A message from
PRINCIPAL GOLDBLOOM

Your time at Bishop's is one of discovery, both academically and personally.

As you worked towards achieving your goals, you embraced and embodied Bishop's values of integrity, curiosity, ambition, moral courage, self-discipline, and community engagement.

Throughout your life, you will further develop your skills and expand your range of experiences and I hope that what you learned at Bishop's will help to guide you.

Here, you were challenged intellectually by your professors and peers, and had the opportunity to get involved in many activities beyond the classroom. You acquired new understanding and discovered new ways of seeing the world. And in the process, you built friendships that will last a lifetime.

The pages of this yearbook are filled with many of the memories that you and your classmates created along the way to graduation. They represent not the end, but important steps on a great journey.

In five, ten, or fifty years' time, I hope that you will look back upon the path you have taken, both personally and professionally, and remember with fondness the time you spent in discovery at Bishop's.

I wish you success and happiness in whichever endeavors you choose to pursue.

Michael Goldbloom, C.M.
Principal and Vice-Chancellor

BISHOPS UNIVERSITY

2018-2019
Your 2018-2019 SRC Executive Council
Traditionally, the outgoing Student Representative Council President is part of the graduating class. This isn't the case with your SRC President! Making this a true bitter sweet moment. Saying Goodbye to some of you I now call my family, yet knowing that I still have time with those who aren't graduating.

I would still like to leave you all with some Alex wisdom! There are many valuable lessons we have learned here at Bishops. Each of us with our own values and experiences.

One of those lessons I will hold dear for many years is to always reach for the moon, and if I don't get there, I will definitely catch a few stars on the way down! Success is nothing without failure! And failure means nothing if you aren't learning from your mistakes. This is not necessarily an easy thing to achieve, but with the support of those we call our Bishops family and an amazing community anything is possible. This university has nurtured us for the past 3, 4, 5 even 6 years and is now releasing us, ready to tackle any challenge that will come our way, to the next exciting adventure. So thank you Bishop's and this amazing community, it wouldn't be the same without all of you.

Good luck to you on all your future endeavors and 'Remember how you entered and be proud of how you leave'!
Ah graduation, the exciting yet frightful moment you go through when you realize that you are now leaving the comfort zone of the BU Bubble.

My advice, don’t think of it as leaving the comfort zone alone, rather think of it as walking alongside the bubble, leaving with over 3,000 connections and an army ready to stand by you while you go out and change the world.

Gaiters, it’s been an honor to serve you as this year’s Vice President of Academic Affairs, because of YOU we were able to make such a huge change in a positive way. Because of all of YOU who spoke up we were able to inspire, motivate and pave the way for students in academics.

As you prepare to leave behind your legacy, remember that your voice is a powerful one, one that should always be utilized to its full potential. Remember that YOU are important and what you say matters, so speak up and be proud.

So THANK YOU to all of YOU, who helped make Bishop’s just a little bit better every single day.

You rock Gaiters,
#Accountability

It feels like we were just together soaking up the sun on Move-In Day at Animal House, welcoming each other back from our 15-week summer vacay.

Whether this was your first year, final year, or something in between, we’ve said our goodbyes to our friends that have supported us throughout this year and our Bishop’s journey, and with whom we’ve created lasting memories. You’ve made lifetime friends, grown as an individual, tried new things, and worked towards a degree which is what brought you to Bishop’s to begin with.

Every day is a new adventure that presents us with different challenges to overcome. We’re all growing, learning and becoming better leaders. Take every opportunity to expand your horizons. Remember to welcome new information, and to soak it up.

Each of us learns differently and grows at a different pace. Everyone is unique and quirky, and that’s what makes up both you, and BU.

Life is a crazy roller coaster ride and sometimes you have to take a break and watch the sunset. Take a step back and breathe. Take a leap and travel, consciously work toward building character. Enjoy life, both the peaks and the valleys, enjoy the journey. No matter how far the scale tips, find balance.

No matter how you feel, everyday get up, get dressed, head out and work on chasing down your goals. Way to go Gaiters!
Bishop's pals what a year! I have said this before and I will say it again, we really are the luckiest people on earth to have this secret hidden treasure to call home. As for me, thank you for electing me as your VP Student life and now VP external affairs it has been an amazing, life changing and of course heartwarming to serve you all. I was asked recently what distinguishes BU and what its' best part was and without doubt it's the people that lie within its walls. You who fill the corners of the library, give their all at the gym, the Happy Hour crowd, the people walking and laughing on their way to class, the spring semester crowd hanging out on Optimus, it's the incredible community, the family we have built and learned to rely on no matter where we are in the world. It's the bleed purple feeling you contributed to day in and day out; you make Bishop's what it is.

