

## WINTER 2022 Exam Schedule

### Notes:

- All exam times are set to Eastern Time (local time at Bishop's University)
- In the event that the University is closed during final examinations (inclement weather or other), examinations will be rescheduled on the next available day, including Sunday, on which examinations have not been scheduled. Specific make-up dates will be announced via the website.
- Students are encouraged to read the exam guidelines prior to the end of the semester (<https://www.ubishops.ca/future-current-students/registration-and-student-records/exam-schedule/exam-guidelines/>)
- For online exams, please take note of the start and end dates - some exams are open for longer than the exam duration! For example, an exam may begin on December 10 at 9am, have a duration of 3 hours, and end on December 11 at 9am. In this example, the exam is "open" online for 24 hours, and students may log in anytime during this period to complete the 3 hour exam as long as it is completed by 9am on December 11.
- For TAKE HOME EXAMS, further details on when the exam will begin and the exact time the exam is due will be provided by your course instructor.
- **Lastly, it is the student's responsibility to be available for the entire examination period! We cannot make special arrangements for examinations that may conflict with travel or employment plans.**
