

# TOTAL SOLAR ÉCLIPSE

## SOLAIRE TOTALE

8 AVRIL 2024 **APRIL 8TH, 2024**

Hello,

The event is open to the public and free of charge – no tickets required.

If you need eclipse glasses, reserve them by using this link before Saturday, April 6<sup>th</sup> at 11: 55 p.m.: [www.ubishops.ca/eclipse2024](http://www.ubishops.ca/eclipse2024). Glasses will be distributed as of 1 p.m. on Monday, April 8th – see full programming below.

Access to campus is limited to the East entrance (closest to Autoroute 410). Parking will be available while spots last on a first come, first served basis. We suggest that visitors park in the streets of the Borough of Lennoxville and walk to campus - it's a 10-minute walk.

Visitors with reduced mobility: Plan to arrive early (before 11 a.m.). Individuals with reduced mobility may be dropped off near access to Coulter Field (E1 on campus map below). Note that P1 will be closed, parking may be available in P2 (see map). Volunteer on campus will be able to direct you.

Map of campus: [https://www.ubishops.ca/wp-content/uploads/MAP\\_2024-1.pdf](https://www.ubishops.ca/wp-content/uploads/MAP_2024-1.pdf)

Here are the exact coordinates for Coulter Field

## PROGRAMMING

### 1 PM

Coulter Field Opens (E1 on the campus map)

Glasses distribution

Table Displays Opens

Kids Activities Begin

### 2 PM

Animation on Coulter Field PA Begins

Countdown starts on Coulter Field Clock (at 2:16 PM)

Also available on campus: scientific kiosks, Bishop's University recruitment tables, food truck, kids zone, first aid, security, water stations, and toilets.

## DISPOSAL OF GLASSES AFTER THE ECLIPSE

Those who wish to dispose of their glasses can do so by placing them in the recycling bins located in parking lot P1. Like the recovery project which allowed thousands of procedure masks to be diverted from landfill sites during the pandemic, glasses can be recycled through the same program in Val-des-Sources, in the Estrie region.

We hope this information is helpful.

Do you have more questions, write to us: [eclipse@ubishops.ca](mailto:eclipse@ubishops.ca)

Wishing you a wonderful viewing experience at Bishop's University.