To those graduating, congratulations you made it, how proud you should be of yourselves. To those who like me, aren't quite ready to leave this place, I cannot stress this enough: put yourselves out there even if that means experiencing new things outside your comfort zone, you will not regret it I swear. One day we will all be looking back on this place so take it all in while you can.

Finally, I want to wish every one of you success in whatever endeavors you choose to pursue and so I leave you with this quote:
"Your time is limited, so don't waste it living someone else's life. Don't let the noise of other's opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary." - Steve Jobs

As my last semester is coming to an end, I've been spending time reflecting on all of the amazing memories I have at this school. This place is special, really special and I know I'm going to miss it a lot.

Except for getting sprayed by trucks passing on College, that's the worst. Working as the Director of Finance has been an amazing experience and I'm happy to have shared it with the team we had.

It's been rewarding knowing that all of the effort we put in, is to better the student experience and I hope to see continuous improvements for next year.

I hope everyone has an amazing summer and to those graduating, wherever you may go, know that you have an entire school behind you and a network of incredible people to help you along the way. Make Bishop's proud!
When I will look back at my time at Bishop's, it will always be a bittersweet memory for me. To Graduate is almost as though I leave a part of myself behind. The Doe-eyed, freshly-turned 17 year old girl who just moved from Dubai, a place she was born and raised, walking past animal house on move in day with my Grandfather and Mum next to me gasping at the sight, was my first impression on this campus.

But the only thing I will miss about her is probably her waist-size and lack of bills to pay.

Now, four years later, I can confidently say that Bishop's was able to take care of me through those years, giving me the education and opportunities to explore who I would be as a person, and preparing me for the scariest challenge yet - finding a job. I am so thankful for the people I met, the friends I made, and the professors turned mentors I was able to get to know in the four years I spent in the lesser known Vegas.

It has been my pleasure to be your Director of Communications and Marketing this academic year, myself and my team had a lot of fun making you laugh at our memes, informing you about ALL the work your SRC does, events we put on, and EVEN dealing with Winterfest ticket-gate. I am sure your next DCM will have some big shoes to fill, but am a hundo p sure that she will fill them with little to no struggle.

As I join the Graduating Class of 2019, and alongside many of you try and figure out how to navigate adult-life, I join always ready to raise my beer mug, land my little brown jug to Bishops' University (even if those morph into cosmopolitans and green smoothies).
A Huge THANK YOU to the SRC 2018-2019 Team!

2018-2019
The Student Success Center (SSC) was built to facilitate student progress through peer support.

The program started in the basement of the Mackinnon as a place to ask questions to your peer mentor for help in your university journey. This year, it was moved into the Library Learning Commons to make it more accessible for students and WOW how much it has grown! With 101 appointments in the Winter Semester alone, the center has proved to be fundamental in the journey to helping YOU succeed.

There are five Peer Mentors and Academic Senators, one for each department of study, including:

Business, Natural Sciences, Humanities, Social Sciences, and Education. In addition, there is also an International Peer Mentor that specializes in guiding international students through their academic journey.

Huge congratulations to the student success center team for this year in building the program to what is it now and what it will continue to be!
September 4th marked the inauguration of Bishop's University's brand new Learning Commons. After closing down the previous library for renovations and moving its contents back and forth across campus over the span of eighteen months, our community is delighted to finally have a gorgeous renovated library to shelter all of its academic resources, study rooms, and desktop computers.

With regular email updates from Dr. Jamie Crooks, Director of the Bishop's University Learning Commons Project, students were able to follow the project's development over the course of many months. These updates all led up to the official inauguration last week where students could finally explore the renovated space. Under the new title 'Learning Commons,' the library has been transformed into 'a central space for research, collaboration, and exploration.'

It is impossible to deny that the large investment was well worth the wait. Students will now find a café with gourmet bagels, grilled cheeses, and coffees to fuel their studies so that they can work as long as they need. Other new additions to the library include the Student Success Center - a multipurpose space in which peer and international peer mentoring, consultations with the SRC, and club meetings can all take place. Students will also be able to find help if their computer runs into trouble during their study sessions at the ITS Helpdesk on the first floor. They will also be supported in all of their essay writing endeavours at the Writing Center relocated in the Learning Commons.

