QUAD

Remember how you entered...

Principal's Message:

Dear Graduates of the Class of 2025,

In deciding to pursue your course of studies at Bishop's, you chose a university that is defined by a true sense of belonging and inclusion.

As you worked towards achieving your goals, you embraced diverse fields of knowledge and benefited from real-life applications through experiential and other learning opportunities. You also explored numerous extracurricular, community, sports and varsity opportunities.

Throughout your life, you will further develop your skills and expand your range of experiences, and I hope that what you have learned at Bishop's will help to guide you.

Your time at Bishop's has been one of discovery, both academically and personally. I sincerely hope that it has also been a transformative experience, allowing you to develop your passions, potential and sense of purpose.

In turn, you have each helped shape what Bishop's is today and through the values that you have exemplified, you are leaving a legacy for the next generation of students.

I am confident that you leave our campus equipped with the knowledge, skills and determination to make the better world you believe in.

I wish you happiness and success in your post-Bishop's journeys.

Sincerely,
Sébastien Lebel-Grenier
 Principal and Vice-Chancellor

SRC President's Message:

Dear Class of 2025,

On behalf of the BUSRC and the student body, congratulations on all that you've achieved during your time at Bishop's!

Your years here have been filled with hard work, late nights, personal growth, and unforgettable memories. As you prepare to leave this campus, take pride in how far you've come, not just in your studies, but in the friendships you've built and the experiences that have shaped you.

It's not always easy to recognize the value of something while you're still in it. But whether it hits you in a few months or a few years, you'll look back on this chapter and realize how truly special it was. Bishop's is more than a university, it's a community, a place where laughter echoed through hallways, where challenges made you stronger, and where you found a second home.

To those who are returning next year, your journey here isn't over. There's still time to dive into new adventures. Try something outside your usual routine, join that club, take that elective, go to that event. Say yes more often. You don't have to have everything figured out; you just have to be open to the possibilities.

To everyone, thank you for being a part of what makes this school so unique. No matter where you go from here, you'll always be a part of the Bishop's community.

It has truly been an honour to your President this year.

Sincerely,
Drew Henkel
President

Vice-President student life

Hey everyone!

What an incredible final year it has been! Getting the opportunity to work as the Vice-President of Academic Affairs this year has been nothing short of rewarding! Since my first day at Bishop's, I knew this place was special and fostered a community of involvement and engagement. This little purple bubble has made me the person I am today and allowed me to make so many friends and given me opportunities to get involved and advocate for students. I am so grateful to the SRC and Bishop's for everything they do and everything they have allowed us students to discover.

Congratulations to all graduating students. This place has become home to all of us, and we will never forget the gait nights, floats, iconic events, and so much more. To everyone else, enjoy your time here as much as you can, it passes quick, and it will forever be a special memory to hold on to.

BU forever!

Sincerely,
Chelsea Sheridan

Vice-President student life

Hey everyone!

It's been an incredible honour to serve you all this year. I am grateful to have had had the opportunity to grow alongside such a vibrant and inspiring student body. Thank you to everyone who brought life to our campus, whether that be by attending events Reagan poured her heart and soul into, sharing your thoughts and feedback, starting or continuing amazing initiatives, or simply through everyday moments. This year wouldn't have been the same without your energy, creativity, and spirit. Cheers to the memories we've made and the community we've built together.

A huge thank you goes out to my amazing team (Drew, Taylor, Reagan, Roser, and Chelsea) for backing me up every step of the way, to the staff (Erin, Jody, Brendan, Karen, and Enzo) who offered constant support and guidance, to the admin for keeping us in the loop, and to all the departments who collaborated with us to bring our initiatives to life. Big shoutout to the board (Josef, Mya, Erica, Mariana, Dom, Emilie, Romane, Antoine, Melissa, Britney, Chanelle, Mirana, Jon, Leana, Alex, Alpha, Fiona, Sophia, Sonoma, and Clara) for representing you all so passionately, and of course, to every student who makes Bishop's University BU. You all rock!

Best of luck with whatever the future holds to all those who are graduating! BU will take care of the part of you, however big or small you leave behind.

To the rest of you, enjoy your time here! It goes by quicker than you think, and it truly is something out of the ordinary. Don't be afraid to speak to that random person you cross paths with every other day, to sign up for that club or activity you've been thinking of, to chat up your profs at their office hours... take risks. It'll be worth it. I promise!

