

Strong performances on the men’s side included a seventh place finish for Stephan Roy in the 60m and seventh place for Dave Martin in the 600m.

Many thanks go out to Coach Kim Chapdelaine and husband Jacques, as well as physiotherapists Nat, Dawn, and Steve. As well to our Captains Corey and Ange who were coaching off the track more than on! Many thanks to our sponsors, team supporters and the athletic office.
Once again B.U.S.T. had a great ski season conquering the slopes of Quebec. Despite some varying weather conditions the team maintained a top finish overall setting them up for next years competitive circuit. The team was lead this year by a strong cast of graduating veterans, and some new talent from the developing rookies who will strut their stuff in years to come! Our teams top performances went to our MVP's and graduating racers Andrea Nicholls and Michel Boutin; both were very competitive throughout the season, Andrea maintaining a top five finish overall, and Michel winning our first men's medal on the circuit. Our most improved skier went to Ben Wakesdale, and Rookie of the Year was Tory White. Some other great performances were had by Craig, Matthew, Bryce, Cameron and Annelise, who are returning next year ready for some hardware.

Many thanks go out to our executive, lead by Andrea, Jeff, Euan, Twirly, Dave, Matthew and Craig and especially our coach Joel. Great job, Guys! Also on behalf of the team we would like to thank the athletic staff for their help throughout the season.

The team is losing many of its veterans this year and some of its top talent, but be assured B.U.S.T. will continue to come out on top. As the saying goes: "Giver Liver" next year!

Cheers.

Female Athlete of the Year

Andrea Nicholls, a 23 year old Humanities student from Ottawa, Ontario, was named the Bishop’s University Female Athlete of the Year. Andrea distinguished herself on two athletic teams in the 1995-96 season, demonstrating tremendous leadership and a competitive attitude in both. In the fall, Andrea was a mid-fielder with the women’s soccer team.

It was with the Ski Team, however, that Andrea made her mark. Participating on the Quebec University Bernard Trottier circuit, Andrea finished fifth out of seventy-eight competitors. Andrea led the Women’s Ski Team to a fifth place overall finish out of ten University teams. Beyond this, Andrea was instrumental in the fund raising activities and overall function of the Bishop’s University Ski Team.

Male Athlete of the Year

The 1995-96 recipient of Male Athlete of the Year was Trevor Lovig, a 23 year old fifth year Business Administration student from St. Albert, Alberta. Trevor, the quarterback of the football team, completed an illustrious career that was marked by numerous individual honors during the season.

Trevor was the second leading passer in the CIAU in 1995 throwing for 2368 yards. He led the OQIFC in yards passed, 173 completions, 305 attempts, 15 touchdown passes and threw the longest pass, 106 yards, in the CIAU in 1995.

Trevor’s awards were as follows:
- unanimous OQIFC First Team All-Star quarterback
- OQIFC Most Outstanding Player
- OQIFC nominee for Hec Crighton Award as the CIAU M.V.P.
- Alouette Alumni Award as the Most Outstanding University Football Player in Quebec
- Jim Etcheverry Award (Bishop’s football player who best combines academics and athletics)
- Team M.V.P.
- Q.S.S.F. nominee for the Howard Mackie Award honoring the top Canadian University Athlete of the Year

Ray Almond Trophy

(Awarded for the most unselfish contribution to athletics at Bishop’s University)

John McArthur, a Bishop’s student joins a select group of previous Ray Almond Trophy winners. John’s devotion as a student-coach has been incredible. In the fall John coached the Women’s Rugby Team. Through his knowledge and enthusiasm, the rugby team had their best ever regular season record finishing 5 and 2. The team blasted Concordia in the semi-finals before losing to McGill in the championship.

John’s other labor of love has been his guidance of the Bishop’s University Women’s Field Hockey club team. Not having a budget, not participating in a league and having to practice in the early morning did not deter John from putting together a quality team.

The field hockey team started out as a sorority club team which John eventually developed into a university competitive program. John was the guiding force in the establishment of the Gailer Country Classic tournament which featured some of the more outstanding CIAU field hockey teams over the previous two years.

Message from the Editor...

All right folks... let’s quit the kiss and giggle here! What you now hold in your hands is a good ten months of procrastination and a couple of all-nighters. Just like those “College Years”, huh? But seriously, I hope that I have put together a book that contains as many memories as possible for each and every Bishop’s student. I hope that from the day you receive this book and every time you open it thereafter it brings a twinkle to your eye as you relive the days and catch just another small “glimpse of heaven”. For those of us who are moving on, good luck, never forget these times, and no matter what never stop singing the infamous line of our school song; “We will never graduate, We will stay here forever-more!” For those of you remaining in lovely Lennox-Vegas... good luck to you, too, and enjoy it while you can, because no doubt every fall hundreds of alumni will return for the Homecoming classic and let you know repeatedly just how lucky you are to be at Bishop’s.

Special thanks go out to many people in assisting with production of this yearbook. Firstly to Stephen Barber, my Herff-Jones rep whose patience and ability to explain things to me more than once were key to getting through the production with my sanity in tact. Also to Joy Chandler in the S.R.C Office. Joy, you kept me so organized that I wish my mom could have seen it. To David MacDonald for the use of his computer. To Liz Abbott, Alex Barto, and Kellie Davenport for their assistance in typing. To Tricia Christie, for helping to get things started. To The Brotherhood and p. 45, for also keeping me somewhat sane, although it had no impact on the production of this book! To all my friends and strangers who submitted photos or just dropped by the office to have a look or hang out... Thank You. However, absolutely no thanks goes to the gang from 6 and 8 Reed St., for without their expertise in procrastination techniques, this would have been done much sooner!

So here it is, now get off my back! I hope you all enjoy it and I’ll see you at Homecoming.

“Raise a toast...”

Buddy
In Memory

One Sweet Day

I’m sorry I never told you
All I wanted to say
Now it’s too late to hold you
‘Cause you’ve flown away
So far away

Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive

I never showed you
Assumed you’d always be there
Took your presence for granted
But I always cared

Although the sun will shine the same
I’ll always look to a brighter day
I know when I lay down to sleep
You will always listen as I pray

I know you’re shining down on me from heaven
Like so many friends we’ve lost along the way
And I know we’ll be together
One sweet day...

The 1996 yearbook staff would like to
dedicate the 1996 yearbook to the
memory of these two fine young men who
are loved and missed by all the fortunate
people who knew them.