The amount of thought and consideration that went into making this new library the best that it can be is indisputable: 'In their choice of furniture types, our architects have tried to create a variety of different 'atmospheres' from standard study spaces to social/collaborative arrangements,' wrote Dr. Crooks in an email to students back in February. In his opening speech, Principal Goldbloom declared that, 'the building we are inaugurating today is the result of the engagement of many people over many years' and that is certainly what is reflected when entering the new space.

Sad to have missed the inauguration? Not to worry! The entire event was recorded and can be found on Bishop's YouTube page. Watch it to learn more about the library's history and how it came to become the wonderful space that it is today.

From THE CAMPUS
The Bishop's University Accounting Society promotes and explores the lucrative opportunities offered by the accounting profession. BUAS offers helpful workshops, networking events, case competitions and other exciting events that help students further their professional development and allows them to meet new, important contacts.

AgroBishop's

Agrobishops is dedicated to food sustainability on campus. This year we have done many exciting and sustainable initiatives such as a beeswax wrap workshop to combat single-use plastics, a bread making workshop and an overnight oat sale. Agrobishops also runs the community food bank which aims to reduce food waste within the community.

Michaela, Leah, Camille, Gabby, Catherine, Claudia, Marianne, Francesca
Big Buddies

Our purpose is to allow Bishop's university students the opportunity to connect with children from the Eastern Townships in a safe and fun environment. We pair university students with children from the local elementary school allowing for the best match possible in order to form a positive role-model relationship. We organize eight events throughout the year. During this time, the pairs participate in exciting activities together allowing time to create strong friendships.

Kelsey Quilty, Lindsey Trembath, Elizabeth Gauthier, Nanthicha Laniel, Alana Devenny, and Tameka Briggs

Bishop's Bees

Bishop's Bees is a student-run club in partnership with Miel MTL. We have three hives on campus and from those hives, we are able to produce and sell Bishop's honey! You've probably seen us on campus holding honey sales and clothing swaps to raise money so we can buy more bees and expand! Our meetings often have a lot of bee puns flying around. We understand the importance of bees in our ecosystem and are doing our part to save them!
The Bishop’s bowling club goal throughout the year was to implement and come across together as a team that would be accessible and available for students to spend their time on Friday’s at bowling Alley at Bowling and Billiard Lounge Sher-Mont. We have organized two games during the winter 2019 making sure that students are comfortable in joining by following after their mid-term exams. Bishop’s bowling club has members about 215 on Facebook. Most notably, Matthew Mulkern has been helping us through carpooling and being a strong support in sharing information during the semester.

BU In Your Area

BU In Your Area is an international dance crew that uses hip hop and urban inspired from many cultures. Being the most diverse group on campus allows for varying degrees of artistic expression. This dance crew is always working together to help improve their skills in a safe and fun environment.
For the year 2018-2019, BU Snow offered to the Bishop's community diverse events and activities. From the Grunts weekend, with 60 of our most dedicated shredders, to a crazy Winterfest with Sebastien Toutant, the club aimed to unite skiers, snowboarders and anyone willing to spread the funk.

We are the Caribbean African Student Association. We were created around 11 years ago to build a space and voice for the African and Caribbean students at Bishop's where they are able to discuss issues, give solutions and to have fun. One of our main goals is to promote and educate on the African, Caribbean culture, promoting diversity by attracting and having students from varying background. CASA is the home away from home where you are accepted arms wide open, guided through your time at Bishop's but found a family that is bigger than the borders and will always be there for you.

Dance Club is a fun way to get in shape, learn new styles of dance and have a great time. The club offers classes with a variety of levels and such as Hip Hop, Jazz, Contemporary, Lyrical, etc. This club is intended for students to have fun, meet new people, develop confidence and perform. Also offered is a competitive team that allows dedicated individuals to further develop their skills and compete against other dance from Ontario and Quebec. This year, the competitive team has held several fundraisers, two showcases and attended a competition in Montreal.

Encounter Student Ministries

Encounter Student Ministries (ESM) seeks to love students and provide them with food and a safe place to come and ask questions about Christian faith as they wish. We spend our weeks outside the Lion handing out free hot chocolate, water and food; hosting free meals on Thursday; handing out free breakfast to students on their way to school; and holding unreal campus events each semester for students to enjoy with friends. All the people you see in this photo worked extensively to accomplish Escape the Gait, the campus-wide Easter egg hunt and the fire float!
Environmental Club

The BU Environmental Club holds numerous activities and events throughout the academic year to enjoy and protect nature, and to promote environmentally friendly practices for students and members of the BU community. We meet once a week to plan these activities. These include Eco Week in February, Bring Your Own Mug events where we give free tea and hot chocolate to those who bring a reusable mug, trail clean-ups, environmental documentary screenings, and more.