Sincerely,
Lacey Baillairgé

Director of Events

Hi Gaiters,

I would like to start this message off by saying thank you. Thank you for bearing with me, for supporting SRC events, for volunteering, and for being the reason I did this job for the past 13 months. This role was the most impactful and important part of my university experience, and the most rewarding job I have ever been lucky enough to have. Being able to create events for you has been truly a blessing I will cherish. I hope I was able to make your last year at Bishop's memorable, whether you were volunteering, hitting the Rail Jam at WinterFest, partying at Grad Formal, or simply stopping by the office!

Thank you to my incredible team and volunteers that I was able to work with this year! Your drive and dedication to creating exciting, well-deserved events for your student body is impressive and inspiring to so many in an often-thankless job. Your support is what made these events possible, and I thank you so much for everything. I will miss the late nights, early mornings, shared struggles with Canva, office couch naps, tears, laughs, and casual check-ins at events. I loved sharing this experience with you and I owe my successes in this role to you. To my volunteers who are graduating, BU and the SRC will miss you and all you did for us (and I'm borderline in tears thinking of your absence already)! I look forward to seeing what you accomplish outside of Bishop's as you left a lasting mark on our purple bubble in the best way!

As you go off into your life beyond Lenn, I raise a toast to you! Happy grad, keep bleeding purple, and see you at Hoco!

Sincerely,
Reagan Russell

Director of Finance

Dear Gaiters,

Just wanted to say thank you all so much for such an incredible year.

Coming into this role there was a lot that I wanted to see done and it's been such a pleasure working with students to make some really positive changes on-campus. From things like SafeDrive to the GGC, hearing your feedback and witnessing the impact we've had on students has been truly incredible. From O-Week to St. Patty's it's been a blast getting to know you all, and I am so proud to have been your Director of Finance this year.

Working for the SRC has been one of the most rewarding things I've had the pleasure to do, and through it I have met some of the most resilient and hardworking people I know.

can't wait to see what next year brings!!

Bleed Purple ;)

Sincerely,
Taylor Morgan

Raise a Toast:

2024-2025 Graduating Students

Raise a toast
to Bishop's University
on the Mighty Massawippi shore.
We're conditioned to our fate,
we will never graduate,
we'll stay here forever more.
College days will linger
ever in our hearts
wearing gowns, raising hell,
and quaffing ale.
And we'll show "esprit de corps"
as we watch our Gaiters roar
on to victory.
So raise our beer mugs
and your little brown jugs
to BISHOP'S UNIVERSITY!

All Graduates

From the B.U. Alumni Association

Dear graduates of the Class of 2025,

As a fellow Bishop's graduate, I can say with certainty that college days will linger ever in your hearts. I hope you leave with lasting memories and friendships for life. No doubt, you've learned just as much beyond the classroom as within it. It's this blend of knowledge, growth, and community that makes Bishop's truly one of a kind. It is a special bond that connects us all, long after we have left the BUbble.

Even if you're no longer in the same place, I am confident you'll find that wherever life takes you, there's always a fellow Gaiter you can turn to. So, congratulations and welcome to the Alumni Association! With over 23,000 graduates across the globe, we're here to help you stay connected—to each other and to your alma mater.

From networking events and career workshops to Welcome Home Receptions, wing nights, and sports games, the Alumni Association offers a wide range of opportunities to stay connected throughout the year. Being part of the Association means more than proudly wearing your purple—it comes with access to exclusive perks, services, and group discounts. It's your professional network, your support in the stands at a Gaiter game, and your circle of trusted advisors as you navigate life beyond campus. You never know when you'll cross paths with a fellow graduate, so if you meet someone at an event who also went to Bishop's, or catch a glimpse of a purple sweater in the grocery store, don't hesitate to say hello. That's the Bishop's way.

As a member of the Alumni Association, you have the opportunity to help shape a vibrant and meaningful alumni experience—for yourself and your fellow graduates. We welcome your ideas, feedback, and enthusiasm, because our Alumni Association is truly a reflection of what we all contribute. Just as you took initiative during your time on campus, we hope you'll stay active in our community—there are countless ways to get involved. Scan the QR code to stay connected with the latest Bishop's news, catch up on what your peers are doing, explore upcoming events, and discover volunteer opportunities.

As the plaque at the entrance to the Quad says: "Remember how you entered. Be proud of how you leave." We know you will accomplish great things in your life, and we can't wait to celebrate those wins with you. Congratulations once more, and welcome to the Alumni Association.
