Study Abroad Programs

How it works

- You need a 70% cumulative average;
- You need to complete 30 credits at BU before you can go;
- Choose between 1 or 2 semesters, for a maximum of 30 credits;
- You will be a full-time student, taking courses for 12 to 15 credits each semester;
- You pay Bishop's tuition and student fees for 15 or 30 credits;
- You pay accommodation, meals, transportation, travel visa and other costs abroad.

How to apply

- Check out the *Bishop's Exchange Program* website to know what countries and universities you can go to (*current students / student exchange and study abroad programs / partner institutions*).
- Visit the *Student Mobility Office* in Admissions to get the exchange application form and to ask your questions.
- Meet with the chairperson of your academic program to have the courses you will take abroad approved.
- Bring your application and all the required documents to the *Student Mobility Office* by January 30th for an exchange in the next Fall and/or Winter semesters.
- Apply to the host university.

Top 10 reasons *why you should study abroad*

- 1** Immerse yourself in another culture and enhance your cross-cultural knowledge. Become more fluent in the language you are studying at Bishop's.
- 2** Expand your worldview from a completely new perspective. Think globally.
- 3** Enhance the value of your degree and invest in your future career path.
- 4** Grow. Learn about yourself and what values define you. Toss your assumptions aside.
- 5** Understand your academic program in a new way. The world is your campus!
- 6** Strengthen adaptability, communication, confidence, and team-building skills.
- 7** Create a memory for a lifetime. Be adventurous. Explore your new environment. Try different foods.
- 8** Open your eyes and your mind to difference. Gain a new appreciation for your home country.
- 9** Make new friends from around the world.
- 10** Travel. Step outside your comfort zone. Push your limits. Embrace challenges.