2018-2019
Finance and Investment Club

As Bishop's University Finance and Investment Club (BUFIC), we aim to bring together any and all students interested in the financial market and investments. The club hosts bi-weekly meetings and attends various events and conferences to get valuable exposure to real-life situations. This year, we are proud to have participated in many competitions and winning 3rd place at JMSX, the largest stock simulation of its type in North America. Oh, and never forget - "The best time to invest was yesterday. The second best is today!" so come Buy Low, Sell High with us!

Happy Hour Club

"Happy Hour club has been quite busy this year; decorating for events such as St Patty's day, Halloween, Throwback night and so many more memorable nights. This team would not be possible without the enthusiasm of Bishop's Students. Our team has always been so excited to work together to bring a night that people will never forget with fun photo-booths as well as hand-made decorations. Having our decoration making parties was always fun with a team that got along so well. Thank you to our amazing team." - Michaela Quinn
Indigenous Cultural Alliance Club

The Indigenous Cultural Alliance Club at Bishop's University welcomes people from all walks of life who would like to share their cultures, learn more about First Nations, Metis, and Inuit peoples of Canada and help bring awareness to the Indigenous community on and off campus. First established in 2012, the ICA aims to strengthen the relationship between Indigenous and non-indigenous people at Bishop's University and within the community of Lennoxville through workshops, activities, potlucks, fundraisers, and so on. Our goal isn't to promote one specific culture, but rather to be inclusive to all.

International Students Association

The Bishop's University International Students Association, BUISA for short, is here to make the most for international students at Bishop's University. We have two main goals: first, we aim to encourage international students to discover the Quebec province by organising several events each year, including a trip to a Sugar Shack, a hockey game in Sherbrooke, trips to various events around the town, etc. The second goal for the group is to unite international students and discover and discuss customs and traditions from all around the world. With that purpose in mind we organize potlucks so everyone is able to have a taste of foods from a lot of different countries in the world. The group warmly welcomes both international and exchange students along with Canadians who are interested into diversity. Happy 20th Anniversary BUISA!
Modern Languages Club

The Modern Languages Club is a non-academic, culture based club that focuses on the exploration of culture through its language! While you do not have to speak any language to be in the club you should have some love for it, just as we do. The club went under the radar for a bit, but with the help of some amazing people and the unending support of our faculty and the students of BU, we made a come back last year and we hope to keep going! For anyone and everyone our club welcomes you to join our events, such as culture kitchen and coffee night to get to know your fellow students and to have a place to express yourself.

Andréanne Hebert, Friederike Heidrich, Shantell Penix

Pride Alliance

The Bishops' University Pride Alliance is a group opened to any one of the LGBTQ+ communities and allies that wish to support. We run a safe space office, opened to all who wish to have a quiet and cozy spot to breathe between classes. We advocate for better rights for all gender and sexual minorities on campus and around Lennoxville. This year the BU Pride Alliance had one of its most productive years. We organized movie nights, hosted a coming-out open discussion, a queer safe sex workshop with June Pilote and an amazingly sold out Drag Show. We aim to achieve even bigger things during the 2019-2020 academic year, in order to make BU a safe and welcoming space for anyone part of the LGBTQ+ community.

Benjamin Simard, Charlie Bernard, Leah Grace Divinagracia, Baylee Brown
Rock Climbing Club

This club is a group of great people who are enthusiastic about rock climbing and having a good time! We meet up every Friday and hit the local climbing gym to get some much needed exercise and improve our skills. Whether you’re new to the sport or are trying it for the first time, you’re welcome at the BU Climbing Club.

Andrew Colton, Patrick Thibert, Scott Braithwaite, Camille Sullivan, Dena Schertzner, Florian Cousin, Frederic Desnoyers, Henry Robert, Filippos Tagis, David Charest, Ruby West, Alessia Hatch, Terra Leger-Goodz

Alpha Phi

As the only women’s fraternity at Bishop’s, Alpha Phis are dynamic leaders on campus who are involved and committed to the Bishop’s community. We are driven by our long-standing history to uphold our Founders’ legacy and values and to set the standard for future Bishop’s Alpha Phis. We foster individual growth in a close-knit environment by creating meaningful bonds and encourage diversity in all aspects of university life and fully embrace member individuality.
STUDENT LIFE
Hi Gaiters, my name is Maddy and I was one of your Orientation Week Coordinators this year.

Planning Oweek was a big job but was totally worth it! I feel so lucky that I was able to help welcome all of the new students to our wonderful campus.

Some of my favorite memories of the week were Beach day at Atto Beaver park, I am so happy that we all got to get out and enjoy the sun and jump around like children on the bouncy castle, and Registration Day, I'll never forget watching all the new students enter the tent to choose their teams.

I also really loved getting to pass down our unique and fun traditions to the next generation of gaiters, things like Serenading the Principle, the Judges' Parade, Field Day, and Opening Ceremonies. Overall it was a really fun and rewarding experience that I will never forget.

Thank you to all the judges and leaders who volunteered their time and worked hard all week long, we couldn't have done it without you! And, thank you to the SRC team that helped make this week possible! Cheers BU!
THURSDAY NIGHT LIGHTS

The First Outdoor Happy Hour
Homecoming 2019!

Once a year there is one thing that brings the past the present and the future of Bishop's together. Homecoming!

An opportunity for alumni to come back to where it all began and join together with the returning and new students to cheer on our roaring gaiters to victory. Whether it be the big football game on Sunday, or the rugby, lacrosse, and soccer games, it doesn't take much to bring us all together. The weekend includes an alumni and friends golf tournament on Friday, a pancake breakfast at Griffin house and many sporting events over the weekend.
TAKE BACK THE NIGHT

Photographs by Theresa Graham
Dozens of Bishop's students flocked to Optimus Field last Thursday night, ready to march against sexual assault. Both male and female students wore pink and held handmade signs that ranged from profane exclamations to statistical statements. The field fell silent when the organizers of the march took to the megaphone for a powerful introduction. Anika Malone spoke to the crowd about how survivors of sexual assault are part of the Bishop's community, and the community will always be there to support them. Unfortunately, a lot of sexual assault stories start with fun nights with friends, whether it is going out or staying at home. As a community, chants were yelled in excitement as we marched to take back the night from the fears of sexual assault.

One student commented on what Take Back the Night meant for her: "It means everyone coming together to make a positive difference. We need to put a stop to sexual violence and what better way to bring everyone together at Bishop's than to take back these nights that belong to us."

I am proud to call myself a Gaiter walking among both men and women who support the fight against sexual assault. We definitely took back the night and it felt good to be a part of something that's such an important global issue.

Holiday Happy Hour
Two Year's Eve
St. Patrick's Day
The third edition of the Bishop's University Arts Festival took place from January 22-26th, 2019 on the University campus. The festival is a week-long celebration and showcase of the diverse artistic disciplines practiced at Bishop's and in the Eastern Townships. This year's edition featured a number of workshops in visual arts, drama, literature, storytelling, dance and other disciplines, hosted by Bishop's, Students and faculty. The mission of the Festival has always been to show process and 'behind the scenes' aspect of the arts to encourage greater appreciation of the work involved in the different artistic disciplines. This year's focus was to explore diversity both within the arts, and the greater Eastern Townships community. Next year's festival will take this mission further, seeking out partnerships and collaborative opportunities with various minority groups on and off campus, and will continue to incorporate artistic disciplines outside of the 'traditional' arts.

MASQUERADE
Winterfest 2019 was definitely one for the books. The event continues to grow in size and attract tons of Bishop's students and friends from all over for the big weekend. This year was by far the highest attended in the 10 years it’s been running. We kicked off with a loose Happy Hour on Thursday night and were happy to host two Saintwoods artists from Montreal. The show was a winner one!

Everyone braced the cold like champions on Saturday and enjoyed the Rail Jam, with student athletes and riders competing over. Olympic Gold medalist, Seb Toots was helping judge the competition, while also enjoying the festivities in the crowd. We loved it and halfway through the day he said “this makes me wish I went to University”. With the snow falling, the music blaring, riders riding and the students dancing - the setting was pretty magical.

As we transitioned into the night, Waves and Shaun Frank absolutely lit up the stage. The lights were amazing and the music was even better. Students danced all night long outside in -15 degree weather, just as if they were at Igloofest. The crowd was so huge that Shaun Frank kept playing encore after encore late into the night. When he finally got off, he said “the crowd was insane, I could’ve played all night long”. There’s no doubt Bishop’s crowds are the best.

Winterfest 2019 was a ridiculous amount of fun and we thank everyone who came out. These are the events that make Bishop’s special, so we hope that everyone had the time of their lives. Can’t wait for what’s in store next year!
CASA Culture Show

The Culture show is the best and most fun way to promote the multicultural environment that we have. Diversity is present everywhere we go, in our country, in our workplace, in our schools and more. All those places consist of various cultural, ethnic and racial groups that we can learn from but for that, we have to understand our differences so we can collaborate and cooperate with one another. The culture show does that all in one place while you’re relaxing, enjoying time with people around you that you care about. Me and team executives including CASA next president, Johanny Paulsen-Tillus have been working on it since summer 2018. We are super happy of the outcome and have received so far nothing but great comments! I Hope that next year it will be even better and bigger, don’t miss out!

Dance Show
On March 24, 2019, the BU Dance Club put on their annual showcase at Centennial Theater. Performances included contemporary, jazz and hip-hop routines from both the competitive team and the recreational club. Also included were some special performances from the Sport Center's children's dance classes as well as from BU In Your Area, another BU club. BU Dance's showcase is filled with passionate and dedicated dancers. For many, the club is a first-time dance experience; all were welcome to participate! Speaking on behalf of the 2018-2019 coordinating team, we want to say thank you to the dancers and to everyone that has supported us throughout the year!

On February 16th, 2019, Bishop’s University hosted the 13th annual Bishop’s University Charity Fashion Show: Bliss. The Fashion Show is the largest student-run fundraiser at Bishop’s University. This year, all proceeds raised by the Fashion Show were donated to Mental Health Estrie, a non-profit, community organization committed to providing information, support, education and advocacy to English-speaking caregivers and individuals affected by mental illness in Estrie. Organized solely by a student committee, the 2019 Fashion Show Committee has a goal of bringing together the Bishop’s community, family, and friends to provide the support that this organization needs to continue to make the incredible impact that it does. Approximately one hundred students have dedicated hours to ensure the success of this event. Thank you everybody for being there to support Mental Health Estrie and the Bishop's University Fashion Show.

The Bishop's University Film Festival (BUFF) had its biggest audience ever for the fifth anniversary of the Gala Screening and Awards Show on March 30th, 2019 in the fabulous Centennial Theater. The gala guests witnessed amazing variety in the very strong programme of sixteen short films, all freshly made by Bishop's students. This year's judges were the Dean of Arts and Science Michele Murray, IMAX film producer Steven Morris, Coordinator of Marketing and Promotions for the Festival Cinema du Monde Sherbrooke Anick Gagne, and the SRC Vice-President for Student Life Sydney Brennen.
The 2019 BUFF winners

The 2019 BUFF winners:
Best Narrative Film: *In the Dark* (Cecilia Alain)
Best Non-Narrative: *OrgBureau Transmission Artifact* (Matthew E. Duffy)
Best Documentary: *Phoenix* (Daniel Tartour and William Babineau)
Best Technique: *25th Annual Wiener Gobble* (Eric Saucke)
Best Actor: *Marianne Champagne in Deadly Behaviour* (Marianne Champagne)
Audience Choice: *Alone* (Nicolas Fredette)

Congratulations to all and thank you for sharing your inspiring creativity with the audience!
This year, the NoPo RezLife team aimed to emphasize the community aspect of traditional leaving.

As such, resident assistants organized an amalgam of activities focused on fostering a healthy and enjoyable living space in the dynamic Norton-Pollack neighborhood. Building wide events aggregated the two communities via programs that entailed something most enjoy indulging in, food.

From breakfasts to Winter barbecues and a lavish end-of-year dinner, Noponians gathered plentifully to interact with their peers upon sharing Sodexo's best.

As well, the initiative to deliver the overabundance of leftovers to local homeless shelters was undertaken. RA's also worked towards cultivating an inclusive environment for residents to flourish in by putting on programs geared towards self-confidence (body-image workshop), diversity (discussion about human rights and equity), and becoming a better student (study sessions) and adult (tax workshop, resume building). Norton's Common Room also became the home to Bishop's first Games Club on Friday evenings.

All considered, the 2018-2019 academic year was a successful one for NoPo.

This year Mackinnon was such a diverse and vibrant community.

We had residents from both coasts and just about everywhere in between, as well as many students from other countries near and far. Connections and friendships formed so quickly and memories that will last a lifetime have been created within these halls.

The RA team has worked hard to make Mackinnon a home to all and provide lots of fun opportunities to bring people together. Some building wide events put together include Sunday afternoon barbeques, a Halloween dinner party, a brunch study hall, and finally a semi-formal "boujee" year-end family dinner with a few awards for residents who added positivity to the atmosphere.
KAP

Kuehner, Abbott and Paterson residences were conglomerated this year as Munster underwent its rebeautification.

Students from all three buildings enjoyed some spectacular meals together, competed in a few Nintendo Switch competitions and worked through two in-house escape rooms. An epic scavenger hunt spanning three buildings was a highlight in February, and several Easter events had us seeing eggs everywhere.

Eco floor enjoyed some fantastic outdoor activities, including snowshoeing and a bike ride to North Hatley. Our new Living Learning Community, the Health and Wellness floor, debuted in the newly glamourized Kuehner residence, and students engaged in studying, self-care and some workouts together.

Challenges included the intermittent mud puddles / skating rinks between Paterson and Abbott, and the literal mountains of snow between Kuehner and Paterson (basically, good luck leaving Paterson). More than a few power outages reminded us just how much we rely on electricity, and a seemingly endless winter had us soaking up whatever seconds of sunshine were revealed in March.

Thanks for the great year!

Every month the Mack RAs each organized some smaller programs including Spa Night, Pyjama Party, Games Night, Name That Song, and an Ice-Cream Social.

Mackinnon is also the home to one of the residence Living Learning Communities: The Leadership Community. This gave motivated students the opportunity to get involved, give back, and develop skills to prepare for the future. This year the Leadership Community organized a clothing drive among other projects.

Overall Mackinnon had a great year full of friendship and opportunity. People were happy to call it their home and will look back with fondness as they proceed to their next adventure whatever that may be.

MUSIC
Organized by the SRC senators and Departments, Wine and Cheese is a great opportunity for students and professors to get to know each other in a casual environment outside of the classroom. Professors, department chairs and Deans are always in attendance at these events.
This year, QUEUC has been rebranded to 'Locating the HEART and SOULS in Higher Education: An International Conference on the Future of the Humanities'. The new title outlines the values of the conference and translates as the following: HEART (Humanities Education and Research in Teaching) and SOULS (Scholarship of Undergraduate Literary Studies).

The conference has always been an excellent opportunity for undergraduate students in the Humanities across North America to meet with fellow students and present their ideas, while also gaining valuable experience for postgraduate studies and careers. The conference featured two parallel streams, one that focuses on undergraduate research and the other that explores scholarly teaching.
DONALD LECTURE Series

Made possible by the generous support of Bishop's alumnus John Donald '60, DCL '12, the Donald Lecture Series brings speakers of national and international renown to the Bishop's campus to provide insight, provoke thought, and stimulate debate on the most compelling issues and events in the world today. All lectures are free of charge and open to the public.

The 2018 - 2019 Donald Lecture Series brought speakers from a variety of backgrounds to our campus.

This year's speakers were:

- **David Hogg**, Co-Founder of March for Our Lives
- **The Right Honorable Beverley McLachlin, P.C.**, Former Chief Justice of Canada
- **Sally Armstrong, O.C.**, an award winning journalist and human rights activist
- **Harley Finkelstein**, an entrepreneur, lawyer and Chief Operating Officer of Shopify,

All of whom shared their experience, life lessons and more with the students of Bishop's University.

This year's series was a spectacular experience and one that filled every seat in Centennial Theater at each lecture.
The annual SRC Awards night is held to recognize the students and community members, nominated by their peers, for a variety of contributions to our campus community. These awards are voted on by the SRC Board of Students' Representatives, SRC Executive Council, and other selection committees to reward those who do so much On and Off Campus, which may otherwise go unnoticed.

With heartfelt speeches, tears of joy, and smiles all around, this year's SRC Awards night was one to for the books (like this book for example).

Thank you to the MC's for taking time from your crazy exam schedules and making us laugh, Connor Blanchet and Ryann Seiler. Thank you to all those who spoke, read, and wrote testimonials about your peers. Thank you to SRC General Manager Erin Mallory for organizing the evening, and thank you to all those who helped her out.

Finally, congratulations to the winners! It was incredible to hear all the amazing things that you do on our campus, off our campus, for your students, for your peers, and how you make Bishop's more amazing. Keep being incredible!

Sending the Class of 2019 off in style

Grad Formal, or better known as "Uni-Prom" is the last formal BU event for many soon-to-be alum. It's a chance for the graduating class to get together and celebrate their college days well spent. Every year the SRC VP Student Life and a committee get together and make this event happen. Months in advance things like: decorations, venue, wine service, awards and menu are planned. The morning of the event the committee is there setting up and decorating. At the end of the event the committee is there cleaning up. All so that the graduating class can have one last major bash.

This year Grad Formal was held at The Delta Hotel Marriott Sherbrooke. It was one heck of a time. The food was tasty, the music was timeless, the pictures came out great, and the awards were both entertaining and heart-warming. Alongside the classic 'most-likely-to' awards, there were two very special awards in memoriam of two classmates that have passed away. The Rockstar Award in memoriam of Ben Houtman is presented to a student who possesses an endless love for Bishop’s and understands the true meaning of friendship. The Rockstar Award was accepted by Josh Metcalfe-Hurst. The Heart of Gold Award in memoriam of Tuan Luu is presented to a student who exhibits kindness and care in all they do. The Heart of Gold Award was accepted by Jonas and David Rumbach.

Way to go graduates, good luck on your next adventure!

Congratulations dearest daughter! We are so proud of how you persevered in your accomplishments. May your learning open up a new world of experiences and opportunities and may your future be filled with love, respect, and fulfillment.

Nicholas Cumby

"You have worked so hard (and partied harder). The dedication, that some would call stubbornness, has served you well as you graduate with a double major. We are so very proud of you and can't wait to see what's next for you."

Love You More,
Mom, Dad & Bean

Ealish Davies

Dear Ealish, Congratulations on all of your success. The future is full of more achievements and accomplishments. We are so proud of you. Love, Dad, Mom, Chris, Lisa, Evyn and Cassie
Sebastien Fisette

Dear Sebastien,
We are touched by your dedication and work ethic. Congratulations on achieving your goals. Wishing you success. Love Carmen, Martin & Victor.

Josh & Adam Metcalfe Hurst

To Josh and Adam: the grad and the undergrad. We want you both to know how proud we are of you both. Two better guys we couldn’t ask for. Josh, congratulations on completing your degree and we can hardly wait to see all the things you’ll do with your life. Adam, after only being at Bishop’s for a term you’ve already made your own “mark” and we’re excited to see all you accomplish and to share in your successes. We love you both, Mum and Dad.
CONGRATULATIONS

Paige LaPierre

We can't believe it.
Three years ALREADY?!?
Congratulations to Paige LaPierre, a 3rd generation Bishop’s graduate.
We're proud of you!
Now get out there and set things right!
Lots of love from your family.

Meghan Lord

Congratulations! I am sure it is with mixed emotions that you leave Bishop's and your purple wardrobe behind. Always remember that you are braver, stronger and smarter than you realize and loved more than you’ll ever know. So very proud. Mom & Dad.

Alex, David and Phil Marceau

Proud to see all 3 of you at Bishop's with Phil Marceau graduating in spring 2019 and his brothers Alex and David in 2020!

It seems like only yesterday you were starting kindergarten... now you're teaching a kindergarten class as a final step to your Bachelor of Education degree. When you were in elementary school, we remember you always saying that you wanted to be a teacher. Well you did it with flying colours (and marks)! All because of your hard work and determination. Congratulations! We are very proud of you. Love mom, dad and Christopher

Ashley Page
This is a special time for your mom and I to congratulate you for your hard work and perseverance.
We are so proud of your accomplishments and wishing you all the best in your future endeavours.

Luv. Ya Lots,
Mom; Dad.

Évelyne Verrette

We want to congratulate you for your graduation. We are proud of you and we know how hard you have worked to arrive there. Today, you receive the fruit of your perseverance. Once again, you have demonstrated to everyone around you that you always achieve the objectives you set before you.
May you and your fellow students be blessed on this special day.
Your parents,
Chantal Sévigny and Daniel Verrette

Jacqueline Wechsler

We are proud of you, of what you have accomplished, and the person you have become. CONGRATULATIONS! Love Mom & Stuart

Congratulations,
Class of 2019!
Raise a toast to Bishop's University
On the mighty Massawippi shore!
We're conditioned to our fate,
We will never graduate,
We will stay here forever more!

College days will linger ever in our hearts,
Wearing gowns, raising hell and quaffing ale!
And we'll show our esprit de corps
As we watch the Gaiters roar,

On to victory!
So raise your beer mugs,
And your little brown jugs
To Bishop's University!
